

# Student Voting To Determine Play Day Site

Voting for the site for Schaffer Play Day will take place on Feb. 12 to Feb. 16 in the Food Service Building and the College Center. Ballot boxes will be located in both buildings. Votes may be cast by filling the appropriate ballot slips.

The annual event is slated for Friday, June 8. Student voting will determine the recreational spot for this year. Last June Schaffer Play Day was spent on a boatride to Bear Mt. followed by picnicing, swimming, boating, hiking and sports.

The activity sponsored by the SGA is free to all Paterson State students, faculty and staff members.

GENERAL CARLOS ROMULO, former President of the General Assembly of the United Nations and ambassador from Philippines, will speak at the college next Tuesday at 1:30 p.m. The Pulitzer Prize winning journalist will discuss "The Asia America Does Not Know."

# Gen. Carlos Romulo Is Guest Speaker At PSC Tuesday

General Carlos Romulo, Pulitzer Prize winning journalist and world famous humanitarian, will be the guest speaker at the next assembly program, Tuesday, February 13, at 1:30 p.m. in the Memorial Gymnasium. Mr. Romulo's topic will be "The Asia America Does Not Know." The award winning journalist was President of the General Assembly of the United Nations and Ambassador from the Philip-

pires to the United States. Among his 36 honorary degrees, Mr. Romulo was presented with Doctor of Philosophy from University of Athens, Greece in 1948; Doctor of Civil Law in 1956 from Bucknell University; Doctor of Law from Notre Dame University in 1935, and numerous others.

During World War II General Romulo served as General MacArthur's aide-de-camp on Bataan, Corregidor and Australia. In March, 1942, he was promoted to lieutenant colonel and to colonel in August, 1942, and brigadier general in September of 1944. He accompanied General MacArthur and the liberating forces in the invasion of Leyte and later in the recapture of Manila.

Among the General's many Decorations are the Philippine Congressional Gold Medal of Honor; the Purple Heart; the Order of Sikatuna, highest foreign service decoration of the Philippine Government; the Golden Heart Presidential Award, highest Philippine

# Brothers Four Here April 18

The Brothers Four, popular recording stars, will perform at Paterson State College on April 18, announced the committee for evening programs recently. Miss Anita Este, director of student personnel and advisor to the committee, reported that definite reservations have been made for the up-coming program.

Tickets and additional information will be available in the near future. Last year the evening program committee presented the Four Freshman. The Memorial Gymnasium, where the performance took place, was filled to capacity. A large attendance is anticipated.

# Campus Queen Voting Scheduled This Week

Voting for Campus Queen will take place February 14, 15 and 16 in the College Center, at which time free admission tickets for The Coronation Ball may also be obtained, announced the Elections Committee. The Coronation Ball will be presented on Saturday, February 17 at 8:00 p.m. in the Memorial Gymnasium. The new campus queen, who will be elected from six candidates, Maureen Wilson, Mary Robinson, Carol Kaiser, Elaine Pasquariello, Pat Carson and Lenore Petouvis, will be crowned at 11 p.m. by Carolee Dodd Barton, the present reigning campus queen. The 1962 queen will be crowned amidst pastel rose petals which will surround her throne.

The sophomore class has chosen for the theme of the annual ball, "A South Garden". Trees, flowers, a showboat and a great array of decorative greenery will enhance the atmosphere of gaiety and music.

Music for the semiformal affair will be furnished by the Mark Towers Society Band. The ten-piece band has previously played for Harvard, Princeton and other colleges and universities.

This year for added convenience, escorts will be permitted to drive

their dates to the gymnasium entrance before parking their cars in the student lots.

"We'd like to see more participation by the students in the voting and presentation of identification cards is a "must" at the ballot boxes," stated election officials.

# PSC Delegates Chosen For '62 Eastern Confab

Eight delegates from Paterson State will be among those attending the 1962 conference of the Eastern State Association of Professional Schools for Teachers. Seventy colleges and universities will be represented at the convention held at the Hotel New Yorker, March 22, 23 and 24.

Those from Paterson State include Joseph Laferrera, senior; Frank Apito, Kenneth Dow and Irene Walmsley, juniors; Lenore Petouvis, Emma Trifiletti and Len Lakson, sophomores, and Joan Schmidt, a freshman. Miss Anita Este, director of student personnel, will accompany the group to the city for the three-day conference.

The program will involve several group discussions concerning "Today's Teacher — Tomorrow." The students will participate in panel discussions.

Included in the trip will be a tour of a school for gifted children and an evening of entertainment in the city.

# Women's Ensemble Resumes Rehearsals

Miss Alpha B. Caliandro, director of the Women's Choral Ensemble, announced that Sectional Rehearsals resumed yesterday in Room 104, Hunziker Hall.

First sopranos rehearsed yesterday while the second sopranos will begin on February 15. February 22 is scheduled for rehearsal of first and second altos of the ensemble. Other rehearsals will be announced at a later date by Miss Caliandro.

The question is: who will be chosen campus queen from the six candidates pictured above? Clockwise, they are Carol Kaiser, Elaine Pasquariello, Pat Carson, Mary Robinson, Maureen Wilson and Lenore Petouvis. One of these girls will be crowned as queen at the Coronation Ball, February 17, at 11:00 a.m. Voting will take place on February 14, 15 and 16 in the college center. Be sure to cast your ballot.

### We Were Very

impressed by the encouraging response to the proposed bus trip to the Paterson State-Trenton State basketball game tomorrow evening. As of BEACON deadline time on Wednesday, 40 students (excluding cheerleaders) had signed-up. This shows a great deal of interest and is a fine beginning toward real team support at Paterson State. If the figure grows with each succeeding venture of this type (if there are anymore) we might eventually glean the support of a hundred students. Wouldn't this be just dandy?

Actually, this figure represents better than 2% of the students which isn't too disappointing considering that the bus trip was free. Maybe SGA could appropriate some funds which could be used to pay those students who attend games. At \$1.00 per hour, this would average out to about \$1.75 per varsity game. Maybe even a door-prize system could be worked-out.

What ever the case, the interest shown by the students certainly warrants attention. We hope that our suggestions will be considered during the remainder of the season for whatever they may be worth.

### A Great Deal Of

complaining has been done during the past few months concerning prices and operating policies in the food service and college center buildings. We feel that the portion of this complaining which is based upon rumor and gossip must not be allowed to continue ballooning. The only way in which this can be prevented is by presenting the inside story — including facts, figures, why's and wherefore's — to the entire student body. The BEACON will undertake this task. Blind understanding and acceptance cannot be expected of mature students. Our aim will be information — which, we immediately and hopes for the cooperation of all concerned. hope, will serve to answer questions and snuff-out rumors.

### To The Many

who seek answers from time to time concerning any of several questions pertaining to Paterson State in general: The BEACON is the place to come but we plead — get your questions and complaints on paper, back them with fact and we will reciprocate by putting our answers on paper and backing them with fact. Like any other periodical, large or small, which considers itself an organ of information — we cannot print rumor. Letters to the editor are encouraged and they get results — rumor rarely does. Let's see a more frequent exercising of this right — the right to know!

## Freshman Primary Elections Scheduled For Feb. 20

"Primary elections for the freshmen class officers will be the main order of business at the freshman class meeting on Tuesday, February 20 in the Memorial Gymnasium," announced Pete Chabora, SGA vice-president and acting freshman class president.

The candidates who have submitted an accepted petition will be presented to the class at this time. Those holding petitions that were invalid due to duplicate or illegal signatures may still run provided these petitions are corrected and returned.

Ballots will be available in the lobby of the gymnasium at the announced date. Only those freshmen with SGA identification cards will be allowed to vote. The winning candidates will be known the

following day.

**Also at the Feb. 20 meeting will be nominations for SGA Corresponding and Recording Secretaries. Only two candidates will be nominated for each position. If necessary a primary election will be held at the time.**

Campaigning for the class officers is expected to begin early in March. Freshmen are urged to know the candidates and to vote. The results of such elections play a major role in the success or failure of the class.

## Four Professors Join PSC Faculty

Four new professors have been added to the faculty staff at Paterson State College this semester. They are Leonard Michaels, English; Howard A. Palley, Social Science; Wathina S. Hill, Speech; and Carole E. Mackenzie, physical education.

Mr. Michaels, a candidate for a Ph.D. at NYU, received his B.A. and M.A. in English from NYU and the University of Michigan respectively. Before coming to

Wathina Hill

Paterson State, Mr. Michaels taught English both at Ann Arbor and the University of California. His area of specialization is 17th and 18th century literature.

Mr. Howard Palley, a graduate of Brooklyn College and Yeshiva University, is a doctoral candidate at Syracuse University. He has been an instructor in social studies in East Elmhurst Jr. High School and a graduate instructor at Syracuse. American history and economics is Mr. Palley's field of specialization.

Wathina S. Hill, a 1959 Paterson State graduate received her M.A. from Teachers College, Columbia. Before returning to her alma mater, Miss Hill taught remedial reading and arithmetic at Englewood Jr. High School. Her field of specialization is speech pathology and rehabilitation.

Dancing specialist, Carole E. Mackenzie received her B.S. in physical education from the Bouve-Boston School and her M.A. from Teachers College Columbia. Miss Mackenzie was previously an instructor in physical education at Goucher College and Verona Jr. High School. She was also a part-time instructor in tennis, folk dance, bowling at Barnard College and a tennis instructor at Briarcliff College.

## Lute Song Cast Chosen Production For Players

Kathy Farrell, Jane Wallin, Ann Zinn, Marcia Iozia, Alan Kemp, Charles Barrow and Jim White have been cast as the speaking soloists in the Pioneer Player's spring production of "Lute Song." Members of the speaking ensemble are Maria Giordano, Carole Scholnerch, Beverly Rabner, Grace Zeiger, Ross Alfieri, Jim Robinson, Bob Sternlicht, Andrew Paulick, Judith Panucci, and Anna Freund.

"Lute Song," the story of a man's rise to power and the effect of this ascent upon his faithful wife, will be presented March 15, 16, and 17.

The speech and music departments will combine their efforts in the production of this Chinese tale written by Kao-Tong-Kia and adapted by Will Irwin and Sidney Howard. Mr. Robert C. Leppert,

assistant professor of speech, and Dr. J. Clees McKray, professor of music and chairman of the department, will work with their respective groups in this first production on the Paterson State campus to feature the combined efforts of the two departments.

The play will feature seven speaking soloists, a choral speaking ensemble of ten members and the twelve members of the Chansonnets. It is one of the largest undertakings ever scheduled for the Little Theatre stage.

## Subscriptions For Times Available At Bookstore

The New York Times will again be available at the College Bookstore in the Student Union Building to all student, faculty and staff subscribers. The price for the second semester is \$2.01 or 3 cent a copy.

Subscriptions will be accepted at the Bookstore until Monday, Feb. 12. The newspaper will be delivered beginning Feb. 14 and can be obtained in the Bookstore.

All students are urged to avail themselves of this opportunity.

## Shavian Lecture To Be Given At Eng. Club Meeting

The English Club will present a lecture on George Bernard Shaw given by Dr. J. Richard Nickson of the English Department on Thursday, February 15 in H-206 at 1:30 p.m. The lecture is in preparation for the forthcoming trip to New York City sponsored by the English Club to view Shaw's Saint Joan presented by the Old Vic Company. Dr. Nickson is a member of the Shaw Society, and, as an authority on the author, has written a number of articles concerning the subject of his talk. Those wishing to purchase tickets for the play are advised to see Mr. John Fulton in the English Department for further information.

## Drawing A Lesson

As Mrs. Klein told her first-graders to draw a picture of something for which they were thankful, she thought how little these children, the mixed offerings of a deteriorating neighborhood, actually had to be thankful for. She knew that most of the class would draw pictures of turkeys or of bountifully laden Thanksgiving tables. That was what they believed was expected of them.

What took Mrs. Klein aback was Douglas' picture. Douglas she looked upon as her true child of misery, so scrubby and forlorn, and so likely to be found close in her shadow as they went outside for recess. Douglas' drawing was simply this:

A hand, obviously, but whose hand? The class was captivated by the abstract image. "I think it must be the hand of God that brings us food," said one. "A farmer," said another, "because they grow the turkeys." "It looks more like a policeman, and they protect us." "I think," said Lavinia, who was always so serious and final, "that it is supposed to be all the hands that help us, but Douglas could only draw one of them."

Mrs. Klein had almost forgotten Douglas in her pleasure at finding the class so responsive. When she had the others at work on their numbering, she bent over his desk and asked whose hand it was. Douglas mumbled, "It's yours, Teacher."

Then Mrs. Klein recalled that she had taken Douglas by the hand from time to time — she often did with the children. But that it should have meant so much to Douglas. . . . Perhaps, she reflected, this was her Thanksgiving, and everybody's Thanksgiving. Not the material things given unto us, but the chance in whatever small way to give something to others.

MR. WOJCIECH DINDORF demonstrates the function of the oscilloscope which measures sound wave to Miss Rosemarion Lovell, a senior science secondary major, and Dr. Kent Warner, chairman of our science department. Dr. Dindorf, a Polish physicist, spent last February first and second as a guest of Paterson State and the science department.

## Polish Physicist Visits Paterson

Mr. Wojciech Stanislaw Dindorf, a Polish physicist, spent last February 1 and 2 as a guest of Paterson State College and the science department. Mr. Dindorf has been in the United States for seven months on a Fulbright fellowship to

study the teaching of physics in American schools. In southern Poland, he is a member of the faculty of a teachers college.

In comparing European education with American education, Mr. Dindorf feels that education in Europe is more thorough than in the United States, and that the students have to work much harder and concentrate more intensely in order to qualify for secondary schools as well as colleges and universities. With an academic program which includes three or four languages along with liberal arts and a major field, there is no time for activities or extras in Polish education. Not that there are no other interests — Polish students enjoy music, dancing, and dating just as students do everywhere — but they are not a part of the curriculum.

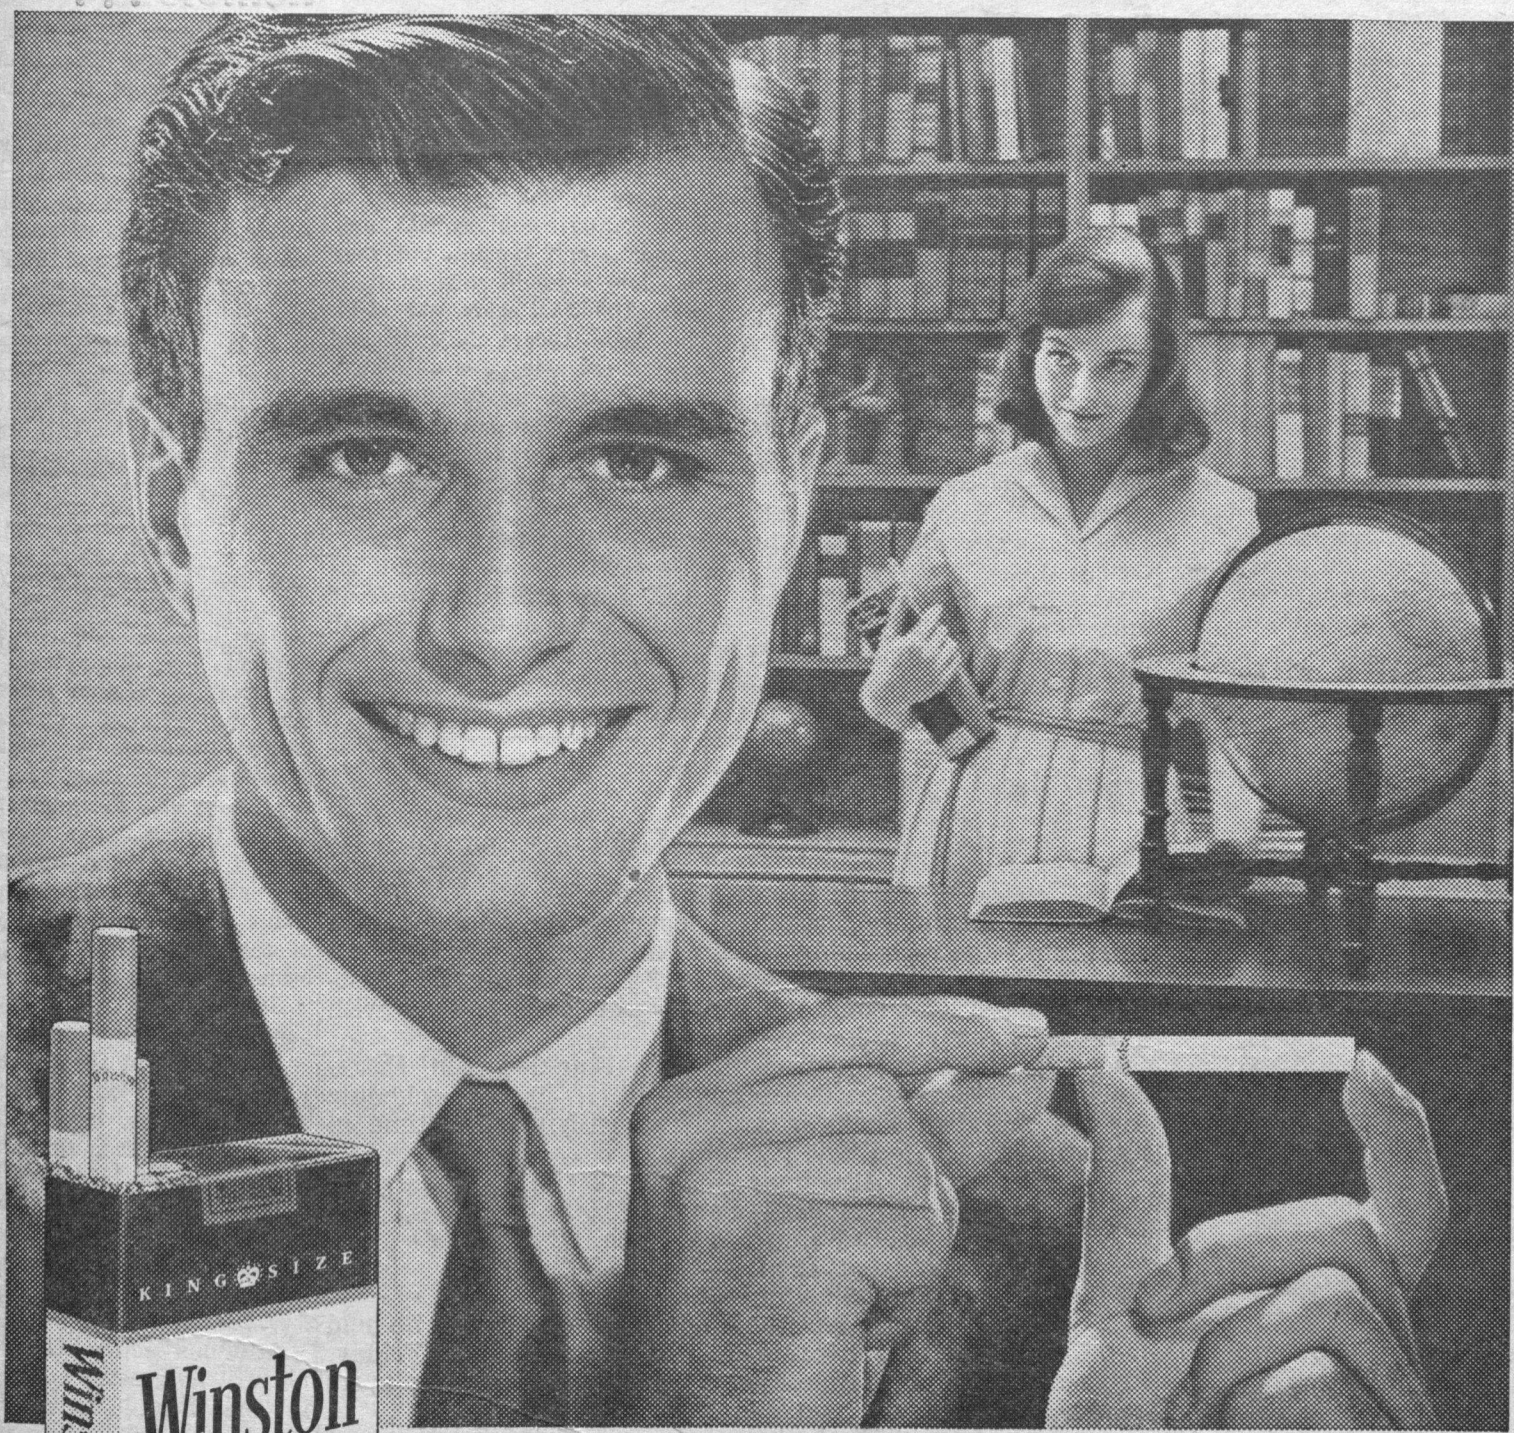

Mr. Dindorf is an amateur musician as well as a professional physicist, and he has collected a few twist records to take back so that he will be about six months ahead of the usual lag in taking the current dance rage back to his country.

One question that everyone asks Mr. Dindorf is what is his chief impression of the United States. He says that it is the many wonderful people that have impressed him most . . . the kindness and interest and thoughtfulness he has met everywhere. He had heard so much about American materialism that he had not expected the warmth and generosity and open friendliness.

### RING IN THE NEW

Are you still writing "1961" on your papers and letters? I'll bet you are, you scamps! But I am not one to be harsh with those who forget we are in a new year, for I myself have long been guilty of the same lapse. In fact, in my senior year at college, I wrote 1873 on my papers until nearly November of 1874! (It turned out, incidentally, not to be such a serious error because, as we all know, 1874 was later repealed by President Chester A. Arthur in a fit of pique over the Black Tom Explosion. And, as we all know, Mr. Arthur later came to regret his hasty action. Who does not recall that famous meeting between Mr. Arthur and Louis Napoleon when Mr. Arthur said, "Lou, I wish I hadn't of repealed 1874." Whereupon the French emperor made his immortal rejoinder, "*Tipi que nous et tyler tu.*" Well sir, they had many a good laugh about that, as you can imagine.)

But I digress. How can we remember to write 1962 on our papers and letters? Well sir, the best way is to find something memorable about 1962, something unique to fix it firmly in your mind. Happily, this is very simple because, as we all know, 1962 is the first year in history that is divisible by 2, by 4, and by 7. Take a pencil and try it: 1962 divided by 2 is 981; 1962 divided by 4 is 490-1/2; 1962 divided by 7 is 280-2/7. This mathematical curiosity will not occur again until the year 2079, but we will all be so busy then celebrating the Chester A. Arthur

"You, I wish I hadn't of repealed 1874."

bi-centenary that we will scarcely have time to be writing papers and letters and like that.

Another clever little trick to fix the year 1962 in your mind is to remember that 1962 spelled backwards is 2691. "Year" spelled backwards is "raey." "Marlboro" spelled backwards is "oroblrām." Marlboro smoked backwards is no fun at all. Kindly do not light the filter. What you do is put the filter end in your lips, then light the tobacco end, then draw, and then find out what pleasure, what joy, what rapture serene it is to smoke the filter cigarette with the unfiltered taste. In 1962, as in once and future years, you'll get a lot to like in a Marlboro—available in soft pack and flip-top box in all 50 states and Duluth.

But I digress. We were speaking of the memorable aspects of 1962 and high among them, of course, is the fact that in 1962 the entire House of Representatives stands for election. There will, no doubt, be many lively and interesting contests, but none, I'll wager, quite so lively and interesting as the one in my own district where the leading candidate is none other than Chester A. Arthur!

Mr. Arthur, incidentally, is not the first ex-president to come out of retirement and run for the House of Representatives. John Quincy Adams was the first. Mr. Adams also holds another distinction: he was the first son of a president ever to serve as president. It is true that Martin Van Buren's son, Walter "Blinky" Van Buren, was at one time offered the nomination for the presidency, but he, alas, had already accepted a bid to become Mad Ludwig of Bavaria. James K. Polk's son, on the other hand, became Salmon P. Chase. Millard Fillmore's son went into air conditioning. This later was known as the Missouri Compromise.

## Women Fencers Win Dual Meet

Members of the Paterson State women's fencing team won its first intercollegiate dual competition at Jersey City State on Jan. 11. Starting off the season, both the varsity and the junior varsity won ten bouts while Jersey City only took six in each case.

The varsity fencers and their

individual records were Paulette Singelakis, 2-0; Roz Culotta, 2-1; Jane Tainow, 3-1; Joyce Dunn, 3-1; Cindy Jones, 0-1; and Barbara Chilik, 0-2. Fencing for the junior varsity team were Cindy Jones, Arlene Melnick, Kathy Kahill, Gloria Scanelli and Karen Carlough.

# Pioneers Top NCE, Newark, Lose To Jersey City State

The Paterson State basketball team, after impressive wins over N.C.E. and Newark Rutgers, dropped a 60-51 decision last Saturday night to Jersey City State College at the winner's court. The Pioneers defeated Newark College of Engineering at the Newark Boy's Club gym last week by 73-61 score. Joe Klingler and Richie Garafola teamed up to spark the

the Paterson offense and riddle the Engineers' defense with give-and-go baskets in the second half. After a 38-35 first half lead, Paterson State fought off an N.C.E. rally and went on to win going away. Garafola had 17 points for the winners, while Jack Padalino finished with 15. Bob Welgos led the Engineers with 17 makers.

Two nights later, the Pioneers

players host to Newark Rutgers at Memorial Gym, and defeated the Essex County rivals by a 61-49 score. The Paterson Staters jumped off to an early lead on Chuck Martin's eight points in the first quarter and held on to the nine point first half lead, 25-16. The Newark team closed the gap in the third quarter but were unable

to handle the P.S.C. offense, which saw four men in double figures. Frank McCarthy had 14 points and Don Duin 13, to lead the Pioneers.

Last Saturday night, the Pioneers had the tables reversed on them, as Jersey City State handed Paterson a 60-51 loss at the Jersey City Gym. After jumping off to a 22-14 second quarter lead, the Pioneers fell to a Jersey City rally and found themselves on the short end of a 23-22 half-time score. The Jersey City team, led by Doug Barnes' 16 points, took full advantage of the Pioneer's lapses and went on to win the conference game. Chuck Martin and Don Duin led the Paterson cagers with 17 and 15 points respectively. Don Duin is now the third leading scorer in the New Jersey State Conference according to the N.A.I.A. releases.

## Swordsmen's Scoops

by Anthony De Pauw

Now that the Intercollegiate Fencing season has more or less officially opened, Paterson will be fencing almost weekly until March. During the week of January 7 we fenced twice and broke even. On January 10 we defeated Brooklyn Polytechnic Institute 15-12. It was a rather close match until the final bouts. Last year they defeated us

and they attributed their loss to the fact that their best men — and the team as a whole is usually very strong — were studying for exams. We were thankful that our sabre team won seven of nine bouts. Our two 3-0 fencers were Al Arth and Chuck Roth.

On January 13 we were again defeated by Temple University of Philadelphia, Pennsylvania. They are a very haphazard organization and constantly complain that their best men aren't fencing but they always look good in spite of their foibles. The final score was 13-14.

The team record is now two losses and one win. We still have a chance for an excellent season. This year the sabre squad is keeping its reputation as the best part of the team and the epee team has improved greatly. It should also be remembered that, except for Cooper Union, we schedule all of our more difficult opponents in the beginning of the season. The team is still looking for recruits and it's not too late in the season to join.

## Women Fencers Beat Montclair

The PSC women's varsity fencing squad was victorious over Montclair's squad in a competition at Montclair State College on January 25. A final score of 11 to 5 was attained by the following girls: Paulette Singelakis, 4-0; Roz Culotta, 3-0; Joyce Dunn, 2-1; Barbara Chilik, 1-3; Cindy Jones, 1-0; Arleen Melnick, 0-1.

The score of the junior varsity match was tied at 8-8, but PSC lost by two touches. The following girls fenced on the junior varsity squad: Cindy Jones, 3-1; Arleen Melnick, 3-1; Kathy Ambrose, 1-3; Ramona Tomaszewicz, 1-1; Cathy Cahill, 1-1.

Yesterday a dual competition at Rutherford against Fairleigh Dickinson University was held. Results will appear in next week's BEACON.

The intramural basketball league is developing into a close four team race, led by the Freshmen entry, who boast an unblemished 4-0 record. Tied in 3-1 marks are the Also-Rans and the Semanons, followed by the Odds & Ends with a 2-2 league record.

In the second division, are the Flunkies (1-2), Entramoebas (1-4), and the Green and Gold (1-5). The schedule for the next two weeks is as follows with starting time in parenthesis.

Flunkies vs. Also Rans — Feb. 15 (1:35)

Frosh vs. Semanons — Feb. 15 (2:00)

Flunkies vs. Entramoebas — Feb. 22 (1:35)

Odds & Ends vs. Frosh — Feb. 22 (2:00)

**Foul Shooting Championship**

The intramural foul shooting championship will be held in the gym, March 1, at 1:30 p.m. You must sign-up by Friday, February 23, to be eligible. Varsity and junior varsity players cannot compete.

The Paterson basketball teams are displaying the type of ball they're capable of, and can knock either Montclair State or Glassboro out of the conference race with wins over either team. The Pioneers travel to Glassboro tonight and to Trenton tomorrow night in back-to-back conference tilts. Tuesday night, the Paterson quintet plays Bloomfield College at the Deacons' gym in Bloomfield, at 8:15 p.m.

For those who do not already know, Don Duin is now the third leading scorer in the New Jersey State Conference. Someone once said, "every cloud has a silver lining;" it looks like Don is ours. We can look forward to the big sophomore's services for two more years.

It was rumored that Nick Werkman of Seton Hall may transfer to Paterson State next year. If anyone can substantiate this rumor, the sport's department would be interested.

The International Benjamin Franklin Society's Gold Medal for "distinguished world statesmanship in 1947" was presented to the General in 1943 and the Four Freedoms Award by the Four Freedoms Foundation, Inc., of New York City, 1958.

Within the last twenty years, General Romulo has written nine best sellers including: *I Saw the Fall of the Philippines*, *Mother America*, *My Brother Americans*, *I See the Philippines Rise*, *The United, Crusade in Asia*, *The Meaning of Bandung*, *The Magsaysay Story*, and *Friend to Friend*.

The General is a member of several clubs and organizations throughout the world such as National Press Club, Military Order of the World Wars and the Veterans of Foreign Wars.

Born in Manila, Philippines on January 14, 1901, General Romulo is a graduate of the University of Philippines in 1918 where he received an A.B. degree. In 1921 he graduated from Columbia University with an M.A. degree.

The Philippine General was married in 1924 to Virginia Llamas and has three children, Gregorio Ciento, Ricardo Jose, and Roberto Rey.

After his lecture, General Romulo will be greeted at a reception in the Food Service Building. Members of the Beacon staff, the SGA and class officers, and Dr. William Spinrad's classes in Problems of Contemporary Society, have been invited to the coffee-hour.

## Cultured Rock 'n Roll

We are encouraged to see that culture has permeated the field of rock 'n roll music. The newest hit sensation is a Charles Dickens' original — "The Oliver Twist." (DJH)
