New "sites" around campus

By Rande Bayer-Spittel

NE'S EDITOR

The summer has brought with it somenew sights to the WPC camps. Some old construction work is finished, some new cnstruction has begun and a shttle bus will begin to make rouds on the campus this fall.

The librry renovation, to add study spee, is proceeding on schedule coording to Timothy Fannin, assistant vice president of dministration and finance.

The audicvisual department has been mwed to the Hobart Hall Annex:cataloging/collection development is now on the top floor o Hunziker Wing. Periodicals nd the library offices have een relocated to Wayne Hall All other library functions inluding circulating materials hae been put on the second floorof the library.

Construcon is expected to last another16 to 20 months. A shuttle bs will be serving the campus his year. It will operate Monday thru Friday 7:45 am to 5:00 pm.

Stops on campus have been designated, but according to Fanning, "they may be adjusted during the year to better accommodate those using the bus." The stops are currently located at: the Rec Center, ground floor of Ben Shahn Hall near the tennis circle, Veritans parking lot near the shelters, Gate 2 on Pompton Road. Gate 3 on Pompton Road, Parking lot 5 at Wayne Hall, and at White Hall. There is no set time schedule as the bus will be making continuous loops around the campus.

Renovations were also done in the Student Center. The Student Government Association's office space was expanded to include rooms 332 and 333. Another addition to the Student Center is a Taco Bell fast-food stand that has been added on the first floor where Pioneer Gear used to be located. Students with meal plans will be able to use their meal plan

cards there, in the commuter cafeteria and at Billy Pat's Monday thru Friday for lunch and dinner.

Construction crews have been busy finishing the new dorm, Hillside Hall, as well as completing renovations to the Wayne Hall dining facility, including new furniture and fixtures. Hobart Hall is open and ready for fall classes. An opening ceremony will be held on September 22. Another noticeable change is the recent painting of the water tower that overlooks the campus.

One construction project that didn't get started over the summer was that of a new academic building to house the budget so the contract was not awarded. We are talking to the architect," Fanning said. In the meantime, Parking Lots 3 and 4, as well as Gate 4 will remain open as construction continues throughout the year.

SGA gears up for Fall

By John F. Gillick ASST. EWS EDITOR

The Stuent Government Association as been busy this summer botlchanging and expanding its oerations.

The offics of the SGA have been expaded to include Rooms 332 ad 333 in the Student Center The additional space will flow the SGA to put its new omputers in their offices. Th new offices will also includer conference room with a televilon and VCR that will be hookd up to satellite. The SGA summer legislature passed \$26,500 for a four work station, upgradable computer system. The system will have graphic capabilities including the ability to do resumes and flyers, according to Daniel Cimmino, SGA president.

The SGA summer legislature also passed a \$15,000 grant to the college to build outdoor basketball and volleyball courts. "This is something that students requested two years ago. The Rec Center will be taxed with the new residents also using it." Cimmino said.

\$1,500 was passed for a promotional video for the SGA to be used during Orientation. The video was completed by Romney Video, a company run by WPC alumnus Terrence Romney.

An SGA picnic has been planned for the fall as well as the spring, Cimmino said, and the SGA retreat will occur October 1 and 2. A Club Fair has also been scheduled for Wednesday, September 15, in the front of the Student Center from 11:30 a.m. to 3:00 p.m..

COPYRIGHT 1993, VOL. 60, NO.5

Executive Vice President Eda Ferrante has been requesting donations from corporations for this year's SGA-sponsored holiday party for local orphans.

Cimmino went to the WPC Board of Trustees to ask for an increase in the Student Activity Fee but was turned down because of the SGA's \$130,000 reserve. He plans to request the increase again once the SGA has stabilized its reserves at \$100,000.

This year Legislators will be required to spend one hour a week in the SGA office to be available to the students who wish to voice their opinions and concerns.

The Student Government office is located on the third floor of the Student Center. Currently the Executive Board's office hours are by appointment only, call 595-2157.

The next issue of **The Beacon** will be out on September 13.

A Letter from the Editor

By Pamela Johnson

As I was moving into my dorm room this August, I began to think about how I felt when I first moved in as a freshman. It was exciting, fun, disappointing and frankly, it felt a lot like camping out for a while. Maybe those goofy orientation name games did help a little, but I suppose they just don't cut it if things aren't going well. However, I eventually discovered lots of interesting people on my own who felt the same way I did. Some of those people I am still close with today, some I just remember fondly. There's a few I'm still trying to forget.

The Beacon welcomes the class of 97' and prints this orientation schedule with hopes of being of assistance.

Even those students who are confident that they made the right career choice may change their mind as a result of the growth they experience in their college years. Although the transition from home to college (or from high school to college) can be very shocking, most of the problems that the transition entails will not greatly effect anyone's future. Actually, they are inconsequential in comparison to the larger and more important changes that a person will go through as his or her horizons are broadened by education. These changes are different for everyone and personal growth is equally subjective, therefore this column

In the long run, bad roommates, a difficult commute, lousy food, and parking problems may make life here a lot more difficult, so try to remember that all of those problems won't really matter after college so don't let them interfere with the tremendous growth that college will hopefully bring.

Ideally, this column would be irrelevant. I hope many freshman skimmed over this and thought it didn't apply to them.

Pioneer action returns this fall WPC teams gear up for upcoming seasons

By Joe Ragozzino CO-SPORTS EDITOR

After three long, hot summer months, the silence and emptiness of Wightman Field and the WPC Rec Center will soon disappear. The sounds and echoes of hard-hitting tackles, grunting spikes, loud slapshots, booming kicks, and cheerful fans will all come together as part of an exciting fall sports season on the WPC campus. The Pioneers are back in action and are looking to add a few more titles to a long list of WPC championships. Here's a detailed insight on what to expect this upcoming fall:

FOOTBALL

Last season, the Pioneers were denied post-season play, despite an impressive 8-2 record (4-2 NJAC). Under Head Coach Gerry Gallagher, who enters his fifth season at the helm with a career record of 23-16-1, WPC consists of key players who are determined to achieve another successful season.

Heading the list of returness is senior quaterback Rich Smith, who will spearhead the potent wing-t offense. Smith provides the necessary experience as he threw for 750 yards (52 percent) and seven touchdowns in 1992. His primary target will be 1992 Honorable Mention All-NJAC junior receiver Stafford Washington, who had 20 receptions and three touchdowns. Senior running backs Al White and Kevin Harmon comprise of a formidable backfield. White continues his phenomenal career as WPC's all-time rushing leader (2,544 yards) and scorer (226 points), while Harmon demonstrated his versatility by catching 20 passes for 224 vards last season.

second team All-NJAC last season.

The team will open its season against Geneva (Pa.) on the road Sept. 4.

VOLLEYBALL

Head Coach Sandy Ferrarella has molded a powerhouse Lady Pioneer volleyball tive and powerful spiker. Sophomores Cynthia Ficarra, Kim Vieira, Carolyn Fuhr, and junior Wendy Reider will see plenty of action as the team sets its sights for another banner year.

The Lady Pioneers will travel to FDU-Madison for its season opener Sept. 9.

THE REPORT OF A DESCRIPTION OF A DESCRIPTIO A DESCRIPTION OF A DESCRIPTION

WPC football players in action during last season.

On defense, WPC will feature Kodak and Associated Press All-American safety Craig Paskas. The 6'3" 200 pound senior led the squad with seven interceptions a year ago. The front seven is considered one of the best in the NJAC, allowing only 3.6 rushing yards per carry last season. Senior linebackers Tom Horner and Garven Hadden and senior defensive tackle Tony DeRosa combined for 21 sacks. The aggressive trio were also named program over the past four seasons. During that period, the Lady Pioneers built a dominant 72-35 record (.673), including the 1991 NJAC championship and last season's 18-7 mark. With six returning players, the Lady Pioneers are the clear favorite to take this year's title. Senior co-captains Terry Ryan and Patty Scrofani are the NJAC's top one-two punch. Ryan was named second team All-NJAC as a setter last season, while Scrofani is an effec-

FIELD HOCKEY

This year's Lady Pioneer field hockey team enters the season with high expectations. Sixteen returning players have translated to these expectations as the Lady Pioneers hope to improve from last season's 4-10-1 record (1-6-1 NJAC). Sophomore goaltenders Erin Bowden and Maureen Harte had respectable seasons as first-year players. Bowden posted a .704 save percentage, while Harte has a .815 save percentage. On the field, the Lady Pioneers display a plethora of skill players, led by sophomore forward Terry McKean, who recorded a hat trick in WPC's 4-0 victory over SUNY-Oswego last season. Other players who will try to pick up from where they left off include junior midfielder Lora Orta (two goals, one assist), sophomore Karen Cecere (three assists), and Julie Cicillini.

WPC will take part in the Vassar Tournament Sept. 4-5.

SOCCER

Rebuilding is the key word for the WPC soccer program after last year's 1-18 season. This year's team consists of talented newcomers brought in by second-year Head Coach Brian Woods. Junior fullback Mark Housel and junior goalie Scott Bennert, products from Ocean County College, are two key additions who will help fill major holes from last season. Sophomore Emir Yaha and John Ezmat will be the two scoring weapons for Coach Woods. Yaha led the Pioneers in points with 10, while Ezmat. recorded three goals that was tops on the team. Also look for Giovanni Soto, Bill Ioannou, and Joseph Sodje, who played on the Nigerian national team, to make key contributions.

The Pioneers will host U.S. Merchant Marine Sept. 1.
