PSC Seeks Fourth Consecutive Victory

The 1961-62 basketball season will swing into action tonight as the Pioneers of Paterson State play host to the Montclair State Indians at 8:15 p.m. in the Memorial Gym. Montclair State will be out to avenge three consecutive defeats at the hands of the Pioneers who will be looking for their sixth win in seven starts against their arch-rivals.

Head coach Ken Wolfe introduced members of the varsity squad at Wednesday night's pep rally and later announced a tentative starting lineup of Jack Pada-

lino, Don Duin, Rich Trexler, Frank McCarthy and Chuck Martin. Also introduced were remaining members of the varsity squad Lou Carcich, Joe Klingler, Rich Garafola, Vic Farkas, Dennis Quardt, and Dennis DeLorenzo.

An enthusiastic gathering of about 100 Pioneer supporters attended the pep rally which was led by the varsity cheering squad: Fran Dinino, captain; Ann Leiberneicht, co-captain; Joyce Quackenbush, Lynn D'Antonio, Lucille Alcuri, Elvira Brown, Roslyn Tyson, Judy Bowne, Carole Kaiser, and Diane Vecchione. Junior varsity basketball players and cheerleaders were also introduced.

At the rally Coach Wolf expressed a feeling of optimism for this year's campaign. He cited the hustle and keen attitude of the boys and their desire to win as major factors in what promises to be a highly successful season. With returning lettermen Jack Padalino, Richie Trexler, and Don Duin leading the way, this year's squad could be Paterson's best in the last couple of years.

Kyle to Edit 1963 Pioneer

Richard Kyle, junior art major, was elected editor-in-chief of the 1963 Pioneer at the junior class meeting on Nov. 21 in the Little Theatre.

Mr. James Warwick, assistant professor of art at Paterson State and newly appointed yearbook advisor presented his philosophy on how the yearbook should be handled. Mr. Warwick felt that a single editor rather than co-editors should be chosen. A staff will eventually be chosen by the editor with the assistance of the class advisor. He urged sophomores and juniors to attend yearbook meetings to gain more insight into yearbook technique.

Judy Oppenheim, co-chairman of the prom committee, reported that the prom will be held at Casino D'Chariz in Totowa on April 13, 1962. The estimated cost of the bids is about \$13 per couple.

Class president Gerry Genese announced that the next junior meeting is scheduled for Jan. 9.

Players Stage "Wizard of Oz"

The Pioneer Players will present the third performance of **The Wizard of Oz** in the Little Theatre at 8:00 this evening. Two more shows are scheduled for tomorrow, a matinee at 2 p.m. and an evening performance at 8 p.m.

Mr. Anthony Maltese, director of the play, disclosed to the BEACON the players' intention of touring the show to schools in the area. Possibilities are Gilbert Avenue School, East Paterson; the Boys Club of Newark; and School No. 27 in Paterson. Another possible performance will be at the New York University Hall of Fame Playhouse for 400 orphans and underprivileged children, under the auspices of Alpha Phi Omega, national service fraternity.

Notice!

LET US BRING IT TO YOUR ATTENTION . . . the contractors who are responsible for seeding the areas around the new buildings have noted that students have been walking over newly seeded areas causing considerable damage. They have asked that all college students and personnel understand that it is important not to walk on these areas until the grass is well established. This is your campus. Respect its grounds!

College Center Opens Tuesday With Dedication Ceremonies

The new Paterson State College Center will officially open next Tuesday with ribbon-cutting ceremonies at 1:30 p.m. Dr. Marion Shea, college president, and Kenneth Dow, SGA president, will open the day's ceremonies with the traditional annual Christmas Tree Lighting in the center of the lawn in front of Hunziker Hall. The opening and dedication of the College Center will follow. In costumes befitting both the season and the occasion, the maintenance men's band will provide appropriate music.

The entrance of the new center will be decorated as a Christmas package. A greeting card presenting the building as a gift to the student body from the student body will be posted in Hunziker Hall. The Tree Lighting ceremony will be under the direction of SGA social committee chairmen Helen Ladika and Len Lakson.

The new Paterson State College Center will provide an area on campus which will be the hub of student activities. The center includes lounges, a snack bar, the bookstore and a conference room and offices for student organizations. The center will be located in the building that was formerly known as the Wayne Hall Cafeteria. The State of New Jersey, the Student Government Association, the administration of the college, the department of student

personnel, and the Student Cooperative Corporation have all contributed money and/or ideas toward the opening of the college center.

A house committee consisting of 11 students (3 seniors, 3 juniors, 3 sophomores, and 2 freshmen) and the director of the college center has been created. Dr. Scully will be the director of the college center. President Shea and Dean Mary V. Holman serve in advisory capacities. The purpose of the house committee is to coordinate the services and activities of the college center for the general welfare of the college family, i.e., the students, the faculties, and the staffs. The committee meets regularly for the purpose of planning the services and activities of the center.

This regulation shall take effect beginning with the 1961-1962 academic year.

DOROTHY AND THE WINKIE—The Winkie (r), Judy Panicucci, explains to Dorothy (l), Gail Neary, the poem in the magic hat which Dorothy has just received from the guild Sorceress. The scene is from the Pioneer Players production "Wizard of Oz" which opened in the Little Theatre last night. Performances tonight and tomorrow afternoon and evening will conclude the bill.

We Welcome

The BEACON staff, collectively, would like to be among the first to welcome the long-awaited opening of the new College Center. The event, of course, will take place next Tuesday. Since space problems caused the death of the old student union building, a common gathering ground for undergrads has been sorely needed at Paterson State. Although we do not advocate a rebirth of all student union building traditions, we sincerely hope that policies in the new college center will not be so stringent and restrictive as to hamper sound and natural social intercourse among students.

The name College Center has not gone unnoticed either. It has been mentioned that much depends upon a name and we, as well as others, have wondered why the new area was not called the student center. In any case, it is a bit premature to pass judgement upon these and several other questions concerning the new college center which enter our minds. There has, no doubt, been much discussion on the subject at both the student government and administrative levels and a good deal more will probably follow in the future. For now, however, our heartiest congratulations and best wishes to all who made the new college center a reality.

merely to allow a student time to better his final grade or because a student misses a final examination or does not turn in the required work on time. In every case the instructor will satisfy himself whether the reason for the student's delay or absence from an examination is a legitimate one. If it is, incomplete is the proper grade.

The Spinner From A To Z

The Spinners recently had the delightful experience of interviewing Mr. Robert Goulet, star of Lerner and Loewe's hit show **Camelot**. By special invitation, we met him at the Majestic Theater, amidst props and scenery which were set up for the first act of the matinee. In a charming and witty manner, Mr. Goulet spoke to us of his various experiences in the theater world. He was most gracious in answering our questions.

Goulet was born in the United States and at an early age, moved to Canada, where he got his start in the theater. **Camelot** marks his first appearance on the Broadway stage; previously, he appeared with many repetoiry companies. He believes that stock companies play a very important part in the experience of aspiring actors. Goulet related many anecdotes concerning his work in the theater. While playing Billy Bigelow in a stock company's production of **Carousel**, he had a little trouble with his suicide scene. Stationed several feet above the stage on a pile of boxes, he was to pull a dagger from his belt and plunge it into his stomach. The dagger, made of tin, bent so that he was unable to pull it from his belt. After struggling, he finally released it, and it went flying to the front of the stage. He jumped from the boxes and found the dagger in two pieces. Bewildered for a moment as to what to do, but quickly recovering, he picked up the hilt, and stabbed himself. In answer to a question put to him, he stated that there was no comparison between the role of Billy Bigelow and his current role, **Launcelot**.

"**Launcelot is a prig,**" he said. "**He is a lot of fun. I enjoy playing the part.**" Goulet said that it is not tiresome playing the same role night after night. "**I play the part differently each time according to my own feelings and the reactions of the audience. Each audience is different. I also gear my interpretation to the various responses I get from the other actors.**"

As to the future, Goulet wants to continue in musical comedy, but he also has a desire to play straight dramatic roles. He is studying with Nick Golosanto, a devotee of Lee Strassburg who is director of the Actors' Studio. Mr. Golosanto believes that the job of an actor is to work for the author of the play as well as for himself. Goulet said in regard to his dramatic aspirations, "I am primarily a singer, and then an actor. In about twenty-five years I think I'll be a successful actor."

He has appeared on the Ed Sullivan and Garry Moore television shows. He would like to appear in the movies but has no desire to be tied to a long-range contract. However, he is on a week's leave from the show for the purpose of recording the voice of a tom cat in a Walt Disney animated film, "**Gay Pur-ee**." The voices of the other cats are Judy Garland, Louis Jordan, and Hermione Gingold.

Students of Paterson State will appreciate Mr. Goulet's comment on education: before attempting to have a career in the theater, everyone should have an education. In this day and age it is necessary. He agrees that an intelligent mind enhances sensitive emotions. We urge everyone to see Goulet while he is with the show which will be until September, 1962. You will be thrilled with his performance as a comic hero and excited by his magnificent voice.

Letter to the Editor

Dear Editor:

In behalf of the four families who received a Thanksgiving basket from Paterson State College, we take this opportunity to thank all the students who made this possible. More food and money was donated this year than any other year. Originally, baskets were to be sent to three needy families, but the abundant collection made it possible to have four baskets.

Each of the families received a 20 lb. turkey, vegetables, fruit, milk, butter, eggs and pumpkin pies. The families were suggested by the Cancer Society in Paterson.

Our sincere thanks goes to the many students who delivered the baskets and organized the drive. We would also like to thank the BEACON for its front page story which proved beneficial to the drive.

A special thank you goes to Pat Leavy, and her committee for the time and effort spent in making this year's Thanksgiving food drive a tremendous success.

Sincerely,
The Citizenship Club

Hey — Look Me Over

By Lynn and Judy

For the first time this season the Paterson "cagers" will don their fashionable satin shorts and "big name initial" jackets. Another first for the season will be the much anticipated opportunity for the "debs" on campus to display their sport togs.

Now is the time for culottes, kilts, Bermuda shorts and slacks to find their place at a P.S.C. function. Even though it's acceptable for spirited fans to dress in this casual manner, there are still those who prefer the standard skirt and heels. Each of these styles have their place at basketball games.

A number of games are scheduled for Saturday nights. Why not bring your date? Of course "pizza and dancing is called for as an after-game activity therefore it is quite permissible and appropriate to dress accordingly with a dress and heels.

"We'll be seeing you!" — **TO-NIGHT** — at the first Paterson State basketball game of the season.

"A Rose . . . Is A Rose"

PHILADELPHIA, PA. (UPS) — As students become more and more active in politics, they stand in great need of a good lexicon of the terms they need to participate in discussions. Among the attempts to fill this need is this one which has made the rounds of a number of college papers, and is here reprinted in its entirety from the last known source.

"After a slight ruckus on the University of Minnesota campus in the spring of this year, the **Minnesota Daily** ran a list of definitions as a 'public service' to its readers for composing letters to the editor. Here, lifted from the **New Mexico Lobo** which lifted them from the **Colorado Daily**, are those definitions:

"**Public Meeting:** Any gathering of three or more persons sponsored by your organization."

"**Riot:** All other gatherings."

"**Speaker:** 1. Anyone with something that cannot go unsaid. 2. Anyone whose better judgment is overcome by the excitement of a public meeting (See Riot)."

"**Audience:** Everyone at a public meeting place except the speaker."

"**Mob:** Everyone at a riot except the speaker and yourself."

"**Brutal:** Treatment you get from the policy (see police) when you are mistaken as part of a mob (see mob) at a riot (see riot)."

"**Police:** 1. Men who protect a speaker (see speaker) at a public meeting place (see public meeting). 2. Men who brutally treat a mob (see mob) at a riot (see riot). 3. Men who hold your hand as you cross the street."

"**Communist:** 1. Everyone who disagrees with the campus rightist spokesman. 2. Everyone who isn't anti-Castro."

"**Reactionary:** 1. Everyone who agrees with the campus rightist spokesman. 2. Everyone who wasn't pro-Castro in 1958."

"**Moderate:** Everyone in the audience (see audience) where the speaker (see speaker) is either a communist (see Communist) or a reactionary (see reactionary)."

"**Qualified Witness:** 1. Anyone who has died fighting communism. 2. Everyone else not attacking the speaker." **Drake-Times Delphio**

PSC Student Publishes Poem

"Life," a poem by Marguerite of Lehmkuhl from Clifton, was accepted for publication by the National Poetry Association in the Annual Anthology of College Poetry. Marguerite, a senior at Paterson State, submitted the poem last October.

The Anthology is a compilation of the poetry written by the college men and women of America, representing every section of the country. Selections were made from thousands of poems submitted. Dennis Hartman, secretary of the National Poetry Association congratulated Marguerite and thanked the students of Paterson State for their continued interest and cooperation in this work.

LIFE

Many have come and asked questions for which I had no answers. They believed I knew. I could not break their faith. They needed help. Me! One who had few answers herself for the many encounters of life. Alone—without the solution. But then I felt the invisible hand on my shoulder. It gave me faith. I passed it on. It helped my fellowman. I gave thanks.

"Art of Teaching" Lecture Subject At ACE Banquet

"The Art of Teaching" was the subject of a lecture by Dr. Dwayne Huebner at the Association for the Childhood Education banquet in the Food Service Building at Paterson State, Nov. 16. An estimated one hundred people attended the dinner including several night students.

Dr. Huebner, from Columbia University's College of Education, teaches childhood education of teaching and curriculum. He stated that teaching is an art because it has room for the unknown, unexperienced. Dr. Huebner considers art as a medium to discover sense and meaning. Art has room for individualness and idiosyncrasies. The teacher as an artist works with language and the available materials.

He described teaching as providing the stage so children can move, act and explore. Dr. Huebner closed by saying that teaching reflects you. The teacher must question herself as to whether her teaching reflects what she believes and knows about the world.

L. Emory Lectures On Forum School

Mrs. Louise Emory, an educator in the field of the emotionally disturbed children, lectured on the behavior of abnormal children, Nov. 7. Students taking the Education of the Exceptional Child course at Paterson State were present at the lecture and film of the Forum School, Paterson, of which Mrs. Emory is a staff member.

"The children attending Forum School, a private school supported by civic groups, have been diagnosed as having childhood schizophrenia," Mrs. Emory stated. "The aim of the school is to build the ego of each child. This is accomplished by establishing close teacher and peer relationships. Also by attending the Forum School the child is being prepared for having the Three R's" she informed the group.

The Forum School is proof that with the right program the child considered uneducable can be greatly helped.

McColgan Wins State Track Title

Brian McColgan won the New Jersey State College individual championship and finished second in the District 31 race, Saturday, November 18. Six colleges competed in the meet; Paterson, Glassboro, Montclair, and Jersey City State Colleges and also Pace College and Delaware State College.

Hewitt Joyner of Delaware was the NAIA winner, setting a new course record of 29:38.5. Brian's time was 30:27.5. Glassboro won both the District 31 and State College Championships with Paterson finishing fourth and third in the two events.

Senior Bob Fleming completed his three year varsity career. He was a workhorse for Paterson, competing in every meet for the Pioneers this year despite an attack of the flu.

Brian McColgan finished his third season with six first places and three seconds in nine races. Roy Marshall, Preston Pratola and Ron Simmons with good seasons to their credit should have even better ones next year.

MISS DALE COHEN, newest athletic department faculty member, is pictured during her recent interview with a BEACON staffer. Miss Cohen was recently named faculty advisor to Paterson State's cheerleading squads and is co-advisor of the State Square Set.

from the Sports Corner with FRANK MCCARTHY

The first intramural cross country meet was held Nov. 16 during activity period. Although many students promised to show up for this history making event, only eight courageous souls were present at the starting line. With the assistance (?) of the varsity cross country team, all starters found their way back to the finish line. It was rumored that certain members of the Wanderers found a "short cut" via Franklin Lakes. This rumor was verified when the runners finished forty-five minutes after the race ended.

Medals will be presented to the Pathfinders, the winning entry, at the awards assembly in the spring. This team was made up of Richard Gore, Cliff Raymond, Tony Jay and Ron Nahass.

A reminder to those interested — basketball intramurals will start soon. Get your team lists into the Physical Education office as soon as possible. A minimum of eight men and a maximum of ten men will compose the squad. Games will be played during activity periods on Tuesdays and Thursdays. Montclair State will be here tonight! Will you?

Mail Notifications Discontinued On Overdue Books

Mailing of individual notices to students holding overdue library material has been discontinued, Miss Juliette Trainor, college librarian, announced this morning. Effective immediately, the only official warning to violators of dates due will be the posting of their names on the library bulletin board.

The change in notification procedure in no way alters the established schedule of fines. To the contrary, Miss Trainor emphasized, the change places responsibility for avoiding large fines where it belongs — on the individual student. Only at the end of each semester will the library advise in writing of overdue material or unpaid fines; failure to respond satisfactorily to these notices will result in the withholding of grades and transcripts by the registrar's office.

The direct cause for the change in procedure was the rapidly increasing clerical load resulting from preparing individual notices, the head librarian stated.

Fines are charged only as a deterrent, Miss Trainor said, not as a money-making device. Funds collected are turned in to the State and do not directly benefit the library. The new procedure is intended simply to re-affirm the individual student's responsibility to himself and his fellow students in sharing fairly the materials of the library.

Paterson State Hosts Local High School Track Meet

Paterson State College was host to a high school invitation cross country meet on Wednesday, Nov. 15 at 4 p.m.

The meet was co-sponsored by PSC and Manchester Regional. All high schools in Passaic county were invited and the following six schools accepted: Passaic Valley, Don Bosco Tech, Pompton Lakes, St. Mary's, Pope Pius, and Manchester Regional.

The meet was won by Passaic Valley with Tom Mizzzone leading the way. It was an enjoyable afternoon for the high school harriers, and in view of this, Paterson State hopes to make it an annual affair.

Ugly Man Contest Underway at PSC

The Ugly Man contest sponsored annually by the Citizenship Club is underway in the Food Service Building lounge. Students are asked to cast their ballot for the ugliest man of their choice.

The ugliest man on campus will be selected from the following candidates: Joe Calletta, Allan Johnson, Richie Englehardt, Matt Clarkson, and Dave Daniels. Paterson State students may vote by placing a nickel in the container marked with the number that corresponds with the number on the picture of the ugly man of their choice. All proceeds from the contest will be donated to needy children.

Miss D. Cohen Advises Square Set; Cheerleaders

Faculty advisor to the cheerleaders, advisor to the WRA bowling league, and co-advisor to the State Square Set are some of the activities undertaken this year by Miss Dale Cohen, of the physical education department at Paterson State. She is a graduate of Queens College in New York, and received her masters degree from Teachers' College, Columbia University. Before coming to Paterson, she taught at the Queens College Model Junior High School and Barnard College.

As advisor to the cheerleaders, Miss Cohen attends all practice sessions and observes their routines in order to make helpful suggestions. She also assists the cheerleaders in making arrangements for their functions. Miss Cohen is advisor to the Junior Varsity as well as the varsity squads.

Handling the WRA bowling league is another duty for the one-time twirler. The league meets every Wednesday afternoon with Miss Cohen supervising this activity. She is also available for bowling instructions. The women's physical education instructor is also active with the State Square Set. Together with co-advisor Mr. Herb Califano, Miss Dale Cohen acts as caller for square dancing and offers instructions in folk dancing. Square and folk dancing rate high on her list of favorite activities.

Another of Miss Cohen's extra curricular enjoyments is tennis. While a student at Queen's College, Miss Cohen taught the sport for the W.R.A., and gained experience playing for the Long Island Junior Wightman Cup squad. Because of the interest and enthusiasm she exhibits in her work, Miss Cohen will undoubtedly be a valuable asset to the cheerleaders, the W.R.A., and the State Square Set.
