Sports Party, Jan. 31, At Elmwood, Route 4

Angora mittens, ski caps, and snow suits will be in abundance Tuesday night, January 31, at the Elmwood Country Club.

If the weather is favorable, our annual sports festival will, this year, be a snow party. Sledding, skiing, and ice skating are to be the outdoor activities, with music for dancing, furnished by a popular orchestra, the indoor entertainment.

If any of you collegians have a pair of those curved slats around the homestead—in the attic, down in the cellar, or out in the garage, get them out because you are going to use them on the snowy evening of the 31st of January. If you haven't, there is no need to worry. Barrel staves will be provided for those who wish to try their luck.

But if you have a pair of shoes mounted on shiny rails, bring those. If "Jack Frost" shows up, ice will be provided. If not, we'll see what we can do.

Here is the sport which everyone can enjoy; sledding. Any bob sled or toboggan which you can beg or borrow, will be welcome. The brighter the color, the more rare the model—the more fun for the gang.

Sport clothes are just what to wear. Here is your big chance to show off those Christmas specials—those furry earmuffs, checkered hats, tasseled caps, barber pole socks and anklets, gay mittens, flashy and colorful

Pioneer's Big Game January 24

Here it is—don't miss it—the biggest game of the year. Bring all your friends to the Montclair game which we expect to hold in the Paterson Armory.

You all remember the swell game on Montclair's court a few weeks ago. Wasn't it the best basketball game of the season, so far? Here is a chance for all those who missed that game to see a bigger and better one.

The date has been set for January 24. Watch the bulletin board carefully for any notice published about the game.

Paterson State is out to win this game. Victory will be ours provided you come to the game and give the team your support. Mark this date on your calendar now. Learn the cheers. Come to the game and the Pioneers will surely win.

"Lavender and Old Lace"

Score another triumph for the Masque and Masquers. They have just announced that they have secured the rights to present "Lavender and Old Lace" in the school auditorium. February 16 has been set as a tentative date.

The cast has been working like Trojans in order to give a smooth and finished performance, and with

Attend Junior Prom

The Junior Class president, Ed Phillips, has finally let the "cat out of the bag" to let you in on the first big secret of the year. The Junior Prom will be held during the latter part of February. It will be the first gala affair of the new year. Dress will be semi-formal and the name of the orchestra will be announced soon.

Betty Morris, chairman of the committee, will be assisted by Archie Hay, Thelma Schreck, Courtland Guyre, Alice McGuirk, Anthony Barbarito, and E. Phillips.

Council Meets

The first measure which most requires student support concerns the cafeteria. The Service and Health committees have asked that you take it upon yourselves to help keep the one place in the building where we may eat, in a decent condition. This also applies to the Social and Smoking rooms.

Concerning ping pong—there have been a number of complaints because the girls play in the Boys' Locker Room. Immediately upon the completion of the Mixed Doubles Tournament, the girls are to be banned from this "sanctum sanctorum." To make up for this loss a table will be made available to all in the Gym.

The need for a quiet place in which to study has been brought to the attention of the Council. The shame lies in the fact that a few students do not appreciate the nature of the library as a place for other than social activities.

Your cooperation is also sought at Pep Rallies. The team needs your support and the Council feels it a duty to ask that you attend them.

There have been many conflicts in dates for class and club meetings, social affairs, etc. Please see Dean Jackson before planning any events in the future.

Friday The 13th

With Elena Portadino as head of the Invitation committee and Ruth Cummings as head of the Costume committee, the Geography Club is looking forward to a highly successful International Tea on January 13 in the Social Room.

The tea is both unique and interesting in that there will be tables set in styles typical of various foreign countries.

The Norwegian table will be arranged by Rose Sandell while the Japanese will have Ella Kiss as hostess.

Imagine Eleanor Duursema as hostess of Holland and Ruth Cummings at the Scotch table.

Finally Ruth Kaufman will represent England and Clara King will round out the tea as hostess at the American table.

Irish, American and Swedish dances will be featured also.

The tea party will last from three to five o'clock.

Members of the Geography Club and the faculty are invited.

Phi Omega Psi Dance

Larry Clinton and his orchestra "My Reverie" fame will provide smoother swing for dancing at the Meadowbrook Inn, Friday, January 13.

Phi Omega Psi Sorority of our college has charge of the novel program.

Bids, which may be purchased from any member of the Sorority, are three dollars.

Nettie McCann heads the committee which has planned the evening's entertainment.

The Meadowbrook is located on the Newark-Pompton Turnpike in Cedar Grove.

Bea Waine, Clinton's featured vocalist, will appear in person to "sell out" with the latest numbers.

Dress is optional, so everyone is urged to buy a bid.

Wedding Bells

Miss L. Kifer, music instructor, became the wife of Dr. Alonzo F. Myers, Professor of Education at N. Y. U., on December 3, in Beltsville, Md. Recent weddings of former students include Grace Van Hassel to John Simmons; Marion Wheelock to Everett Law Zabriskie. Mr. and Mrs. Zabriskie make their home at 436 North Maple Avenue, Ridgewood.

SPORTS PARTY

Arms and mufflers, and square toed shoes. Make your friends notice you. Come decked out in any shade. That's the idea.

When you have finished your outdoor sport, you may skip inside the clubhouse and gulp down the delicious refreshments. If you can't dance or don't want to, there will be various games for you to play. (We are not committing ourselves as to what kind).

Every member of the faculty and each student is invited to attend the biggest festivity of the school year, the Sports Party which we hope will be a Snow Party.

"LAVENDER AND OLD LACE"

(Continued from Page 1)

the able assistance of the talented and well known faculty adviser, Mr. Roehler, there can be no doubt that this performance will be as good if not better than many plays seen in the professional theatre. A perfect cast has been selected and rehearsals are now in progress. In order to encourage this fine group of ambitious young Thespians the entire college should turn out en masse and give their play a rousing reception. So tell everyone you meet about it and remind them of the possible date, February 16, because everyone will be raving about "Lavender and Old Lace" for weeks after they've seen it.

The play is being coached by Lester Pontier and Helen Johnston.

The selected cast is as follows:

Mary Ainslie	-----	Ruth Breen
Jane Hathaway	----	Catherine George
Ruth Thorne	-----	Betty Barton
Bernice Carlton	-----	Nada Goodman
Carl Winfield	-----	Robert Albinson
Sophrony Trotter	----	Nanette Renier
Dr. Howard Patterson	-----	Emanuel Raff
Hepsey	-----	Hazel Barrierel
Joe Pendleton	-----	Arnold Almroth
James Ball	-----	Irving Steger

CLUBS & CLASSES

The P and Q club members spent a most enjoyable afternoon at Miss Jackson's home. The occasion for the festivities was the annual Christmas party of the P. and Q.

The Debating Club is looking forward to the most active season since establishment. Already twelve debates have been scheduled with near-by colleges. The debating season will end in the latter part of February. The Art Club is planning an exhibit of all the work done by students of the college. Because of unforeseen complications which have arisen, the Art Club will hold its Holiday Party sometime in January.

Undoubtedly, everyone has noticed the daily weather reports posted on the bulletin board. Credit for this

undertaking is due to the Science Club. Because of the accuracy of these predictions many have requested an outside weather report. This will be placed at Harry's Confectionery Store. Honor must be bestowed on Ralph Smith, our weather man, whose predictions have been quite accurate so far.

Zeta Kappa Chi Sorority has made tentative plans to secure sorority pins for the members.

Attorney Joseph W. Gianinni was guest speaker at a recent meeting of the Italian Club. Members are busily rehearsing a play for future production. It is an Italian play entitled, "Come' e Bella Giovinezza." The libretto was written by Dr. A. Borloso of our faculty.

STUDENT PRINTS**AWAKENING**

Fragrant perfume; sweet and rare
Floats about me everywhere.
Sea-green leaves that do not stir
Soft, white clouds like ermine fur.

Precious flowerlets steal a glance
At this world, where song and dance
Make life one gay melody
Peace—Contentment—You—Me.

—Carolyn Ferrazano

LIGHT AND SHADOW

Without tears, there would be
No need of joyous laughter.
Without evil, could the heart
Know good, and follow after?
If hate were stranger to the mind
Love's overwhelming rapture
Could leave no living grace to crown
The dreams we strive to capture.
As night and day is each to each
But portion of completeness,
So do these darker, bitter moods
Fulfill a soul's half-sweetness.

—Ida Torzella

**TO THE
DUKE OF REICHSTADT**

Sparks from a passionate fire!
Why was it not given to you,
To flame across a continent?
Your light sputtered a while
At the court of Franz Joseph,
And wily Metternich watched care-
fully and slyly.
Lest you arise and kindle a flame
In the Frenchman's heart.

A Hapsburg, your mother, a Bona-
parte, your father
And your lips, Hapsburg, but in your
eyes,
There glowed a worship for him.

And you, his son, the fulfillment of
his dreams.

You flickered but a second in
this strange mad scene and faded out.
And you who looked toward France,
Buried under Austrian soil in an
Austrian uniform.

—Kay George

SPORTLIGHT

Since our last column appeared the basketball season has been in full swing. The team has lived up to our expectations by winning seven out of eight games.

The season opened with a clear-cut victory over the Alumni, the score being 41-27. This victory was followed by two more wins one over Manhattan, S. I., score 42-40, and a second over Savage, score 38-35. They were hard-fought games with the result in doubt until the very last minute.

Then we traveled to Montclair and played the best game of the season thus far. In a fast, rough game the Montclair team downed us by a score of 38-37. It was a hard game to lose, but the team is determined to defeat Montclair when we play in Paterson. The team started on the win trail by defeating Jersey City by a score of 39-32. It was a good game with the result never in doubt.

Paterson became the second victim, being overwhelmed by the score of 46-30. Bloomfield made it three straight with the count of 37-20.

In striving to open the second half of the schedule with a victory, Manhattan, S. I., was defeated a second time this year to the tune of 32-24. The season has opened up as the most promising one in State's history. We are sure the boys on the team are doing their best to make it the best season State has experienced.

That brings us to another point. Attendance at our home games has been very good but we think it could be better. However, at our games away from home only a few people attend. We think the boys deserve better support than that. Now your team that you are with in by going to the games and cheering them to victory.

The Table-Tennis Team is going up at a great rate. It has advanced to third place in the league standings.

Tomorrow they have a match against Riveredge, the league leaders, at our school.

"JUST NOTES"

Observations

Ella Kiss didn't know we had school on January 3. Of course that's her story . . . Who is the "flea?" Is it one of those troublesome little creatures? . . . Beatrice De Brigida and Dave Pavlen got all wet in the storm at the Hop . . . Sheik Ramsey has a harem . . . We hear Rose Sandell earns the name of "Senior Cut-up" Tsk, tsk, Rosie at your age . . . Marge McMichael can tell you how to fall asleep without too many people noticing it . . . Evelyn "O. H." Kelley is back in school after illness. What does the "O. H." mean Kelley? . . . May McBride has a new boy friend. Redheaded and very smooth . . . Allen Hensell and Frank Iannucci consider they have made an impression on the Senior girls, but . . . Lou Ferrazano loves to play solos . . . Eddie Mioducki has found the one and only (until the next time) in Buffalo . . . Peg Graf saw her Pennsylvania heart-throb . . . Bernie and Betty do sound quite well together, don't they? . . . A very cute senior has noticed Charlie Hinkle. Why doesn't he wake up? . . . Herbie Abramowitz he wake up? . . . Herbie Abramowitz has a new hat . . . Ted Eberding does not pay lost bets. He owes at least 25 sodas . . . Bob Pepper and Ida Torzella played invisible at the Hop.

At the Jersey City Game

Quite a turnout but,—very poor cheering . . .

NIGHT CAPS

Christmas vacation left the night school students in a lethargic state. Henry Fox wouldn't divulge his activities during the past week but insisted that he had a swell time.

Snooping around, we discovered that Dora Lamb still needed sleep . . . After all New Year's Eve was only Saturday night.

Mr. Francis may yet succeed in making Lucy Friedman a public speaker . . . She no longer blushes when addressed.

EDITORIAL

Whenever we watch a professional team play, we are generally always impressed by the way the members work together. We realize that this is necessary in order to have a winning team and that each man on the team knows he must work with the team if he expects to earn a good livelihood. The organization at our college is not much different from that of a professional team. Each one of us must realize that we must definitely strive for the good of the whole college. We should work together in all college affairs. If we do not agree with the group, we may express our opinion, but if our opinion is not accepted, we must forget it and do that which the group decides will be for the good of the

THE FORUM

Question:

HOW DO YOU THINK OUR
LIBRARY CAN BE IMPROVED?

LEO CLARKE: "I would suggest the library secure a wider collection of music, travel, and fiction books. In my estimation there are too many overnight books."

* * *

ISADORE LANDER: "Better faced at the desk during the inter-congestion would help things. The borrowing period for all titles should be extended."

* * *

CARMELA CALABRESE: "Some changes should be done to prevent books from walking out of the library."

* * *

EVELYN KELLEY: "File books by color. Each index card would have color samples to correspond to the color of the book on the shelf. The library would be artistically charming. 'A thing of beauty is a joy forever'."

MISS DELLA MATTRUZZI, Library Assistant: "The Library does not want to make you pay fines for bringing books in late, but to make you considerate in thinking of other persons' desires to read the same book."

whole. Do not feel that we will stop thinking for ourselves. Certainly the professionals think of themselves, but they do not get the importance of teamwork. If we remembered this, just imagine how successful each college affair would be. Think how the members would look up to our college. The oath of the Three Musketeers, "All for one; and one for all!" would certainly apply here if we thought of the one as the college and ourselves as the
