CHAIR'S REPORT:

Chair Seeve thanked everyone who was in attendance, both in person and virtually. Mr. Seeve reviewed the various issues discussed at the February 22nd committee meetings. He stated that the Finance, Audit, and Institutional Development Committee met with Internal Auditor Ms. Ellen Caravella and Chief Information Officer Gamin Bartle and then heard reports from several Vice Presidents, including reports from Chief Financial Officer Kirsten Loewrigkeit, reviewed bid

waivers, heard an update from cabinet members on the implementation of the Strategic Plan, the workday project, as well as reports from Enrollment Management and Institutional Advancement. He also informed us that the Educational Policy and Student Development Committee heard a presentation from Vice Presidents Cammarata, Kacenga, and Provost Powers on enrollment and retention trends and program vitality. Other topics which relate to personnel, were discussed by the Personnel Committee, and are confidential.

Mr. Seeve stated that President Helldobler keeps the Board apprised of campus events and the accomplishments of faculty, staff, and students. He stated that the Board continues to carefully monitor enrollments, and the budget as we plan for the University's future. He said the Board is appreciative and fully supports President Helldobler and his outstanding leadership and they look forward to continuing to work closely together.

PRESIDENT'S REPORT

President Helldobler thanked Mr. Seeve for his report. He noted that his full report, with recent accomplishments of the faculty, staff, and students since the last Board meeting, is included in the meeting materials. Dr. Helldobler began with updates on the new School of Nursing and the major collaboration agreement with Atlantic Health. He noted our most recent milestone is that it is the largest nursing enrollment in northern New Jersey. Dr. Helldobler shared a video, a feature story on our School of Nursing that aired on NJ Spotlight news the night before.

After sharing the video, Dr. Helldobler thanked Vice President Stuart Goldstein and his marketing and public relations team for facilitating the story, along with School of Nursing Associate Dean Dr. Guttman, her students, and faculty for their participation.

Dr. Helldobler then introduced Dr. Djanna Hill, the new Associate Dean of the College of Arts, Humanities, and Social Sciences. He stated that she is a long-standing chair within that college, tremendously talented, and he is looking forward to working with her.

Dr. Helldobler then spoke about our recently launched family portal. He reported on some of the metrics which is an extension of the student success team concept. He stated that the portal had grown nearly 11% since its launch to more than 1300 registered users, primarily families of first-year students. He also stated that email messages sent via the portal are being opened at a rate in excess of 50%, which is higher than the 40% average for educational organizations and a rate of over 80% for Spanish-speaking users in Spanish language content. Dr. Helldobler announced that the University hired a new director of the Small Business Development Center, Melissa Rosario, and he is excited about the new energy around the center.

Dr. Helldobler announced that William Paterson clinched the overall team championship title in the 16th National Sales Challenge that was hosted on campus in November by William Paterson's Russ Berrie Institute of Professional Sales. Senior Jessica David and freshman Felix Camacho of William Paterson competed in this three-day event competing with universities in the US, Canada, and Hong Kong, with approximately 100 students participating.

Mr. Seeve noted one correction to the report. Dr. Amy Ginsberg, Dean, College of Education, is in contract review to receive \$222,222 from the New Jersey Department of Education for the Reading Acceleration Professionally Integrated Development (RAPID) Initiative, which targets literacy in early elementary grades (kindergarten through grade 3).

This concluded Dr. Helldobler's report.

Mr. Seeve announced that the Board would like to recognize President Helldobler for his five years of service at William Paterson University. He presented Dr. Helldobler with a certificate and was congratulated by the Board.

SPRING 2024 ENROLLMENT UPDATE

Vice President George Kacenga provided us with a Spring Enrollment update.

Dr. Kacenga presented a snapshot of Census I and data nearing Census II. He highlighted the goals for Census II and updated us on the University KPIs. For university headcount, our goal for the Spring 2024 was 9443, but as of yesterday afternoon, the University enrollment is at 9833. He reviewed the remaining data on the slide and the breakdown by KPIs and noted that we are not going to see much shift at this point because the registration period has passed.

For WP online that the University goal for Spring 2024 was 3903, and as of yesterday, we were at 3979. He noted that with various changes in students and their change of plans, the University still expects to land close to 3979. Dr. Kacenga stated the Spring '24 enrollment new student goal was 1563 and as of the day before the University is at 1776. The Main Campus retention is 87% from Fall into Spring just short of the 88% goal.

Dr. Kacenga explained our improved forecasting and provided examples. He stated that our continuing students are up a little over 1% and readmits were down. That was due to policy changes that shifted the categories that students were in. He also highlighted our growing population of dual enrollment students. He pointed out the growth of Main Campus undergraduate enrollment. New graduate enrollment was up 15.7%; new transfer enrollment was up 11%. He stated that they also saw increases in the retention of female students, black students, Hispanic students, and commuter students. Dr. Kacenga discussed the different ways the University is communicating with the students for the Fall 2024 regarding FAFSA delays and how their main goal is to communicate with them clearly and meet their demands and discussed the FAFSA reporting in detail and noted the work being done toward financial aid optimization. Dr. Kacenga also noted that the University has moved the priority deposit of confirmations deadline from May 1 to June 1 to make sure families have the flexibility to understand their financial aid packages. He then outlined our goals for Fall 2024 for university headcount and noted that applications are up 13.4%, and admitted students are up at 14.4% for Fall 2024. Dr. Kacenga spoke about the growth and the diversity of international student enrollment. Lastly, Dr. Kacenga went over the Fall 2024 imperatives in detail, which include continuing to grow new student populations, retention/returning students, grow transfer student populations, enhance digital and virtual recruitment, smart analytics, freshmen yield imperative, and net tuition revenue.

Mr. Seeve stated that this was a great report, and this concluded Dr. Kacenga's report.
