"There is nothing Nature loves so well as to change existing forms . . ."

A tree . . . a constantly changing entity . . . In spring its foliage brings new life; in fall, its colors blaze brilliantly before they die into the muted brown of winter. With each season the tree is changed ever so slightly, but gradually the cumulative effects of the seasons produce a different tree — one larger and better prepared to meet the elements of its life. And so it is with the individual student.

"The longest journey is the journey inward . . ."

It is the process of attaining knowledge and awareness of self, which must come before comprehension of others.

The individual's microcosm widens by his encounter with the ideas of his predecessors and his contemporaries; his thoughts metamorphosize from those of the here-and-now to those of the future.

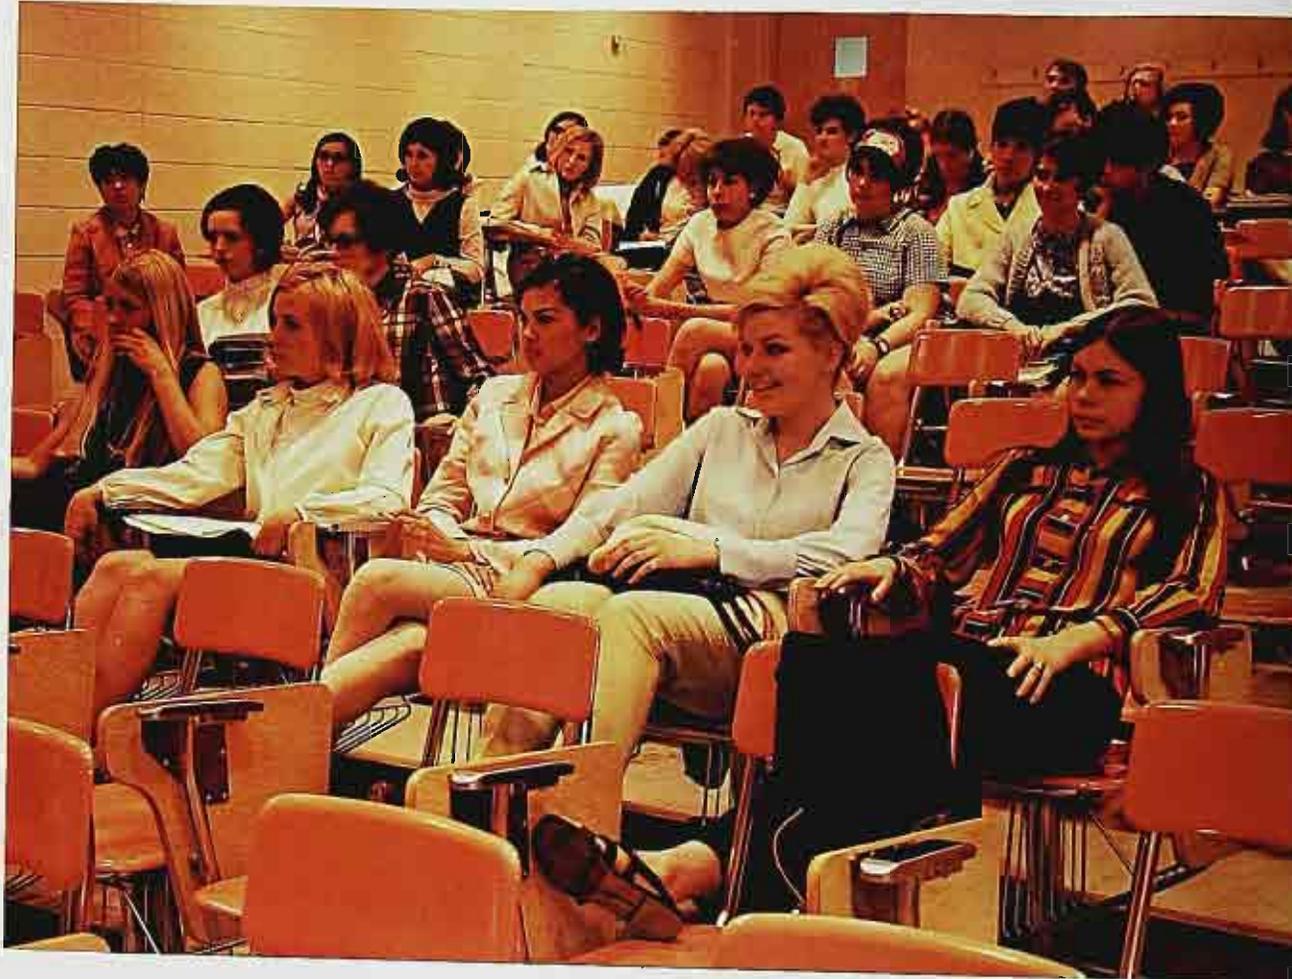

"Change is illusory — the shadow on the cave wall. Real change only occurs in the minds, behavior, and hearts of men."

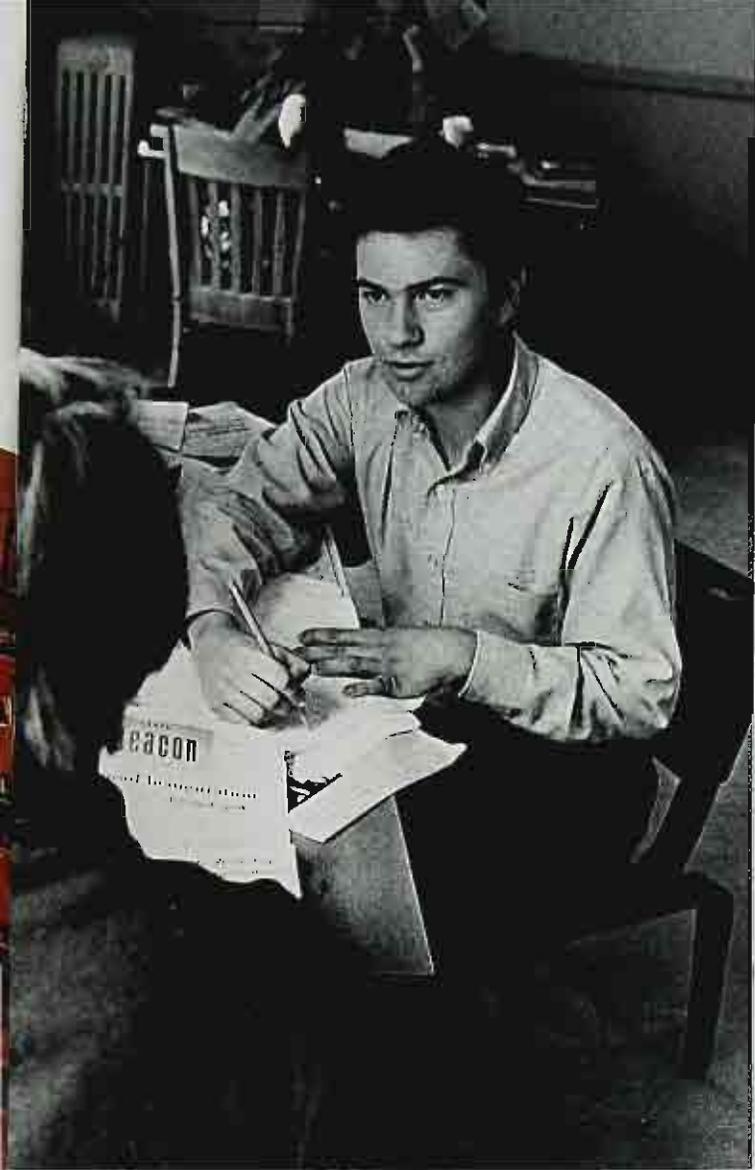

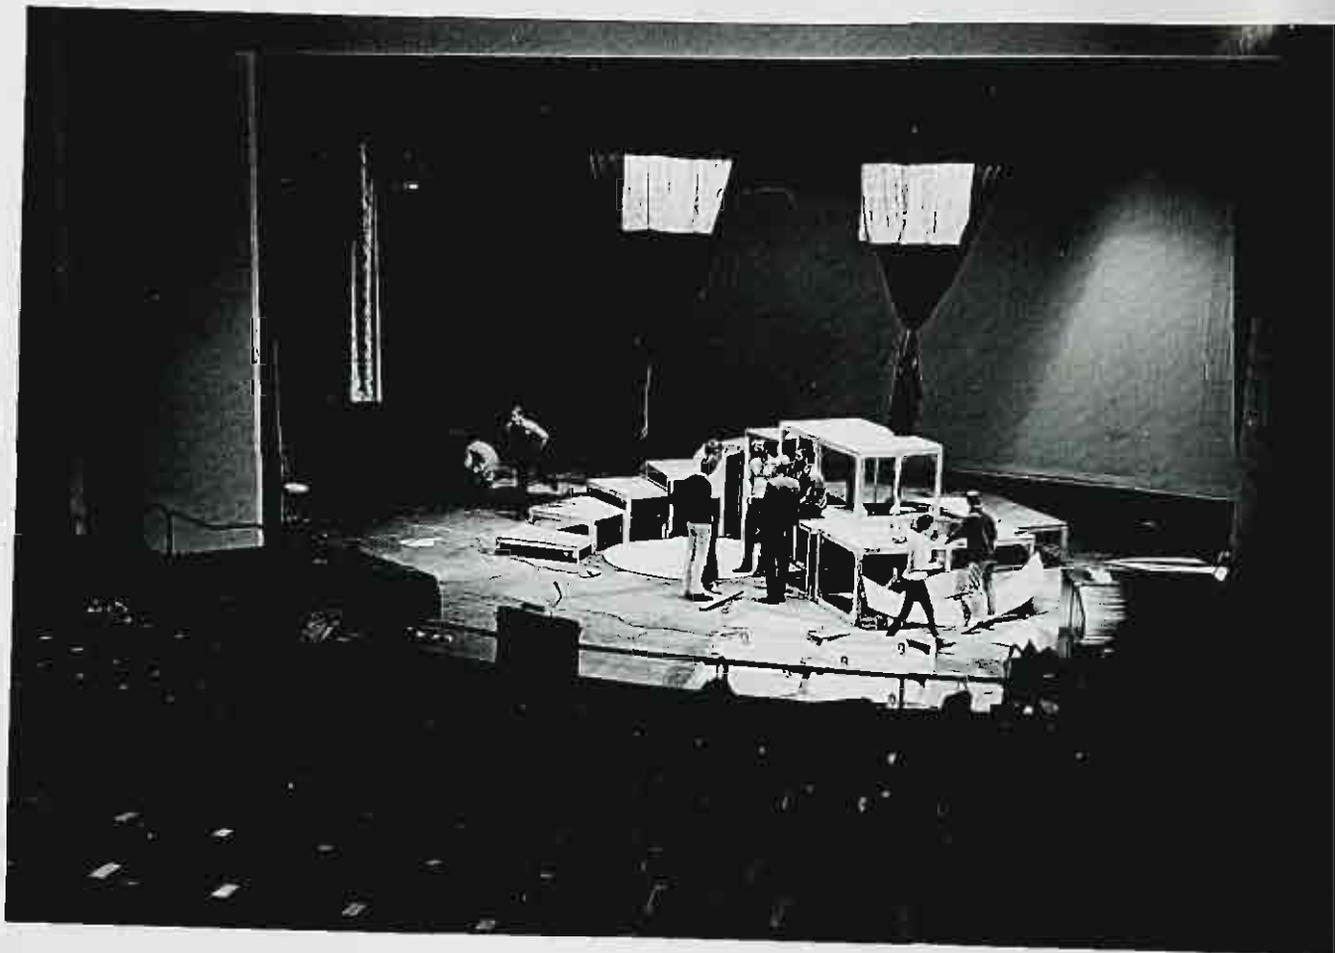

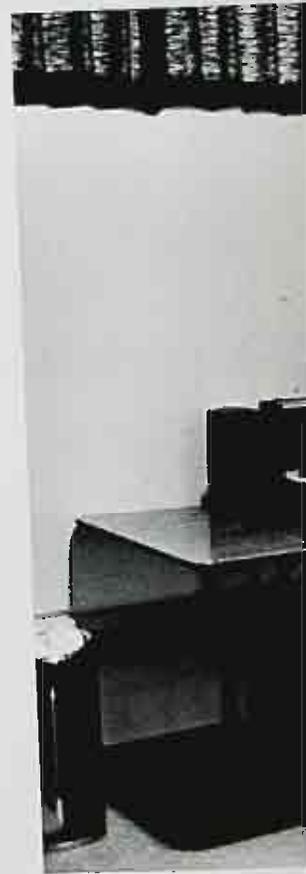

Through involvement in a multitude of experiences — study, class activities, clubs, student government — true growth and change are developed.

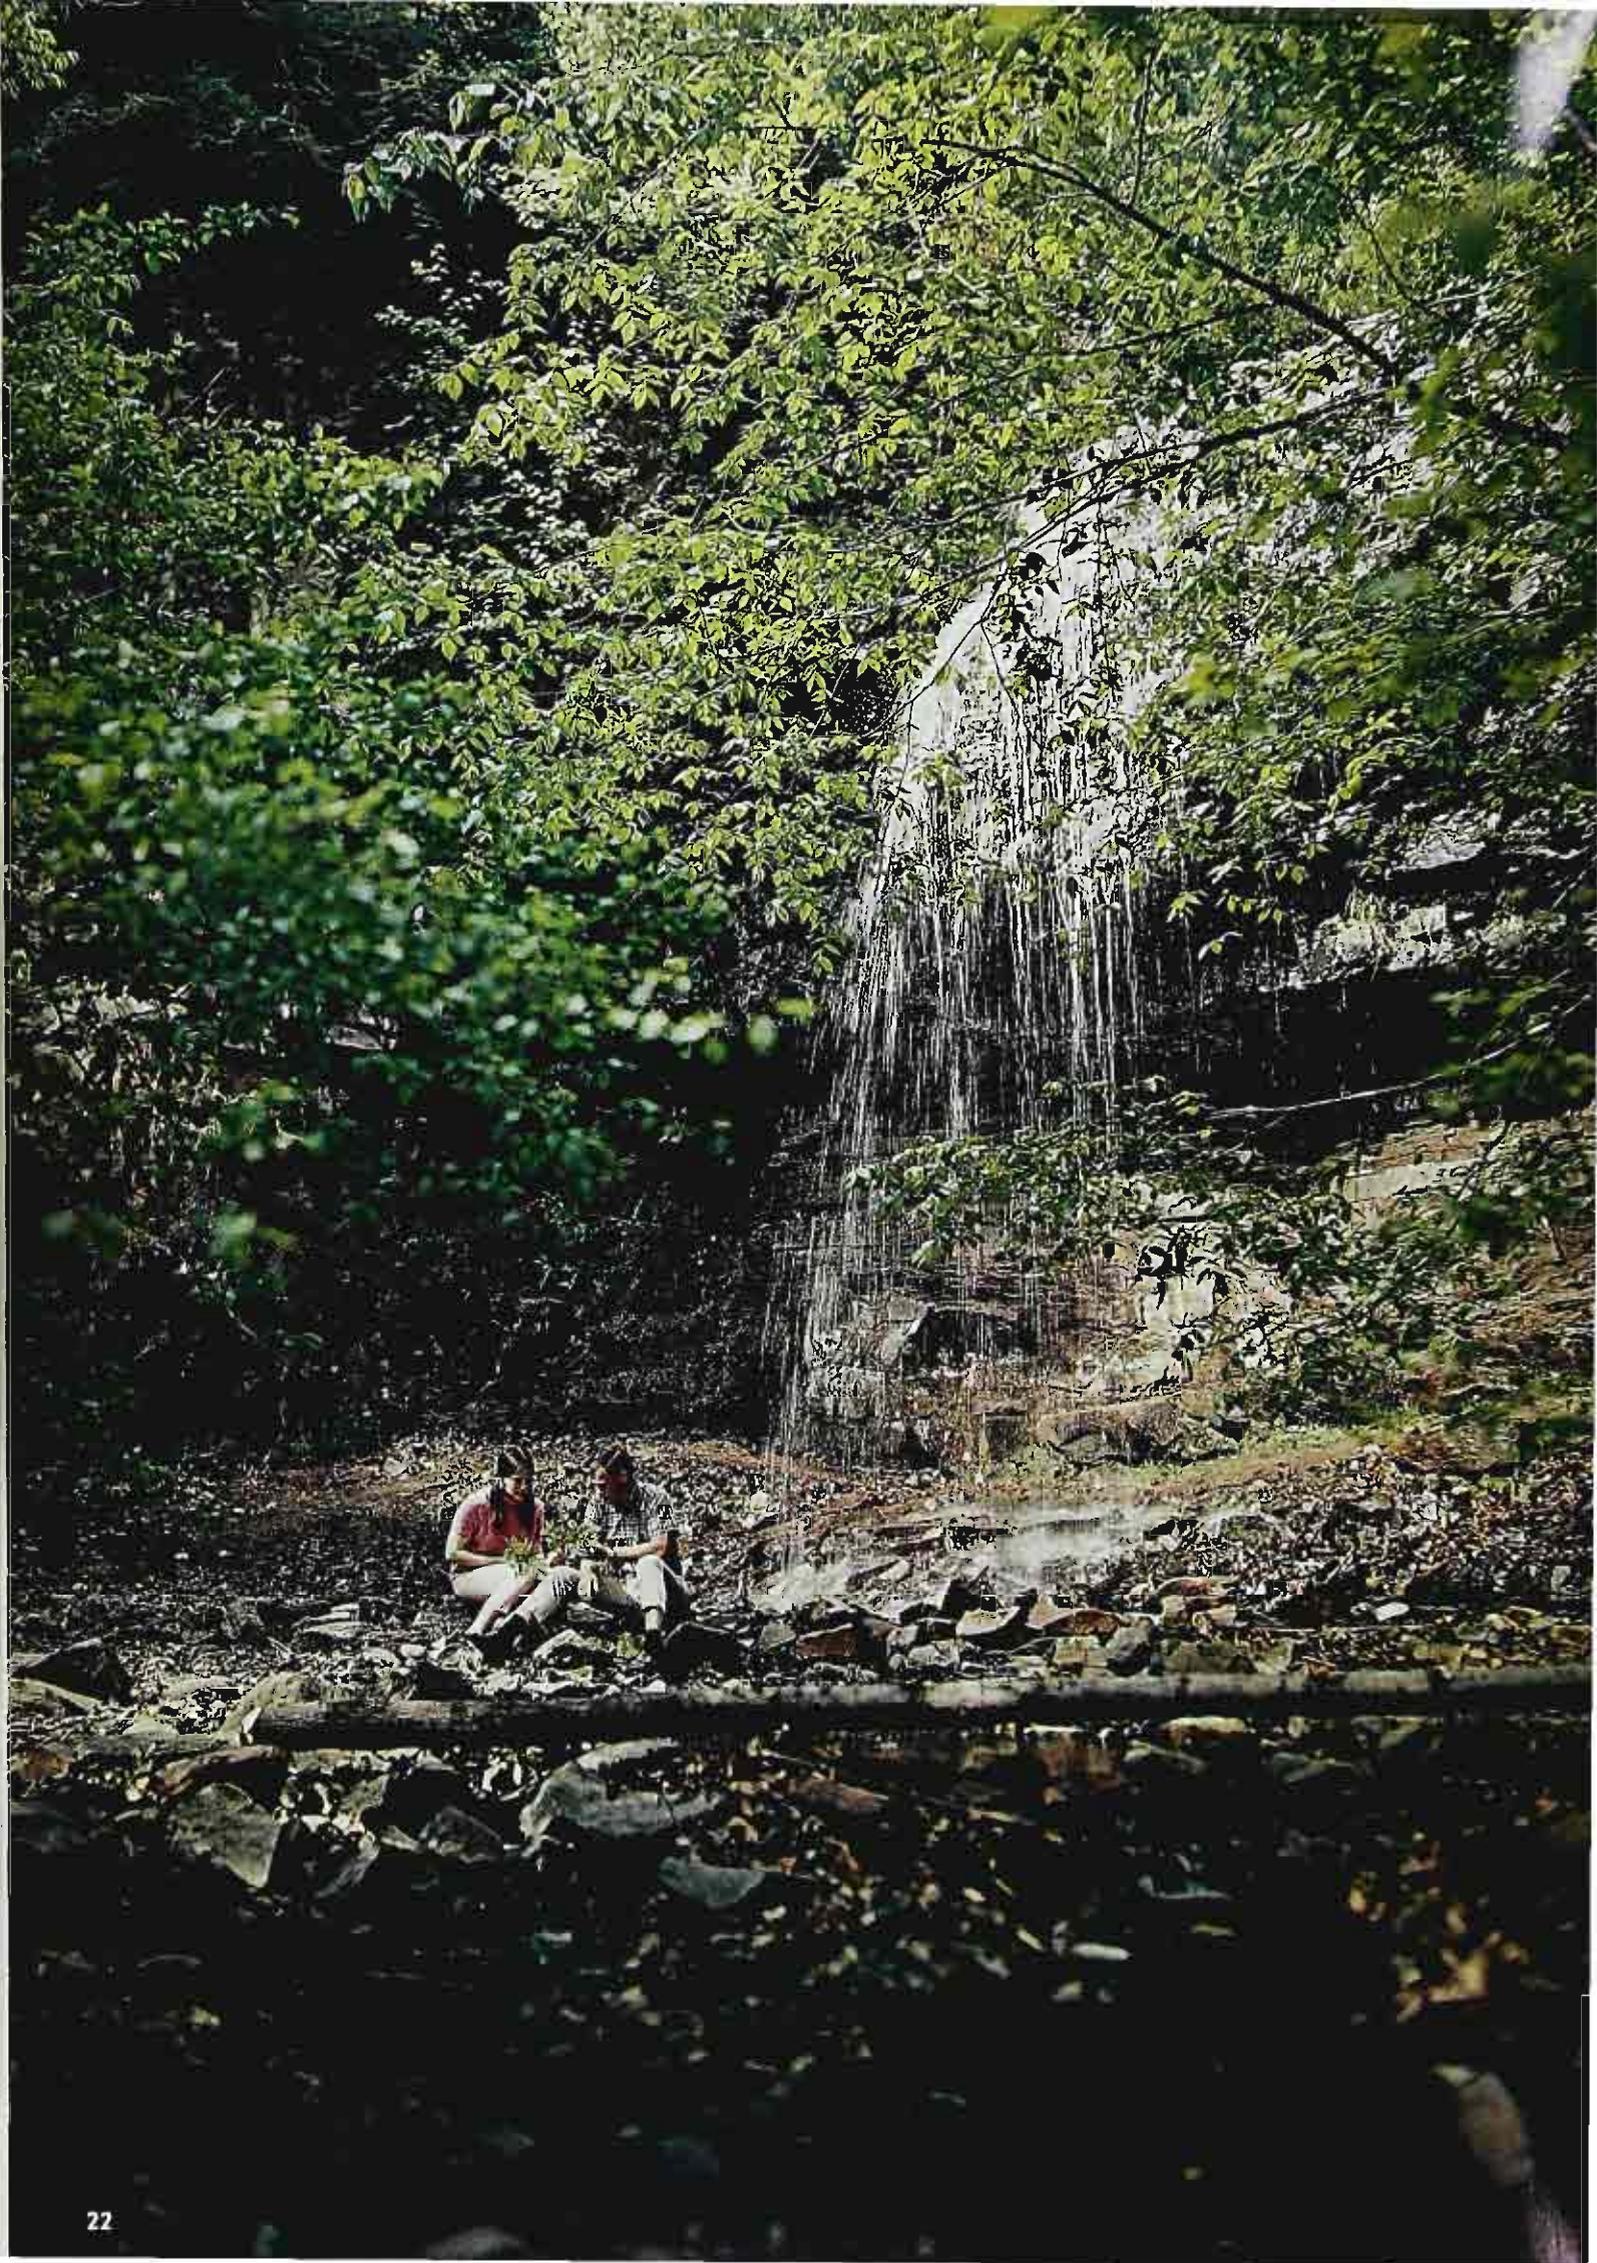

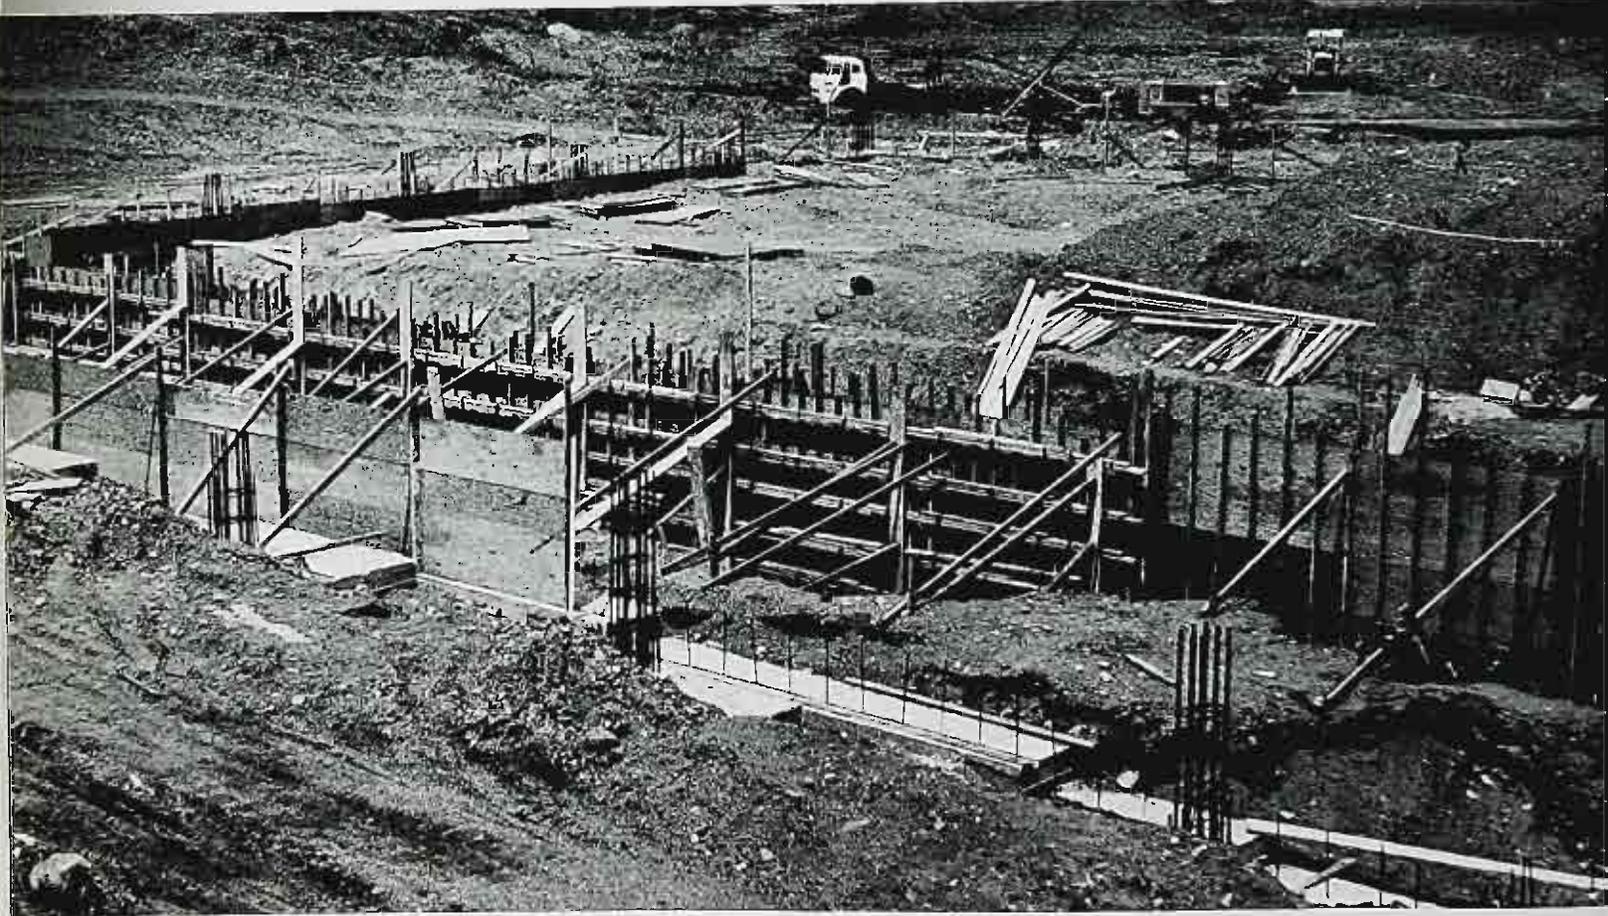

Each experience is but a smaller part of the whole. It is a foreshadowing of and a preparation for what is to come. The ideas, skills, and beliefs are explored and assimilated — some are rejected. But those that remain become an integral part of the individual, producing a new entity which will, in its own way, affect the movement of the universe.

A college campus not only experiences intellectual and philosophical renovation, but in this time of overwhelming expansion, it experiences physical alteration as well. This year Paterson State acquired Buttermilk Falls and saw the development of the Information Center in the Octagonal Room. Another major addition to the campus was the Fine Arts Building, which is under construction.

The most auspicious change for Paterson State College in the year 1968-69 was the arrival of its new president, Dr. James Karge Olsen. Under his leadership, new curricula, departments, and administrative posts were developed; the new Fine Arts building was begun, and plans for many other necessary structures were completed. Both tangibly and intangibly, Dr. Olsen made it possible for the college to progress in the fulfillment of its role as a potential university. He promoted the need for improved higher education in New Jersey by endorsing the Bond Issue and the bid for fiscal autonomy for the state colleges.

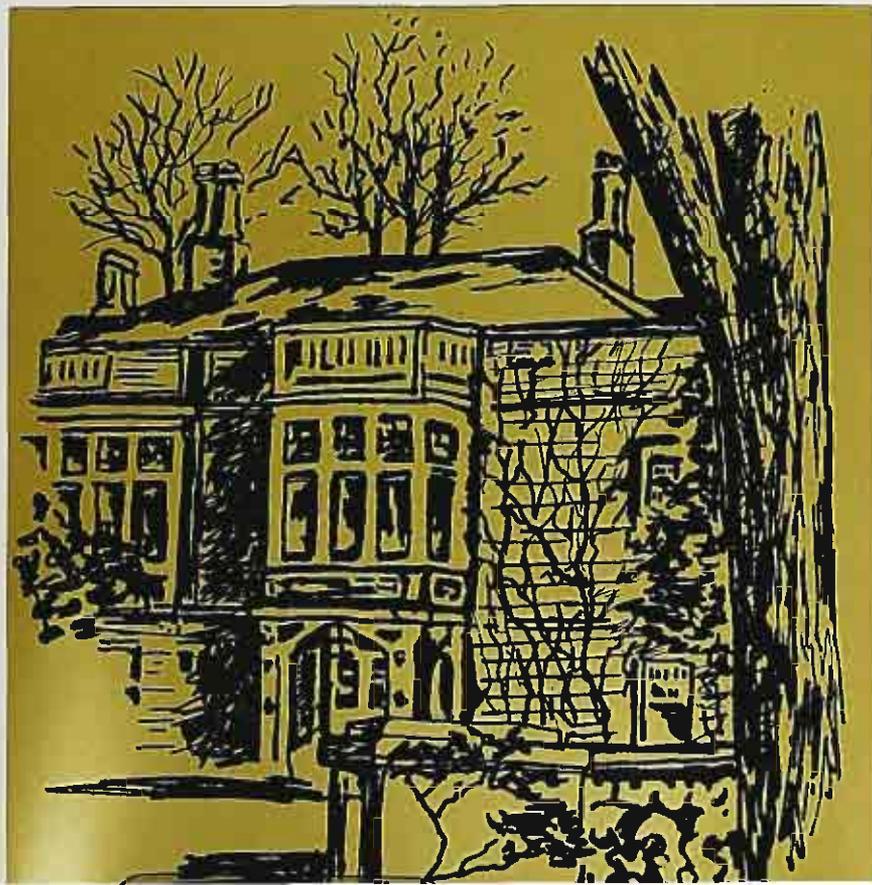

For his efforts to advance the growth and welfare of Paterson State College and its students, we dedicate this yearbook to President James Karge Olsen.

Administration and Faculty

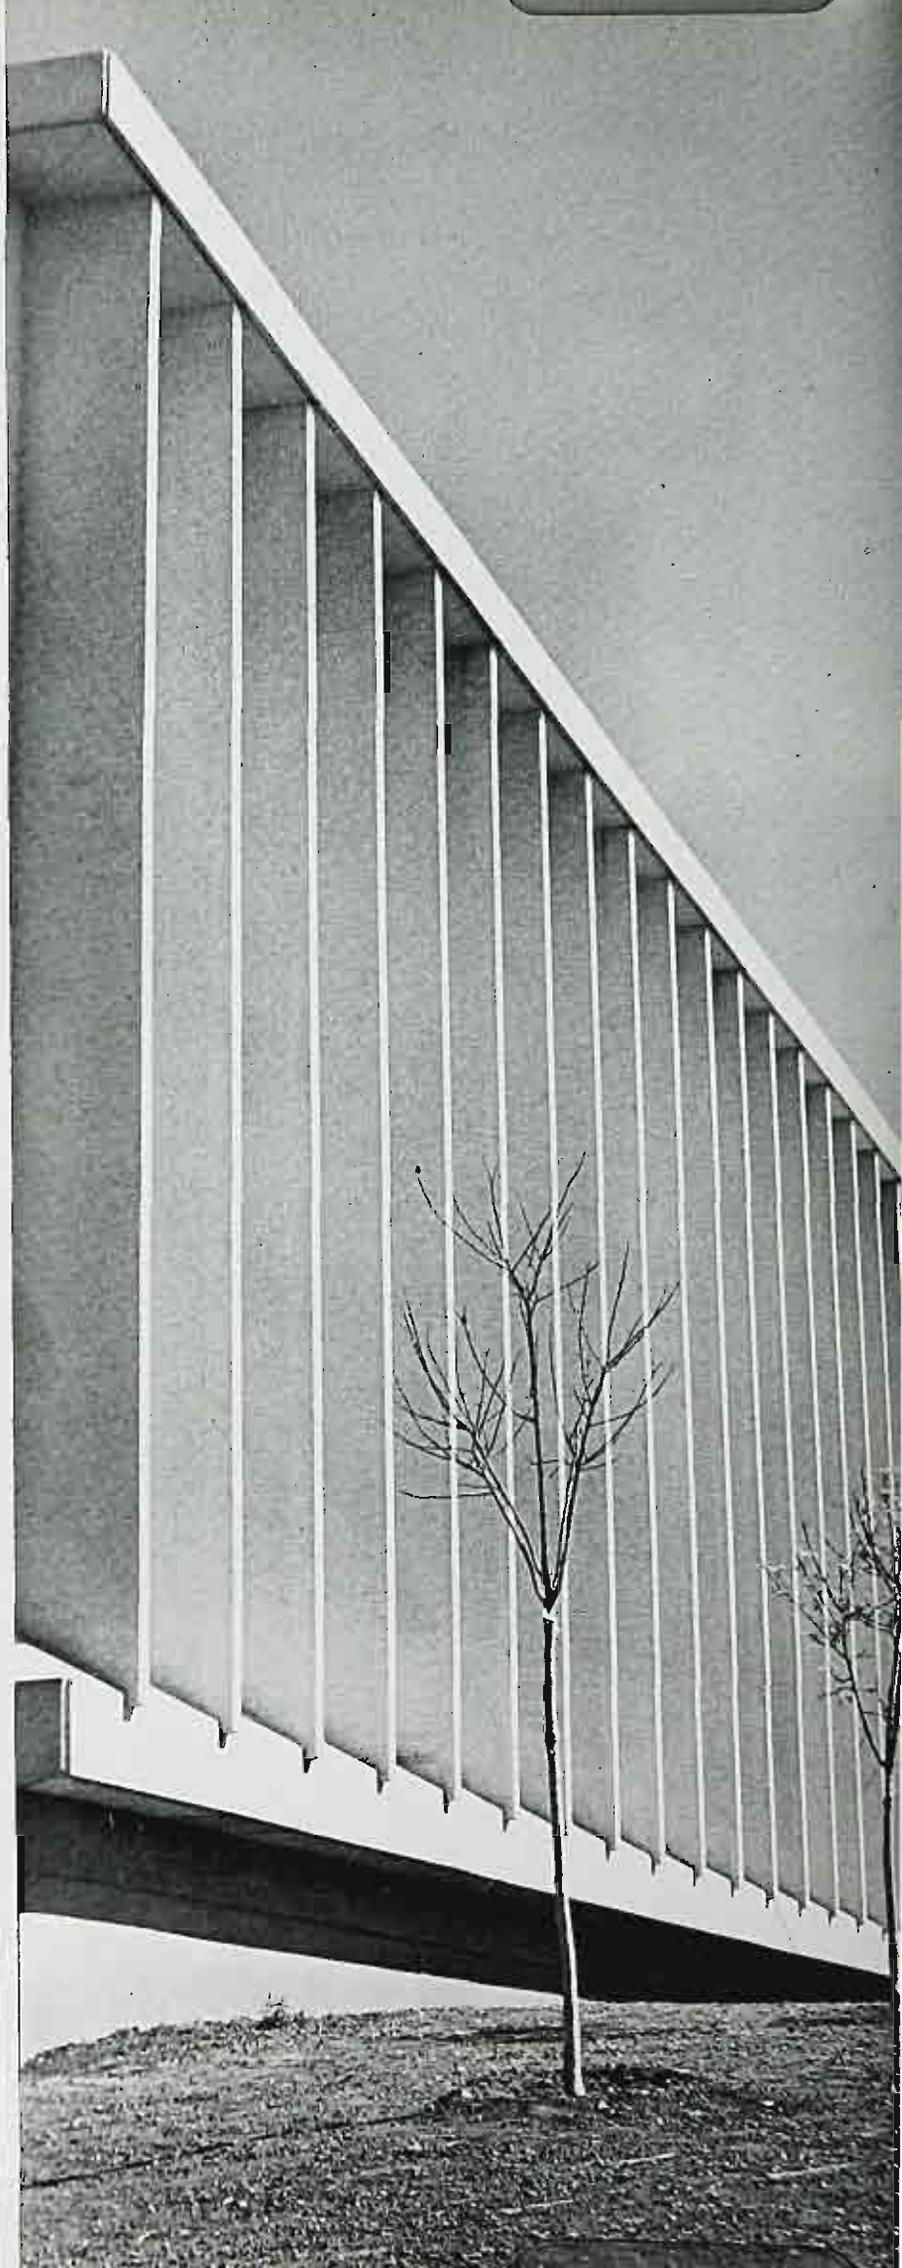

Guidance by administrators and teachers plays a vital role in the growth of the individual student and the college as a whole. As Paterson State expands more professional services are required, thus introducing new faces and new ideas into the college community.

Change is the one constant. Paterson State College was in step with that constant in 1968-1969, a year of change for the College.

The fall term began with a full-time day enrollment in excess of 3500, the largest in the history of the College. Within that figure were 1252 new students on our campus. Sixty-six new faculty joined the staff in September, 1968. A new administration appeared on the scene. The Faculty Senate began its first full year. The Student Government pursued another responsible year.

We can say it was a year of accomplishment as the College strived to achieve its multi-purpose character and served those needing and desiring both arts and sciences and professional programs. New administrative posts, including vice-presidents and deans, and additional faculty positions were authorized. The building of the new Fine Arts Building was begun. Planning for a science complex, behavioral science building, college union and residence halls was completed. Efforts were made and are continuing to be made to fill, after the buildings just listed, the single most pressing need for the College, physical education and athletic facilities.

All groups of the College participated in two central issues involving the State of New Jersey, its government and the future of the College. They were the successful campaign for the November, 1968 Bond Issue which will enable about 7½ million dollars worth of capital improvements on our campus and the campaign for greater autonomy for the State Colleges, not only for the purpose of efficiency and economy, but to assure the integrity and identity of Paterson State College.

Above all, the college community evidenced greater awareness of its responsibilities to the society at large, a concern for the socially and economically disadvantaged. And, as the college seeks to accommodate hundreds of more students annually, it is giving testimony to the citizens of New Jersey that it is alert to the needs of the thousands of high school graduates in New Jersey who are educationally disadvantaged in that they do not have, compared to other states or commensurate with the capacities of the State, the opportunity for public higher education within New Jersey.

Yes, it has been a year of change — more importantly, a year of progress. Progress that has been responsibly achieved by all members of the Paterson State College community — students, faculty, trustees, alumni and administration. Kindly permit me to express my very sincere and profound gratitude to all who have participated in this year of change.

I extend the warmest congratulations to the Class of 1969 and the equally sincere hope that they will return to their College frequently in the years ahead.

Faculty Senate

The Faculty Senate, which is in its first year, consists of thirty-seven members selected on a departmental representation basis, with three members at-large. This body is primarily concerned with determining college policy on curricula, personnel, and other aspects of college life. The Senate encourages student participation as voting members on its committees and has been in dialogue with the Student Government Association in an effort to bring about this end.

Student Government

Student Government must respond to the student of the time. The college could not function if the student government were not aware of the multiplicity of aims and attitudes in the college community. It is those students who are attuned to the currents of thought on campus who make the student government a working organism and who make it possible for physical and ideological alteration to take place on campus.

"Some men see things as they are and say why;
I dream things that never were and say why not."

Robert F. Kennedy

This quotation aptly fits the students of Paterson State College. As a person goes through four years as a student he will see the campus population expand in attitude and involvement. This period of transition is a trying one but the goals that we are striving for, such as equal acceptance for students in all levels of college life, are worthy ones. It is true that we are behind the progress made in other universities, but significant gains have been attained. In the past year, issues such as recruiters on campus, fiscal autonomy for State Colleges, student representation on Faculty Senate sub-committees, a code for non-violence, approval of final exam schedule and a change of the activity period were provided for and by the students.

As added features to this year of firsts for our college, we enjoyed a Homecoming, a 15-1 Cross Country team, an undefeated Swim Team, and student involvement on committees for a new student union and dormitories.

This, in short, was a year typical of the progress we have enjoyed for the past three years. In an atmosphere such as this, our students have not only learned within the classroom but outside it as well. The education gained throughout all aspects of campus life will become apparent in the years to come.

To the graduates of 1969, I wish you much happiness and hope that you will remember this era of change and your role in it. You may not see the goals realized but your efforts will always be recognized when Paterson State College lives up to its potential as an institution for all.

Senior Class

Four years have come and gone quickly, yet the Senior Class of 1969 has bred many significant innovations in the academic and social environment at Paterson State College. This is not a recapitulation of our college experiences in the last four years for they dwell in our minds as cherished memories; however, this is sincerely a tribute to you, the graduating senior, who has played an important part in making our class one of the most prosperous and active classes in the history of Paterson State.

As freshmen, we soon realized that our college community was not so established in its ways, but was in fact a growing organism, depending solely on the individuals in its classes to grow and mature in the college community itself. The Class of 1969 best realized these growing pains, and as any interested faction of a society, guided that growth in a very successful direction. We encouraged change when change was necessary, and discouraged change when its effects seemed detrimental. We worked unselfishly, not only for each individual in our class, but for the total student body.

The Senior Class has taken definite stands on those problems which made life on campus difficult at times, yet interesting. We have been fortunate to have a good percentage of our class active in the political, social and academic aspects of Paterson State College, and as a result, the Class of 1969 has had a very strong voice in campus activities during our college career. I would personally like to thank each graduating senior for his sincere interest in our class policies.

With graduation comes the separation of a class united. However, the achievements of four years of hard work surely do not become memories or past remembrances. What we have built up for our college and for our class has definitely affected each of us as individuals. The perseverance we have learned will be most beneficial to all of us during our lifetimes. The interest and sincerity in our efforts will be guidelines for our children to follow. Each senior should be proud of himself for every effort and contribution he has made during his stay at Paterson State College. The class contained an enormous capacity for creativity and innovation. We have been represented on many college activities from clubs to policy-making bodies, in a most distinguished character. Our class members have worked many long and tedious hours on mixers, sports events, cultural activities, and class projects, all with one goal in mind—to succeed to the best of our abilities. The Senior Class has accomplished these tasks most successfully. I am sure no senior will ever lose the memory of our Junior and Senior Proms, the highlights of our college years as upperclassmen. Experiences such as these should not be lost all all, for next to academic success, these memories will be cherished and talked about for many years to come.

In closing, I feel most indebted to each senior for his trust and confidence in myself and the executive board of the Class of 1969 who worked so hard, in hours, spirit, body and mind, in guiding such a complex machine as the senior class. Personally, I would like to thank all those people who contributed to our college community, and especially our class adviser, Dr. Leslie Kenworthy, for his untiring efforts in advising all the seniors during their years at Paterson State College.

I would like to wish all the members of the Class of 1969 the best of fortune and happiness in the years which lie ahead. May your unending inspiration light the fires in the hearts of each child you may teach in the profession to which you have chosen to dedicate your life.

Outstanding Students

The students whose influence is most profoundly felt are those who give of their time and energies for the betterment of the college community. The outstanding students of Paterson State College have helped bring about reform and change in campus academic, social, and governmental structures.

Copenhagen Students

Through the New Jersey Semester Abroad at Copenhagen program, four students were able to study in educational and sociological situations very different from their own. Besides earning fifteen credits, the students toured East and West Berlin, Italy, Switzerland, Germany, Austria, and Russia.

Kappa Delta Pi

Kappa Delta Pi, an honor society in education, annually initiates those students whose academic average and activities both on and off campus warrant their acceptance into the society. During 1968-69, Kappa Delta Pi was involved in tutoring, held a Dean's List Coffee Hour and an Initiation Banquet, and awarded two scholarships.

OFFICERS: Terry Florio, President; Jo Ann De Marco, Vice-President; Judy Pinder, Secretary; Joan Masterson, Treasurer; Sue Crawford, Historian; Dr. Albert Carpenter, Adviser.

Alpha Psi Omega

Continuous hard work in the theater is an integral part of the requirements for membership in Alpha Psi Omega. This dramatic honor society elects members on the basis of points awarded for acting and backstage work. At the formal induction ceremony, which occurs on stage, the inductees must prove themselves worthy for membership.

OFFICERS: Karen Strapnick, *President*; Steve Heliker, *Vice-President*; Eileen Collier, *Secretary*; Dr. Robert Leppert, *Adviser*. **MEMBERS:** George Clapper, Mike Stanton, Linda Fisher. **INDUCTEES:** Nancy Peer, James Lavin, Marly Zurla, Valerie Attala, Marge Bandino, Vickie Franke, David Macdonald, Sue Dahlinger, Ronald Flannery, Roberta Kostove.

Outstanding Seniors

Barbara Hradil was awarded this honor for four years of enthusiastic participation in the work of the Class of 1969. She has been on committees of all sorts: the Ricky Hummel Blood Drive for three years, four years at the leadership laboratory, participation in the Student Government Association as treasurer, class representative, Carnival chairman, elections committee member, vice-president of the Student Co-operative Association, and representative to the Eastern States Conference. Barbara has also been a member of the Inaugural Steering Committee, the Final Examination Committee, and has been active in the Student Education Association. She is a kindergarten-primary major who has a fine potential as a teacher and is an outstanding representative of her class and her college.

Bob Moore received the award for an outstanding record as an involved student and college citizen. Bob has worked on the Beacon as a sports writer and editor, has been president of the Student Government Association, and is currently serving as president of the Student Co-operative Association. He has been on the varsity cross-country team and the varsity fencing team, both for four years. Bob went to Poland as a college representative in the Experiment in International Living. He was elected to Who's Who in American Universities and Colleges. He has participated in the leadership laboratory for four years, and has been a representative to the Eastern States Conference. With all his activities, Bob has also maintained a better than average academic record.

"If a man has talent and cannot use it, he has failed. If he has a talent and uses only half of it, he has partly failed. If he has a talent and learns somehow how to use the whole of it, he has gloriously succeeded, and won a satisfaction and a triumph few men ever know."

Thomas Wolfe

Experiment in International Living

The Experiment in International Living has introduced the cultures and people of foreign lands to students throughout the world. Six Ambassadors were sent from Paterson State to live with families in Austria, Czechoslovakia, India, Nigeria, Poland, and Turkey. Each one experienced the joys and sorrows of being a family member in a culture that to them is no longer foreign.

Media and Organizations

Media and organizations grow with the ever-changing population of the college. Similarly, they contribute to the development of each individual member. It is through these groups that students can express their widening opinions, participate in activities, and evaluate others' views. Each contact with campus media, each experience as a club member adds a new dimension, no matter how small, to the totality of the individual.

Pioneer

A yearbook reflects the growth and change in campus life evident over a one year period. It is the task of the yearbook staff to capture these changes and make them memories, for after that year, that is all they can be. The 1969 *Pioneer* staff attempted to record the atmosphere and events on campus in the year 1968-69 in the belief that, for having spent this year at Paterson State College, for having encountered these new experiences, the total essence of each individual will be uniquely changed.

MEMBERS: Bonnie Du Brow, President; Carol Lawless, Vice President; Arlene Pelaja, Treasurer; Linda Bufardecì, Recording Secretary; Donna Dean, Corresponding Secretary; Patricia Smith, Parliamentarian; Maxine Curlee, Social Coordinator; Darlene Sisco, Historian.

Xi Lambda Chi

The sisters of Xi Lambda Chi are among the active and willing workers at Paterson State. Their participation in the College Carnival was highlighted by their receiving the award for the most creative booth. The sisters also participated in the successful Ricky Hummel Blood Drive.

OFFICERS: Chris Trzepacz, President; Sheri Lamerling, Vice-President; Linda Manuel, Treasurer; Pattie Pries, Corresponding Secretary; Barbara Wesler, Recording Secretary; Barbara Williams, Social Co-ordinator.

Skull and Poniard

Skull and Poniard, the oldest fraternity on campus, has shown continued participation and leadership in school affairs especially in the field of athletics. This year's Intramural Football Champions, the brothers sponsored a basketball game which featured the New Jersey Baseball All-Stars. The fraternity also has the unique tradition of awarding a necklace to the reigning Campus Queen.

OFFICERS: Rich Miller, Brothmaster; Bob Jannocone, Deputy Brothmaster; Vince Caruso, Fundmaster; Gerry Donahue, Scribe; Sal Puzzo, Historian; Mark Toscani, Corresponding Secretary; Domenick Pelosi, Sergeant-at-Arms.

Lambda Nu Omega

Lambda Nu Omega has participated in the Ricky Hummel Blood Drive, the College Carnival, and the President's Inauguration. The sorority is also represented on the I.F.S.C.

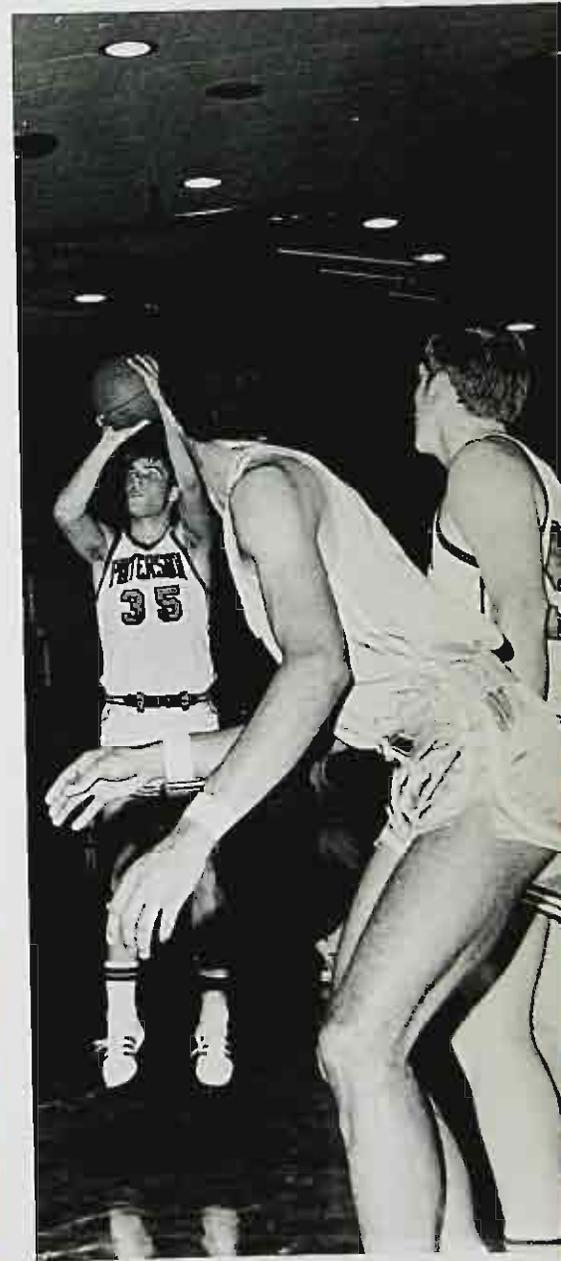

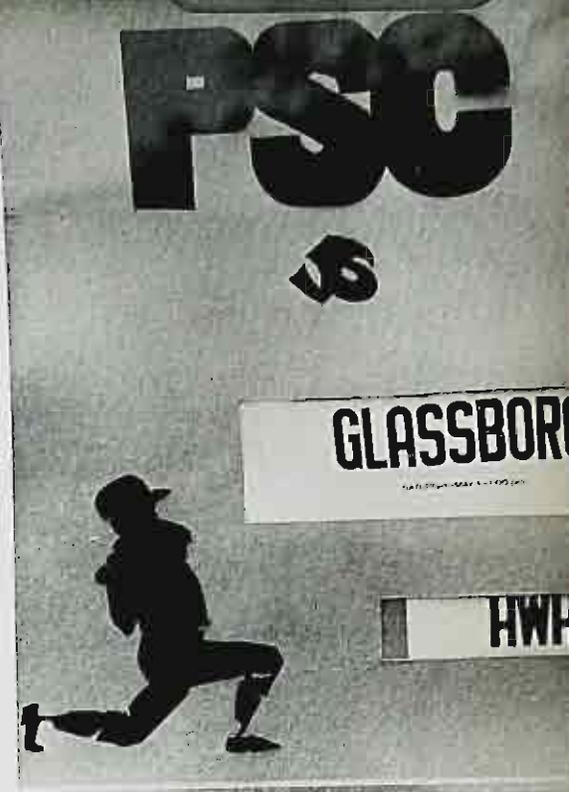

OFFICERS: *Barbara Tanis, President; Charlene Hintzer, Vice-President; Helene Osur, Secretary; Joan Capuani, Treasurer; Dorothy Chapman, Historian.*

Psi Omega Chi

Psi Omega Chi Sorority has been actively involved in various campus events including the Ricky Hummel Blood Drive, and the Peter McCabe Collection. This year the sorority has added to the success of both the College Carnival and the Homecoming.

OFFICERS: *Ruth Donikowski, President; Mary Ann Smith, Vice-President; Barbara Ablahani, Secretary; Patti Hess, Treasurer; Patti Atkinson, Social Chairman; Denise Merin, Pledgmaster.*

Athletics

Athletics are perhaps unique in that they provide for the physical as well as mental development of the individual. Varsity and intramural programs insure that each individual has an opportunity to participate. Paterson State's athletics have diversified and improved greatly in 1969. An undefeated Swimming Team and a record-holding Cross Country Squad gained the admiration and respect of the college community.

Cross Country

Paterson State's 1968 Cross Country Team combined youth with experience to power its way to a 15-1 season and a second place finish in the NAIA District 31 Championships.

The harriers established team records for most wins on a season and highest finish in the District 31 Championships. Individual records were set by Tom Greenbowe who set a new PSC course record and most wins in a season. Senior Al Paganelli finished his four-year career with a record 23 first-places. Both Tom Greenbowe and Al Paganelli were selected to the First Team All-State College Cross Country Team.

The lone loss to Trenton State prevented the harriers from winning the conference crown. However only two runners, Bob Moore and Al Paganelli, are graduating, and with the return of several outstanding freshmen and the influx of some of the area's best running talent, Paterson State remains on the threshold of a championship season.

The Paterson State College soccer team of '68 led by co-captains Vinnie Caruso and Dick Furlong, was in a rebuilding stage for the forthcoming years. This was due mainly to the fact that fourteen lettermen were lost from the team that had gone to the NAIA Play-offs the year before. It was one in which experience was gained by eleven lettermen, eight of whom will return for the next year as seasoned veterans with improved skill and playing ability.

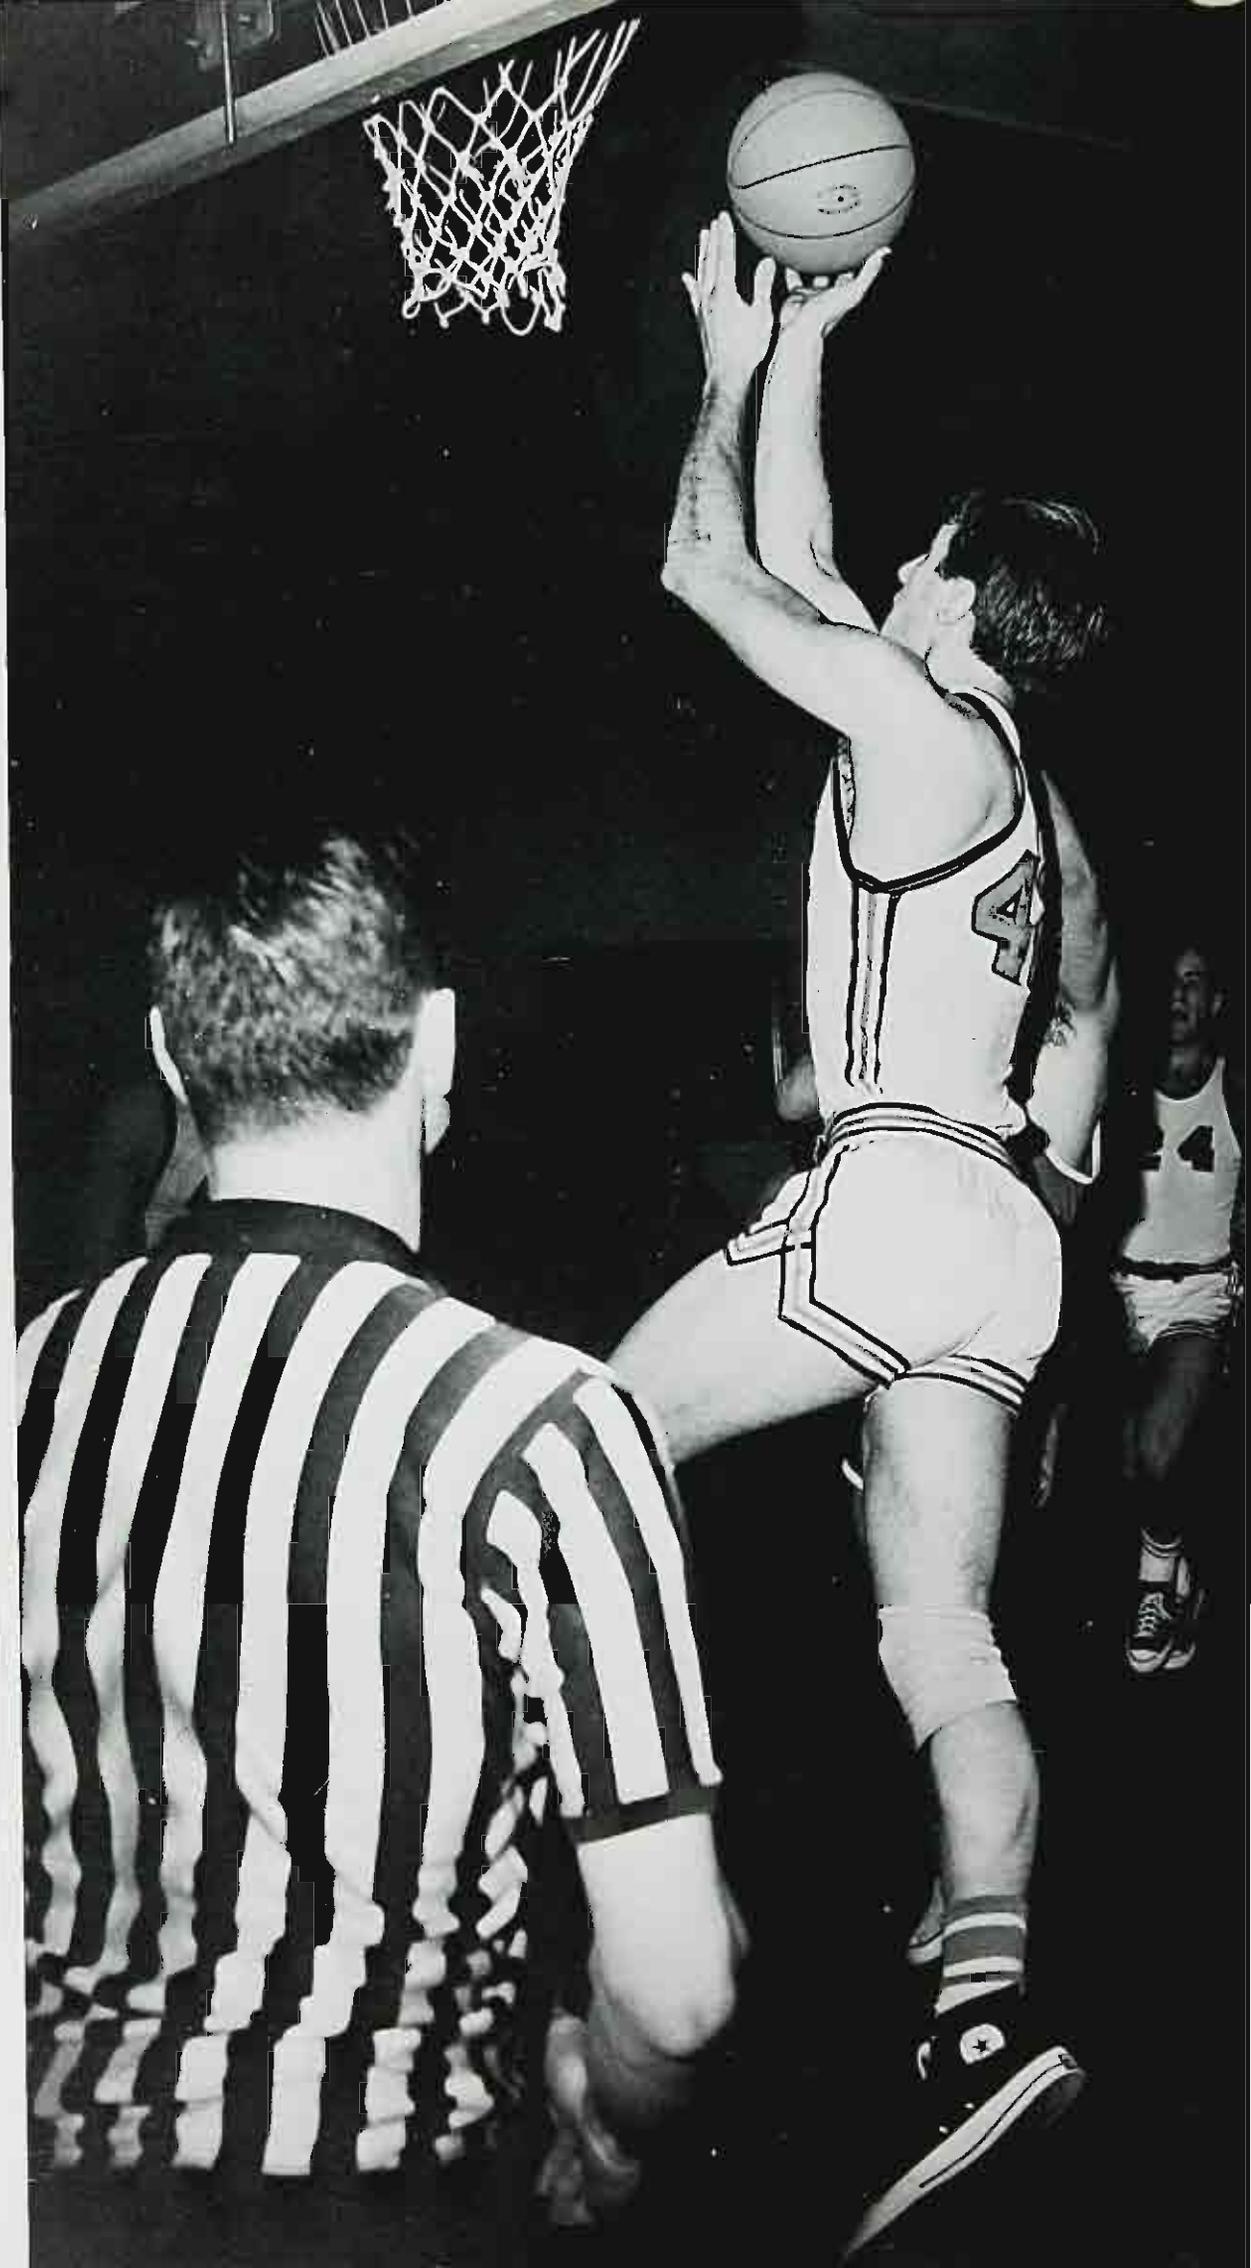

Three senior members contributed heavily to this year's team, namely Tom Dilly, Ken Medaska, and Richard Furlong. Tom Dilly, the Pioneer goalie, was chosen as the recipient of the Most Valuable Player Award.

Ken Medaska scored his thirty-ninth goal and set a new school scoring record. He also led the team with four assists. Ken was chosen first string NJSCAC lineman for the third year in a row after receiving an "honorable mention" his freshman year.

Richard Furlong received the year's Dedication and Effort Award. He led the team in conference scoring, where the team compiled a 1-3-1 record.

The 1969 squad will be led into a fifteen-game schedule by newly elected co-captains Pete Santeusanio and Harold Ferrando. Next year's games will be played on a soccer field sodded and surrounded by a track and portable bleachers in a newly built outdoor athletic complex.

Varsity Basketball

The 1968-69 basketball season at Paterson State College began in optimism and ended with both fans and players alike downcast by the record. Although the team sometimes scored as many as 90 points a game, they ended with a 1-9 Conference record. However, the varsity roundballers averaged 81.1 points per games — a commendable offensive mark, and Tom Dilly and Dom Pelosi were bright spots in the season. Dilly once again led the team in scoring with a 16.2 average, while Pelosi was second at 11.6, playing his usual steady and aggressive game.

Dilly was particularly outstanding. He reached a personal peak when he went over the 1000 career point mark on February 6, 1969 against Genesee State. He went on to wind up with a total of 1071 points. Dilly was also the team's leading rebounder for the third year in a row, and was named to the third team of the New Jersey State College Conference All-Star squad.

Pete Lukach was another pleasant surprise in a dismal season. Sidelined for half of the year, Pete came on at the end to add his six-foot-four-inch height and inside maneuverability to the squad. He'll be back for the 69-70 season.

Men's Swimming

Moving from a 1-11 record in the first season of competition to a winning season would be startling enough for a second year squad, but Coach Art Raidy's swimmers went one better by compiling a perfect 16-0 record and winning the State College Conference Championship. In addition to taking the loop crown, the team holds all but two State College Conference records.

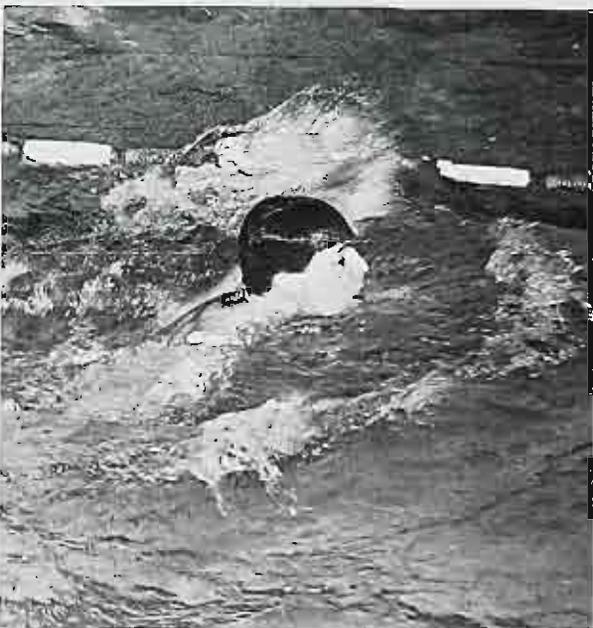

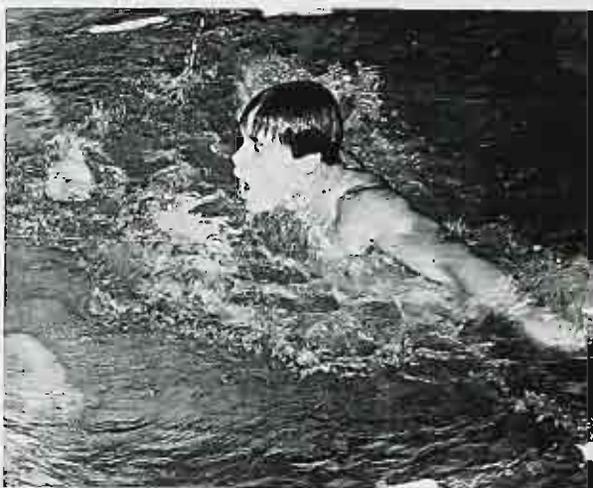

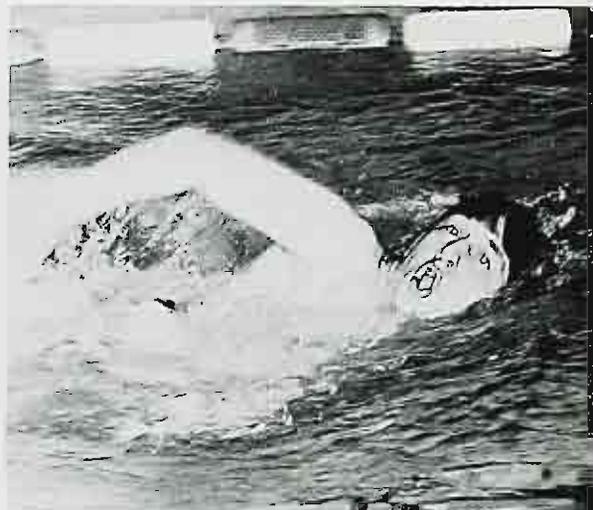

Comprised of freshmen, sophomores, and juniors, Raidy's Raiders were led by five returning lettermen: Don Denneau, Herb Bell, Jack Yuken, and Co-captains Harry Merschtina and Mark Papendick. The Raiders upset such strong swimming powers as New York Maritime and New Paltz, and became the first P.S.C. team to defeat Trenton State this year.

Pat O'Shea was named most valuable player due to his superb performance in the 200 yard individual medley and the 100 yard freestyle.

Women's Swimming

This year the Paterson State Women Swimmers, under the guidance of Miss Margaret Mays, were marked not by victories but by enthusiasm. Although their record was 1-3 for dual meets, they never gave up hope and could always be heard cheering on fellow swimmers.

The season opened with a trip to the Invitational Meet at Monmouth College where the girls placed third and captured several medals. They faced strong opponents this year, and next season promises more of the same, but the girls are ready and eager to get back into competition.

Marge Magee, last year's outstanding swimmer, and Jean Bodine, who was chosen 1968-69 outstanding swimmer, served as co-captains of the squad.

Men's Fencing

In 1968-69, Paterson State's Men's Fencing Team faced a season equally as challenging as that of last year — meeting such "name" schools as St. John's University, Lafayette, Yeshiva, and West Point. The season ended shaded on a dismal 5-7 note. This tri-weapon, nine-man squad was composed of freshmen, sophomores, and three seniors — there were no juniors, thereby portending an "all junior" team next year. This year's seniors, who will be leaving gaping holes in the squad are Co-captains Bob Moore and Pete Wasek, both epee men; and Mike Burns, foilist.

The remainder of the team included Bob Stewart, epee; Tom Mayer, Ed Heater, and Bob Fivehouse, sabre; and Steve Tanasoca, foil. The freshman bladesmen were John L. Howard, epee; and Ken Temby, foil.

Sophomores Tom Mayer and Steve Tanasoca served as technician and manager respectively.

Women's Fencing

The Women's Fencing Team ended their 1968-69 season with a 13-3 varsity record. Paterson's swordswomen took fourth place in the Intercollegiate Women's Fencing Championships, losing only to N.Y.U., Cornell, and F.D.U.-Teaneck during the three days of intense competition at Brooklyn College. These same three teams were the varsity's only Intercollegiate Championship losses for the regular season. The Junior Varsity squad lost only to Montclair and Jersey City State, finishing with an 8-2 record.

Sandy Blumenthal and Anna Nowell added two second place medals to the team collection. The squad will be losing four members at graduation: Co-captains Roberta Kattan and Sandy Blumenthal, Alberta Herman, and Marie Koch. Lillian Bonta, Lee Ann Weidner, Beverly Vannatta, Linda Hartpence, Anna Nowell, and Mary Elio will be returning next season.

The Paterson State Golf Team, led by Co-captains Pat Kalucki and Clarence Rienstra, completed its season with a 5-5 slate. Their 3-1 record in conference play earned the Pioneer duffers second place in the New Jersey State College standings. Among the other lettermen on Coach Wilbur Myers' squad were Bob Valentine, Jim Esposito, Tom Lyons, Mike Pagano, and Rich Armona.

Individuals who excelled in post season tournaments were Bob Valentine and Pat Kalucki, who

were third and fourth respectively in the New Jersey State College Championship for which Paterson State was the host team. The pair was also named to the NJSCAC team. Pat Kalucki was second in the NAIA District Championship and was named most valuable player; Clarence Rienstra received the Dedication and Effort Award. With no graduating seniors on this year's team, the Pioneer golfers can look to 1970 with optimism.

Baseball

Coach Dick Learn's fine Paterson State Baseball Team ended the 1969 season with a commendable 9-1 record. Playing all of their games on the road, the weary Pioneers finished fourth in the New Jersey State College Athletic Conference with a 4-6 record.

Statistically, the Pioneer pitching staff posted a fine ERA, led by fireball sophomore Tom Miller and senior Tom Dilly. Senior Sal "Torre" Puzzo once again displayed his fine talent at maneuvering by breaking the school's stolen base record with 21 bases taken. For the third consecutive year, Art Kinnaugh led the team in batting with a .320 average.

Seniors wearing the black and orange for the last time are Jim Gash, Captain; Rich Furlong, Bill Mastro, Sal Puzzo, and Tom Dilly.

All eyes are focused on the 1970 season as the Pioneer Baseball Team, playing at home on a new diamond, will be in contention for the NJSCAC championship.

Cheerleaders

The school-spirited and enthusiastic Cheerleaders gave their whole-hearted support to the teams at Homecoming and to the Basketball squad. Their orange and black uniforms and stomping saddle shoes could be seen on the basketball court at every game. The girls also performed at Homecoming and Guest Day.

This year the Women's Recreation Association served as President College of all the state college associations. Their duties in this capacity included organizing all state college athletic and recreational functions. Here on campus, the W.R.A. organized the intramural and varsity sports program for women. For the first time, the association had increased sorority participation in the intramural games and noted greater interest by students of all majors.

Events

It is through the events on campus that we expose ourselves to the ideas, interests, and attitudes of the world around us. Each play given by the Pioneer Players, or performance by a guest artist, such as Ella Fitzgerald, echoes the changing attitudes of young students growing into responsible adults. Academic life transforms into a recreational atmosphere when students leave the classrooms to seek their other interests.

Homecoming 1969

The first homecoming was held this year, and it was considered quite a success. Activities included Alumni-versus-Varsity soccer and cross country meets, and performances by both the Killies and the Cheerleaders.

Ricky Hummel Blood Drive

Annually, the administration, faculty, and students band together in a group effort to support the well-being of Ricky Hummel. This year, the campus fraternities and sororities, chaired by Delta Omega Epsilon, openly helped Dr. Annacone coordinate the most successful blood drive ever held.

Ella Fitzgerald

A great entertainment event on campus was the outstanding performance of Ella Fitzgerald. Her repertoire ranged from the musical hit "Cabaret" to the modern rock number "Sunshine of Your Love." The Paterson State audience showed its appreciation of this great songstress by giving her two standing ovations.

Eisenhower Memorial

On a solemn note Paterson State paid its respects to former President Dwight D. Eisenhower on the National Day of Mourning. The passing of this courageous American leader was noted in a convocation held at Shea Auditorium.

Coronation Ball

The highlight of the annual Coronation Ball, sponsored by the Sophomore Class, was the crowning of Jean Bodine as Campus Queen 1969. Prior to the Ball two elections were held among the student body to select the queen and her court. The other finalists were Joan Serafin, First Runner-up; Rosemary Walter, Second Runner-up; Mary Dempsey, Third Runner-up; and Deborah Cinquino, Fourth Runner-up.

As part of the Inaugural festivities, Monday, May 5, was declared Student Day. At noon, a crowd gathered at Wayne Hall to view a series of skits, "Paterson State College, Yesterday, Today and Tomorrow," given by members of the student body. Later, in Shea Auditorium, the Freshman Class performed a musical entitled "You're a Good Man, James Olsen," and presented Dr. Olsen with a Class of '72 beanie in celebration of his "freshman year" at P.S.C.

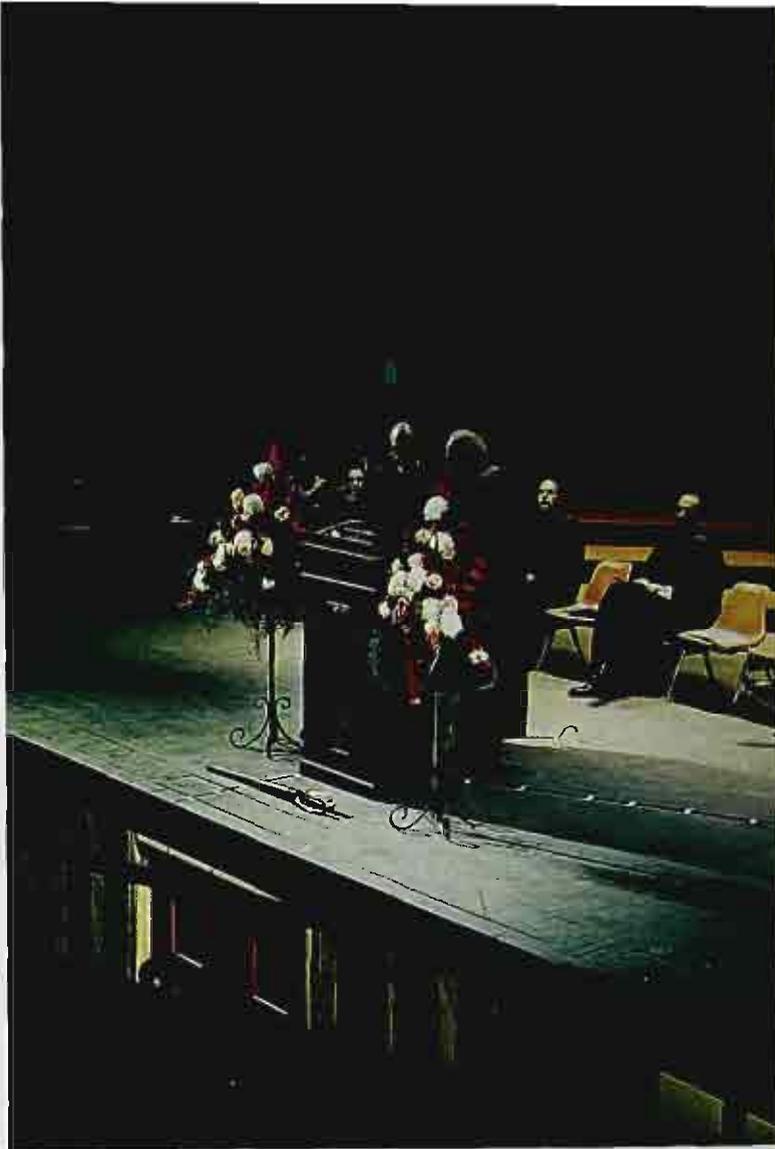

Student Day

Inauguration of the President

On May 6, 1969, Dr. James Karge Olsen was inaugurated as president of Paterson State College in a ceremony marked by dignity and solemnity. Representatives of many colleges and universities, and student leaders heard Dr. Olsen state, "We must gird ourselves for both qualitative and quantitative expansion of the college. This means more students and a greater variety of programs to serve more students. But our expansion must proceed and be nourished by the traditions of freedom." Later the guests attended the Inaugural Dinner, and at 8:30, the Inaugural Concert given by pianist Lorin Hollander. Mr. Hollander electrified the audience with his superb performance of works by classical and contemporary composers.

Carnival 1969

Although the carnival was hit by disaster, it proved to be an overwhelming success. Friday's inclement weather, wet canvases, and heavy winds completely flattened the booths, but the committee and the other participants rebuilt them in time for the Saturday opening. More varied in its offerings than ever before, the carnival included booths, amusement rides, a block dance, a light show, and a concert by the Buckingham. This year's awards went to Skull and Poniard, Most Creative Booth; Delta Omega Epsilon and Phi Kappa Rho, Most Productive Food Booth; and Phi Rho Epsilon, Most Productive Booth.

As a climax to a hectic week of rehearsals, interviews, and judges, Miss Yvonne Ann Allen was crowned Miss Paterson State College 1969-70. Miss Allen competed against thirteen other girls in the areas of evening gown, swimsuit and talent. For her talent, she sang the aria "Musetta's Waltz" from the opera "La Boheme." The other finalists were Kathleen Menegus, First Runner-up; Linda Petzold, Second Runner-up, Patricia Griffin, Third Runner-up; and Marilyn Kohnke, Fourth Runner-up.

Senior Prom

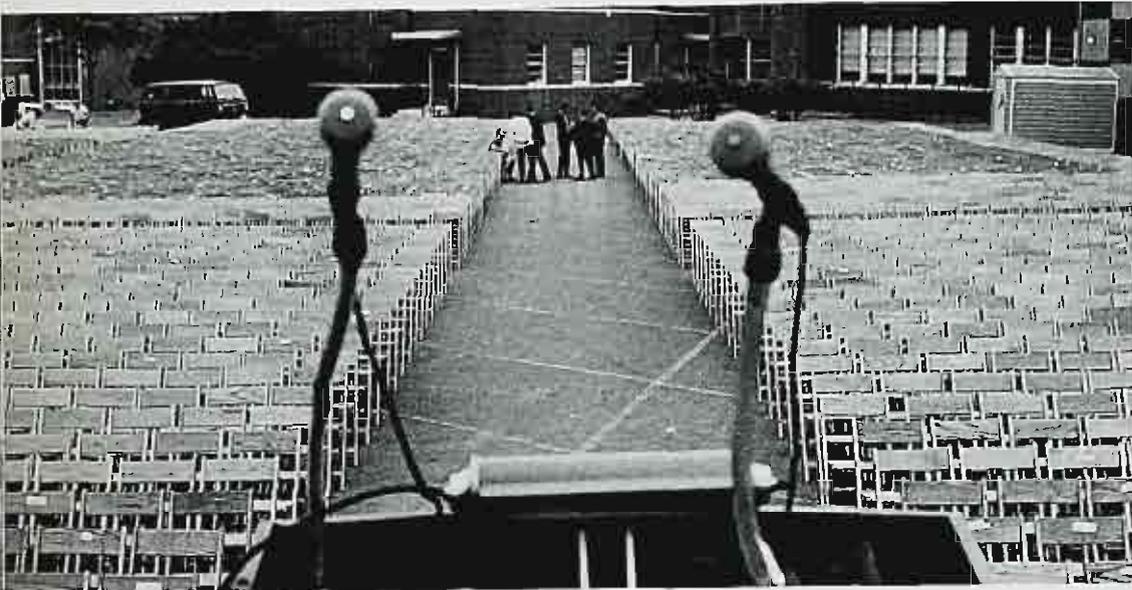

Senior Faculty Dinner

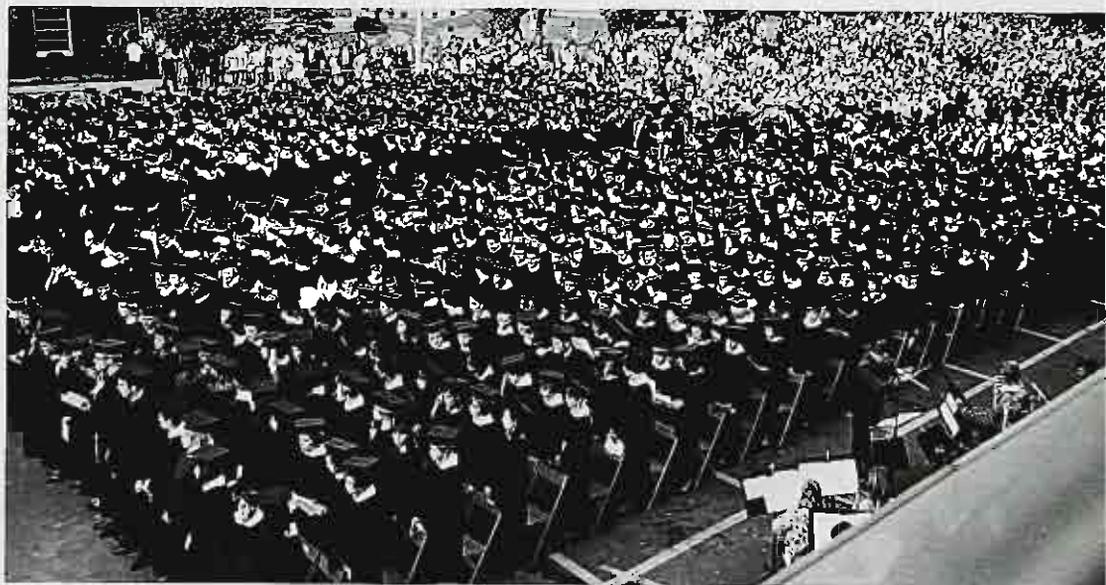

The annual Senior-Faculty Dinner was held at the Neptune Inn on June 2, 1969. Being the last social event at which seniors and faculty are together, awards, gifts, and farewells were exchanged. Dr. Olsen was given an Inauguration album by the 1969 *Pioneer*, and those students who worked diligently for the Class of 1969 were honored. Skits, and a Physical Education majors' film provided entertainment for the evening.

Commencement 1969

Seniors

The culmination of the four-year college experience is the consciousness that one has changed from an uncertain student to a discerning adult. Only through involvement, thought, and self-evaluation is this transformation accomplished.

The staff of *Pioneer 1969* expresses its deepest thanks to President Olsen, for his message and his gracious co-operation in making facilities available; to Miss Mary Zanfino, for her assistance in accumulating information; to Dean Grace Scully, Mr. Theodore Tiffany, the S.G.A. Executive Board, and the *State Beacon*, for their great support and co-operation in times of crisis; to Irwin Raveson, Frank Giraldi, and the entire staff of Irwin Raveson Studios, for their high-quality photographs and extraordinary service; to Mr. Ralph Smith of the Audio-Visual Aids Department, for the use of his negatives and photographs; and to Mr. George Franklin, representative of Taylor Publishing Company, for his availability for consultation and aid.

I would personally like to express my appreciation to the loyal, capable, and hard-working *Pioneer* editors and staff, whose imagination and diligence turned concepts into unities; and to the innumerable students, faculty, and administrators, who were "there" when needed. They are all truly outstanding individuals.

Jo Ann McMarred
