PATERSON STATE COLLEGE

January 8, 1965

Deferred Payments

All sindents who are re-questing defeared payments for inition for the spring se-mester must make the neces-sary request with Mr. John Huber, second shoor. College Center, before January 13, 19-68. Requests made after this date will not be approved.

Born, Evangelista Receive Recognition

The latest release of the National Association of Intercolle-giate Athletic Journal indicates giate Athletic Journal indicates that two Paterson State base-ball players have received na-tional recognition.

Bill Born, a graduated senior Bill Born, a graduated senior was an honorable mention All-America selection at first base. The 6'3", 200 lb. Born hit an even 400 in the 63-64 season. He had 26 hits in 70 at bats in-cluding 2 doubles, 3 triples, 1 home run and 15 runs batted in. He was also a fine defensive first baseman. Born is now a teacher in the Newark school system.

Mark Evangelista, a return-ing senior, ranked third nation-ally among NAIA players with 6 triples. In addition, the 5'10'', 185 pounder hit .338 including 3 doubles and 1 home rum and stole 11 of 12 bases. Evangelista sole II of 12 bases. Evangelists is a Wanaque resident who is vice-president of the Student Government Association at Paterson State and is majoring in junior high education.

24 Students View "In White America"

On Sunday, December 20, 19-68, twenty-four students from the United States history classes of Mr. Irwin Nack, assistant professor of social science, took a trip into New York City to see a performance of the show, "In White America." The production is a dramatized documentary history of the Negro people in the United States, and has been hailed as a hit by the critics. The play has already run for more than a year at the Sheridan Square Playhouse. Most of the students invited friends or members of their families to come to the show. Although those attending brav-On Sunday, December 20, 19-

Although those attending braved a four-inch snowfall, comments after the show were enments after the show were enthusiastic regarding both its educational value and its stirring
nature. A remark made by Mr.
Frank Dedio, whose wife is enrolled in "U.S. History. The
Middle Years," at Paterson
State, was typical: "Ween my
wife asked me to come with her
I said all right, but I didn't expect to enjoy it. Now I'm really
glad that I came."

Dr. Runden Compiles Guided Research Text

Dr. John P. Runden, Professor of English at Paterson State College, is the editor of a text for guided research, Melville's "Benito Cereno," soon to be published by D.C. Heath and Company. The book, gathering pertinent critical essays under definitive headings, is aimed chiefly at students in introductory literature courses and undergraduate composition classes where the research papers are required, or in a survey course of English and American masterpieces.

In addition to presenting an authoritative text of the story itself, the book is divided into itself, the book is divided into sections concerning Melville's sources, critical reactions to the story, problems of symbol and dramatic irony, and the question of the image of slavery, that emerges from the tale's ambiguities. Dr. Runden has also provided a critical bibliography and a table of Melville's probable changes in the story in his final edition. in his final edition.

in his final edition.

Dr. Runden is a graduate of Northwestern University and Indiana University. He joined the faculty at Paterson State College in 1959, where he teaches courses in American Literature on the graduate and undergraduate level. He is a Literature on the graduate and undergraduate level. He is a specialist in linguistics and has contributed articles to the New Jersey English Leaflet, official publication of the New Jersey Association of Teachers of English. He and his wife, Charity Runden, who is Associate Protessor of Psychology and Education at Montclair State College, reside in Little Falls. They have a son, John Jr., and a daughter, Ingrid.

Committee Explains Role Of Leadership

On Tuesday, January 12, the Leadership Laboratory Planning Committee will explain the role of leadership to freshmen SGA representatives and any other interested freshmen who wish to attend. Current campus problems will be the topic of dis-

Cussion.

The program is in preparation for the Student Leadership Laboratory conference to be held in May under a Columbia University staff headed by Dr. Ken Herrold. It is hoped that 40 or 50 students will be able to attend this year.

Chill Carel Luikon Carel Luikon

Cathy Cahill, Carol Luiken and Cliff Williams are in charge of the program. Other programs are planned for sophomores, juniors and seniors in the near future.

The show's author, Martin

The SGA Social Committee will sponsor its second mixer on Saturday, January 23, at 8 p.m., in Memorial Gymnasium. Students may purchase tickets from SGA representatives or at the door. Music will be supplied by the Crescents.

Evaluations Highlight Finals S.G.A. Session

On January 5, at the final S.G.A. general council meeting of the fall semester, several committee and class re-

On January 5, at the final S.G.A. general council meeting of the fall semester, several committee and class reports were presented to the assembly, S.G.A. president Lon Lawson stressed his reasons for scheduling such an agenda by pointing out the need to re-evaluate the objectives set by the Student Government Association in September. The meeting was intended to bring a knowledge of S.G.A. activities to the assembly members and knowledge of S.G.A. activities to the assembly members and the student body.

Chairman Cliff Williams of the Student-Faculty Relations Committee explained the establishment of a program for the committee explained the establishment of a program for the committee menting, held on December 11, discussion centered around "inte position and condition of S.G.A. organizations," and, to some extent, that of off-campus organizations. The committee will revealuate these organizations. The committee will revealuate the se organizations. The committee will reveal the servent of the freshman action for the president of the freshman class. So far, they have sponsored the well-attended Halloween Dance and will co-sponsor an S.G.A. mixer on January 23.

Zweig and Siegel.

Public Relations co - chairman Ed Scanlon presented a summary of past and future activities of his committee. In the beginning of this year, the committee re-opened the J.F.K. Memoriai Fund Drive, netting a total of \$400.05. These results were disappointing to the committee distance. mittee. Also, the committee dis-tributed literature concerning the 1964 Bond Issue, and com-mittee members spoke to var-jous P.T.A. groups. At present, plans are being formulated for a Paterson State student direct-or. Beginning next cornector. ory. Beginning next semester, publicity request forms will be submitted to organizations on campus; forms will be submitt-ed to the BEACON.

ed to the BEACON.

The third committee report was given by Jim Lawther of the College Center House Committee. The eleven members of the committee, headed by Cindy Delhagen, are under the direction of Mr. John Huber. The committee helped sponsor the rection of Mr. John Huber. The committee helped sponsor the Christmas party in the Snack Bar, and plans are being made concerning music to be played in the Snack Bar. Records will be brought in under an orderly system presently being formulat-ed. There are also plans to purchase more records.

In a departure from regular procedure of S.G.A. council sessions, reports were given to summarize the activities of each summarize the activities of each class on campus. President Jim Hollenbach of the class of '66 summarized the events his class sponsors his year. The first event was the Freshman Welcome Picnic, held this year at 4:30 p.m in the first week of the fall semester. Plans are being carried out for the Junior Prom, to be held March 31 at the Bow and Arrow in West Orange. Eids will be \$15.

Edds will be \$15.

President Jim Lawther presented a progress report of the work his class is doing in connection with both the selection of Miss Paterson State and the Gornation Ball, to be held February 13. As publicized in the BEACOM. Sopplications are open to all single sopnomore or junior girls. All applicants will be judged at a preliminary meeting on their ability to speek, how they look, and their bablity to represent Patorson State College as a leacher-education institution. Applications are available in issues of the BEA.

The exhibition is circulated throughout the United States by The American Federation of CON. Five finalists will be chosen

Project Exhibited In Wing Lounge

An exhibition of Tapiola, a new community in Finland, will be on display in P.S.C.'s Wing Lounge from January II until February I. The new town of 17,500 people is a suburb of Helsinki, and was recently completed after a decade of building. Among over a score of European postwar towns, Tapiola is thought to be the most architecturally significant. It has received wide acclaim from international critics.

Tapiola was the first project to be undertaken by the Fin-nish National Housing Foundanish National Housing Founda-tion, a non-profit corporation. It is starting two more new towns in the Helsinki area, and has completed other smaller hous-ing projects elsewhere in Fin-land. A fundamental design principle of Tapiola is a deter-mination to preserve its natur-al setting for the common good. al setting for the common good. More than half of all the housing is in apartments overlooking its fedult of Finland. Great architectural variety is achieved. A separate designer has planned each of the more than planned each of the more than a score of communities making up the town. This modern version of garden city design aims at a low density of 28 persons per acre. Automobile traffic has not been allowed to dominate. The national enthusiasm for outdoor recreation is expressed in summer and winter sports, but this new suburban ideal is above all a "strong visual statement."

ment."

The changing American suburb today is recognizing new principles of planning and design illustrated in Tapiola. Nimeteen similar new community building efforts are under way in the United States. While the farthest salvanced is a 75,000 population development at Reston Virginia, near Washington.

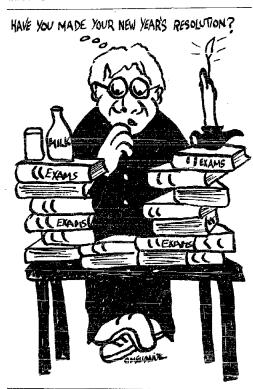

The President of the SGA has reported that the student governing body of Paterson State has had a successful semester, and plans have been formulated with the hope of an even more successful second term. The BEACON wishes to extend congratulations to the officers and representatives to extend congratulations to the officers and representatives in a letter to the committee and by responding to all who had enclosed their address.

Call Hamigan

Committee an even more successful second term. The BEACON wishes to extend congratulations to the officers and representatives of the Student Government Association for its excellent handling of college affairs to date, and hopes that 1965 will prove to be one of its finest years. The SGA committees are active in fulfilling their goals, and are involved in designing programs for students on the campus — the Social Committee is sponsoring its second mixer; the Evening Series Committee had a full house for its Mitchell Trio program; Basil Rathbone and the Arirang dancers have appeared through the efforts of the Assembly Committee. mittee.

We feel that the SGA has been influential in changing the attitude of the campus from one of complete indiffer-ence to one of optimistic expectations.

The BEACON Board of Control also wishes to report a successful first semester. In October, the first eight - page issue of the college newspaper was printed; the number of six page issues since September stands at five; the BEACON staff has grown, and interest in the paper by members of the college was apparent by the number of letters to the editor received since the beginning of the school year. We, too, hope for a bright '65 with plans to enlarge the staff and increase circulation to include the evening division students. division students.

Members Cited For Achievement

Seven Paterson State College professors have been awarded a special increment in salary in recognition of exceptional teach-ing service rendered to the college over a considerable period of time. The seven are as fol-

lows:
Dr. Joseph Brandes, associate professor of social science, was appointed to the college faculty in 1958. He is a graduate of the City College of New York, Columbia University, and New York University. He has been chairman of a special commitee set up by the Commissioner of Education on teaching about communism, is president of the New Jersey Council for Social Studies, and has published a number of books and articles in its field.

Dr. M. Azdell Elwell, profess-

Dr. M. Azdell Elwell, profe Dr. M. Azzen Elweil profes-sor of speech, was appointed to the college staff in 1951. Dr. El-well is a graduate of the Uni-versity of New Hampshire, and of Teacher's College, Columbia University. Size has built up the speech department at Paterson State, is in demand as a con-State, is in demand as a con-sultant and as a visiting profes-sor, and has published a num-ber of books on her specialty. Mrs. Ruth Kane Fern, associ-ate professor of English, has been

ate professor of English, has been on the Paterson State staff since 1958. She is a graduate of Trenton and Montclair State Colleges, and of New York University. Mrs. Fern is an expert on the teaching of language arts in the elementary school, in the area of teaching secondary school English, and in the direction of laboratory school experiences.

Dr. Mark Karp, professor of English, was appointed to the college faculty in 1936. He is a graduate of the City College of New York, of Teacher's College, Columbia, and of New York Uni-

New York, of Teacher's College, Columbia, and of New York University. As the senior of the college faculty, Dr. Karp has taught a wide range of English courses, many of which he initiated and developed. He is an expert on the teaching of reading, on the diagnosis and correction of reading difficulties, and he established the reading clinic at the college.

Miss Alice Meeker, professor of education and special consultant in early Childhood Education, was appointed to the Paterson State College faculty in 1944. She is a graduate of Teachers College, Columbia and of New York University. Miss Meeker is the college expert on student teaching problems, and the institution's best good-will ambassador to all of the public school communities with whom the college works.

Mr. Haymond W. Miller of

S.G.A. President Speaks Mid-Year Report

The year is now 1965 and we have completed the first semester. Everyone is looking forward to having a bette year than they just had. President Johnson has begun the year by piving his State of the Union address to Congress. The Student Government has successfully completed it.

The Student Government has successfully completed if first half-year and is anticipating much larger gains the next half. Terminating the spring semester of last year and in the beginning of the fall semester, I wrote article et and should have. I think now is the proper time for us to take a capsule view of our progression.

We stated that we needed a good social program and good cultural program. We have taken the primary step in both these areas. The Student Government Association he established a good social committee, providing us with our first mixer and an S.G.A. Christmas party. It is plannia and expanding its activities, perhaps by holding hops afte basketball games, and so on. The first step has also been taken toward establishing a suitable cultural program. We need a system and a plan is now being circulated among committees of the S.G.A. as to the possible answers to our problems. problems.

problems.

The third phase of improvement we needed was within the organization itself. Spirit was lacking. However, I fee major improvements have been made to date. Although we still have a few delinquent members on the whole, the members of our general assembly are much more active than they had been in previous years. The assembly is bein provided with more information of what committees an clubs are doing. Our committees are much more active. This can be verified by the assembly members themselves, where heard the excellent committee reports that have been given. Also, our clubs are becoming more active. Records.

have heard the excellent committee reports that have been given. Also, our clubs are becoming more active. Request are constantly coming to the S.G.A. for financial assistance for example, this year our cheerleaders are hosting thei intercollegiate competition here at Paterson State.

These are a few of the things we have done up to now Much time has had to be dedicated to the basic establishment of organization and improvement. Let's now look a what still lies ahead. Our S.G.A. must have more active participants. Our social committee can only handle so much With more members it can do much more. This is a typical problem confronting all our clubs and committees. We must make practical gains in establishing our cultural program The S.G.A. must advance its system of carry-over member ship to prevent severe loss of knowledge which result from a completely new take over from one year to the next. next.

Yes, there is definitely much to be done. But we have started. Let's not stop. We must learn by our mistakes and not falter if we do make them. Students, you are the sparl our government needs. Make our clubs active and our events successful. Good luck in '65.

eign language is not necessary. Applicants should figure on about one and a half hours at the testing center, unless they wish to take the Spanish or French achievement test. For this optional test, another hour should be added.

Peace Corps Placement Test: a general aptitude test and a modern language aptitude test — plicants ever learn their scores, for which knowledge of a for-

character references and Ques-tionnaires, to estimate the ap-plicant's potential for complet-ing the intensive training pro-gram and their ability to be ef-fective Volunteers overseas.

Peace Corps applicants must be American citizens at least 18 years old. Married couples are eligible if they have no dependents under 18. A college degree is not necessary, but it is advantageous to complete col-lege unless one has acquired a special skill. Many "blue col-lar" skills are now heing relar" skills are now being re-quested by foreign countries.

Class rings will be delivered on Wednesday, January 13, in the Octagonal Room of the College Center, Orders will be taken the same day for SEN-IORS ONLY.

"Miss P.S.C." Contest Deadline Scheduled

"The Miss Paterson State Contest is now in full swing," "The Miss Paterson State Contest is now in tull swing," stated sophomore Nancy Rogers, chairman of publicity for the Coronation Ball. In order to get a more active participation on campus, Campus clubs and various organizations have been asked to submit a nominee to represent their particular group for this contest. However, registration blanks are available from the BEACON to all single women students who are either sophomores or juniors, and Dianks are available from the BEACON to all shight wo-men students who are either sophomores or juniors, and who wish to submit their own name.

The Coronation Ball Commit-tee decided to make a number of changes this year. The title-has been changed from "Cam-pus Queen" to the more appro-priate "Miss Paterson State" to make it possible for any eli-gible "Miss" to become "Miss gible "Miss" to become "Miss Paterson State." Preliminary judging will be done by select-

ed faculty and students, including class advisors, class presidents, Miss State Fair, Newark, Miss Fair Lawn, and the Student Government president. The five finalists will be chosen during the first week in February and "Miss Paterson State" will be selected on the State" will be selected on the night of the Coronation Ball, February 13, by outside experts familiar with judging. This year more credit will be given to a woman who has participated more fully in school activities, and who has the ability to speak well during the various interview and avertice. speak well during the various interviews and question periods.

For this semi-formal to formal affair, the committee suggests that women preferably wear long gowns; however, long or short cocktail dresses would also be suitable. Men must wear dark suits, dark socks and ties. There will be no admission charge. The theme of the dance is "A Night in Japan." Tasty Japanese delicacies, provided by the Katagiri Oriental Products Company of New York City, will be served during the dance.

Sophomores are invited to of-Sophomores are invited to of-fer their assistance for this dance by contacting the follow-ing chairmen of committees as soon as possible: Audio-Visual aids, Josephine Galofaro; A-wards, Yvette Segall; Band, James Lawther; Decorations, David Birkner; Entries, Carol Henderson; Hosts and Hostess-es, Dale Totten; Invitations, Flo-raine Sile bod n ik; Publicity. es, Date Totten; invitations, Filo-raine Sie bod nik; Publicity, Nancy Rogers; Refreshments, Paula Bergmann; Staging, Wil-liam Rosacker; and Student Ad-viser, Richard Reisch.

Rules Set **For Contest**

Preliminary conte be held on Tuesday, February 2, 1965 at 1:30 PM and, if necessary, on Thursday, February 4, 1965 at 1:30 P.M. in Wayne Hall, Food Service in Wayne Hall, Food Service Building, Dining Halls A,B.C., and D, second floor, for the Preliminary Miss Paterson State College Contest. The Freliminary Contest will be informal. Contestants will ap-pear in professional attire.

(B) If you are successful here, you will be invited to appear in the Final Miss Paterson State College Contest to be held on Saturday, February 13, 1995 at 9:30 P.M. in the Memorial Gymnasium during the Coronation Ball.

Entrant agrees to by all the rules of the Miss Paterson State College Contest now in effect or as announced hereafter.

Entrant agrees that time, manner, and method of judging shall be solely with the discretion of the Judges Committee, and that the deci-sion of the Judges will be fin-

Entrant must be single and never have been married.

Entrant must be a Paterson State College sophomore or junior in good standing.

Entrant must be of good character; the judges will look for these qualities: poise, per-sonality, intelligence, charm and beauty of face and figure.

5) On Saturday, February 13, 1965 each Finalist will speak for about two minutes on one of the attributes that a Miss Paterson State should possess. Dedication, humor, courage, charm, poise, patience, tact, humility, dignity.

The blank may be completed by anyone who is interested in nominating a sophomore or jun-ior woman student for the contest or by a woman student who wishes to submit her own name but the signature must be that of the nominee. Where We Live Exhibit Seeks College Groun

JOHN P. HOLLAND by Charles Thomas

The submarine, which took an enormous toll of life in both world wars was oddly enough, the invention of a peace-minded New Jersey schoolteacher who invisioned the destruction of entire navies by the machine and the subsequent futility of war in the face of such an overpowering

quent futility of war in the face of such an overpowering weepon.

This peace-loving inventor was John P. Holland, born in Ireland in 1849, As a young man he became intrigued with the idea of an underwater vessel. He was much impressed the idea of an underwater vessel. He was much impressed of the Fahrerman and itself daring escapedee during the American Spruce Street bridge and forcing plans and submitted them to the British Admiraity but using a huge magnet borrowed tailed to secure anything but from a nearby plant, located the ridicule for his efforts.

In 1872, a still enhantatic tirer's mud and presented it to Holland emigrated to America to the Peterson Museum where it and obtained a teaching position tow resis.

It is a still enhantatic tirer's mud and presented in the farmous henten mired in the form as the Fenian Society.

The financial aid enabled him to complete construction of his june, and capable of accommodate but one land and remained there for an healt-of probably the world's first semi-farmous and the sub dove to a depth of 100 feet somewhere off Staten Iscould accommodate but one land and remained there for an healt-of population and the application of the American healt-of population and the sub dove to a depth of 100 feet somewhere off Staten Iscould accommodate but one land and remained there for an healt-of-population and the application of the American healt-of-population and the application of the American healt-of-population and the application of the American healt-of-population of the American healt-of-popula man. It was divided into three compariments. In the conterwas a small engine and the apparatus for the storage of air. This compartment was wateright and it was from here that Holland commanded his ship. The two flanking sections were built to hold or discharge water, pumped in and out by the engine, causing the boat to rise or eink.

or sink.

On the afternoon of May 22, 1872, Holland brought his craft, which had cost \$4,900, from the shops of Rafferty and Todd in Paterson and launched it in the Passaic River. The results were disappointing. The sub had apparently been damaged in transport and promptly sulk. It was raised and refloated only to sink more more. Again it was raised. raised and remonter only to sink once more. Again it was raised and again it went to the bot-tom. Each time the thing nose-dived Holland would open a lit-tle trap door and calmly swim to the surface.

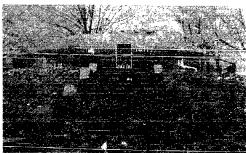

Finally these difficulties were overcome and the intrepid Irish-Jeresyan decided to test the craft's voluntary submerging possibilities. On June 6, 1878, at 6 p.m., the submarine dove be-6 p.m., the submarine dove be-neath the gloom and remained there for 24 hours, re-surfacing at the same hour on the next with no damage to itself or occupant. Although this test oved forever the feasibility proved of a sub-surface vehicle, Hol-land had to revel in his partial success in a passive manner for his funds were depleted. The

hour. It was not equipped with a periecope however, and the a periocope however, an queer-locking craft would dealy rise from the water frightening tug and ferry captains who had visions of not sugarwho had visions in not sugarplums, but sea serpents, dancing through their heads. Just
as suddenly, a trap door would
open and the smiling genial face
of John Holland would pop out
and hail them gaily. They were,
no doubt, doubly open-mouthed
at this occurrence. Eventually though, the sub struck a ferry near a Weehawken slip uponrising and quickly sunk. It was
raised within a week and is now
on display in West Side Park
in Paterson. Holland build a
third vessel which was damaged severely in launching and
the Fenian Society, faced with
mounting failure, finally and
completely withdrew its support.
Our inventive school teacher plums, but sea serpents, danc

completely withdrew its support. Our inventive school teacher had learned enough from his failures however, to incite him to build another more perfect device. Aithough the Navy Department refused to officially recognize the success and potential of his submarine there was enough interest in perfecting tial of his submarine there was enough interest in perfecting war machinery to enable Holland to obtain continuing aid for his project. For seven years he worked on plans and models until in 1893 he obtained a \$150,000 contract to construct the real thing.

Extreme interference from officialdom so severely limited

osnás, ordiestras, se clubs, quartets, choirs, glee clubs, qua drum and bugle corps, teams, gymnastic teams, ceans, gymnastic teams, com-bos, heotenanny groups and vir-healty all types of college group performances are invited to per-form as part of the Special Ev-cuss uncorrect in the contract of the special Events program in the mammoth "Tent of Tomotrow." Over 83,-000 people witness performances each day.

cand day.

College organizations wishing to perform are asked to contact the Director of Special Events, New York State Commission on the World's Fair, 1270 Avenue of the Americas (Room 304).

New York, New York 10020.

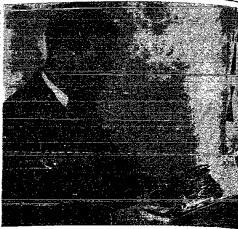

Best Dressed Contest Set

The Student Government Association and the BEACON will co-sponsor a contest on-campus to select the "Best Dressed College Girl" if the interest is ex-pressed by Paterson State Stu-dents in having such a competition. There is presently a no-tice in the Snack Bar of the College Center asking for signi-tures from students indicating their support on whether or not such a program could be held at P.S.C.

at P.S.C.

The contest would be run in connection with GLAMOUR magazine, who for the ninth year is sponsoring a contest among the colleges in the Unit-ded States and Canada to help them find the "Ten Best Dressed College Girls." The BEACON and the S.G.A. have been asked to select the best dressed sirl on campus, obtograph her girl on campus, photograph her in a typical camous outfit in a typical campus outfit, and a party dress. The photographs will then be sent to the magazine with the official entry form for the national judging by a panel with the official entry form for the national judging by a panel of GLAMOUR editors. They will first select a group of semi-finalists and from these the ten minists and up to twenty hon-orable mention winners will be chosen. The "Top Ten" will be photographed in the spring for the annual August College issue of GLAMOUR and will be flown to New York in June via Amer to New York in June via American Airlines for a visit as the guests of the magazine. The honorable mention winners will be featured in a fall issue of GLAMOUR.

In answer to the question "Why is GLAMOUR interested in finding the "Ten Best Dressed College Girls'?", the Editor-in-Chief of the magazine replied: "We feel the years when a young woman is in college are the most formative of ber life. The education she gets during these years should mold her into a well-rounded intelligent, independent, interesting attractive person. Through the control of the property of the present the second of the life of the present the present the present the control of the present the presen

LON LAWSON

Student Relates Summer Travel

Yesterday, a number of Paterson State students toure through England with their special guide Lon Lawson. Concentrating on his personal experiences, Lon started with his life on board ship and those other students participating in the Experiment in International Living with whom he became acquainted After meeting college students from Texas, Oklahoma, New Hampshire, Georgia and several other southern states, Lon realized that the problems in New Jersey are the same allower and that Paterson State is by no means isolated. Another fact was also brought out by the group of students which policient for the centre by the group of students which

the group of students which made Lon aware that the situations one must face in college are only small scale compared to those he and every other stu-dents must face after graduation Facing and solving these prob-lems today will lead to a better person tomorrow.

Continuing with the tour, the guide explained the excitement and anticipation of the crowd when they sighted London at night from the ship. In ad-dition to the travel aspect of his summer in England Lon related many incidents occuring during the tour, such as his during the tour, such as his group of Experimenters not recognizing Big Ben. Also, the group spent much of their time hiking throughout the country side, giving them a first hand view of the country.

The hour long trip gave The nour long trip gave all who attended a somewhat different aspect of the Experiment and what it entails, and certainly a different view of England.

Committee Explains

European Job Information

Students interested in summer students interested in standar work abroad may receive additional information on job opportunities from Miss Anita Este in the Office of Student personnel in Haledon Hall. Miss Este hat received letters from students of the control hal received letters from stu-dents who have participated in the program, and they are avail-able to PSC students who may want summer employment in Europe for the summer of 1965.

Miss Este has a book put out by the American Student Information Service which she will H106, H205 be happy to lend out.

Last night Paterson State Col-Last night Paterson State College lost the services of one of it's top rebounders and second tallest man on the squad with a broken right wrist. Bill Kopcho a 6'6" junior was rebounding and during the scrimmage under the boards he was knocked down. He fell hard on his right wrist and had to be removed from the game.

moved from the game.

Bill was averaging 10 points
per game and took down on
average of 14 rebounds per
game. He has a chip fracture
of the right navicular bone and
will be out of action for a minmum of six weks.

Along with the loss of Kopcho, we lost the services of CoCaptain Bill Joosten for three
weeks with a torn deltoid muscle. Bill was a steady performvery difficult to combat.

Where We Live

(Continued from page 4)
Holland that this effort met with familiar failure. Still under Naval contract, he began work on a new craft at the Cresant Yards in Elizabeth and inde-Yards in Elizabeth and inde-pendently and with private funds completed the "Holland" early in 1898. This time there was created a most sophisticated ma-chine. It was almost 54 feet long with a gasoline engine for surface travel and a battery op-erated electric motor for unsurface travel and a battery operated electric motor for underwater movement. It carried a surface gun, a torpedo tube and several torpedos. Many grueling tests proved its worth and the Federal government officially purchased the world's first operational submarine in 1899. Orders from Great Britain, Japan and Russia scon followed. followed

John Holland had at last succeeded in his dream of inventing, building and operating a sub-sea vessel and equipping his country and world with it. Yet that recurring hope of mankind, that of world peace was once again thwarted. But John Holland from his North Jersey mucleus, did spread his genius to every corner of the world providing it with a fearsome yet wonderful gift that only a person of sincere thought and unswaying conviction could some swaying conviction could somehave wrought.

Message From Coach Wolf

Although we are losing games the spirit and drive of the players is wonderful.

We are constantly playing teams that have more man power than P.S.C. but our boys never retreat. They have a wonderful attitude and it is a real pleasure to Coach them.

One can't give enough praise to Steve Clancy, our big man.

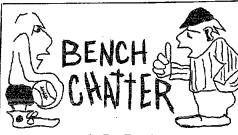

One can't give enough praise to Steve Clancy, our big man. Last year Steve lost the conference scoring title by one point and this year is in the top three in the league scoring by averaging 29.7 points per game. Along with Steve we have to add our praise to Tom DeStefano, Chuck Martin who came out of retirement, Bill Joostin and Vincent Ditta. We have to say this about our entire ball club. The team is young - Juniors and Sophomores who are developing rapidly. Our offense and defense have improved greatly and with every practice—and

and with every practice and game rapid improvement is vi-sible.

stible. I want to thank the Cheerleaders' and the spectators who follow us for their wonderful support. Our next home game is Saturday, January 30th against Glassboro State College. Speaking for the team I know nothing would please them more than to look across the floor and see the bleachers filled with Paterson State students. Show your team you appreciate them. This could be all they need to become a good winning team at P.S.C.

er for us in the backcourt and was a bulwark on defense. Bill was averaging 7 points per game but his play-making and leadership on the court are invaluable.

Manpower is lacking at Paterson State College with only 385 men our of 2,150 students and losing two key players is

by Tom Terreri

It's a long trip but the P.S.C. cagers intend to make it worthwhile. Tomorrow night Paterson will make that long journey to Glassboro. Unfortunately, the only bus migrating south will be the one carrying the players. In other words, there will be no student transportation. The inability of last year's student body to support the bus transportation program to many of the team's away games has caused its justifiable discontinuation. (Well, you can still light candle.)

Next, the Pioneers will invade Jersey City State Tuesday, January 12—now that isn't far. Then again, P. S. C. will travel to Long Island next Saturday, January 16, to do battle with South Hampton College. The team will leave Friday afternoon, stay over, and play Saturday night. After which the crew will sail back to the shores of P.S.C. This is the first overnight trip by a Paterson State basketball team since the 1961-62 campaign. Wish us luck; we'll probably make it head:

Harriers Post Winning Season

Paterson State College's cross country team posted the most wins in its history during the 1964-1965 campaign. The harriers posted a 9 and 2 won-lost record, including winning the last 7 dual meets in a row. The Orange and Black have won 16 and lost 3 over a two-year period. Dr. James Lepanto's squad was composed of junior Joe Dziezawiec of Paterson, senior Cliff Williams of Passale, junior Bill Hagman of Little Falls, Feshman Ron Schopperth of Little Falls, Senior Jim White of North Haledon, senior Ron Simmons of Belleville, and junior Tom Vitolo of Verona. The loss of Williams, White and Simmons through graduation will make it difficult for Coach Lepanto's club to duplicate its Schopperth had a fair frashwan Paterson State College's cross country team posted the

Lepanto's club to duplicate its record of the last two years.
Next year's schedule will be as formidable as it has been in the past. Dziezawiec, Hagman, Schopperth and Vitalo will form a good problem for 10st

pected to do better in '65. Ron Schopperth had a fair freshman year and is expected to carry a heavy load as a sophomore.

The prognosis for next year is not as bright as it has been. The club will need much addiform a good nucleus for 1965. The club will need much addi-66. Dziezawiec has been an out-tional help from freshmen to do standing runner over the past as well as they have in the last two years. He has rarely been two seasons.

Seton Hall Foils P.S.C. 81-58

The PSC Junior Versity played a hard, fast game at Seton Hall University, December 14, until the closing minutes when the Pirates opened it up to an 31-58 victory. The East Orange team had a tremendous height advantage, boasting players up to 6°8" in height. However, the starting quintet of Stan Yarosz, Hank Saxon, John Richardson, Walt Turner and Jim Burke outhustled, outscored, and outrebounded them, and took the lead for the first 13 minutes of the game. The fast pace began to tell at the end of the first half, and the Pony Pirates pulled away to a 35-25 half time

Seton Hall opened a scoring burst with five minutes gone in the third period and put the game out of reach.

For the Pioneers, Richardson led with 15 points and Stan Yarosz chipped in 12 more. The loss brought the J.V.'s record down to 2-5 but it was one of their finest performances of the year.

The contest was the preliminary before a varsity game matching Boston University against Seton Hall, which was nationally letevised as one of the most important major college games in the country. The Pioneer J.V.'s watched the Seton Hall Varsity edge past Boston, 64-63.

RON HOFFMAN

Assistant Named To Sports Staff

Ron Hoffman, freshman Science major, has been named the Assistant Sports Editor of

Ron is a commuter from Orange, New Jersey. While in high school, he was the Finan-cial Editor of the High School Year Book, a member of the school newspaper, a member of Student Government and held the lead in his senior play.

Ron has had a vast experi Ron has had a vast experience in sports, which include being catcher on three All-Star Baseball Team. Ron's baseball career started with Little Lea-gue continued with the Babe Ruth League, High School, A-merican Legion, and concluded with three years of baseball in the Navy. While in the Navy Ron also played basketball.

ARLEEN MELNICK

Fencer Takes First Place

Last Sunday, January free Paterson State f led by 5 time gold medal win-ner this year, Arleen Melnick, participated in a women's "B" competition at the Fencer's Club in New York.

In the first round there were twelve fencers. After a five-way fence-off for three places, Carol DiRosa was eliminated. Carol Mitteldorf won the fence-off and went into the final round.

In the final round of eight fencers, Carol Mitteldorf placed seventh Arleen Melnick contin-ued on her winning way placing first with no defeats. Second

Pioneers Win First. Top Hunter 64-60

The following article was published in the Paterson Evening New, The Pioneers, winless in their first five starts, fin won a basketball game Wednesday night, December 16, was scoreboard reading, Paterson State 64, Hunter 60.

The game was closely fought, with neither team egaining more than a nine-point edge. Tempers flared, lups were missed, and much of the game centered around 10 young men trying desperate-

ups were missed, and much 10 young men trying desperately to pick up a loose basketball. But the Pioneers, behind the clutch shooting of Steve Clancy and the fine play of Vince Dita, came from behind to pull the game out. During the first half the score

During the first half the score was tied four times, but the Piomeers could never seem to take the lead on one occasion the Hawks led by six, after Gerry Arenowitz stole the ball and brought it in for a layup, 25-19. Paterson State came right back with a five-point run as Tom Nicholls and Ditta hit from the field and Bill Kopcho canned a foul shot.

In the final seconds of the

In the final seconds of the first half, Bob Clair sunk his only basket of the night, and Tom DeStefano scored on a free throw to knot the score at 29-29. A last second foul, how-ever, gave the Hawks a one -point halftime advantage when Arenewitz, who scored 16 points during the fray, hit on his free

Clancy, with an evening total of 21 points, put the Pioneers ahead for the first time early in the second half, 35-33 with a jump shot. Arenowitz came right back for Hunter with two quick layups to bring the lead to the Hawks. Then came the turning point of the game.

With the score 38-37 in favor of Hunter, Chuck Martin, play-ing his first game for Paterson State, stole the ball and went in for the layup that put the Pio-neers ahead. After that fine de-fensive play, the Hawks could never get out in front, although they managed to tie the score three more times before the Fio neers broke away for good. With a little more than five minutes remaining, Martin hit on a set shot to break a 46-46 fie. Clancy scored two more on free throws, giving the home team a four point edge.

After that, the Pioneers scor-After that, the Pioneers scor-ed three points to every two the Hawks could manage, and with two minutes to play, led, 61-52. Sensing a first victory, Coach Ken Wolf had his Pioneers slow the game down, but the boys from New York had other ideas. Guard Al Cohen of Hunter scor-Guard Al Cohen of Hunter scor-ed all six of his points in the last two minutes, leading the visitors to within four points of a tie and possible overtime win. Fouls played a cruciel part in the outcome. In the waning mo-ments, the desperate Hawks committed numerous personals. The Piomeers had 30 free throws, hitting on 18. The Hawks had 14 chances and were successful on six.
