Class meetings have been held and nominations for President from the Junior Class are James Houston and Archie Hay. The Sophomore Class nominated for Vice-President, Nicholas Beversluis and Eleanor Wild; and for Treasurer, Ralph Smith and George Isaacs. NORTH, SOUTH, EAST, WEST GOALS OF FIELD TRIPS

Philadelphia, the city of Brotherly Love, will be the goal for the Juniors' field trip on May 3. They have planned to visit Independence Hall and the Betsy Ross home. Tours in charge of special guides, will be conducted through the University of Pennsylvania and the United States Mint. A short trip to the Curtis Publishing Company will round out their excursions in Quakertown.

Father Divine's peace mission will be the important stop for the Sophomores' Psychology and Sociology trip. Childrens' Village, an institute for mentally defective children, will also be visited. Perhaps the more entertaining stop will be to the Broadway hit, "The American Way."

Stocks and bonds are the theme for the business trip taken by a small group of Sophomores and Freshmen under the supervision of Mr. Donald O. Thomas.

Freshmen are to be divided. Part of them will take an outdoor biological science trip to Bear Mountain, while the remainder will go to New York City for the "ism" tour. Various centers of political and social activity will be viewed such as Communist and Fascist Headquarters.

A special trip to Washington, D. C. is planned by the Seniors with the dates set from April 30 to May 3 and the expenses to total only \$10.

WANTED!—A NAME

Members of the editorial board of the literary magazine were confronted with a puzzling problem at their last meeting, the problem of naming the magazine. Members of the staff discussed various possibilities but none were thought to be suitable. Mr. Mark Karp, advisor to the board, announced that he would start a prize contest among his classes, offering a prize for the best name submitted. Those connected with the magazine hope to secure a title that is both appropriate and attractive.

SENIORS PLAN THEIR TRIP

The Seniors plan to visit Washington, D. C. from April 30 to May 3. They will leave Paterson State Teachers College at 6:30 A.M. They will ride on the Manhattan Transit Line with Dr. Louise Alteneder and Mr. Gordon Matthews as their faculty advisers. The Seniors will travel through Trenton, Philadelphia, and York, Pennsylvania to Gettysburg. At Gettysburg the class will review the battlefield, and then they will ride on to Washington where they will arrive at 6:00 P.M.

Monday morning the class will visit the Engraving Company, the Pan-American Building, the Washington Monument, the White House, the Smithsonian Institute and the Capitol. The afternoon will be open for individual pursuit. Monday evening, the group will visit the Congressional Library.

Tuesday morning the Seniors intend to go through the residential section to the Franciscan Monastery, shrines, zoo, park, and the Arlington Cemetery. In the afternoon, the Seniors intend to go to Mount Vernon. They will stop at Christ's Church, and then go to Alexandria to visit the first public school. In the evening the class will pay its adieu to Washington by giving a party. The guests of the evening will be Dr. Alteneder and Mr. Matthews.

On Wednesday morning the group will leave Washington for Annapolis where they will stay for a few hours. Some time Wednesday evening the Seniors and their faculty advisers will arrive home to complete their well-earned trip to Washington.

The board members hope to receive a great many selections written by the students of the college. All material handed in will receive careful and just consideration. As the magazine will probably be ready for distribution early in June,

CHARITY CONCERT, APRIL 25

The Paterson, New Jersey Community Symphony Orchestra, sponsored by the Board of Recreation, will make its debut in a gala charity concert to be held at Eastside High School, Wednesday evening, April 26. The proceeds will be given to Paterson's three hospitals: Barnert Memorial, Paterson General, and St. Joseph's. Anatol Kaminsky, a twenty-year-old Russian, will be the featured guest violin soloist. He will play in the Mozart A Major Concerto for violin and orchestra. John Pasaretti will conduct. He is the organizer and leader of the orchestra, and is well known in musical circles because of his excellent programs sponsored by the local YMHA and YWCA.

The admission will be fifty cents; tickets may be procured from Mrs. Myers. Extra credit will be given those people in Mrs. Myers' music classes who attend the concert.

ADMINISTRATION NOTICES

Attention All Sophomores! All sophomores will take a series of comprehensive examinations on Tuesday and Wednesday mornings, April 25 and 26. Instead of attending regular classes on these mornings sophomores will meet in rooms 301 and 304 at 9 A.M. for the examinations. Every sophomore is expected to be present, as the examinations are required of all students. Please be prompt so that all students may start the examination together.

The English for Business class will meet in the Reference Room of the library on Tuesday, April 25, instead of in room 304.

There will be a very important meeting of "The Mikado" cast in the Music Room today, April 24, at 12:15. Everyone be present.

CHARTER RELATIONS CLUB

The International Relations Club applied for a charter to the Student council. The constitution of the organization was discussed and was accepted after a revision which the Council felt necessary. CLUBS & CLASSES

So many interesting, educational, and enjoyable functions are at hand that one has a difficult time deciding which he should attend. Conferences, social get-togethers, movies, parties, teas, mock-weddings, and lectures are all being sponsored by our clubs. Every club ought to be commended on the good work being done. We sincerely hope that as many people as possible take advantage of the opportunities which our clubs make available.

The Newman Club has made plans to hold a social for members only, at St. Joseph's Hall, in the latter part of April.

The Art Club has appointed Evelyn Kelley and Elena Portadino to be the club's representatives at the Eastern States Art Conference, to be held in Hotel Pennsylvania in New York City on April 23. The Art Club welcomes new members at any of the regular meetings.

The Geography Club has completed arrangements for a hike and hot-dog roast. The destination is Tulip Springs on Orange Reservation. The date is May 11. The regular meeting time of the Geography Club has been changed to the first and third Monday of the month at 11:50 o'clock. Will members please make a note of this change?

ELEANOR WILD came from the College of Paterson where she made a very fine record. She is continuing her good work here. She is secretary of the Newman Club.

Members of the Psychology Club will journey to Trenton on May 6 to take part in the Psychology Conference. Eleanor Duursema will speak on "Shall we have special classes or schools for the mentally gifted?" Ruth Barton will give a resume' of all the club's activities to date.

Zeta Kappa Chi Sorority will, in the near future, make public the names of the pledgees. The regular meeting was held at Dr. Alteneeder's home. A pleasant social followed the business meeting.

Skull and Poniard Fraternity sponsored a theatre party to New York City on April 17. Fraternity members greatly enjoyed the "doings" of Ezra Stone in "What a Life."

At the last meeting of the To Kalon Sorority, new members were installed. They are Evelyn Kelley, Ruth Cummings, Meriel Wilson, Marge Beam, Barbara Lee, Ruth Bartow, and Betty Barton. Tentative plans have been made for a theatre party to be held in June.

As part of their regular activity schedule the members of the Engineering Club are planning a field trip to the Casey Jones Aviation School in Newark. The Club's gas model airplane, constructed by Ed Bogusz and Bill Frost, is now in the process of test flying. Talking pictures have been secured for future club meetings. Any student interested in any phase of engineering is invited to attend.

SPORTLIGHT

We have just received word that the tennis team will begin practice as soon as the weather permits.

At present the team is planning a nine-game schedule against some very good teams. The season will open at home against Jersey City on April 26. The schedule is as follows:

April 26—Jersey City	-----	Home
April 28—Rutgers	-----	Away
May 5—Montclair	-----	Home
May 8—Seton Hall	-----	Away
May 12—Rutgers	-----	Home
May 15—Newark	-----	Away
May 17—Trenton	-----	Away
May 20—Savage	-----	Home
May 26—Seton Hall	-----	Home

There are six candidates; others are urged to try out for the squad. Gene Manheimer, veteran from last year, Jerome Zwerdleny, Alan Mikola, Dave Edner, Bernie Siegal, and Murray Lombardo are the candidates.

We predict a very successful season for the team and do not expect to see them disappoint us.

There is only one comment on the Wagner baseball game. We were defeated 27-2, but the boys played a good game and didn't quit when they knew that defeat was inevitable. They have plenty of pep and fight in them, and as soon as they get rid of the case of the "jitters" they will start to go places.

Two games are scheduled for this week. Tuesday, State meets Bergen in Bogota, and Pace plays in Paterson at Eastside Park on Friday. Come and cheer your team to victory!

On Friday, April 21, the team traveled to Montclair and were victorious by the score of 6 to 5.

The time is at hand to elect new officers for the Student Council. It is necessary to think carefully about the choice of these officers. Even though it is assumed that careful consideration was given in the nomination of these people, it is still necessary to consider the person's qualifications. Has the person had previous experience? Has he or she held office in this college? If so, has he fulfilled his obligations in a way that shows that he is capable of holding the position he is seeking? If he has not held office, does his classroom work show that he is capable of doing the tasks he will be set to? Has he the interests of the students well in mind? As voters it is necessary to consider the candidate in the light of these questions before May 5.

Where Would You Like To Go For
The Schaffer Play Day Picnic
And Why?

ED BOSSARD, Sophomore: "I would like to go to Lake Hopatcong because of the swell boating, and we are more by ourselves. It is much closer, less riding."

MARION KIEVIT, Sophomore: "Bertrand Island. We had as much fun as possible. Amusements during the day and dancing at night, what more could a person ask?"

ELMER RAMSEY, Sophomore: "I'm picking Bertrand Island. The school is closer together as it is not a large place. I dislike the long ride to Rye Beach."

JOE KLUKOSOVSKY, Freshman: "Why go to Rye Beach? Go to Long Beach. More amusements, indoor swimming pool, and nearer than Rye Beach."

ANNE VROOM, Sophomore: "Rye Beach, because it is different, more amusements, and better swimming."

NETTIE McCANN, Senior: "I don't want to go to Lake Hopatcong again. Nothing to do all day. Palisades Park is an idea."

The students have shown that they want to help the Student Council and make it a functioning organization. For this reason the Council is becoming stronger. This means that the leaders will have to be the best possible. If it is the wish of the voters to keep the Student Council a body that functions for the good of the students, it is their duty to elect the persons who have the ability to lead in the right direction and give them what they want.
