Freshman Survive Orientation

Freshman Orientation was a week-end affair held on campus in late June. The freshmen who attended were sectioned into their various college divisions and told to report and register into the dorms between noon and two in the afternoon. From two until three the students learned the results of their English and Math placement tests. Later that day they all came over to the Student Center Ballroom to be introduced to college officials and hear a lecture on college policy. After the talk they divided into smaller groups according to major and then they were placed under the direction of a group leader. The leaders were upperclassmen who volunteered their time to supervise the new inductees for the weekend stay. Group leaders discussed any problems about filling out forms or questions about the campus.

After a tour around the campus, all the groups gathered in the Ballroom for a smorgasbord. After dinner they attended a slide presentation about registration and college survival seminars. The seminars were about adapting to college life and answered questions like how to study on a college level, how to get involved in clubs and sports and other "how tos." After the seminar between 9:30 and midnight students had a variety of activities to choose from including swimming, tennis, ping-pong or seeing the movie "The Other Side of the Mountain."

The following day, freshmen checked out of the dorms early. After a continental breakfast in the Ballroom, they met from ten to eleven for faculty advisement. Then they worked on listing and arranging their course selections until noon.

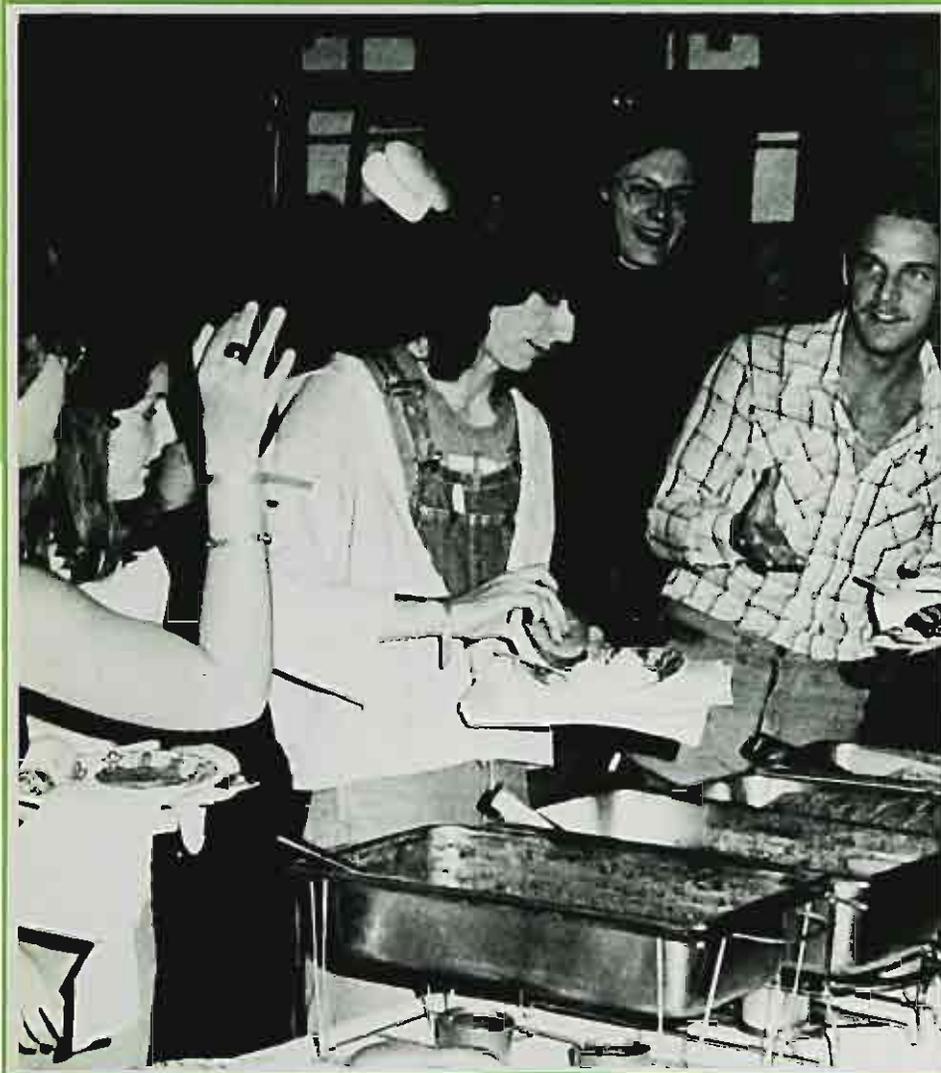

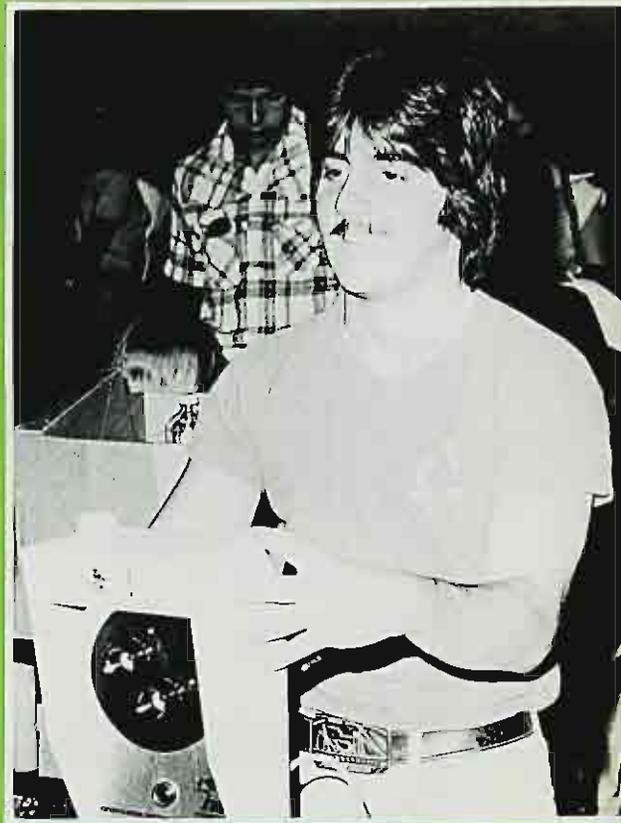

After lunch, section by section received ID cards and registered for classes. The rest of the afternoon the new freshman class met with club representatives in the Student Center first floor lounge. They walked about from table to table of club displays listening to what the organizations offered.

Mary signed up for membership in the ones they liked.

As the sun set the freshmen began to return to their homes not to return to campus until the first day of classes. Ed Barr and other organizers of the freshman weekend were pleased with the turnout. Ed Barr commented, "At least they'll know where they're going when they get here."

E V E N T S

The new scholastic year was ushered in by the usual parking hassels and long lines in the Student Center and around Wayne Hall. This chaos, which must have seemed strange to the freshman class, was, by now, merely routine for those who were beginning their last year as undergraduates.

The Bermuda Triangle brought their unique and melodious sound to Wayne Hall this week to launch the first coffeehouse of the year. The Triangle consists of Roger on the autoharp, lead singer, Wendy, and the fiddle, drum, and kazoo playing Samantha.

The trio demonstrated their versatility and energy before jammed and enthusiastic crowds. Their songs included Irish jigs, that had the crowds dancing; pop rock, and a moving version of "Nights in White Satin." Joni Mitchel's "The Circle Game" and their show stopper, "Motorcycle Madness," had to be seen to be truly appreciated.

Roger expressed the group's appreciation to their warm reception by telling the crowd, Friday night, "We really love to come here and play for you folks."

Junior Class Sponsors "Welcome Back" Bash

The junior class held a Welcome Back to School bash on Friday, September 23, in the Ballroom. Thanks to Jeff Belinski, president of the junior class, and other juniors, it was a successful evening with students flocking the corridors to get in to hear the music. The tables were set up with plenty of potato chips, pretzels, and peanuts for all, and for those who could not find a table, there was plenty of standing room around the makeshift bar set up by Dave O'Malley and other SGA members.

The entertainment for the evening was provided by the "Star Rock and Roll Show, Vol. 2," who played a varied collection of hard rock tunes while students took to the dance floor, swaying and bumping to the music of the Beatles, the Beach Boys, Elvis Presley and Led Zeppelin. In addition to the music, old cartoons and movie shorts were projected on a huge screen behind the band which added visual as well as oral entertainment to the scene, and thus provided fun for all!

Aztec Two-Step entertained a sparse audience in Shea Auditorium on a rainy Sunday evening. The band is led by Rex Fowler and Neal Shulman. The rest of Aztec Two-Step is composed of David Gross on bass, Michael Finkelshtein on the drums, David Slight with his electric guitar and Gordon Cohen on keyboard.

The group's lyrics were often buried beneath the sounds of drums, bass and electric guitars but, on occasion the words broke through. "The Persecution and Restoration of Dean Moriarity," "Humpty-Dumpty's Fall" and "Conversation in a Car," were songs worth listening to and remembering.

Cooper-Dodge was the back-up band for the group and they started the night off with funny songs about the places they've been and the things they've done. The group had a lot of spirit and musical ability.

The audience applauded after each song and gave both bands an ovation at the end of the first concert of the year. The SAPB concert committee sponsored the performance.

"William Paterson College people, you look great to me, and I plan to help you build your appreciation of your real value, and to encourage you to make known the level of excellence and the quality of the work being done by students and faculty and staff at William Paterson College." Thus, Dr. Seymour C. Hyman addressed an audience of faculty, students, and friends on his inauguration as president on September 29, 1977.

The ceremony began with the ringing of bells, and a stately procession of faculty and administration, in colorful cap and gown, down the aisles of Shea Auditorium. Rabbi Martin Freedman gave the invocation. He was followed by a host of teachers and friends, extending their congratulations to the new president.

Speaker after speaker praised the new president. Mr. Dave O'Malley, SGA president, spoke on behalf of the students. Dr. Roger Shipley, Senate chairperson, praised Dr. Hyman for being "willing to sit down, to listen,

and discuss matters with us." Mr. Irwin Nack, president of the local AFT, spoke of Dr. Hyman's "far greater openness towards, and respect for the Union." Dr. Edward Hollander, Chancellor of Higher Education, also praised Dr. Hyman, "We have a good match here between this institution and Seymour Hyman, because you have found here at this college an educational leader of great personal vision and great strength." Dr. Miriam Winkler, chairperson of the Board of Trustees, spoke of the inauguree's "tremendous experience in the field of higher education, his wisdom, his integrity."

The inaugural address was given by Father Timothy Healy, president of Georgetown University and an old colleague of Dr. Hyman's. "This college is a public one given over to the vast, striving, hopelessly idealistic agenda of public higher education the United States has set," Father Healy remarked, "It opens its arms to all of the people of all languages, all colors, all beliefs. It says, 'come and learn as

much as you can, and leave in peace. Working at this agenda is how Dr. Hyman started his academic career; has been his agenda for thirty years."

In his own inaugural speech, Dr. Hyman stressed that the college student's years at college "are only the beginning of a lifelong process of learning. I hasten to say that we are emphasizing preparation for the graduate's first job, but for the student's ability to grow into responsibilities that we do not clearly foresee."

The ceremony concluded with a benediction by Rabbi Freedman. Afterwards, a dinner was given for the family and friends of Dr. Hyman. Music by the College Community Symphony Orchestra closed the festivities of the day.

On the following day, a Wine and Cheese party was held in Dr. Hyman's honor. Faculty, administration, alumni and campus leaders were invited to partake of the refreshments in the Ballroom.

Bateman Vs. Byrne Vs. Higher Education

On Tuesday Republican gubernatorial candidate, Raymond Bateman, answered questions from a panel of six student representatives from various state colleges. The thirty minute conference included questions about the state income tax and its relationship to funding higher education. Bateman felt that the income tax does not fund higher education "in any way, shape or form." He also stated that he would make the problem of funding higher education a matter of "top priority" during his administration.

Governor Brendan Byrne arrived on campus later that afternoon. The democratic candidate made an opening statement in Shea Auditorium. Byrne stated that due to "his" income tax, a \$70 million increase was given to NJ higher education.

Brendan Byrne answered questions from the panel and attacked the campaign of his opponent Ray Bateman whenever possible. At one point Byrne stated that Bateman's alternative tax plan was "pie in the sky." Byrne remarked, "It's easy for a politician to say I'm all for spending but be against all of the revenue."

Members of the panel who questioned the candidates on the issues were Andy Chabra, news editor of the *Beacon*; Jeff Mahen, president of Glassboro State's SGA; Rich Figel of the Montclairian; Bob Priest, a member of the Rutgers board of governors and Clair Miller of St. Peter's *Pauw-Wow*. George Koodray, WPSC's news director, was moderator.

Homecoming 1977 started off Tuesday night with a series of W. C. Fields flicks shown in the pub.

At noon on Wednesday comic George Hirshman entertained the students in the cafeteria. Students filled the cafe to capacity in order to listen and laugh at Hirshman's jokes about college life. Later that night, the Hidden Inn featured Mel Lewis and his Jazz Quartet. While many students were listening to jazz, others were rocking to the sound of Caligula in the pub.

The "fifties" lived again all day Thursday. At midday, the Ballroom was filled with movie fans who came to see, "Let the Good Times Roll." That night the Ballroom hosted a Fifties Revival dance which brought all the closet greasers and teenyboppers out for the night. The beer flowed while the students did the twist and the swim to the music of Slick.

The alumni took over the festivities on Friday. The Alumni Wine and Cheese Party brought alumni, administration, faculty, and students together again to renew old acquaintances and reminisce about old times.

Many alumni stayed through the afternoon while other alumni and students arrived on campus for Homecoming Party 77 featuring Your Father's Mustache. Congo lines of dancing students; peanuts, popcorn, beer; hats, garters, banjo and guitar music made the night a festival of delight for all. Despite the downpour of rain, a few students braved the winds and rain for a hayride around the campus.

Saturday night, under the lights of Wrightman Field, the Gridders met the Montclair Indians for the game of the season. The new bleachers were packed with fans, spirits were high, and the band, color guard, twirlers, and cheerleaders were swinging out in full force. Despite all efforts, the Gridders lost to the Indians, 20-7.

Jazz fans celebrated the finale of Homecoming weekend at a concert in Shea Auditorium. Crusader, a popular jazz band, entertained the audience with original jazz compositions.

The Rainmaker Forecasts Good Entertainment

Richard Nash's "The Rainmaker" is the story of a con man who comes to a Western town in the midst of a drought. He promises to relieve them of the drought within two days if they will pay him a hundred dollars to do so. The Curry family take the bet. During the two days he falls in love with the old maid of the family, Lizzy, who is afraid of reaching out and taking what she can from life. Lizzy is torn between her feelings for the Rainmaker and File, the other man in her sheltered life.

Harlan Marks as Bill Starbuck and Linda Jean Frank as Lizzy starred in this Pioneer Players production. Greg Williams' performance as the dim-witted Jim was the hit of the show. The character was rich in humor and Williams delivered the lines with perfect timing. Paul Dames as File played a good man turned bitter after his wife ran away. Fiore DeRosa was both sheriff and assistant director for the

November production.

The play was directed by Robert Morgan. The imaginative set was by R. J. Turick and crew. Margaret Tobin designed the Western outfits and Tony Krivitski set up the lighting effects.

SAPB invited students to take part in the "Bob Hope Search for the Top in Collegiate Talent" on November 7 in the Ballroom. The contest is being run by the students involved in SAPB, with Tony Barone, acting as advisor. Susan Moroz and Celeste Cicalese, both SAPB secretaries and Jackie Sheckman served as co-chairpersons of the talent hunt.

The talent search is the first one in history. Endorsed by the National Entertainment and Campus Activities Association, the event was designed to provide a serious opportunity for students to display their talents, advance their careers, and gain an education at the same time.

Randy Rice sang with a soft tender voice at a November coffeehouse. The slim tall pale man from Chicago played three consecutive evenings to a small group of students and friends.

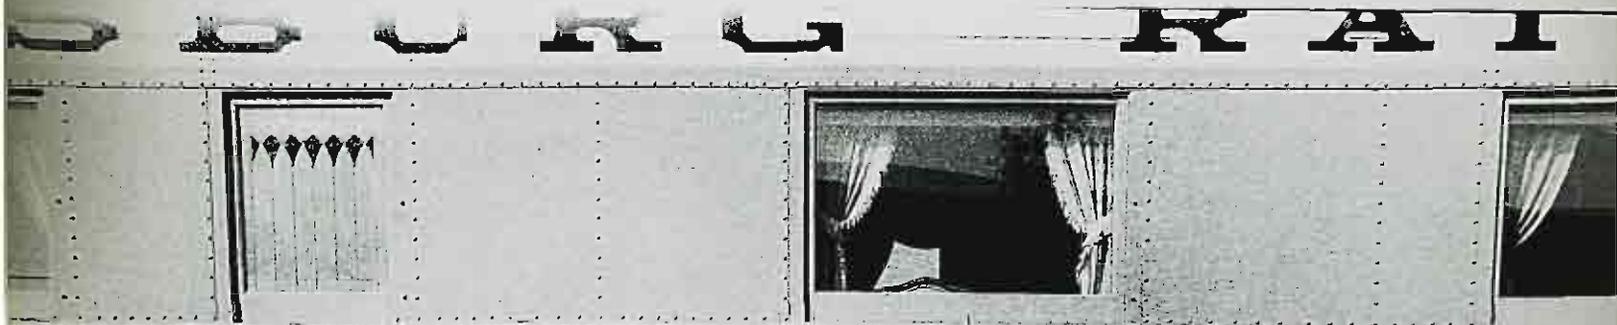

Many of his own songs were witty "College Town, U.S.A." told the story of his college days in Illinois. He over-emphasized the college's atmosphere of partying. Rice also did takeoffs of Woody Guthrie's "This Land is Your Land" and a John Denver tune.

"Vincent," "Sweet Baby James," and his own song "A Whispering Tree" revealed the serious side of Randy Rice. He closed his eyes as the blue spotlight glazed the stage. The audience remained silent while he sang the bittersweet lyrics.

Applause brought Randy Rice back on stage for two encores of ballads.

Social Science Society Tours Amish Country

The Social Science Society took its fall semester trip to the Amish country. The land of "the plain folk" proved to be one of marked contrast to our way of life. Saturday's touring included a trip to an Amish homestead, where the lifestyle of the Amish family could be observed. Later that day the group took a ride on the Strasburg Railroad which "transported" the passengers back in time to 1886. After the adventure they ate a very filling, delicious smorgasbord at Miller's restaurant.

Sunday, the crew went to Roadside America, which is an entire American country town reproduced in miniatures. Lunch was at Sharlettsville Hotel

which offered an at-home atmosphere and fare in the Penn-Dutch style. That afternoon the group took a descent into Crystal Cave in Kutztown. The temperature dropped rapidly as the group descended further and further downward. On the way down they saw rock formations that were millions of years old. Members arrived on campus that evening richer in knowledge of the Amish.

In late October, the Midday Artist Series featured jazz guitarist Bucky Pizzarelli and clarinetist Eddie Daniels. Before a large audience they gave a superb performance. The memorable

moments included improvisation, sometimes playful and witty, sometimes inspiring.

Each performer was given a chance to play individually. Pizzarelli had four solos. He played three Dzango Rheinhardt compositions and he also played "The Very Thought of You." Daniels played several of his own clarinet compositions for the crowd.

Campus

Stephen Baird presented his diverse collection of songs, some original and some traditional, at the Hidden Inn by night and at various and sundry campus locations this past week.

From the moment Baird began his performance the audience knew they were in for a special evening. The fine clear tenor perfectly complemented his music. After a hymn, he played Tom Paxton's old reliable, "The Last Thing On My Mind." He then picked up the autoharp for "Railroading on the Great Divide." He sang two Ozark Mountain folk songs, with a bizarre accompaniment — a marionette with a board under it. By rapping the board, the marionette tapped out the rhythm of the song. He followed that with Loggins' "Danny's Song," giving the chorus in sign language. He closed the set with "Why Patty's Not at Work Today," a tragic tale of the dangers of

construction work, sung acappella. During the next set he asked for audience participation. The group clapped their hands and sang along with Baird. He used a group of children's song to gain more participation, "Where's Your Thumb," and "I'm Gonna Tell." Baird then performed a moving song, "It's Hard to be Old" and then he took out his dulcimer for Scarletti's "Grandfather Clock." After several more songs, Baird ended the night with "Stealin!"

The Career Counseling and Placement Office sponsored a Careers Day on Wednesday afternoon in the Ballroom. Representatives from companies all over New Jersey and administrators from each of the college's departments turned out to provide information to students.

In what might be called the single most significant musical event spon-

sored by SAPB this year, blues and folk artist Papa John Kolstad presented his wide repertoire of songs to an appreciative, small audience at the Hidden Inn on Wednesday.

He started off the set with a song about fishing and after that — a song about fishing. He gave the crowd a taste of his fine guitar picking and was to give them bigger helpings all through the night. Papa John continually rapped with the audience between numbers. After "Diddy wah Diddy" he gave a long dissertation on marijuana although never mentioning the word.

Kolstad's music was the mainstay of the night. His music selections varied throughout his performance. Some of his numbers were: "Almost Gone," "This Ain't No Place For You and Me," "Gimme That Old Time Religion," and "Sadie Green."

Take the work of a genius, give it to a determined director with a young, talented and eager cast, add an excellent group of musicians and an inventive staff plus hard work and you end up with the most impressive hit of the season, "Godspell."

Strong acting efforts were supplied by Gayle Cohen, Tommy Kahlert, Sue Whiting, and John P. Lonsdorf. Crawling, miming, falling, imitating — they were the hit of the show. The cast blended well musically too. Musical highlights included Jo A. Smith on "Day by Day," and Sue Whiting on "Bless the Lord;" a softshoe duet by Paul Dames and R. J. Kennedy, "All for the Best" and a soulful interpretation of "All Good Gifts" by Joseph Davis. Carol Armstrong kicked off the second act with an arousing lusty number "Turn Back O Man." The most impressive number in the show was the melodic harmony by Ronnie Wilson and Gayle Cohen of the song, "By My Side."

The band would have complimented any production. Their finale was incredibly moving. Some members of the band who deserve mention were: Robert Paddock on drums, Jeff Mullaney with his base, Ed Thompson playing guitar, and Joe Turrin on the keyboards.

The set construction crew, headed by R. J. Turrick consisted of over sixty members. They created a set of amazing monkey bars.

The colors of the performers' costumes were as brilliant as the acting. The beautiful outfits were designed by Margaret Tobin and put together by Peggy Anzano, Greg Khoury, Terry Rusch, Antonia Hawkins.

Kevin Marshall directed "Godspell."

Irish music set pubsters dancing and clapping on Monday night in the pub. The Blackwater Boys combined sweet Irish ballads with American folk ballads and contemporary country rock.

The Boys started the night off with the perfect pub drinking song, "What do you do with a drunken sailor?" They followed that number with several ballads by the Kingston Trio, New Rider's, "Glendale Train," and the tale of "Puff, the Magic Dragon" by Peter, Paul and Mary.

Andy Holland and Jack Driscoll sang the lyrics with beautiful melodic voices. Barry Wiesenfield played bass for the group. The man who set everyone dancing was the fiddle player, Gary Kirmayer. Kirmayer also played several solo pieces on the flute. He made the Irish ballads come to life with his magical talent. The crowd gave him a round of applause after each solo.

The Blackwater Boys ended the night with several anti-war songs reminding everyone of the conflict between England and Ireland. The Boys left the pub to a tremendous ovation and calls of "Come back real soon!"

A man wearing brown pants and a green striped shirt walked on stage in the Ballroom this Wednesday night. The wit and pantomime of Loudon Wainwright captured the audience. They listened and laughed at his musical tales of unrequited love, final exams, and flying. They continued laughing through the songs, "Rufus, the Tit Man," "Sufer Girl," and a comic skit of Wainwright as Elvis Presley addressing the poetic muse.

Wainwright concluded the evening with his hit, "Dead Skunk." The audience gave him a standing ovation for his beautiful blend of music and comedy.

Slow Train, a country rock blues band, started off the musical night and later joined Wainwright for several numbers. They sang songs about women and the troubles and joys they've had with the types of women they've encountered along the way.

College Community Aids Adams

He sent a letter to the *Beacon* from his hospital bed, thanking everyone for their concern —

I would like to thank everyone involved in the fund-raising activities being held on my behalf.

Everyone is being so nice to my family and I. We want you all to know that it is greatly appreciated.

My sincere thanks to all of you at WPC.

p. 36 Top Left: WPC player waits for the ball to bounce off the rim of the All-Stars basket. Top Right: Coach John Adams and an All Star vie for the ball. Senior Bruce Adams was seriously injured and his father, Herbert Adams was fatally shot during a hold-up of an Adams' relative's tavern. The two men were tending the tavern that evening because the owner, Frank Bowmen was attending a church function with his sister-in-law, Adams' mother. The gunmen collected \$100.

Doctors operated on Bruce Adams soon after his admittance to the hospital to remove splintered bone fragments from behind his left ear but the bullet remains lodged in his brain. A hospital spokesman said that further surgery "would probably do more harm, than good" since the bullet is in an inoperative location.

The dilemma of the family caused

the college community to act. Clubs and organizations held sales of all kinds to raise money for Bruce Adams' medical expenses.

WPC stayed on the air for twenty-four hours in an attempt to raise funds. Station members solicited for more funds in the Student Center.

The first conference home game, between Ramapo and WPC raised money for the effort by charging an additional fifty cents admission. Another basketball game featuring the Yankees vs. the Administration was held later in November with half the proceeds going to Adams.

A few weeks after the incident, Bruce Adams was reported to be recovering.

Sheffield Stays

A feeling of tension prevailed in Wayne Hall on Wednesday night while over 400 people pleaded, demanded and questioned the Board of Trustees on behalf of teachers who they thought were going to be fired.

On December 6, the Board of Trustees announced that the Personnel Committee had not made their decision on retention and would wait to do so until they heard testimony from all those who wished to speak. Over a hundred of the petitioners got the chance to speak to the Board.

At four in the morning the Board reached its final decision and announced it to the hundred people who waited into the early morning hours to hear it. Dr. Carol Sheffield, assistant professor of political science;

Dr. Melvin Edelstein, associate professor of history; and Dr. William McKeefrey, professor of philosophy received tenure. All three professors had received negative recommendations from President Seymour Hyman. Another surprise was the retention of Toby Silverman-Dresner, assistant professor of psychology. She was the only teacher not up for tenure whose non-retention decision was reversed.

According to Stan Bidell, *Beacon* staff writer, there were 71 teachers up for retention, 52 were retained and 19 were not. Of this total, 19 were up for tenure, 12 were tenured and 7 were released. Of the remaining 52, 40 were retained and 12 were released. Out of the 10 teachers supported by the SGA, three were kept.

Christmas is a joyous time of year for everyone but college students. While others are buying presents and decorating trees, college students are spending bleary-eyed hours in the library cramming for exams and researching the paper that they had "all semester to do." WPC students, however, will find some time, even if it's only a few hours — to party. In the pub, students lifted toasts to celebrate the last exam and the new year — 1978.

The Outlaws gave two consecutive performances in Shea on Saturday to end the SAPB fall concert series.

Angelic voices were heard from inside Shea Auditorium during the last week of the semester. "Slip-slidin' away, slip-slidin' away. You know you're nearer your destination the more you're slip-slidin' away . . ." sang out Paul Simon on car radios. The cars kept rhythm to the music during the first few days of "Spring" semester. A winter snowstorm warning was in effect for the second week of January and the snow started falling right on schedule. The storm developed into one of the worst storms of this century.

On January 17 many students attempted to drive to campus to begin the semester. The main roads surrounding WPC were hazardous enough. As soon as cars turned onto campus, ice greeted car wheels. Students helped each other by moving cars off ice slicks and into partially plowed parking spaces.

The college was closed on Wednesday due to the eight inch snowfall. On Thursday, students tried again to drive to campus which caused a massive back-up of cars. By the end of the week more snow fell and so the college was closed once more.

During the semester break, the Social Science Society went on an excursion to Washington, D.C. This was a new trip for the Society, but a successful one.

They arrived in Washington on Friday afternoon and visited Ford's Theater. That same afternoon they investigated the interior of the FBI building. That night many members of the club danced at the Jolly Ox, a restaurant and cocktail lounge in the area.

The next morning the group arrived at the White House for a tour of the State dining rooms. Later that morning they climbed the Capitol steps for a guided tour. Members spent the rest of the afternoon at the Smithsonian Institute. That night the members returned to the Jolly Ox.

Sunday the group visited the Lincoln Memorial and the Jefferson Memorial and then they returned to the Air and Space Museum of the Smithsonian. In the late afternoon, everyone boarded the bus to return to WPC.

The Student Activities Office sponsored trips overseas during winter break. The trips included such places as Bermuda, Hawaii and England.

About a score of students opted for the England package of eight days and seven nights. Although the group included two chaperones, Judy Manzi and Bill Gazdag, to "watch over" the students, each student was given the opportunity to explore England on his own. "We each got a separate view of the city," commented Elizabeth Botta. "I attended the National Theatre several times. I saw Paul Scofield and Sir John Gielgud, in person and a great production of "Volpone," for the price of four dollars!" The group returned home from a foggy England to the USA, January 16.

Big Daddy has got cancer. Big Daddy has got money. Big Daddy has got relatives who would love to be left with a large chunk of Big Daddy's money. Aside from Brick, Big Daddy's son, each of the relatives is acting like a "Cat on a Hot Tin Roof."

The Pioneer Players staged this famous play from January 27 to February 4 in the Hunziker Theatre. Excellent performances were given by Catherine Lotwis as Maggie, Brick's wife; Sal Rodriguez, as Brick; and Gooper the other son, played by Greg Williams.

Tom Brennen gave a powerful interpretation of the role of Big Daddy. The scenes between Big Mama, acted by Lily Strott, and Big Daddy were a perfect blend of drama and humor. The play was directed by James Rodgers.

The set was amazing. The re-creation of the bedroom setting of a plantation home in the Mississippi Delta was beautifully designed by R. J. Turrick and put together by a stage crew of over fifty.

Rats Meet Jukes

The SAPB originally scheduled Great Southern but when they cancelled out at nearly the last minute, the concert committee quickly booked Southside Johnny and his Asbury Jukes to accompany the Good Rats at Shea.

Southside Johnny's rendition of the Van Zandt-Bruce Springsteen masterpiece, "Love On the Wrong Side of Town" was sharp and clear but Ronnie Spector's absent sexy voice on "You Mean So Much To Me Baby" was evident. The title song from their first and second albums, "I Don't Wanna Go Home" and "This Time It's For Real" were showcases for the brass. Mr. Popeye came out from behind his drums to sing the base vocal of "Fever," another song by Springsteen. The group's encores were good blues.

The Good Rats do their best to live up to their reputation as the weirdest band around. Peppi Marchello as the lead vocal for the Rats screamed out the lyrics and mimicked several obscene actions on stage. The group's new album "From Rats to Riches" was the source of most of the music featured at the concert.

Shakespeare's "Romeo and Juliet" was performed by the Pioneer Players in early April. Almost every literate person knows the story and many have seen the movie version or studied the play at either the high school or college level. Such a familiarity with the play provided a dismal audience turnout at Shea.

Tommy Kahlert III starred as Romeo. Taryn Trappe gave a beautiful interpretation of Juliet. Juliet's nurse was acted by Pamela Hardin. Theatre professor, Will Grant, mixed humor and sincerity as Friar Lawrence. Greg Williams was the joker, Mercutio.

The setting and costuming were stylish and multi-colored. The scenery was also multi-purposed.

Sam Ervin Ponders Watergate Affair

Nixon tried to substitute a government of men for a government of laws. Watergate showed the wisdom of the founding fathers in dividing powers among the three branches of government. The President failed us but the Congress and the

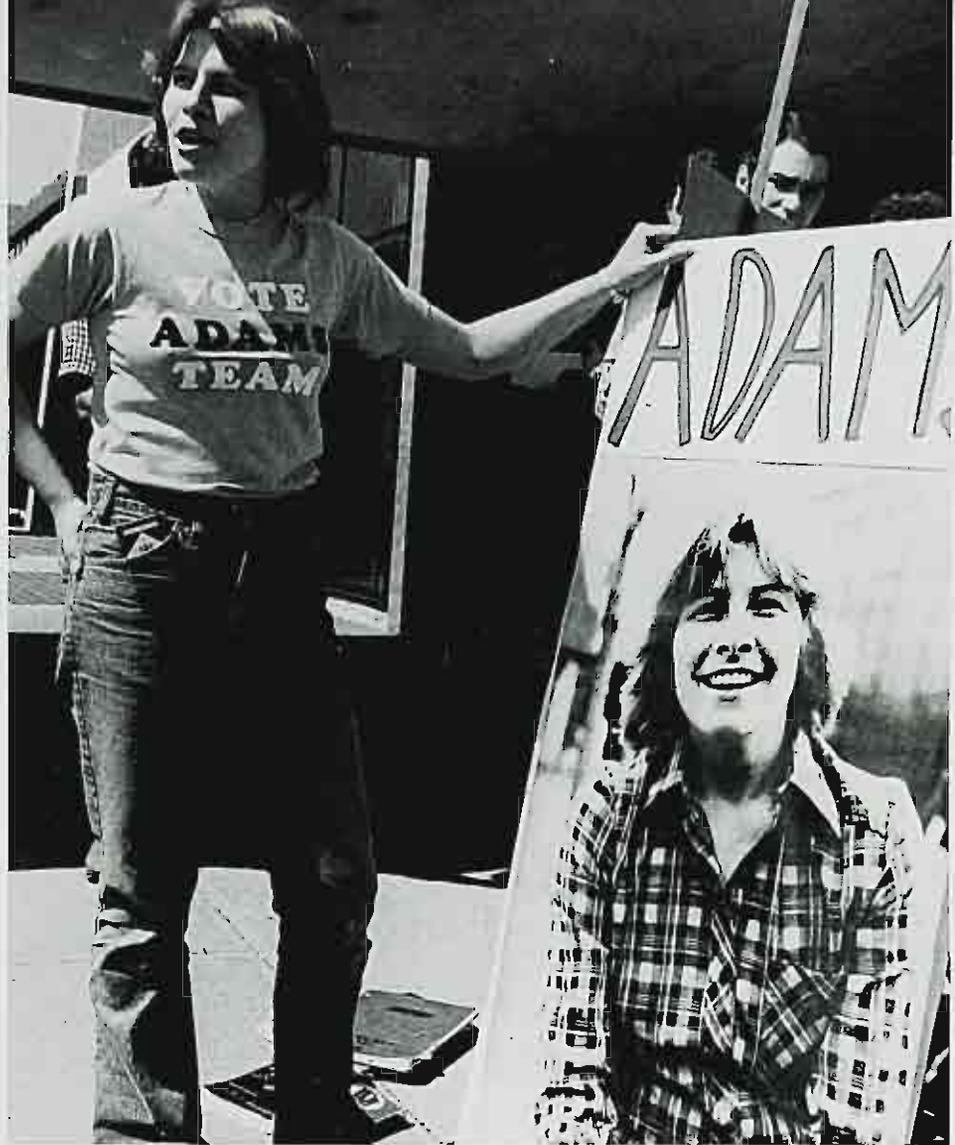

Supreme Court remained true to the Constitution.

Senator Sam Ervin spoke to a sold-out crowd in the Student Center Ballroom on April 23. Most of the questions he was asked concerned Watergate. Since Ervin chaired the 1973 Senate Presidential Campaign Practices Committee which investigated the case, he knew all the answers. He stated he believed it was Providence that made Frank Wills notice tape on the door at the Watergate. Ervin thought the pardoning of Nixon by Ford was wrong, saying, "I would never pardon a man who had never been convicted of an offense." Still, the senator believes that Nixon has been punished enough. He commented that the man has experienced, "the worst suffering a human being can endure."

To wrap up the evening, the "old country lawyer," a storyteller at heart, told some anecdotes about his twenty-year career in Congress. The stories allowed the audience to peek behind the public image and see the man. Senator Ervin received a loud ovation at the end of his speech.

- Ruth O'Hara over Peter Mankin 85-82
- Camille Zopper over J. Pisaurio 86-64

Out of a campus population of approximately 7,000, the voter turnout for the SGA election was 818 voters. Other elections attained smaller numbers, 270 in the Senior Class, 159 in the Junior Class, and 189 votes in the Sophomore Class.

Class officers and SGA officials, except for the co-treasurers, took over at the last SGA meeting of the year in May.

Posters with the slogan, "Do It With Your Hands" tempted students to visit the Student Art Exhibit throughout the second week of April. Art majors displayed their finished works and demonstrated crafts including weaving, drawing, and printmaking to all viewers. The Art Education Association sponsored the program in the hope that more students would be made aware of artists and their art.

Artists Display Talents

The Joffrey II Ballet Company concluded their four-month tour of the United States at Shea on April 19. The dozen young dancers gave a magical performance for the sold-out crowd.

The company performed several well-known ballets. The first number, *Scherzo*, was choreographed by Tom Pazik. The piece was fast and abstract involving a flowing graceful line of movement. This ballet was performed by Mary Linn Durbin, Leslie Burger, Camilla Basden, Bruce Falco, Mike Michaels, and Wesley Robinson. In the next number, the Joffrey II company used the *ribbon cabrilloe*. It is the only company to use this step. The ballet, *Continuo*, was danced by Diane Partington, Blu Matthews, Lynne Cher-

vony, Christopher Stocker, Luis Perez, and Eric Clopper. The company also performed, *Tzigane* danced by Mary Durbin and Mike Michaels and *Incident at Blackbriar*, a story of paternal love danced by Lynne Chervony, Blu Matthews and Bruce Falco.

Threads From a String of Swing was the last dance of the evening. The ballet took a nostalgic look at the music of Glenn Miller. It was danced by Mary Durbin, Camilla Basden, Leslie Burger, Christopher Stocker, Bruce Falco and Luis Perez.

The audience loved the Joffrey II and showed their appreciation by the tremendous ovation they extended to the dancers at the conclusion of the night of entertainment.

The annual Carnival was held in early April in lot five. Many of the organizations ran the various booths and food stands. The evening sky glowed with the lights from the rides and booths. A few days of cool weather and rain deterred many people from attending the Carnival. Another deterrent might have been other carnivals which were held in the area. The end of the week brought some better weather and more people to enjoy the games and rides.

It's a Perfect Day for a Picnic

The All College Picnic was scheduled to be held on May 12. The rain, however, made this impossible, so the picnic took place on May 14. Thursday proved to be a perfect day for a picnic. The air was filled with the aroma of cooking hamburgers, which led students away from the Snack Bar and Wayne Hall, to the grills. The Student Center lawn was soon covered with people. Sounds of music from the band, and people playing frisbee and singing filled the air. The dedicated students who cooked and served the food to their fellow classmates, once again, deserve our thanks.

The annual Senior Dinner Dance was held on May 5, at the Westmount Country Club. The evening was opened with a cocktail hour, followed by dinner. The Class of 1978, along with their guests, faculty, and staff, were entertained by the Emerald Experience.

Class President Nancy Phillips welcomed the seniors and their guests. Joanne Sebekos D'Emidio, 1976 Class President, delivered the invocation. Dr. Hyman was unable to attend so Dean of Students, Dominic Baccollo greeted the Class of 1978 and proposed a champagne toast.

The awards were presented by the Alumni Affairs Director, Nancy Thompson. Anthony Barone, advisor to the Senior Class, received an award for his contributions in aiding the class. Three students received the Outstanding Senior Award. They were: Nancy Phillips, Benjamin Bencivenga, and Thomas Benedetti. The recipients of the Valuable Senior Award were: Edward Barr, Benjamin Bencivenga, Thomas Benedetti, Andy Chabra, Mary Christopher, Tim Goeler, Dave O'Malley, Nancy Phillips, Ron Sampath, Harriet Shapiro, Patti Stewart, and Stewart Wolpin.

After the award ceremonies, dinner was served and the band brought many to their feet to dance, dance, dance.

OUTSTANDING SENIORS:

Ben Bencivenga

Ben Bencivenga has worked diligently for WPSC Radio Station to help it attain its success. He has been a disc jockey, newscaster, newswriter, public relations — community affairs director, assistant manager and manager.

In addition to his work at WPSC, he has been a staff writer for the *Beacon*, and a representative to the SGA. He has also been the junior and senior class representative to both the Judicial Board and the Alcohol Review Board.

Ben Bencivenga was selected for inclusion in *Who's Who Among Students in American Universities and Colleges* this year.

Thomas Benedetti

Thomas Benedetti has been active in the Student Government Association during his four years at the college. He has been a council representative for three years and he was elected vice president this year. He has also served as chairperson of the SGA election committee.

Elected as a representative to the All-College Senate, he has served on the elections and athletic policy councils. He was a member of the Athletic Association and he served on the Board of Trustees of the NJSA.

Instrumental in helping to organize the Student Activities Programming Board, he has been chairperson of the Coffeehouse Committee and he was the president of SAPB in his junior year. He was also Junior Class Treasurer.

Thomas Benedetti was selected for inclusion in *Who's Who Among Students in American Universities and Colleges* this past fall. He was a member of several national honor societies

including Kappa Delta Pi, and Alpha Kappa Delta.

Nancy Phillips

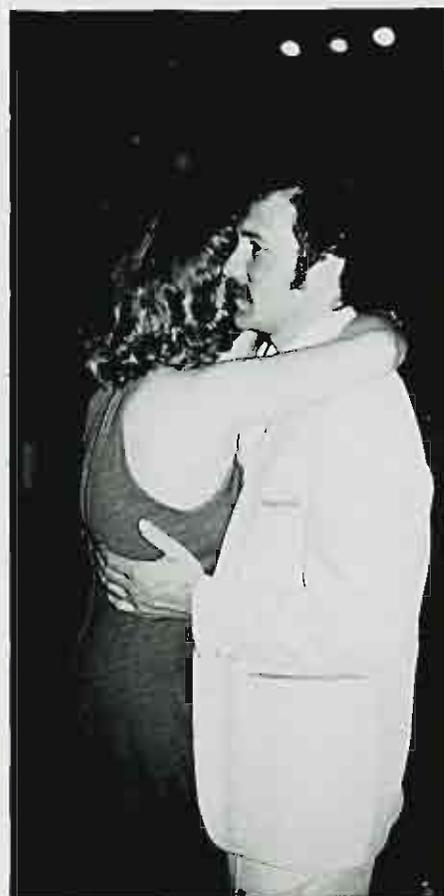

During her college career, Nancy Phillips gave her service to the college in a variety of ways. She has worked on the Ricky Hummel Blood Drive for four years, serving as co-chairperson in both her junior and senior years. She has also been a representative on the SGA for all four years.

She was secretary of the Speech Pathology Club and became a member of Omega Theta Iota in her freshman year. In her junior year, she was vice president of her class and treasurer of her sorority.

She was president of the Senior Class, and also a member of the SGA Executive Board. She has served on various committees, including the Senior Dinner Dance and Commencement Committees.

The morning of May 23, at 7:30 am, the roar of engines was heard coming from the air strip. The buses rolled forward and the annual ride to the boat had begun. A few hours later, packed with almost 2,000 happy people, the Dayliner left the dock. It headed up the Hudson River to Bear Mountain, and as usual, the ride was a lively one.

Students danced, drank, ate, drank, sunbathed, and drank some more. A number of frequent visitors to the river, some birds, extended their thanks for the food which was thrown to them, by escorting the boat into the Bear Mountain dock.

Upon arrival at their destination, the desks emptied and the people poured out onto the dock. No buses were available this year. Everyone walked up to the recreation area, carrying bats, balls, coolers, jugs, frisbees, blankets, and a

variety of other picnic necessities. One particular student, whose bottle of brandy had smashed on the deck of the boat, carried a lighter load, but a heavier heart. The day was filled with eating, drinking, playing softball and frisbee, boating and swimming.

The ride back was a more quiet one for most people. Many went to the lower decks of the boat, as it grew cooler. Each year a few people send sacrifices to the river god. This year, three chairs, two frisbees, and assorted foods made their way into the river. Thus another boat ride, the last for many, ended.

The evening of May 25 hosted the commencement ceremony of the 144th graduating class from WPC. The graduates marched onto Wightman Field at 8 p.m. to the traditional tune of "Pomp and Circumstance." This was the first night graduation, and it proved to be a lovely evening that included a rosy sunset.

Class President Nancy Phillips and College President Dr. Hyman addressed the graduates and guests. Harold M. Jacobs was presented with

an Honorary Doctor of Laws. He then addressed the graduates, speaking on the problems of the New York City school system.

After Dr. Mahoney read the names of students graduating with honors, the degrees were conferred upon the Class of 1978, by the deans of the respective colleges. As the various majors were called, the sky was aglow with "rockets' red glare," provided by the Art Education Association. Balloons, confetti, erasers, and tennis balls were also sent flying. One last rocket was launched, exploding into golden sparkles and thus the Class of 1978 said farewell to four or more years of college life.

John Mahoney Introduces New School

Dr. Seymour C. Hyman who assumed the presidency of William Paterson College on March 1, 1977, was inaugurated in ceremonies at the college on September 29. Since his inauguration the president has worked at improving relations between the Board of Trustees, the faculty, and the students. Hyman has also been involved in improving the computer center. Next year Dr. Hyman will work on the reorganization of WPC and the finances involved in the construction of new dorms along College Road.

John Mahoney, vice president of academic affairs, feels that the introduction of the School of Management is "the last and probably the most important implementation of the college's 1972 five-year master plan." Dr. Mahoney has developed an Honors in Management program to inspire excellence within the new school. The program presently consists of 44 credits of a combination of economics, political science, business administration and foreign languages.

Dr. Mahoney taught an English course, entitled, "Dante" in the fall and he says he likes to remain in contact with the student body. Throughout the year, he attempts to be available to students to discuss academic problems.

Frank Zanfino, vice president for administration and finance, suffered two heart attacks this past fall. Mr. Zanfino received coronary care at Paterson General Hospital for several weeks. Since November he has been recovering at home. Mr. Zanfino is expected to resume his office in September.

More Changes on the Way

The Office of Financial Aid examined each request for monies to determine the best possible aid for each student in need. The sources of financial aid were: National Direct Student Loan, Supplemental Educational Opportunity Grants, College Work-Study Program, Basic Educational Opportunity Grants, Nursing Student Loan Program, Nursing Scholarship Program, Law Enforcement Education Program, Educational Opportunity Fund Program, New Jersey State Competitive Scholarships, Public Tuition Aid Grant Program, Student Assistant Program, Guaranteed Student Loan

Program, Sponsored Scholarships, and SGA Loan Fund.

Mr. Thomas DiMicelli was the director of financial aid. He was also in charge of loans and grants. Ms. Carolyn Tucker handled EOF applications. Ms. Helena Myers dealt with the Work-Nursing program, Ms. Margaret Serven was the woman to see for LEEP Loans.

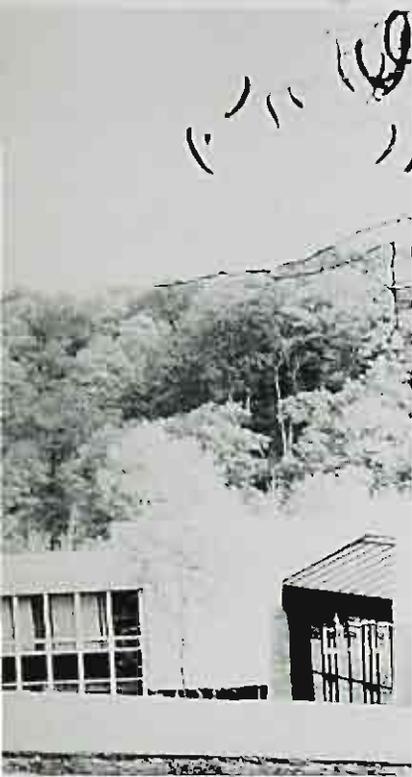

Recipients of most loans and grants normally received assistance for their entire undergraduate program as long as they continued to demonstrate financial need and remained in good standing.

There were two major changes in the Registrar's Office this year. First was the establishment of new academic standards and second was the switch over from line to mail-in registration.

Due to the new standards, 716 students were dismissed from college over the summer with an additional 690 students placed on academic probation in September. The major change in academic standards was that any student whose GPA falls below 2.0 is no longer in good standing. The completely new standard was the GPA needed to remain in school. Freshman must attain a 1.2; sophomores, a 1.7; juniors, 1.9; and in order to graduate a student must maintain the standard GPA level to attain.

The paperwork involved in switching from line to mail registration was tremendous. The office increased the student staff in the Registrar's Office in the spring in preparation for the fall mail registration. When the registration cards arrived, they were sorted into several piles — cleared cards, cards signed by the advisor, and cards found out improperly. Another problem was the fact that many students did not mail in their cards to the Registrar's Office by May 1. Vince Carrano, registrar, believes that mail registration will work out better for the majority of students despite all its problems.

The Advisement Office made sure everyone had an advisor and a time and place to seek out additional help with their curriculum whether they be full time, part time, grad graduate, day or evening students. The office is composed of Alan H. Todt, director of academic advisement, Philip Seminario, and Leonard R. Bolzan, who joined the staff this year.

The place to gather, before or after classes, was the Student Center. The Center housed all student government clubs and organizations, and the print shop, on the third floor. The restaurant, conference rooms, alumni office and the Student Activities office as well as a lounge took up most of the second floor. The main floor was the center of the most activity. The central office, information desk, candy shop (with the nut mix), the comfortable lounges, the Ballroom, the SAGA food center and the pub were there. Below were the bookstore, bank, vending machines, the money-changer, the arcade, and the TV lounge.

The Student Activities Office was

sought by many students from time to time during the year in order to buy tickets or to find out about upcoming activities. Director of Student Activities, Anthony Barone, and assistant director Ann Picozzi advised SC clubs and organizations, especially the SAPB, in planning concerts, lectures and annual events.

The directors and managers of the Student Center this year were: director, Bill Dickerson; his assistant, Joe Tanzi; director of operations, Corwin Tintner; and assistant, Val Weiss; bookstore manager, Will Fitzgerald; and food service manager, Chris Miller. Judy Manzi was the scheduling officer.

Director Narda Kearney and assistant director Kenneth Zurich made individual and group counseling available to all students. They cited the major reasons for counseling were unclear career goals, problems with finding jobs, and the graduate school search. The office also provided guidance on preparing resumes, cover letters, securing references and suggestions on how to develop good interview skills.

The office maintained an extensive Career Library complete with vocational files, full and part time job listings. Federal, state, county and civil service career information, graduate catalogs, company brochures and a new women's career section.

Several career conferences were sponsored by the office this year. Business, industry, and government representatives provided information and answered questions about careers and future hiring trends.

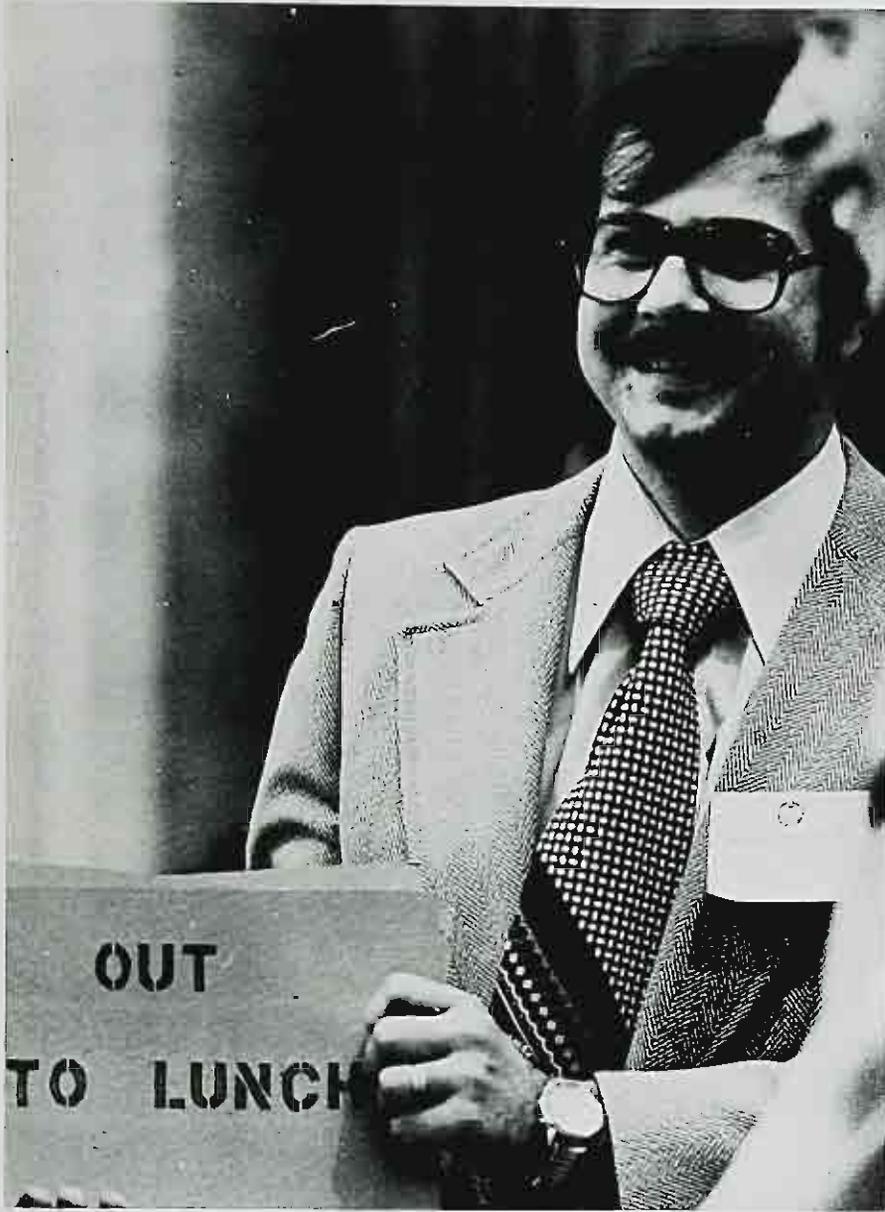

Students who struggled with emotional problems had the opportunity to receive help from the Department for Counseling. Robert Peller directed a staff trained in clinical psychology. Counselors, John Adams, Anita Este, and Michael Sakowitz met with students who requested personal or vocational counseling, leave of absence, withdrawal consultations or readmission interviews.

Security and Housing Enforce the Rules

Giving out tickets, tickets, tickets was not the only job of the security force this year. Security headquarters was open 24 hours a day to assist students in the event they needed emergency help of any kind. The unit offered programs on personal safety and crime prevention upon request to classes or student groups. B. J. Scudieri was the director of safety and security.

Gary Hutton, director of housing, had the responsibility for two six-story air-conditioned dorms, Pioneer and Heritage Halls. The halls were staffed by residence assistants and residence hall directors. They assisted students with person problems, helped resolve roommate conflicts, and enforced guidelines. The directors this year were: Stanley Rogers, John Fitzpatrick, Ronald Kopec, and Gloria Williams.

Eason Strives for Excellence

Each year, Arthur Eason, director of athletics, hopes to rewrite the record book in every sport. The department offered a well-rounded program of intercollegiate athletics this season. The men have had championship teams in soccer, basketball, fencing, swimming and baseball and ranking individuals in cross country and track. The women, under the guidance of assistant director, Martha Meek, have participated in regional tournaments in volleyball, basketball, softball and field hockey and in national championships have been the fencing, swimming and tennis teams.

Robert Goldberg was the director of library services. He maintained a professionally trained staff who assisted students in the use of library resources. The library has expanded its microfilm and microfiche facilities this year by providing a more extensive periodical collection. Goldberg has instituted a program of monthly workshops to inform students about library facilities.

In order to cut down on the rampant vandalism which occurred last year, the library installed a new detection system. According to Dr. Goldberg, the new system has been very successful

and will become a permanent feature of the library.

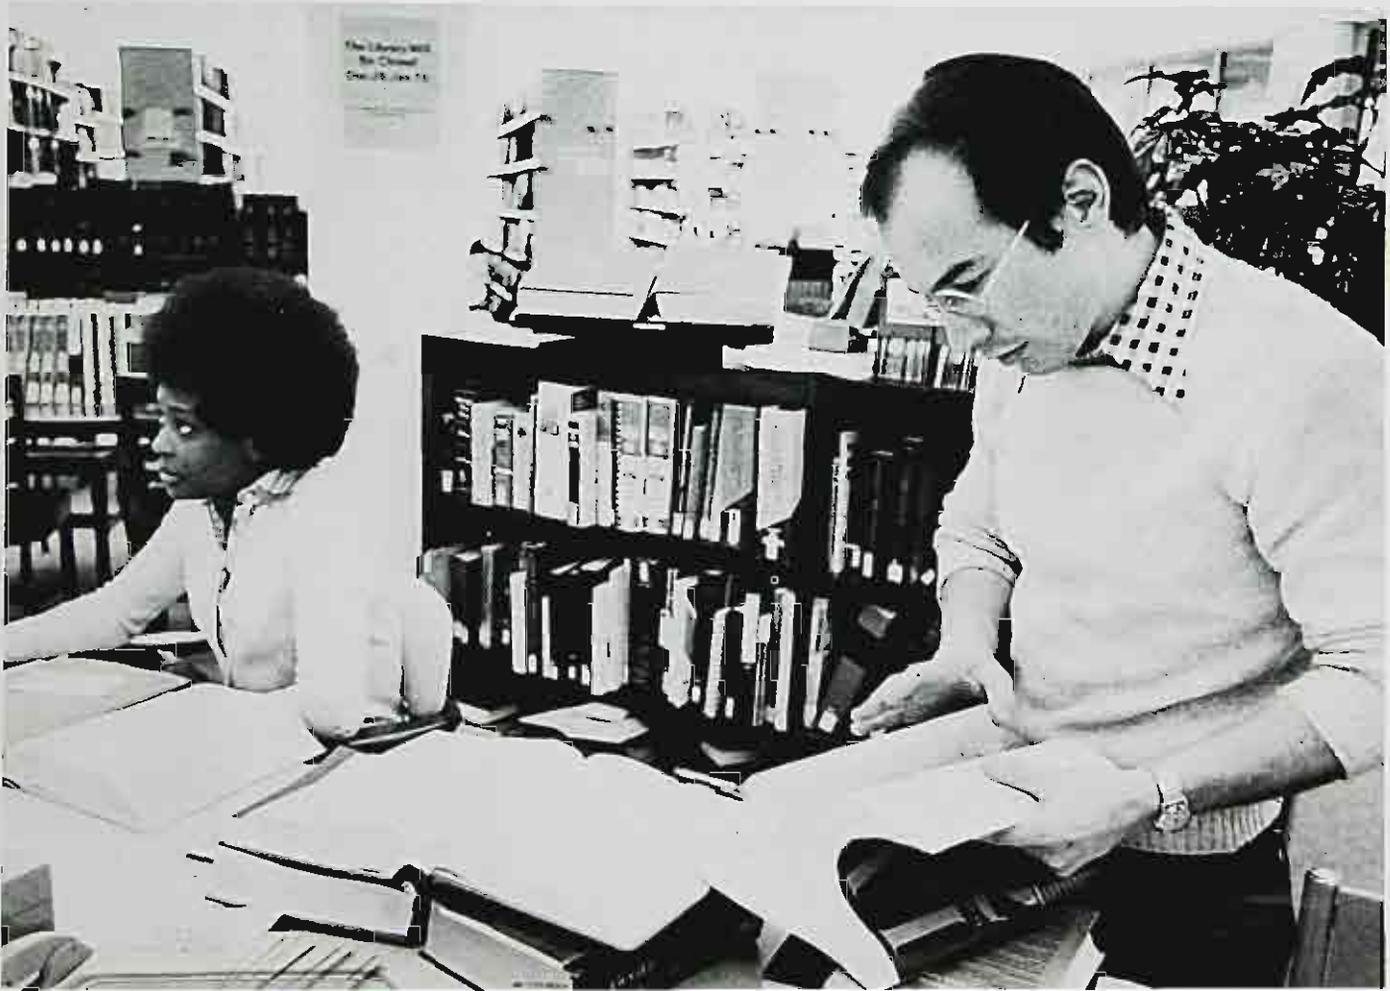

Richard Watt was the director of audio-visual aids. The department provided ID cards for everyone on campus. They also had the added responsibility of validating all ID cards this year. All video-tape systems, recorders, projection screens and movie cameras were from this department.

Alumni Show Generosity

Nancy Thompson

Dennis Santillo

All graduates are members of the Alumni Association. The association, directed by Nancy Thompson, attempts to remain in contact with graduates to inform them of what's happening at the college and to promote the interests of the college.

This spring, the alumni pledged more than \$7,350, 23 percent more than last year, to the association during the Second Annual Alumni Phonathon.

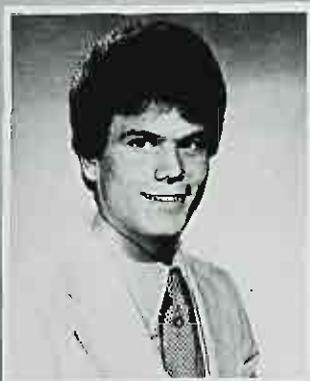

Alumni volunteers received pledges from 793 members during the three-day period. The success of the phonathon has made the college eligible for the final round of judging in the Alumni Giving Incentive Awards, improvement category, sponsored by the Council for the Advancement and Support of Education with a grant from the United States Steel Foundation. Alumni who gave \$100 or more were rewarded with a dinner at Hobart Manor in June.

The Alumni Association sponsors many services through monies from the Annual Fund. Among those services were a college booth at the NJEA convention and at the annual Carnival. With the assistance of the SGA, the association held the Annual Homecoming parties complete with hayrides and Your Father's Mustache. Scholarship awards, and the annual class reunion, are also funded by the association. This year, alumni sponsored the Alumni Dinner in the Ballroom. The money was also provided for scholarships, special projects and an Alumni Travel Program.

Dennis Santillo, as the director of Information and Publication Services, wrote and distributed news releases about the people and new programs of William Paterson. Santillo was also editor of the *WPC Quarterly* which he sent to all undergraduates.

PRACTICE TRAIL

Athletic Hall of Fame induction ceremonies were held February 11 and were highlighted by awards presented to long-time fencing coach Ray Miller, and to the family of the late Henry Reeder, a football player who died in his senior year in 1973.

Players and coaches were selected for inclusion in the Athletic Hall of Fame based upon achievements in their respective sports while at WPC. Presentations to the first ten members of the AHF, sponsored by the Alumni Association, were made following a wine and cheese reception for friends and families and just prior to the varsity basketball victory over Montclair State College in Wightman Gym.

Ray Miller, women's fencing coach for 32 years, received a special award presented by Alumni Association president, Helen Wienke. Coach Miller led teams to five IWFA national individual and eight national team championships.

JANE DARDIA TOUT (1956) — In her junior year she led the women's fencing team to a second place finish in the National Intercollegiate Championships. As a senior she was the first WPC fencer to win a national individual title. She collected over 30 medals in amateur and collegiate competition.

JACK DRURY (1957) — He still holds fourth place on the all-time basketball scoring list with 1,532 points. He was a member of the varsity for four years and captain during his senior year. He continues to hold the record with 20 free throws in a single game.

PAULINE SINGELAKIS PICCININNO (1963) — She was one of four women fencers on the US Pan-American team in the early 60's. In her junior year she competed in the National Championships of the AFLA and tied for second while being ranked fourth in the nation. As an undergraduate she captured two state intercollegiate titles.

CARMINE DE SOPE (1964-1967) — Fourth among all-time scorers (32), he scored 12 goals in 12 games for the 1962 soccer team. He was on the first team NJSCAC for four seasons. He served as co-captain for three years and was voted Most Valuable Player during his junior and senior years.

ARLEEN MEINICK SWIFT (MA 1970) — She took second place in 1963's National Intercollegiate Women's Fencing Association Championship and then won titles in her junior and senior years. She was named to the training squad of the US Olympic team.

MARK EVANGELISTA (MA 1973) — He was named to the State Athletic All Conference basketball team for four consecutive years. In addition, during his junior and senior year he was named to the NJ All Conference team for his role as a goalie for the soccer team. He was named Tri-State NCAA Division I All-American goalie.

STEPHEN J. CLANCY (1966) — Passed 1,822 points in four years, 22 point per basketball game. He grabbed 1,000 total rebounds while playing in all but ten games over four seasons. He holds the record for most field goals, 100, in ten games. A winner of numerous All Conference awards, he was named Most Valuable Player in 1964-65 and 1965-66. He captained the 1965-66 team.

MICHAEL GREENBOWE (1972) — He placed first place in a NAIA District meet and second place in a PAC meet, both in 1968. He was named All Conference four times. He captained his team in 1970-71. In 1971 he received an Outstanding Seniors Award.

MARY DUPRE MASTRO (1972) — She competed in National Field Hockey tourney play during her senior year. She was selected first team All-American in 1971, and second team during her junior year.

HENRY REEDER — He was named as an honorary member of the Athletic Hall of Fame. Reeder's mother accepted the award. Reeder's widow sent a telegram of appreciation from California.

Diamondmen Pose Str

With fourteen vacant spots to fill on the baseball team, Coach Jeff Albies faced a rebuilding year. Losing their last four games and seven out of the last eight, the Diamondmen finished with an 11-16-2 record. In NJSCAC Northern Division competition, the Diamondmen finished last with a league mark of 3-6.

The team had only one strong point and several weak ones. Offensively the team was strong, batting .296 as a squad and scoring 218 runs until conference play in which the batters hit only .210. Defense and pitching proved to be major weaknesses. The team fielding was a mere .940. During seasonal play the squad committed 62 errors and 61 of the opponents' 224 runs were unearned. In addition the pitching staff finished with a 6.19 ERA. Hal Hermanns led the staff in both wins (3-5) and ERA (3.94).

Coach Jeff Albies was more impressed by several freshman players than with the varsity. Alan Anderson, a 23-year-old freshman, did a good job as the lead-off batter. The centerfielder batted .360 with an on-base percentage of over .500. Anderson led the team with 36 hits, 31 runs, 7 doubles, 37 walks, and 19 stolen bases. Freshman pitchers Brian Mannain and Tom Warzynski had winning records in limited play, and show potential for next year's varsity. Transfer student, Joe Brock, achieved recognition with a .379 average, 20 RBIs, and 11 extra base hits.

The team loses three key players through graduation. Captain Jerry Delaney batted .327 and led the team with 67 assists. First baseman Steve Ulrich tied for the lead in home runs with four and his fielding ability will be missed. Catchers Wolf Albrecht (.293, 12 RBI) and Joe Funk (.303, 4HRs, 16 RBI) will weaken the offense by their absence. All four seniors received 4th year Awards.

Coach Albies hopes the team will improve through conditioning this summer and also by heavy recruiting, especially for a first baseman and pitchers. There is also a possibility of starting a JV team. Coach Albies feels that "a JV program will afford kids a chance to learn the system and a chance to play."

p. 146. Top: "Come on home!" shouted the third base coach to a charging Pioneer. Bottom Left: Pioneer sent the ball far into the outfield for a single. Bottom Right: Did he make it? . . . No, p. 14. This Pioneer made it. He slid to safety as the ball sailed past an opponent's knee. Right: A Pioneer demonstrates his pitching motion.

Despite the loss of nine key players from last year's championship team, the men's basketball team still managed to break .500 with a 12-11 record. Coach John Adams was pleased with the results and with the opportunity to play in the conference play-offs. The squad earned the bid by beating Stockton State 80-78 which eliminated rival Montclair State.

Receiving 4th Year Awards were Rennard Austin, Don Lee, Bob Lobban, George Sefcik, John Walenza and John Winston. Walenza was on the All-State second team and he served as the team's leading rebounder.

Coach Adams is looking forward to next year's squad. Freshman starts Clint Wheeler and John Rice should be strong competitors, and JV coach, Tom Barese, led his players to a 16-4 season, the best in the league. Joe Ash was the assistant coach; John Demby was the manager; Stewart Wolpin, the statistician; and Mimi Siegel was the team scorekeeper.

WPC has the edge.

The women's basketball team ended its season on a victorious note with a win against Brooklyn, 66-59. Leading the scoring attack was center Debbie Comerie, who tallied 12 points by the end of the first half. Right behind her in the scoring was Liz Matthaei, a senior playing her last game as a Pioneer. Matthaei pumped in 10 points and Margarey Piluso was third in scoring after the half with nine points, making the score 37-28. The second half was a field day for Comerie and Piluso, who accounted for 27 of the Pioneers 29 points. Piluso, contributed 15 and Comerie added 12. The only other player to score any points was Matthaei with two free throws.

The victory over Brooklyn brought the season overall record to 7-13. The Pioneers, however, did end an otherwise dismal season on a somewhat happy note, winning three of their last four games.

The season was a disappointment filled with such embarrassments as the 111-43 loss to conference rival Montclair, and a 76-50 loss to Immaculata. All in all, the season was not without its exciting moments such as the 78-77 win over Kean.

Coach Tague will lose three members of his varsity squad to graduation, Matthaei, guard Kathy Fitzsimmons, and Mary Dalton. Comerie and Piluso will be back next season to work on building a winning team.

The men's fencing team broke even with an 8-8 record. In overall scoring this season, five fencers had winning records. Bill Trapani finished with 37 wins and only four losses and he was undefeated in foil competition. George Rhoades and Mitch Hecht posted 20 wins and 7 losses. Nick Frannicola posted 27-11. John Felince posted 29-19. Nick Frannicola finished seventh nationally in the Under 20 competition at the Junior Olympics in Houston. Frannicola was chosen as the alternate to represent the US in the World Games. Nick Frannicola won the NJ AFLA Foil Championship and

he was also the Middle-Atlantic foil champion this year.

Bill Trapani and Frannicola teamed up to win the North Atlantic Championship in foil. The team placed third. In individual NCAA competition, Trapani placed eleventh nationally in foil while Mitch Hecht finished fourteenth in epee championship in the regional tournament at Johns Hopkins University in Maryland.

Coach Al Sully is expecting a fine year next season despite the loss of Mitch Hecht and George Rhoades through graduation. Mitch Hecht received a 4th Year Award.

Men's Fencing Team 1977-78: Coach Al Sully, Frank Ayres, Andy Bastier, Tom Blanc, John Felince, Nick Frannicola, Mitch Hecht, Tim O'Reilly, Sal Pantieri, Bob Ponetpietri, George Rhoades, Joe Rocco, Robert Stout, Mark Terranova, Bill Trapani.

Fencers Attend 50th Nationals

The women's fencing team had a successful season with 13 wins and 6 losses. The team placed a prestigious third in the State Tournament just edging out Montclair. The team didn't expect to place much higher in the tourney because of Jersey City State with Olympic fencer Sheila Armstrong and Fairleigh Dickenson University, last year's number one team. The women were disappointed when the overall statistical count, taken at the States, denied them a spot at the Nationals by two bouts. The bid was given to rival Montclair State. Coach Miller and the fencers maintained an optimistic view that they would be invited to the tourney on the strength of their overall record and performance in the States and their hope became a reality. The team of Chris Pannella, Cynthia Garbedian, Patricia Stewart, and Caroline Mayer with alternates Mary Anne Kell and Laura Ferrara, placed seventeenth at the 50th Nationals held at the University of Pennsylvania.

Every member of the squad strove for a winning season. Senior Cindy Garabedian secured a "C" classification this year at an AFLA competition in the fall. Garabedian was the only WPC fencer to qualify for the individu-

als at the States, however, she was eliminated in the semi-finals. Lefthander Patricia Stewart fenced second on varsity this year. Stewart achieved a sixth place medal in an AFLA Open. During the season she fenced in every varsity match and fared well at the Nationals in the "D" position.

Other varsity regulars, juniors, Caroline Mayer and Mary Anne Kell improved in style and skill enough to secure medals in AFLA competition and hold onto the varsity positions. Freshman Christine Pannella provided for a lot of the team's success. Replacing Mary Anne Kell in the "A" position at the States, Pannella won several crucial matches against fierce competitors to help attain third place. Laura Ferrara, a freshman lefthander, started from lesson one in September and by May she was already showing varsity potential for next year.

Coach Ray Miller will miss the strength of his prime fencer, Garabedian and four-year veteran, Stewart through graduation. Both fencers received 4th Year Awards. Coach Miller states that he will push for a mass recruitment campaign next year. "I'm striving for a number one team," said Miller.

Coach Cushing Hopes for Improvement

Coach Karen Cushing hopes for a better season next year. The field hockey team held a 2-12-1 record at the conclusion of seasonal play.

Sue Powelstock was the outstanding player of the team. She led the team in goals from her forward line position.

Receiving 4th Year Awards were Nancy Bottge, Kathy Kulovitz, Cheryl Merritt, and Linda Stanton. Tom Jones was the team manager.

The season ended for the Gridders with a 4-4-1 record, just one fewer win than the most successful season record achieved last year.

The Gridders played a consistently tough defense giving up less than 166 yards a game. The defensive team ranked the Pioneers among the top five defensively of more than 340 NCAA Division III schools.

At Homecoming ceremonies three top Gridders were given awards for skills displayed during the game. Best offensive lineman was Steve Chelstowski, best defensive lineman was Connie Brown and Most Valuable Player was Lance Sisco who caught seven passes for 84 yards. Chelstowski and Sisco made honorable mention, All-American. Six Gridders attained spots on the All-Conference team. They were Steve Chelstowski, Lance Sisco, Jerome Lancaster, Joe LaBadia, Connie Brown and Eugene Introna. Receiving 4th Year Awards were Tim Athill, Rodney Best, Cornelius Brown, Steve Chelstowski, Ralph DiMaio, Kevin Derk, Metro Duda, Al Henion, Steve Ingram, Joseph Labadia, George Mattyasovsky, Anthony Minor and John Occhipinti. The assistant coaches for the 1977-78 season were Glenn Zomack, Alfred Tagliabue, Cy Lawrence, Frank Markov, Victor Blasucci and Robert Wolff.

Number one golfer, Paul Rudeen, highlighted the golf team's season by placing second in the Metropolitan Golf Association's 29th Annual Intercollegiate Individual Championships among 113 competing golfers from major universities and colleges. Rudeen was one stroke off the leader Andy Anello from Queens College, who took the tourney with a 77 score. Paul Rudeen ended the season well, peaking at the end to defeat Conference #1 players who had defeated him earlier in the season. Rudeen was selected for the second consecutive year All-Conference first team. This year he placed fifth in the NJSCAC Individual Championship after tying for first last year. As a result of his good showing, Rudeen was selected for the NCAA Division III qualifying at Rutgers University. Coach Will Meyers ranks Rudeen as one of the best golfers he has had at WPC during his thirteen-year coaching career. Rudeen looks forward to professional competition, "I'd like to get to the top. If I don't make it in five or six years I'll be a club pro. But I'd like to give it a good shot."

Rudeen co-captained the team with junior Bill Pike. Winning 4th Year Awards were Rudeen, Joseph Cappuccio, Dennis Etzel, and Wally Kislowski.

Paul Rudeen Highlights Season

Gymnasts Break All Records

Sue Grutta

After a season with cancellations because of snow and injuries to key team members, coach Sue Herdemian and her squad came back in full strength to win the final home meet of the year. Records were broken when the gymnastics team ran away with its meet against Suffolk Community College. The 98.80 team score amassed by the women was the biggest ever for a gymnastics team at WPC. Suffolk finished with a team score of 76.35. The Pioneers took 10 of the 13 placing scores.

In the first event of the meet, vaulting, two records were set. The Pioneers had four gymnasts with scores over seven, the first time ever in Pioneer history. Iris Mitendorf took first place with a 7.55 score,

the second record of the event, and the highest vaulting score ever for a Pioneer.

Although the team broke every event record ever set at the college, the gymnasts record was 3-9 for the season. There were several outstanding players on the squad this year. Susan Grutta was awarded the Albert G. Barone Award at this year's Sports Banquet. Sheila Augustowski was an achiever in all four events. Kim Smith, Marcia Taylor and freshman Mary Myers added some memorable moments.

The team will lose Susan Grutta and vaulter, Gail Schiavone who both received 4th Year Awards. The team's assistant coach for this season was Nels Jensen.

ot only did the soccer team win the Jersey State College Athletic Conference Championship by going undefeated with a 6-0-1 record and win the Eastern Collegiate Athletic Conference Central Region Soccer Championship the soccermen were ranked second in the state, behind Princeton University by the New Jersey Soccer Coaches Association.

The squad broke many team and individual records. Co-captains, Weldon Myers and Barry Shier led the team to a 13-2-2 overall record against a schedule that posted eight teams who had won in NCAA and ECAC tournament play themselves in recent years. The losses were encountered while the team was wading through team injuries. Freshman goalie Bill Towey, who had a 9-0 record, returned after a hand injury to play in the ECAC Tournament where the Black-and-Orange downed a top Marist team (12-3-1) by a 5-0 margin after defeating New York Mari-

time in semi-final play. Team records were evident as the team won 13 games as well as having scored 74 goals in a season and 12 in a single game. In conference play, the men almost doubled their closest rival with 30 offensive goals which proved to be a conference record. Joe Scimeca topped the career scoring record with 53 total goals and tied the single game scoring mark with 6. Scimeca scored 20 goals this season, 10 in conference play. He was followed by Shier, who shot 8 conference goals and 13 overall while missing three key games. Joe Felice's 15 assists and 13 by Shier were seasonal assist records.

Coach Will Myers was the National Rating Board Chairman for the Intercollegiate Soccer Association of America. He was voted as "Coach of the Year" by the New Jersey Soccer Coaches Association. Coach Myers and his assistant, Ray Spadaro, will certainly miss the playing abilities of seniors Shier, Scimeca, Felice, Paul

Ortolani, and Roman Diduch. Shier and Scimeca received this year's Most Valuable Player award. Shier was chosen for the Dedication and Effort Award by his teammates. Both were chosen first team All-State by the NJSCA as well as honorable mention All PA-NJ-DEL. Area team by the All-American Selection Committee. Up for All-Conference selection are Garo Assadourian, Joe Felice, Weldon Myers, Barry Shier, and Joe Scimeca. Myers, Scimeca, and Shier are repeaters on the team with Scimeca making the All-Conference-Line for three consecutive years and the All-State squad for four years. Receiving 4th Year Awards were Diduch, Felice, Ortolani, Scimeca, Shier, Tony Lentine, and Nerces Mavelian.

Coach Myers stated that he enjoyed working with such a fantastic team. Myers commented, "It was a first class season by a first class team."

Coach Carol Erickson

The women's softball team achieved seven straight victories to attain an 11-6 mark. Several Pioneers contributed to the team's success. Madeline Moore pitched 94% innings while giving up only 52 hits during the season. She struck out 61 and had an earned run average of 1.63. During conference play, Moore batted .333 and .411. Other fine hitters were senior right-fielder, Mary Anne Taormina who hit a solid .288 on the year and .357 in the conference and backstop Diane Amoscato who batted .315 for the season. Lisa Siletti played a strong centerfield and hit .325; lefthander, Janet Strachan batted at .318; freshman third baseman, Wendy Simone hit safely in the last six games with a .307 average and 11 RBIs and freshman outfielder, Debbie Willard hit .444 while seeing limited play. Aside from hitters, the Pioneers valued Diane Saggese because of her good defense and running ability and

utility player, Linda DeLorenzo, known as "Delo" who filled in as catcher.

Coach Carol Ann Erickson was disappointed that the team was denied a bid for the regional tournament. Despite a Pioneer record of 11-6 the selection committee chose Delaware University with a record of 7-6, ostensibly due to their reputation. Erickson commented, "It's a shame that we didn't get into the regionals because at the end of the year we really believed that we could beat anybody."

Coach Erickson loses co-captains, Mary Ann Taormina, and Cheryl Merritt as well as Carol Hosbach, Nancy Bottge, and Mary Ellen DiGiacomo, through graduation. Taormina and DiGiacomo received 4th Year Awards.

Erickson is looking forward to next season especially due to Mary Ann Collura and Karen Manista, both potential star players.

Records were shattered by the men's swimming team this year. Individual records were broken by freshman Peter Lavin in the 100 meter and 200 meter backstroke. Russ Greuter set a new record for the 100 meter butterfly. Chuck Davenport, David Halbstein and Lawren Johnson broke two relay records in seasonal play.

The squad placed fifth in the Metropolitan tournament with five wins and three losses and fourth in the state championship. Coach Ed Gurka hopes to improve on the 8-6 record, next year. Although co-captains Dan Pedota and Dave Halbstein graduated in June, the coach foresees young talent coming to fruition.

Dalen Duitsma, Dave Halbstein, Dan Pedota, Walt Schmitt and Bruce Rebiz received 4th Year Awards. Dave Halbstein was named Most Valuable Player.

Tracy Monsaert and Debbie Oliver captained the team. Monsaert broke down college records in the 200 yard freestyle and the 500 meter freestyle. Monsaert was named the team's Most Valuable Player for her achievements. Monsaert, Oliver, Karen Mile and Holly Harms were invited to participate in the EAIW Eastern Regional Tournament. The tennis team ended its fall season in style against Queens last Monday taking all six matches for the overall win of 6-0. The victory brought the season record up to 10-4.

Kris Sandbo, playing first singles, ended her career with the Netters by taking her match in straight sets 6-0, 6-1. Sandbo did not play for the spring season as she graduated in January. Throughout her years on the team, Sandbo has played well and had a winning season each year, not losing more than two or three matches a season. The tennis team will have a big hole to fill where she once played.

This is the tenth year in a row that Coach Overdorf has produced a winning season. Looking back, Overdorf commented, "Even when we lost there was no time when we were overpowered or overwhelmed by the opponents." She is most proud of the team's

win over East Stroudsburg, a powerful power in tennis. It was the first time Netters had ever beaten them.

In November, Ginny Overdorf honored by alma mater, Ohio Wesleyan University. She was inducted into its Athletic Hall of Fame. Overdorf is recognized for her outstanding career as a field hockey player. During her four years on the varsity squad, the team lost only one game. As a field hockey player, she was named to both Great Lakes and National Field Hockey teams. She also played volleyball and basketball during her college days. "I was honored when I heard about it," Overdorf said. "This is only the second time they are inducting women in the Hall of Fame and I was pleased that they considered me." Overdorf accepted the award at a special ceremony at the university.

Although the won-loss record for the men's track team was 5-5-1, the team ended the season with six impressive performances at the NJSCAC Championships. At the meet, Mark Thalasinis took first in the shotput and Steve Lavero took fourth in the discus. Gary Quatrano placed third in the 220 yard dash at 21.8 which qualified him for the NCAA Division III Nationals. Tom Jones took fourth in the 440. Jeff Scymanski placed fourth in the mile. Kevin Moloughney took third in the six mile event.

The track-and-field team participated in several other tourneys. At the NJ College and University Championships, Mark Thalasinis placed third in shotput with a best throw of 50'3½". At the Collegiate Track Championships, George Lester broke the school record for the 440 with 49.4. The mile relay

team of Tom Jones, Jeff Symanski, Ron Artis and Lester broke the mile relay record at 3:23.0. Thalasinis took fourth in shotput. Gary Quatrano, Mike Winds, Ron Artis and Tom Jones broke the school 440 relay with a 44.4.

Coach Bob Smith looks forward to adding an indoor track season to the team's schedule next year. He also hopes for more improvement, "You take it one step at a time. This year was the first step and next year will be the second step. I'm just trying to build a team."

The cross country team finished with a 10-9 record. Unfortunately the team was unable to secure a bid for tournament play. Senior Kevin Moloughney finished his college athletic career with the distinction of being named Outstanding Runner 1977-78.

Women's Track — A Team on the Rise

The new team joining the roster this spring was the women's track team. Coach Bob Smith and manager Terry Mahan supervised the first squad during a schedule of three schools. The women attained three victories. Kyra Threlfall placed third at the Rutgers relay in the discus.

Although the women are now considered a team, they were an SGA chartered organization for several years. Debbie Oliver received a 4th Year Award for her dedication to the club-team.

Volleyball has never experienced a losing season. The team posted an impressive 13-5 record and won the 1978 Brooklyn College Metropolitan Invitational Tournament.

Coach Bernard Walsen is impressed by the growth and improvement of the program since he began coaching volleyball four years ago. "I'm very confident about next year," said Walsen, "I hope to attract very promising players from other schools this year."

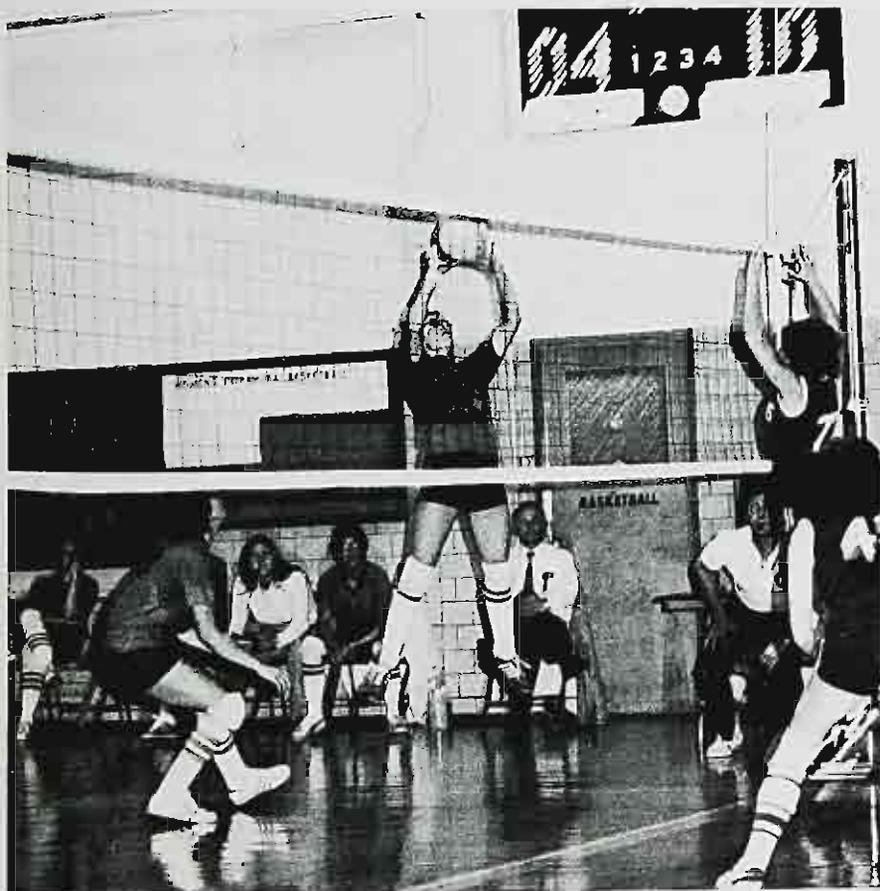

Senior Carol Hosbach was named the number two player in the Metropolitan by the coaches and officials. Eileen Fitzgerald, Linda Hazuka, Carol Hosbach, Joan Smith, and Janet Vilardo received 4th Year Awards. Sandy Ferguson served as the assistant coach.

SGA Officers — Teamwork

Mark Evangelista, SGA Advisor

The Student Government Association funds most of the clubs and organizations and an additional 30 at organizations. Every full time student is a member of the SGA which is the governing body of student life. The SGA is the most important element of the student community, in the governance of this college.

The student officers for 1977 were: David O'Malley, president; Thomas Benedetti, vice president; Michael Mintz and Loree Adams, treasurers. The team has worked together. They revised the SGA Constitution and have kept a watchful eye on all club finances. If a club had a problem, they were never too busy to help. The SGA tackled such issues as faculty retention, and it answered calls for help from Bruce Adams.

Ellen Amoroso, the secretary, developed a good relationship with the officers because of her great personality and efficiency.

CLUBS AND ORGANIZATIONS

David O'Malley

"Your classes account for maybe 35 percent of your education. Learning how to act through involvement is the other 65 percent."

"I've learned as much or more from my involvement here as I have in the classroom, I've become more confident in my own abilities and I've found that your power is really very limited. The glamour slips away very quickly to show all the work underneath."

Thomas Benedetti

Michael Mintz

"It's our job to protect the students. We've got to look out for the students' rights; protect them from what's being plotted against them. That's what I think it (SGA) should do."

"I feel that the job is basically what you make it . . . I'm here to do a job for the student, and I look at it as a learning experience in dealing with people. There's a lot of personal satisfaction in dealing with an organization and helping them accomplish goals that they've set out to achieve."

Officers Plan Events

This year the senior class spent much of their time planning the Annual Senior-Faculty Dinner which was held at the West Country Club. They also helped organize the first commencement ceremony held at night.

The officers were: president, M. Phillips; vice president, Harriero; secretary, Mary Christoforo; treasurer, Ed Barr.

The junior class officers held a "come Back Bash" in the Ballroom to start the fall semester off. Throughout the year they held more parties and participated in the Carnival and the All College Picnic.

The officers were: president, G. Belinski; vice president, C. Motsch; secretary, Joe Abalaro; treasurer, Michele Sooy.

The sophomore class officers met several get togethers in the Ballroom this past year. They participated in the Carnival and the All College Picnic.

The officers were: president, G. Panasci; vice president, Mark Tinoco; secretary, Cathy Carley; treasurer, Betsy O'Rourke.

This year the freshman class officers sponsored a dance featuring Tom and the Michael Grefory Band. They also co-sponsored the All College Picnic and a bus ride to Yankee Stadium.

The officers were: president, G. Vallario; secretary, June Pisaurro; treasurer, Julie Sista.

Every graduate and evening student was a member of the Evening Student Council and was eligible to be a delegate on the governing board. The Council planned and carried out activities which were of prime concern to students such as legal aid and financial care. It provided a forum for the exchange of ideas. The Council scheduled several entertaining events such as showing a series of films for evening students.

Below: Pam Hardin is featured for her costume for "Romeo and Juliet" in the major Pioneer Players production.

The Equestrian Club made their purpose clear the first week of classes by bringing *Lily Patch*, a three-year old Appaloosa mare, to graze on the Student Center lawn. *Lily Patch* was invited by the club in order to let students know about this "horse club." Many new riders joined as a result of the demonstration.

The club had practices at Suburban Essex Riding Club in West Orange, and each spring they look forward to a full schedule of intercollegiate horse shows in the spring. To raise money to attend the shows and practices, the club has conducted bake sales and a raffle this past March.

Janice Mines of Pompton Plains served as the club's advisor.

Pioneer Players was the dramatic society on campus. Membership included all students who were interested in any aspect of theatre. The club and the theatre department staged several short plays this year as well as major productions.

Jewish Student Association Explores Traditions

The Jewish Student Association was involved in a number of Jewish cultural, social, and religious events. They had weekly films, lectures, discussions, and celebrations on holidays. They sponsored wine and cheese parties, and a weekend in the mountains. They helped support a foster child in Israel. They also published a newsletter.

Black Student Union held many this year. On March 15 a work- was held to try to get at the roots ne problems that confronted s in the campus community. & Male-Female Relationships," d off with a panel discussion. he panel of each sex was finished ring questions, the audience was roken into groups, to discuss the issues in more detail. The experi- brought out a lot of ideas and oints that had never been heard . Following the social awareness ies, a wine and cheese party was

held. On April 7 and 8, the NJABE (New Jersey Association of Black Edu- cators) held their annual membership meeting at WPC. President of the organization, Dr. James Harris com- mented on the need for increased mem- bership. Legislation affecting black education and special urban education projects were the topics discussed at the conference. The spring events of the BSU were climaxed at the BSU Annual Semi-Formal held in the Ballroom. The evening consisted of a dinner, open bar, a band and an essay contest.

This year the BSU published a monthly newsletter, *The Black Pioneer*, to inform its membership about issues and events. Gary K. Hooper com- mented about the newsletter: "Our organization thinks of *The Black Pio- neer* as a substantial medium of com- munication, and an excellent means of student expression, in topics concern- ing campus life. In our issues we included student and faculty interper- tations concerning issues involving the entire campus community, as well as activities and events."

The Italian Club sponsored several events this year. This past fall the Italian Club sponsored a cultural dance exhibit, and the film, "Sacco and Venzetti." The club gave their second annual disco dance with the group Volari. They also sponsored a backstage tour of the Metropolitan Opera. During the spring semester, the club had a luncheon in the second floor dining room and the snack bar. During Cultural week from April 3-7, they presented a slide show presentation and a contemporary Italian film.

The club members were: Elio Arrabido, James Balady, Gainfranco Caprio, Maria Criscione, James Cino, Mario Cervino, Christopher Cerchio, Rosanna Capons, Anthony D'Angelo, Julianne DiPaolo, Mariann DiPablo, Ron Harper, Nancy Hudson, Lulu Juliano, Daniel Loreti, Frances Mayo, Janette Mazzone, Tony Nautrale, Marianna Piscitoto, Christine Parinello, Maria Petrarco, Carol Restuccia, Charles Taibi, and Jacki L. Wilson.

The International Student Association provided an opportunity for the international students on campus to meet and work with each other. They helped new students to adjust to the campus as well as the country. The club organized and participated in a number of events, including International Week. Anne Vogt was the club's advisor.

The French Club consisted of Foreign Language department students and all those interested in French culture. The club took trips into New York to sample French cuisine at well known restaurants and seek classic French movies. Members sponsored a French luncheon on campus this spring, and held bake sales each semester to pay for trips and guest speakers.

Hispanic
Community

The Organization of Latin American Students (OLAS), served the needs of the Hispanic students on campus and worked closely with the Hispanic community in the area. They sponsored a number of trips, films, and speakers this year. One speaker was the Panamanian representative to the UN, Dr. de la Suaree was the club's advisor.

Natural Science Club Values Wilderness

The Natural Science Club spent a great deal of time out in the field. The club sponsored canoe trips and nature walks on campus and off, as well as trips to museums in New York. The group held several demonstrations of survival techniques in order to interest students in camping and the outdoors.

The Mountaineering and Alpine Association was an outing club for something extra. The MAA was a combination of many diverse outdoor activities. This year the MAA sponsored Sierra Club nights, endorsed geological petitions and also worked on trail conservation. In addition, the MAA had a wide variety of hiking in the spring. Primarily the Mountaineering and Alpine Club was for the enjoyment of the club and the club conformed to the members' desires.

The officers were: Tim W. Bradley, president; Cindy Bradley, vice president; Bruce Holst, treasurer; and a membership of twenty-five people.

Business Club Gains Facts

The Business Club featured trips to corporations in New York. Members learned first hand what "big business" was all about. The club members also sponsored speakers from several large corporations to give lectures on careers in business for all interested students. The club served as a social outlet for business majors to get to know each other outside of the classroom, and so the members hosted several parties throughout the year.

The Art Education Association was comprised of students committed to teaching of arts as their career. The club participated in social and professional activities related to art education. The club has sponsored exhibitions of children's art work at the college, Willowbrook Mall, and the New York Museum. The art students held an exhibition of their own art work in May.

The Association has promoted several field trips. This year, students and faculty visited a school arts materi-

als factory, an experimental learning center, the art center of a state prison where student teachers teach art, and an art school in Harlem devoted to children. The group has also arranged for professional exposure through active involvement in professional conferences, panels, seminars and workshops. Such experiences have educated the members in how to prepare children's art for exhibition and, more importantly, how to skillfully motivate children to "experience art."

Social Science Society Explores Lifestyles

The Social Science Society (alias the Montclair State Chess Club) was very active this year. In the fall the society visited the Pennsylvania Dutch Country for the first time. The trip to Washington, D.C. during the Winter break was another first for the society. The group, consisting of students, alumni, faculty, and staff, spent four days in New England in April.

The club officers planned the trips with the aid of their advisors Dr. Ken Job and Mrs. Amy Job. The officers were: President, Lori Danielson; Vice President, Patti Stewart; Treasurer, Debra Kneppel; and Secretary, David Nicarz.

When asked to summarize the society's purpose, Lori Danielson answered "I guess you can say our purpose is to explore old worlds, and to seek out a better understanding of different lifestyles past and present."

History Club Attains Charter

The History Club was a newly chartered SGA organization. Its purpose was to raise the consciousness of the college community in historical aspects by means of lectures, films, and other activities. The club co-sponsored some World War II propaganda films shown in the Ballroom and they also held a lecture about President Wilson.

The officers were: Caroline Mayer, president; Gordon Condos, vice president; Andrea Rubin, secretary; and JoAnne Cruse, treasurer.

Helpline Cares

The Helpline, now in its fifth year, was concerned with helping students and people in the community cope with their problems. They provided counseling and referrals for on-campus and community resources.

During the academic year, Helpline opened a drop-in center in the Student Center, room 210, so that they could be even more involved in student life. They celebrated the move with a one-day open house which provided refreshments and doughnuts and a chance for people to see what Helpline was like. The center proved to be where many students have dropped in and found a friend.

The officers were: Co-coordinator, Therese and Carol; SGA representative, Maryanne; treasurer, Barbara; and secretary, Michele.

The members were: Debbie, Milly, Carol, Judy, Mike, Joanne, Kim, Mike, Fay, Kathy, Harry, Scott, John, Tom, Jeanne, Don, Jeanne, Linda, Terri, Malcolm, Alan, Coleen, and Diane.

Philosophy Club Relates to All

The Philosophy Club held its bi-monthly meetings for interested students and faculty. They gathered together to discuss various controversial issues. Outside speakers were invited and the club showed some films. The club tried to show how philosophy is related to growth and wisdom and that its history is never outdated.

Cheerlead as t Pla

The marching band played at all football and basketball games. The color guard, twirlers, and rifle squad joined the band on the field. The cheerleaders shouted for victory at all football and basketball games before and after the half-time shows.

The marching band held practice sessions several times a week and gave a special concert performance at Christmas.

Rho Epsilon

Rho Epsilon fraternity held a number of activities this past year. They had a Fall Induction Dinner for brothers. They also held a New Year's Eve Party and a Spring Banquet as well as their annual bus ride to the Stadium. Their big yearly event was the bus ride to Florida. The brothers held food and clothing drives, and an alumni picnic.

Tau Delta Phi

The brothers of Tau Delta Phi sponsored their annual Road Rally, which included a picnic. Trophies were awarded to the first, second, and third winners of the rally. They also provided tutoring service for brothers who needed help.

Kappa Epsilon

The Nu Omega Chapter of Tau Delta Phi sponsored a foster child and also held entertainment for local children. They participated in the annual Carnival and Greek Day. Tau Delta Phi also installed new members in its Order of Diana group. Members of the Order of Diana are known as TKE's "Little Sisters."

Phi Omega Psi

The sisters of Phi Omega Psi held parties and mixers this past year. They visited the NJ Training and Conference Center, and the Preakness Hospital's Children's Center. They also participated in Greek Day and the Car-

Theta Gamma Chi

The sisters of Theta Gamma Chi sorority participated in a number of activities this year. They held some annual events such as the Parent-Daughter Dinner, Pocono Vacation, Alumni Reunion, Spring Formal, and Senior Party. A new event was the Christmas Formal. They also participated in Greek Day, the Carnival, the Halloween Party, and Homecoming. The sisters sponsored a foster child, and also a Thanksgiving basket. They also visited the North Jersey Training School and went caroling at a nursing home at Christmas. The sisters also put out a newsletter this year.

Omega Theta Iota

The sisters of Omega Theta Iota sorority held a Mother-Daughter Dinner, a fashion show, a Christmas formal, and a number of mixers. The sisters also sponsored a Thanksgiving and Christmas food drive. This year the sorority sponsored a foster child and contributed to the Maureen Miller Benefit Fund.

Theta Sigma Kappa

The sisters of Theta Sigma Kappa sponsored a number of social services this past year. They sponsored a foster child, Carrie Robertson, and made their annual contribution to the American Cancer Society. The sisters of Theta Sigma went caroling at Christmas to a children's shelter, and also gave the children a party on St. Patrick's Day. They held a Halloween party, a Christmas party, and a Parent-Daughter dinner.

Zeta Omicron Psi

Zeta Omicron Psi sorority held an orphans picnic this year. They also sponsored a Thanksgiving basket. The sisters held their annual Mother-Daughter dinner and a fashion show. They participated in the Carnival and Greek Day.

The Beacon —
First Place All-American
Again!

The *Beacon* Staff reached a new level of accomplishment this year. For the first time in its 43-year history, members prepared the paper for printing with new WPC production equipment. The staff was assigned an additional room on the third floor of the Student Center, known as "the closet," as a production room and by September all was ready for the first issue.

The *Beacon* continued to be published weekly throughout the fall and spring semesters. The changeover did not result in a sacrifice of quality. The *Beacon* has won numerous awards in the past and this year, for the third consecutive year, the paper was awarded a First Place All American Award by the Associated Collegiate Press. The *Beacon* was the only NJ state college paper to attain the rating.

Art

Robert Abrams alias Mr. Wizard.

Essence, the literary and arts magazine was published twice this year. It featured student's work in verse and prose as well as photography and the graphic arts. The magazine's editors tried to publish something from every student who submitted work.

The editors and staff of the first publication were: editor, Vincent Kuntz; assistant editors, Robert Sturner and

Susan Wyka; staff, Robert Abrams, Tyrne Edwards, and O'Neil Merson. The editors and staff of the second publication were: editor, Robert Abrams; assistant editor, Cathy Merson; staff, Peter Amato, Alan Pollock, Patti Stewart, and Chuck Jann, photographer.

Richard Nickson was the advisor for both issues.

Team Designs *Pioneer* '78

The *Pioneer Yearbook* staff started planning *Pioneer 78* in June of 1977. The staff decided on the theme of "Moving on through the seasons" because of the myriad display of seasonal beauty on and near campus.

Patti Stewart was both the layout editor and the editor-in-chief. She also wrote a few event and club stories and all of the captions and headlines. Creative as well as practical, it was her idea to make full use of the divider pages by making them part of the actual section.

Debra Kneppel, photography editor, took most of the photos for the book. She made sure all events assigned were covered. She quickly and efficiently developed all the black-and-white film taken by the photography staff to meet

the deadlines. Ever the professional, Debra Kneppel, searched for just the right photos to make the cover and the introduction section special. She was assisted by Douglas Cambria and Joseph Hughes who took the fall photos of Buttermilk Falls. They also covered several events during the fall semester. Tara Callahan covered some annual and special events during the spring semester and she took a few of the administration photos.

Lori Danielson, served as the literary editor. She was always there to add creative ideas to theme discussion sessions. She wrote most of the copy in the club section as well as several colorful stories in the events section. Lori Danielson gave more of her time to *Pioneer*

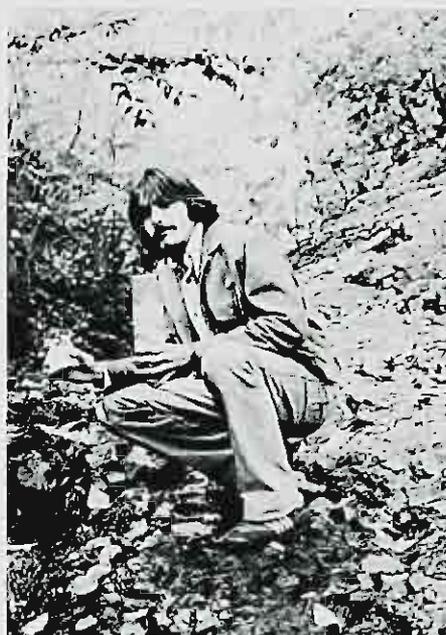

78 by typing a lot of copy and making the index.

Elizabeth Botta held the position of business editor. She made sure the pages were paid on time and that all the columns balanced. She also served as a publicity campaigner by designing and distributing thousands of ditto sheets.

David Nizarz was the sports editor. He attempted to collect the stories for the sports section with help from Martha Meedk, assistant athletic director. He was always there to offer the staff the encouragement they needed.

The rest of the staff consisted of Kathy McCann and Hannah F. Berg who did what they could to help the staff get the work done.

SAPB Delivers Entertainment

The Student Activities Programming Board was an organization designed to promote social, cultural, recreational and service activities for WPC and community. The SAPB was designed to maximize the use of campus facilities to aid students and organizations to develop their activities.

The following were the standing committees of the SAPB:

The Cinema Committee was involved with the feature film series and film festivals. Past films include, "The Omen," "Carrie," "Emmanuelle," "Silent Movie," the Lena Wertmuller Film Festival and a horror film festival. Orin Shemin was the chairperson.

The Coffeehouse Committee booked coffeehouse acts at the Hidden Inn in Wayne Hall. The candlelight setting was appropriate for the country, folk, and jazz music provided twice a month. The chairperson was Barry Marzigliano.

The Concert Committee dealt mainly with the promotion of contemporary music acts. Some of the major concerts which took place in Shea have included The Outlaws, Jazz Crusaders, Southside Johnny and the Asbury Jukes, and The Good Rats. Mickey Bello was the chairperson.

Lectures, theater, dance mimes and other cultural activities were arranged by the Creative Arts Committee. Past events have included appearances by Leonard Nimoy, Dick Cavett, Kreskin, and a number of trips to Broadway. John Feenan was the chairperson.

The Social Committee planned Homecoming, Carnival, and the annual Boatride, the last and largest college activity of the school year. Throughout each year, a number of dances and beer blasts are scheduled by the committee. Vinnie Defilippo was the chairperson.

The Student Services Committee not only planned but participated in Freshman Orientation and Student Services Day. This committee has published the annual Student activities calendar for several years. The chairperson was Mary Christopher.

The Recreation Committee planned pool and pingpong tournaments, camping trips and demonstrations of recreational activities.

The Publicity Committee was responsible to design, create, and distribute posters and flyers to inform the student body of upcoming events.

of William Paterson College

THANK YOU

SGA, especially DAVE O'MALLEY and LOREE ADAMS, who wanted a *Pioneer 78* and helped us to get the funds and support for it.

GEORGE FRANKLIN, our Taylor representative, who came whenever we called to help the staff and explain what goes into making a good yearbook.

CHRIS FRANKLIN, who was always there on the other end of the line to answer questions, send us extra supplies, and add a few friendly words of advice.

BEACON, especially editor STEWART WOLPIN and photo editor EILEEN MCQUILLAN who were fantastic to the *Pioneer 78* staff.

MR. GEORGE CRESCIONE, who was our professional senior portrait photographer. He always made time to come up and take photos when we needed them taken. Mr. Crescione was assisted by JOE CRESCIONE, another good photographer and nice guy.

The Staff wishes to thank JOHN J. REED from Crescione Studios for taking all those club photos. We will never forget such an exciting and eventful day, nor will he.

RALPH SMITH, who was our advisor and who supplied us with all the sports photos.

TONY BARONE, who offered us both tickets and words of praise.

BILL DICKERSON, who quickly replaced the camera equipment.

MARTHA MEEK, who supplied us with sport statistics.

WILL MYERS, who gave us the soccer and golf stories.

ELLEN AMOROSO, the SGA secretary, who deserves a special thanks for taking all those phone messages.

To my staff — DEBRA KNEPPEL, LORI DANIELSON, DAVID NICARZS, ELIZABETH BOTTA, DOUGLAS CAMBRIA, JOSEPH HUGHES, TARA CALLAHAN, HANNAH ROSENBERG, and KATHY MCCANN, who are all special people who cared enough to commit themselves to publishing *Pioneer 78*.

Love ya all,
Patti xx

Letter

ll:
his yearbook is valuable. Not now
aps, or next year, but in a few
s its value will increase. Why?
ories are difficult to keep straight
ho was who, and what was what —
ns to blend after awhile. Hopefully
yearbook will revive some old
ories of people and places. I
ve it's valuable to remember where
ve been so you can keep track of
re you're going.
s difficult to make a decision
ch involves a great deal of money
undreds of people, and yet, I
e one. I decided I wanted a year-
k for the Class of 1978. A few spe-

cial people stood with me and together
we designed *Pioneer '78* and made my
hope a reality.

I believe the staff has produced a
quality book. Every page of this 224-
page book involved the pulling
together of photos, essays, captions and
headlines which was a day by day, and,
at times, night by night process.

I regret we didn't have a bigger
budget for more color photos. We had
some beautiful color photos of events
that just don't look as striking in black-
and-white. I also regret not having a
larger staff and more than that, not
having the time for a grand recruitment
campaign to get one. It meant that
several stories and photos came from
other sources rather than from within

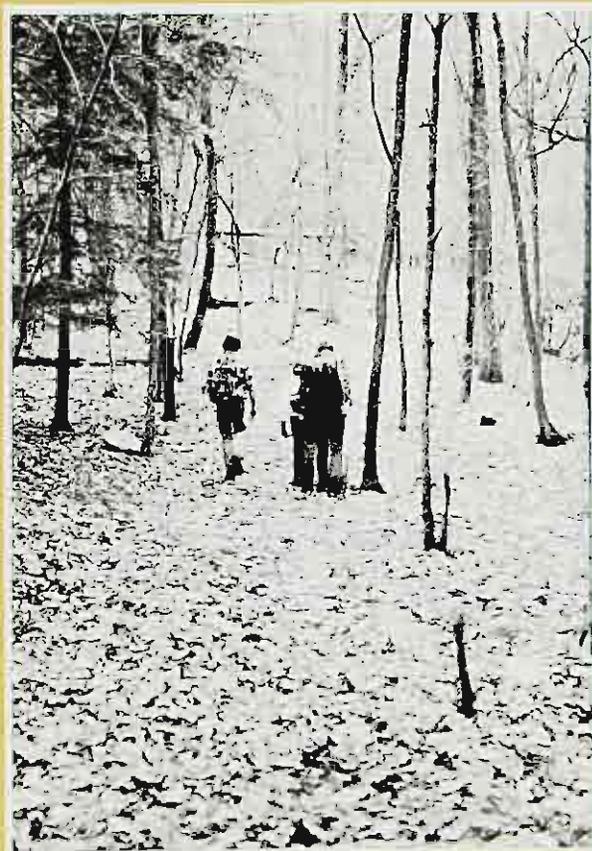

the organization and that cut down on
originality and the whole creative proc-
ess. Still, we did the best we could with
the sources we found. I hope you are
pleased with our work.

To my staff -- I can never thank you
enough for everything you did and for
being there.

To the next staff of *Pioneer* — I wish
you determination, commitment and a
dream. You will need all three to suc-
ceed. Good luck and no matter what -
keep smiling!

To the Class of 1978 — Let's get out
there and make ourselves heard! VIVA
ALUMNI!!!

Truly,
Patricia L. Stewart
