FLASH: PSC ACCEPTED TO AAUW

Paterson State College has received word from Washington headquarters that it has been fully approved for membership in the American Association of University Women. This means that Paterson State women graduates are eligible to become members of AAUW branches all over the United States, and of the International Federation of University Women chapters in most all of the major cities of the world.

High academic standards have always been a requirement for AAUW approval, basic to any additional requirements.

The first of the five major standards upon which AAUW eligibility is based is accreditation

by the appropriate regional accrediting association. This was achieved by Paterson State in November, 1958, with the final approval from the Middle States Association of Colleges and Secondary Schools, and from the National Council for Accreditation of Teacher Education.

The second standard has to do with the provision for a basic liberal education. The Association has always held fast to the principle that specialization should always be based upon a broad liberal education. This is to make sure that its membership shares some common background of liberal content in educational experiences.

The third requirement is that there should be adequate provision for women students. The Association expects that every educational opportunity available to men students should be equally available to women students.

The fourth standard has to do with professional opportunities with men for appointment to the faculty and for advancement in rank and salary. It has never been the policy of the AAUW to insist that a faculty have a certain proportion of women members. On the other hand, it seems clear that good educational policy dictates a faculty composed of both sexes in the top professional ranks as well as the lower. The Association ex-

pects that women should qualify for appointment and advancement on the same basis as men.

The fifth requirement concerns academic freedom. This is difficult to translate into words, and is best measured by the spirit and morale that pervades a campus and faculty group, developed by the attitudes as well as the practices of an administration.

What does membership of Paterson State College in such an Association mean to its students, faculty, and graduates? It means the prestige that comes from passing a close inspection on an exacting list of standards and requirements; it means the opportunity to work along with hundreds of

other member institutions and thousands of other individual members for the advancement of education. It means also the privilege of membership in an organization which for more than seventy-five years has had as its major aim the improvement of higher education in general.

EXAM SCHEDULE

SEE LAST PAGE

Queen To Be Crowned Feb. 18

Past Campus Queens, Annette Cohen, (1960); Carol Lanka, (1958); and Edith Campbell, (1959); look over scrapbook of photos together. The 1961 queen will be named and coronated February 18.

Six lovely coeds will be nominated for the title of PSC Campus Queen, representatives of the Class of '63 announced. The nominees will be announced today.

Final Voting February 17

Final voting for the Queen will be February 17 in the Cafeteria.

The girl selected as the victor will be crowned at the Coronation Ball, February 18, the annual semi-formal dance traditionally presented by the sophomore class for the entire student body. The Queen will reign over the college community until next year's ball.

Former Queens To Be Present

Annette Cohen, a junior and the present Campus Queen, will present her with the crown — the traditional symbol of victory. Two other former Campus Queens, Carol Lanka, '58, presently a senior, and Edith Campbell, '60, a junior will undoubtedly view the crowning with fond memories.

The preliminary nominations will end today.

Future Art Exhibitions At P.S.C.

January 16-23 — Contemporary drawings, paintings, sculpture, arranged by the Barther Schaeffer Gallery.

February 2-22 — "The Quiet World" — A photographic exhibit sponsored by the American Federation of Artists.

February 22-March 16 — PRATT Graphic Techniques.

March 15-31 The Kriegel Collection of drawings, paintings, prints.

April 11-30 — North Section, New Jersey Art Education Association — Invitational Show.

May 3-22 — Annual Spring Guest Day — Student-Faculty Exhibition.

Traveling Faculty Responsible For Far North Exhibit

An exhibit of wild animal photographs, northern handicrafts, and books and materials on the North American country is currently being shown in the big display case in the lobby of the library at Paterson State College. The public is invited to stop in to see this unusual and interesting collection of objects and information on the northern frontier. The library calls the exhibit "The Far North".

The wild animal photographs were taken, processed, and mounted by Miss Anita Este, Assistant Director of Student Personnel at Paterson State. She spent her vacation last summer hunting her "animal friends", as she calls them, with a camera. Getting these completely natural photographs of beaver, otter, elk, and moose in a wild setting meant getting up before dawn and spending many hours waiting and hunting and hoping for the perfect shot . . . no telephone lens, and no flashlight bulbs. Only another camera enthusiast knows the amount of loving labor and skill involved in the production of the twenty fine photographs in the exhibition.

Most of the handicrafts were collected over a period of years from various sources by Mrs. Virginia Randall, in charge of informational services at Paterson State. Some of them were acquired in Alaska, northern Canada, and on the Hudson Bay, and some through arts and crafts shops in Canada, Alaska, and the United States. Other objects were added by Dr. Marion Shea and other members of the faculty.

SEE "FACULTY"
(Continued on Page 4)

Women's Choral Ensemble

Beginning with the new semester, there will be openings in all voice parts for the Women's Choral Ensemble.

The chorus provides an opportunity for the development of the individual voice and for ensemble singing.

"Four Freshmen" To Appear On Campus

Shea Reminds Students of Parking Courtesy

We are getting repeated calls from the residents along Minns Avenue from people who are being greatly inconvenienced by a lack of consideration on the part of some of our students who are parking there. The residents of this area are experiencing difficulty in having deliveries made. The postman cannot get to their boxes and tradespeople cannot get near the houses.

Students who are forced to park off campus because of the limitation of parking facilities should be most careful in selecting the street areas in which they park and should remember that they have been given a great deal of consideration by the local police and by residents. All they ask is that students try to be a bit more considerate. They are very sympathetic to our problems but they have some rights as taxpayers and citizens.

MARION E. SHEA
President

The "Four Freshmen", popular Capitol recording stars, will appear at Paterson State College. April 18, is the tentative date. The group will sing ballads and popular tunes which they have recorded.

In more than one hundred appearances at different colleges and ballrooms, the "Freshmen" have broken concert attendance records. Their performance at Paterson State offers all students the opportunity to see and hear the singers at work.

A slight admission fee of 50c will be charged for students who wish to attend this performance on Paterson's campus. Guests will be asked to pay \$1.50.

Make plans to attend the concert. Tickets will be on sale soon.

LAST CHANCE
TO VOTE FOR
CAMPUS QUEEN
TODAY

Philbrick, Dean Holman and students convey at reception after assembly. See story on Page 2.

WE CRITIQUE OURSELVES

Now that we have come to the end of another semester generally, and specifically one of publication of the BEACON, it might be advantageous if we look back over the record and see what we have and have not accomplished.

In relation to news coverage, we feel that we have come a long way. Of course, the reader must bear in mind that the eight day lapse from deadline date to publication date necessitates certain events being covered one issue later than they should, but this problem cannot be solved too readily. On the brighter side, we would like to thank Dr. Randall, especially, who, in fulfilling her role as the Public Relations person for the college, has given us invaluable aid in digging up and printing the college news.

Many other administrators and faculty members have all helped us by giving us news, but the most wonderful thing the BEACON staff has witnessed is the attitude of these people toward us. They are always ready to take time out of their busy schedules to talk with us and help us. One very good example which comes to mind is Mr. Resis to whom we sent a note deadline day, asking him for the facts on a Russian film the History Department had shown. That same afternoon we received a complete story, written in proper form and already typed. We cannot express enough gratitude to Mr. Resis and everyone else who has responded to our requests in a similar manner.

Knowing that many of our fellow students have expressed a more complete sports coverage, we will try to provide this next semester. The problem here is the same that arises with the news stories; those which occur during the week between deadline and publication must be covered in the next issue. However we will try our best to give complete coverage of sports events as close to the time of occurrence as possible.

Features present less of a problem in relation to timeliness; what we desire too in this area is to give readers what they are most interested in. The only way which we can ever hope to do this if enough of you take the time to fill in the questionnaire at the end of this. We, the editors of the BEACON, promise you that if you will tell us honestly and seriously if you care about your paper, can we work to make you more proud of it.

“TEENAGER, GO HOME”

The following open letter to a teen-ager first received public attention when it was quoted by Juvenile Judge Phillip B. Gillian of Denver. More recently it appeared in Abigail Van Buren's syndicated news column. The author of the letter is unknown. Dr. Genn, of the Paterson State College Department of Education, feels it is worthy of the attention of college students.

“We hear teen-agers complain, ‘What can we do? Where can we go?’

The answer is: go home! Hang the storm windows, paint the woodwork, rake the leaves, mow the lawn, scrub the floors. Help the minister, rabbi, or priest, the Red Cross, the Salvation Army. Visit the sick, the poor. Study your lessons. And when you're through, if you are not too tired, read a book.

Your parents do not owe you entertainment. Your city doesn't owe you a recreation center. The world doesn't owe you a living. You owe it your time and energy and talent so that no one will be at war, or in poverty, or sick or lonely again.

You are supposed to be mature enough to accept some of the responsibilities your parents have carried for years. They have nursed, protected, excused and tolerated you. They have denied themselves comforts so that you could have luxuries. This they have done gladly, for you are their greatest treasure. Teen-agers, grow up and go home!

Philbrick Leaves P.S.C. Audience Spellbound

Herbert Philbrick, the only non-Communist to penetrate into the highest secret councils of the Communist Party, thrilled an audience of faculty, students, and visitors with a dynamic lecture on Communism, January 10 on campus.

Author of the best-seller, “I Led Three Lives” and technical adviser to the popular television series of the same name. Mr. Philbrick actually led three lives: citizen, Communist, and counter-spy.

His dramatic story first stirred the nation from coast to coast as a best selling book following his exposure of the infamous “Communist Eleven” as a volunteer witness for the government before Judge Medina.

Philbrick entered this movement by sheer accident, when he and his wife moved to Cambridge, Mass shortly after their marriage.

(Continued on Page 3)

Work Scholarships

Students are reminded that if they want a work scholarship for the Spring semester, they should make out their applications in Dr. Scully's office during January. One should think twice before applying for a work scholarship. (1.) Is my accumulated grade point average safely above the 2.0 which I must have in order to graduate? (2.) Did I receive any mid-semester warnings last semester? If I did, I probably need all my time for study.

Students who now hold work scholarships are reminded that they must file another application in Dr. Scully's office in January if they wish to have a work scholarship in the Spring semester. Those students wishing a change of assignment are requested to so indicate on the backs of their applications.

“THE NIGHT BEFORE”

STUDENTS POINT OUT LACK OF SPIRIT

Is school spirit dying? Or have students forgotten that it ever existed? The days of pennants and racoon coats have long disappeared, but the basketball games, the fencing matches, and the dances are still here.

Paterson State has an enrollment of nearly 1800 students. Five of these students score the points for us, where are the other 1795?

Evidence of disconcert can be cited over and over again at these and other activities sponsored by the college. Why are the same people involved? School spirit is the concern of everyone, not just that of the administration and a handful of freshmen, sophs, juniors and seniors.

The solution is not a simple one, and it cannot be effective without the support of the entire student body. If there is interest in the college, if the students are proud that they are a part of Paterson State, and if the faculty joins in this enthusiasm, then and only then can school spirit be witnessed.

Whether your interests lie in chess, skiing or basketball, there is something for everyone. And whether it be a cheer for that extra point or applause for an excellent performance, with school spirit Paterson State will always be the winner.

Emma Trifiletti

Are P.S.C. Students Apathetic?

On Wednesday, January 4, 1961, the English Club sponsored a tea in the lounge of Wayne Hall. Post cards were sent out to 140 students informing all of them, English majors, of the date and place of this meeting. Approximately 40 attended, a great percentage of these being seniors who are out on practicum. This figure reinforces the fact that the apathy of the students of P.S.C. is appalling. Previous experiences such as the attendance at the films shown by the club for the benefit of the entire student body, attendance at basketball games, and school plays, and the number of students who voted on the location of Shaffer Playday give the primary assumption, that our student body is apathetic, ground to stand on.

The purpose of the tea was to explain the functions of the English club, introduce new and old faculty members of the English department, and answer questions pertaining to the present English curriculum. The meeting was started with opening remarks by Dr. McRae, head of the department. He also introduced the faculty members and thanked Mr. Roberts for making the necessary

arrangements for the tea. Edward A. Likman, president of the club then gave pertinent information about the club. A meeting for January 16, 1961 was announced. A map of directions to the home of Bob DeLuccia (place of next meeting) and an attendance sheet were posted on the bulletin board in the cottage. As at all of the meetings, literature was discussed and refreshments served. Past subjects for discussion have been: Moby Dick by Herman Melville, “Shropshire Lad” by A. E. Housman, and current movies. This weeks topic was Christmas in literature.

To those who have missed out on these stimulating discussions and fine films I can only say: Gather ye rosebuds while ye may,

Old time is still a-flying; And this flower that smiles today, Tomorrow will be dying.”

Angela Avitable

Sound Off

by Mike Fitzpatrick

Tuesday January 3, 1961, a skeleton crew of Student Government Representatives called together a meeting specifically to decide a suitable price for the Four Freshmen's appearance on April 18.

After a lengthy and somewhat heated debate, a resolution put forth by Treasurer Hank Baron passed by an overwhelming majority. If anything, the vote appears to be a confidence vote in judgment, for the assembly of delegates was previously divided along a varying set of plans. A good number of representatives felt that anything less than a \$1.00 admission would be a lowering of prestige both for the Freshmen and S.G.A. assembly programs. This group considered an admission charge of \$1.00 for students and \$1.50 for guests to be reasonable. A small group felt that students and outsiders should be admitted at equal prices.

Treasurer Baron felt that neither the Freshmen nor the assembly programs would lose prestige at any price and that students should be admitted as cheaply as possible in view of their considerable, semi-annual, S.G.A. membership fees. He moved that admissions be: students \$.50, outsiders \$1.50 — carried.

Out of a student body of approximately 1750, 18 voted for a Shaffer Playday destination. 16 voted for Bear Mountain. For those who haven't been to Bear Mountain, it provides a very nice day's outing — for retired folk.

Sports Whirl

by Kenneth Dow

In spite of the fact that the P.S.C. cagers have had a very unimpressive season, we cannot ignore the fact that they are playing good ball.

It stands to reason that both our offensive and defensive are not top notch, but according to Coach Wolf this is not the reason we have been consistently losing. The major reason we have dropped seven out of nine contests is according to Ken Wolf our inability to sink a good percentage of foul shots.

Had the Pioneers connected on only fifty per cent of the total foul shots taken, we would have a 7-2 record. As you recall, five out of seven defeats (omit East Straudsbury and Yeshiva) were dropped by not more than seven points in any one game.

If we had sunk just 50 per cent of our foul shots we would have won all of these five games. By the way, an average ball club sinks 80 per cent of total free throws taken.

Our decisive victory over Montclair on Friday, December 2, gave way to an equally decisive defeat from East Straudsbury on December 3. Their 83-52 victory proved that we were all too confident.

The following Tuesday P.S.C. traveled to Bloomfield to meet defeat for the second time in three trips.

George Fruhbeis sparked a Paterson rally that fell short in the closing minutes and Bloomfield College, unbeaten in two starts, hung a 73-66 defeat on P.S.C.

The Pioneers evened their record at 2-2 when they defeated Newark State on December 6. This victory also gave us a 2-0 record in the New Jersey State College Athletic Conference.

Paterson broke open the game early in the second half when it put together two strings of eight points around a single free throw by the losers. The first spree broke a 43-43 tie.

Armand Palmisano, who has been leading the Pioneers in scoring all year went for 16 that night.

Paterson fans were let down when the Pioneers had to relinquish a 14 point lead to Seton Hall who went to thrill their own fans and win the contest 85-84 in a five minute overtime. Paterson bowed again when it met Yeshiva. Baum from Yeshiva scored 30 of the winners' 88 points. Again Palmisano was high for P.S.C. with 22 points out of a total 70.

A seemingly easy victory over Bloomfield proved unsuccessful for the Pioneers when the cagers muffed six lay-ups in the fourth period. Had we defeated Trenton last Friday night our record in the N.J.S.A.C. would have been 3-0. Due to the defeat, however, we are now 2-1. Trenton is all even at three wins, three defeats on the whole campaign, but has the same record as Paterson in the league.

Behind 33-32 in the half, P.S.C. moved ahead at the start of the second half on a duce by Armand (the Irish cat) Palmisano. However, Trenton came on to recapture the lead on baskets by Miller and Bill Ritchie. Palmisano and Fruhbeis led Paterson with 23 and 19 points respectively.

MEN'S FENCING TEAM WINS TWO DROPS

The men's fencing team is off to a fine start in their '60-'61 season. The first meet, December 17, against Cooper Union, was an overwhelming victory for P.S.C.; the score was 18 to 9.

But they dropped their second match, January 4, in a real spine-tingler against Brooklyn Polytech. The action was long and exciting with P.S.C. in the lead.

Slowly, but surely, Brooklyn crept up and evened the score. In the next to the last bout they pulled ahead and won the meet with a final score of 14 to 13. This loss didn't dishearten the fighting men of P.S.C., and on January 7, they swamped Fordham with a score of 19 to 8.

With most of last year's lettermen back and with a new, stronger epee team, the men are turning last year's defeats into this year's victories.

On Wednesday, January 11, the team traveled to Jersey City and on Saturday, the 14, they faced Temple University in Philadelphia. The general feeling of the team seemed to be that the matches would be difficult, but that they could be won.

After these two meets, there will be no more until February 8, when P.S.C. will meet Newark State.

CONGRATULATIONS ADMINISTRATION FOR NEW REGISTRATION TECHNIQUES

"SOUND OFF"

(Continued from Page 2)

Under the heading of new business, Mike Fitzpatrick proposed that the S.G.A. join the Book-of-the-month Club in order to aid the library in their drive to give the students the best possible reference materials. These books will be donated to the library with the single stipulation that they not be placed on any limited reserve for a five year period. The first books purchased will be THE RISE AND FALL OF THE THIRD REICH, ADVISE AND CONSENT, and WHAT WE MUST KNOW ABOUT COMMUNISM. These books represent a total retail value of \$19.70. The S.G.A. will purchase them for \$3.00.

President La Ferrara referred to the first meeting of the S.G.A. as a short session, and it was short in more than time. A scandalously few members attended, and 1961 indicated lack of attendance will be a big problem for the S.G.A. again this year. Next meeting when Joe La Ferrara raps down the gavel for order, he'll have to put his foot down as well.

PSC CAGERS DROP 73-61 DECISION TO JCSC

Paterson State College's basketball team dropped a 73-61 decision to Jersey City State January 10 in a New Jersey State Athletic Conference game there. The Pioneers are 2-8 overall and 2-2 in the league while Jersey City is 7-2 overall and 3-1 circuit-wise.

Paterson held its last lead at 13-11 on a push shot by Armand Palmisano. A five-point burst shot Jersey City ahead to stay. J. C. moved in front by five at half-time, but Paterson rallied to pull within a point, 38-37, on a three-point play by Art Bowne. But Jersey City surged for 13 straight to nail it.

Bowne got 18 points, John Jacone 17 and Palmisano 13 for Paterson.

Leave It To The Girls

by "SAM" LEVY

O.K. you basketball fans, get with it. On Tuesdays at 4:30 starting on January 10 we are beginning basketball practice with Miss Fonken coaching. Everyone is welcome — no great skill is necessary.

All in all the team is expected to have a very successful season. Come out and support your winning team at future meets. WATCH YOUR TEAM WIN!

Here are the winners of the intramural volleyball tournaments. They are the "MIXED NUTS": Judy Black, captain; Janice Kranpetz, Midge Wein, Berry Herbst, Carole Braverman, Claire Keating, Betsy Runfeldt, Barbara Dunn, and Sandy Di Giaimo. Congratulations, kids! These girls and many others, not only learned how to play volleyball with Miss Cheeseman as director, but they also had a grand time doing it.

We have a college playday coming up in the near future. Look on the bulletin boards for further information.

Miss Fonken and Miss Cheeseman — chins up, here we come! REMEMBER — TUESDAYS ARE BASKEBALL DAYS!!

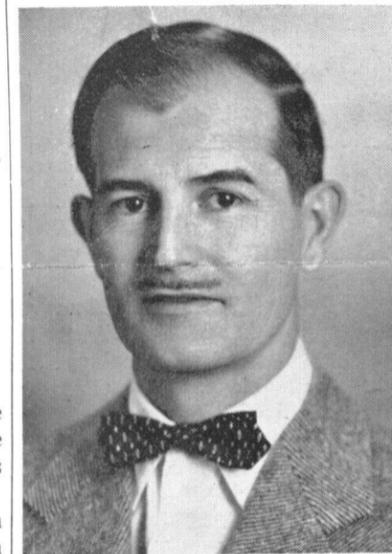

FACULTY SPOTLIGHT

Dolores R. Mason

Dolores R. Mason, Associate Professor in Education, has her B.S., from Teachers College, Columbia; M.A., Teachers College.

Mrs. Mason has also studied at the State Teachers College, Bridgewater, Mass., at the University of Paris, and at Stanford. She has taught in Fairhaven, Mass., Southbridge, Mass., Bedford Hills, N. Y., and State Teachers College, Buffalo. She is married and has four children.

Dr. Robert W. Cooke

Dr. Robert W. Cooke, Chairman of the Art Department, received his B.F.A. and M.S. from the University of Kansas. In 1957 he obtained his Ed.D. from Teachers College, Columbia University.

He taught at the University of Kansas and the University of Wichita before coming to Paterson State in 1958.

Dr. Cooke is married and has three children. Betsy, the eldest is a junior at P.S.C.

An exhibiting craftsman, Dr. Cooke's hobbies are work in jewelry, 35 mm color photography, and water color painting. He has been the recipient of the Rowland prize in design, the Carnegie Award, the Delta Phi Delta award in art, Phi Delta Kappa Education Award and the Kappa Phi Art Award.

"STOKES"

(Continued from Page 1)

The planned events is open to all students of Paterson and those who wish to bring a friend may do so. Reservations will be taken from Jan. 25, to Feb. 17. First come; first serve. The trip is limited to 40 people, so come and sign up now.

The cost of this weekend will be \$15.00 which takes care of your room, bus, and food. Come and sign up now, at Mr. Schafer's office on the second floor in the cottage.

Women Fencers Engaged In A Busy Season

3 PSC GIRLS GRAB HONORS IN FENCING

HALEDON — An Amateur Fencers League of American Unclassified tournament with 21 fencers competing saw Paulette Singelakis of Wayne, win the tourney by defeating Paterson State College teammate Paula Baron, also of Wayne, in a fence-off after each had sported 6-1 records in the competition held here at PSC on December 10.

Dottie Pohlman of Paterson State, won five of seven bouts to place third. Jay Reid of Fairleigh Dickinson with a 4-3 record came in fourth position.

Carol Simpson of Brooklyn College; Carol Kuzen of Fairleigh Dickinson and Marsha Mosley of FDU, all tied for fifth with 2-5 marks but Miss Simpson won in touches. Rosalyn Culotta of PSC was last at 1-7.

Paterson State Fencers Score

NEW YORK CITY — A Paterson State College fencing team composed of Paulette Singelakis, Dorothy Pohlman and Rosalind Culotta won the Class C foils championship in a tourney held at the High School of Performing Arts here Saturday.

The event was sponsored by George Santell of Salle Santelli, a New York fencing club.

MISS MIYAMOTTO WINS

Takes Fence-Off From Miss Kuzen For Tourney Honors

WAYNE, N. J., Dec. 10 — Madeline Miyamoto of Fairleigh Dickinson University, Rutherford, defeated a teammate, Carol Kuzen, 4-2, in a fence-off and won the

women's invitation intercollegiate competition at Paterson State Teachers College. Sixteen schools were represented.

Miss Miyamoto and Miss Kuzen each had 6-1 won-lost records in the final round-robin. Miss Miyamoto, from Los Angeles, had lost to Miss Kuzen earlier in the competition.

Fran Soidoti of Jersey City State was third with a 5-2 record, while Paula Zinelakis of Paterson State was fourth with 4-3.

"PHILBRICK"

(Continued from Page 2)

Philbrick was invited to join the Cambridge Youth Council which was later discovered to be illegitimate and which was dominated by the Communist Criminal Conspiracy. Unfortunately, he had become chairman of the council and so-to-speak, was "in trouble, hook, line, and sinker." Approximately 350-400 other persons had also joined the group. All church organizations in Cambridge were represented. Meetings were held in the Y.M.C.A. at no expense to the Communist Criminal Conspiracy.

Philbrick paid a visit to the Boston F.B.I. which led to his nine years of experience of counterspying. He was not forced into doing this research, although it was suggested by the F.B.I.

Herbert Philbrick's service to his country as an anti-communist counterspy who, for nine years, penetrated the highest echelons of the Red Conspiracy to gain vital evidence for the F.B.I. will long be remembered by every American.

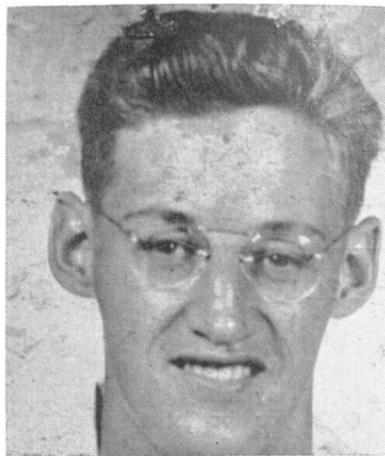

Two Former P.S.C. Students Relate Experiences In Alaska

Joyce and Harry Post, former students of P.S.C. (1954-'55), have recently gone to Alaska to live. "Hal" does full-time teaching there, and "Joy" is actively engaged in working for the League of Women Voters and taking care of their three children.

Following are excerpts from a letter sent by the Posts to their old friends at the college:

Now that we have spent over a year in the Northland city (Anchorage, Alaska) perhaps you would like to read some of our impressions. Once we found adequate housing (an apartment surrounded by woods and a lovely view of the mountains) we adjusted quickly to life in the suburbs, Alaskan style. Winter is the longest season here — also the very best. Even though days get short, they are warm and clear and one has all kinds of opportunities to go sledding, snowshoeing, dog sledding, skiing, watching the Northern lights, riding through the white and shining countryside.

One of our favorite rides in the winter is south of Anchorage through a mountain pass where the road is plowed through 15 or more feet of snow — a marvelous sensation. After winter comes break-up — only the winner of the ice pool would like this! Summer follows, with green replacing white everywhere, a beautiful var-

Harry H. Post, Jr.

ety of wild flowers in abundance, days 24 hours long, some downright Florida hot.

With school in full swing now, Hal spends all of his time teaching and doing guidance work in the daytime, teaching a course for the University of Alaska and another for the Community College at night. It is not good, but even here teachers need two or more jobs to survive if they have a family. At least here it is easy to get another job. Joy is active in the League of Women Voters, currently working on a foreign policy unit. Her brain welcomed the exercise. As for our offspring: Lee is a most active 5, mentally and physically; Kim, almost 3, sweet as honey and very feminine; exhorbitant Holly, go-

Seniors To Meet Administrators

District school administrators will be visiting the campus to interview 1961-'62 candidates for teaching positions from now through April.

In order to arrange to meet and interview such school people, seniors must sign up in advance and thereby agree to talk with the visiting administrators when they are on campus. Failure to keep such appointments will blackball those who are lax in this respect from any further interviews.

Seniors are requested to sign any, or all, interview sheets on the student teaching bulletin board. If, for any reason, they are forced to cancel the appointments later, they must inform Miss Lennon, office of Student Teaching, in writing on 2 and giving us very little notice. We are not sorry we returned. Living in a frontier area we find satisfying and stimulating. There is much room here for real growth and opportunity. We strongly urge you all to come up and give it a try.

"E" and "I" Inquiring

Question: What would you like to see in future issues of the BEACON?

- Ora Caldwell: "More pictures."
- Loe Ella Milligan: "Some jokes."
- Roy Marshall: "Short stories or human interest stories."
- Kate Moran: "More student activity news. If there was a personalized column, the BEACON, on the whole, would be more welcome by the students."
- Lillian Cave: "Articles on Russian education as compared to the education of American students."
- Ann Zinn: "Articles pertaining to systems of education in the United States."
- Bette Bates: "More student activities."
- Bettie Franco: "A column on progress of buildings and construction."
- Vivian Schunk: "A fashion column."
- Marilyn Maggio: "More human relations."
- Pete Lo Re: "More information on what other colleges are doing in student government so that we may get some ideas."
- Merlinda Marino: "An article about loss of books in the library as an editorial."
- Susan Melillo: "More things of student interest, and more things to promote school spirit."
- Chris Ciuba: "More information about Paterson State in regard to dormitories etc."
- Fred Leibowitz: "A gossip column."
- James Johnston: "Progress of building. News about construction."
- Bob Shanks: "Comments from students about practicum."
- Kenneth Dow: "Articles to invoke more school spirit."
- George Szubat: "More people should have something to say in the BEACON, so they will get to know more people."
- Richard Garofalo: "More sports coverage closer to the games."
- Joe Levine: "A complimentary write-up of junior varsity games to get students interested in coming to the games."

"FACULTY"

(Continued from Page 1) The books on display in the Far North Exhibit are all from the Paterson State Library, and are divided into two sections — those for children, and those for adults.
