The fortytwo donors were transported to the Blood Transfusion Association of The social sciences majors at The social sciences majors at Paterson State were greeted at a special tea in the Food Service Building last Monday, Oct. 30 at 4:30 p.m. Mr. Vite Caporale, assistant professor of social studies and shairman of the committee on majors, presided over the affair.

air. Dr. Herbert Lee Ellis, chairman Dr. Herbert Lee Ellis, chairman of the department of social science, presented the 1960-61 awards to four social science majors, Jacqueline Parillo earned the highest average among the social science majors last year. Vincent Sadowski and William Wood earned the highest grade point average among the sophomore social science majors lest war. The cial science majors last year. The winners also had to satisfy gen-eral basic requirements, including

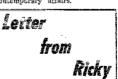

eral basic requirements, including good citizenship.

Gene Fulton received an award for his paper "The Incest Tabu in Primitive Societies" in Dr. William Spinrad's course, Social Anthropology, "The Age of the Monguls," an outstanding term paper prepared for Dr. Joseph Brandes's Economic History class, we written by Mrs. Miriam Ring. All awards consisted of books.

A committee made up of Dr. William Spinrad, Dr. Stanley Hirshson, and Dr. Joseph Brandes, evaluated the term papers sub-

Hirshson, and Dr. Joseph Brendes, evaluated the term papers submitted for the awards.

Dr. Fills spoke to the social science majors stressing depth of background. He stated, "In the department we feel that one of the special attributes of a good social science teacher is depth of background, not only in his own field of specialization, but also in world affairs. It is believed, therefore, that in preparing for the field, a student must not only seek excellence in his courses, he seek excellence in his courses, he should follow a broad pattern of reading which would include not only outstanding works in social college Center reading of good newspapers, news magnines and magnines of opin-ions in order to keep abreast of contemporary affairs.

Dear People,

Thank you a lot for giving blood for me. It will be very useful. I often accd blood to heal my braises and even though the needle hurts, it helps a lot.

I guess you know how it feels to be stuck now. It isn't very pleasant. I sare hope it didn't hurt you too much to give bleed.

Love, Ricky

my brother's keeper" was the silent reply of almost fifty Paterson State students to last week's appeal for blood for Ricky Hummel. They didn't reply audibly because words didn't put blood in Ricky's veins. But their donations did. Words then, will not be their reward — for they have felt their silent reward algorithms. ward already.

Last Week

LAST WCCK
the BEACON'S front page featured, among other things, 2
rather delightful rear view of one of Paterson State's more
dedicated KKK (Keep our Kampus Kleen) men. After careful study of our man's rather humorous stence, we decided
that, in actuality, it was a multi-purpose excercise reminiscent
of a plan first believed to have been instituted by the United
States Army. The plan was outlined as follows: Problem—
eliminate unsightly scrap paper, cigarette butts and scraps
from surrouading area. Also—eliminate unsightly middleage bulges from middles of under middle-agers. Also—provide interesting angles for disillusioned photographers seeking to hide facial features in their products. The Army's result
was, as many of our students well know, the infamous "police
detail." If anyone were to suggest a Paterson State "police
detail." the result would, no doubt, be unpleasant for that
individual. However, if the scraps were never scattered and detail" the result would no doubt, be unpleasant for that individual. However, if the scraps were never scattered and wrappers never dropped (except in proper receptacles), the problem would be non-existant and therefore unworthy of comment. Of course, we would still be faced with the problem (?) of eliminating middle-aged-middles. Hence, Tie Vanny has been named special consultant for median reduction at PSC. He has, thusfar, been unavailable for comment.

Reverse Integration —in Mississippi

JACKSON, MISS. (UPS)—Tougaleo Southern Christian College is the only integrated college in Mississippi. Until recently, the only white students attending the school have been children of faculty and staff members, but this year, two white girls from the North have enrolled.

The two girls are Joan Trumpower, of Washington, D.C. and Charlotte Phillips, a former struence of Swarthmore College. Miss Trumpower is a former Freedom Rider, but Miss Phillips asserts that she is not a member of any anti-segregationist group and is not in Mississippi to serve the purposes of any group.

not in Mississippi to serve the purposes of any group.
"I didn't come down here to make news." Miss Phillips sald.
"Somebody has to make democracy work."

Miss Phillips says she picked Tougaloo because she knows it is a good school. She was inspired to transfer to a Southern school by a friend she met while working on an American Friends Services Committee work project in California this summer. She became close friends with a Negro student! Committee work project in California this summer. She became close friends with a Negro student mice should have their first litters from Dillard University in New by November 12. Later, as the Orleans who lamented the fact that few Southern Negroes have favorable contacts with whites.

With the firm conviction that the problems of the South can be imals will depend on future exselved "only by individuals living periments to be conducted.

"Nobody knew I was coming, and I didn't want anybody to know it," she said. As far as her recep-tion is concerned, she says she has been accepted just as any other student, although there might be some feeling against it in the (Swarthmore College

Letter

Thunks

Dear Humani arians,

I know of no other way to address all you compassionate, wonderful people who have helped my son so very much.

Ricky, and many others like him, often need blood. Thanks to you, the supply continues.

to you, the supply continues.

Believe me when I say there is no substitute for human blood in the treatment of hemophilis. Your blood may well save a life, most assuredly will alleviate pain and perhaps help prevent permanent crippling, the danger all hemophiless face.

I should especially like to thank Dr. Shea for her support and approval of "Ricky Hummel Day;" Mrs. ?vbus, Dave Homey, Mr. Closs and the BEACON staff Mr. Closs and the BEACON staff for their untring efforts to make this a success; all you generous people who gave blood; and last, but certainly not least, the many who could not give blood, but gave time, effort, good wishes and prayers for my son.

I believe the concerns for your fellow man exhibited by all the Paterson State College people was overwhelmingly fine, and the desire to serve humanity is truly a keystone for our col-

Sports Corner

with FRANK McCARTHY

The Pater on State seccer and cross-country teams continued to run into trouble in an effort to break into the win column. The soccermen fell victim to a strong Bloomfield squad while the harriers dropped a meet to New York Maritime Academy.

Chiff Keezer and Carmine De Sopo scored goals for the Graham, the Hew Dance Group Pioneers last Friday but their feats were overshadowed by and others. This year Mrs. Hell-Pinneers last Friday but their facis were overshadowed by Bloomfield's right wing who hanged home three goals to provide the winning margin himself. An insurance goal was scored by the Essez County team and the final count read 4—2. Paterson full back Bob Miller was again out of action because of a slight concussion and his absance hurt the team. However, Jim Robinson, a sophomore from East Orange who has been filling in for Bob, is a good boy and the experience he is getting will benefit his play during the next two years.

Turning to cross-country we find the usual results; Brian McColgan first — Paterson State, last. Erian again came through with a sparkling performance by finishing first, but the rest of the boys couldn't get close enough to Brian to offer any help. The score was 28—35 with our next best man, Bob Fleming finishing fifth. The team is young and relatively inexperienced, but if we look ahead, these boys will undoubtedly de better over the next couple of seasons.

The intra-mural touch football championship was decided last week with Skull and Poniard taking the honors. We now have an intra-mural cross-country league, basketball

now have an intra-mural cross-country league, basketball league and intra-mural foul shooting contest to look forward to. Get your teams together and submit your entries to Mr. Vitalone in the Gym office. Trophies will be awarded to the

A reminder to you spacer fans — the Pioneers play Trenton State at home next Tuesday at 8 p.m. Come out to the game and root the boys on.

S and P Nabs Intramure Football Championsh

Skull and Poniard eliminated all competition over a week period and took first place in the intra-mural toothall league. It was a special honor for the boys of 5 because this was the first year the College sports program

fered football as e part of its intra-mural program.
For close to a month, sixty men participated in league play, while student backing picked up from week to week, reaching a peak of enthusiasm at the final confest. Close to seventy five students were on hand to witness the champion-ship game which pitted Skull and Ponlard and the Faches in a hard fought, well played finale.
It's difficult to single out one or two players on the winning club, because all eight men worked as a unit, with each man contributing his best to the victories. The first

a unit, with each man contributing his best to the victories. The first team to fell victim to the champions were the Semanons, who jumped off to a 12-0 lead, only to be defeated by an 18-12 score. The Freshmen contingent took the field against Skull and Poniard the collegions week contract when the collegions week contracts.

the following week, and really threw a scare into them; the score — 0-0. Both teams lined up a week later to play-off the tie game, and this time the Skull game, and this time the Skull and Poniario diffense could not be contained, while their defensive game was air tight. When the final whistle sounded, Skull and Poniard had recorded a 24-0 white washing, Jack Guliano to Ray Viola was the passing combination that clicked for the first touchdown, with Richie Garafola throwing to Ray Mead for another. Garafola Ray Mead for another. Garafola Ray Mead for another. Garafola, who capably handled the quarter-back slot for the winners, added to the Ereshmen's grief when he scampered some fifty yards behind a wall of blockers for a third period touchdown. Minutes before, the senior quarterback intercepted a Treshmen aerial and raced into the end zone for another six points. six points.

in the finale, both teams played rosed, aggressive ball. Tony rugged, aggressive ball. Tony
Calletts and Charlie Predmore
played brilliantly for the Faches.
This combination opened the scoring in the first quarter with Catletta pitching out to Predmore Catietta pitching out to Predmore who raced around right end for a 6-0 advantage. But with two minutes remaining in the first half, Joe San Giacomo grabbed a pass from Richle Garafola in the end zone to knot the score. When the second half opened it took Skull and Poniard thirty seconds to score.

morial Gymnasium.

Mrs. Hellman received her B.A. at Marrietta College in Psychology sand Drama. At N. Y. U. Mrs. Hellman earned her M. A. in Modern Dance and physical education.
