

"And I always thought that the 'Tropic of Cancer' was a geography book!"

## Saga Announces Price Changes

The SAGA food service has announced a change in the food prices effective immediately. Mr. Saga was quoted as saying, "Due to the rising cost of materials and labor, this price change is necessary. Also my wife has been after me for thirteen years to go to Hot Springs so I finally found time to go but need the price of the tickets." The following changes are in effect:

Luncheon:	\$3.50
Sandwiches:	\$1.25
Milk:	\$.50
Coffee & Tea:	\$.25
Juices:	\$.50
Pies:	\$.45
Ice Cream:	\$.60

All other prices remain about the same with the exception of butter which will rise to \$.15 per party.

On behalf of the entire staff of the BEACON the writer wishes to extend best wishes and a bon voyage to the Sugas.

CELEBRATED local debutante jubilantly completes setting her first cornerstone under the watchful eye of foreman. They recently obtained part-time jobs as masons to supplement their respective incomes. They are employed by Sam Brawn.

## Beacon Journalists Strike At Midnight

Local 15473628 (State BEACON) of Amalgamated International Journalists has announced that it will strike on midnight, Monday, April 1 in an effort to obtain better working conditions.

According to the weekly's editor, Emma Trifiletti, "I worked on the staff for three years without pay. We are not asking for remuneration, we're just asking for our right to eat lunch in the BEACON office." The staff has rallied to back the editor's decision and will not print an issue next week.

According to House Committee Rule No. 6, the office is off-limits for eaters. "If we don't eat, we don't print," stated Bee Thovan, news editor.

A special three man mediation board has been appointed by the SGA. Cedric T. Floss, newspaper advisor, Tommy Hunk, House Committee Chairman, and Mrs. Vir-

ginia Scandle, special press correspondent from Haledon Hall, will meet in the President's office late this afternoon in an attempt to reach an agreement.

## French Art Exhibit To Be Held In Cafe Lounge

An art exhibit of the work done by Pierre Pierre, the celebrated French artist, is to be exhibited in the lounge area of the Food Service Building on April 1, 2, & 3. Mr. Pierre has managed to fly his work here from France especially for this exhibit through the courtesy of MATS. This was due to the requirements set down by the International Air Control Commission which states that objects weighing over six tons gross weight are not permitted on commercial airliners.

Mr. Pierre is a sculptor of unique abilities since he is the only man known to have successfully created a life sized replica of the Empire State Building and the Eiffel Tower. There will be a space problem created by the exhibit but it is the intention of the administrative board of the Food Service Building to restrict the whole building for the purpose of the exhibit for those three days.

## Waterfalls Raid Shocks Students

Federal agents staged a surprise raid in the area of Paterson State's waterfalls and confiscated a still which had been supplying local students with 90 gallons of moonshine daily. Arrested was Dr. Joseph Brandy who stated: "the law of supply and demand is in direct proportion to the ratio of consumption and therefore I do not feel that any inflationary tendencies will be reflected in the gross national profit as a result of my business." As he stood before 2,000 mourning students, Dr. Brandy added: "All things being equal . . ."

CONSTRUCTION ON PATERSON STATE'S new \$6 billion bomb shelter is underway. The new building, when completed in 1977, will double as a sorority beer hall. Milk will also be served daily after 3 a.m.

Vol. 28, No. 20 21

Paterson (N. J.) State College

April 1, 1963

## SGA Picks Bermuda For Summit Meeting

A two-thousand dollar appropriation was passed at last Saturday's Student Government meeting held at Kathy & Dan's for a Co-ed Conference to be held in Bermuda during spring vacation. The purpose of the conference was not stated.

The General Council also approved the four party delegation consisting of SGA president Ben Lakson, treasurer Herman Van Tiens, private secretary Cathy Cowhill, and SGA Entertainer Elaine (Bubbles) Flako.

The Paterson group plans to leave the college's Rock on Sunday morning and should reach Bermuda via banana boat the following day. The delegation is considering a side trip to Hawaii and possibly Russia before returning to the Rock.

An itemized list of anticipated expenses follows:

**Items**  
 Fare — \$35 per person  
 Hotel — \$500 (group)  
 Conference fees — \$50  
 Souvenirs — \$300  
 Postcards and stamps — \$50  
 Meals — \$100 per day per delegate  
 Entertainment — \$200 an evening (per couple)

When asked by BEACON reporter Alberto Pecci if she intends to do any entertaining while in Bermuda, Bubbles Flako smiled.

## Dr. P. Vouras To Publish Greasy Thesis

Dr. Paul Vouras, professor of social studies, has announced completion of most recent thesis on Grease. It is titled "My Thesis On Grease" by Paul Vouras. Thirty pages in length, the thesis deals with the place of Grease in the modern world. It is to be published by Crisco and will be available in paperback form in the college Bookstore.

## Nice Party Given For Mr. Donwards

A very nice party was given in honor of Mr. Ed Donwards who was recently named the nicest professor on campus. Mr. Donwards in commenting about the affair stated: "It was a very nice party, and I had a nice time. All of the people who made this wonderful day possible are very nice. I think that more nice things like this should be done here. It would be nice."

## Bible Banned By Local City Official

A local city official, after receiving a letter from four irate citizens, has ordered that the Bible be removed from the shelves of Paterson's Free Public Library. Among the citizens protesting was a Buddhist hermit who lives at the base of Garrett Mountain.

In clarifying his action, the official said that the citizens protested that "the language used in the Bible should not be read by our impressionable youth." Paterson State College faculty members have sent a stiff note of protest contending that the city official should be kept out of the library.

Among the signers of the PSC faculty note is Professor Lazarus who has recently been raised to a prominent position. Lazarus has given full support to the Bible and feels that the local official has erred in listening to a minority.

## Dean Investigates Food Service

Dean of Students, Dr. Mary V. Wholesome, has been named to head a new committee investigating food service facilities at Paterson State. The committee has pledged to boycott the snack bar if results of the investigation are negative.

# One of the

most disturbing new regulations to be issued at Paterson State College in recent months is concerned with women's apparel. The new regulation, which will permit the wearing of slacks, bermudas and shorts to classes is totally unfair to the male student population. The **BEACON**, after some rudimentary investigation, learned that 374 male applicants rejected Paterson State last Fall when they became aware of the fact that short, tight skirts were being worn by coeds. Of these, 62 banded together to write a letter of protest to the administration claiming that the disturbing nature of dress at PSC would hamper their true goal of intellectual growth. Not only did the administration refuse to investigate their claims but now issued the new regulation. **DO WE SEEK TO DRIVE AWAY THOSE FEW MALE STUDENTS THAT WE NOW HAVE?** The **BEACON**, therefore, feels obligated to demand a retraction of the new regulation. We further demand girdles and ankle-length skirts for all. The legacy remaining will be negligible.

## We Are Also

disturbed to hear of the campus movement now being organized by George Crank. Mr. Crank would have us believe that the opening of a public bar on campus would not only fatten our SGA treasury but would also stimulate and encourage non-academic visitors to savor life at Paterson State. Well George, if you want fun-filled weekends, the **BEACON** suggests that you go to Paterson and stay away from Paterson State. We are definitely against this movement and demand that students take no part in it. Furthermore George, you can take your fraternity pin and . . .

# Applecraft of Apple Growers Contends His Group 'Picked On'

An official of a nearby city has notified the Sarah Byrd Askew Library at Paterson State College of his decision concerning the banning of "Snow White and the Seven Dwarfs." This decision was rendered after careful deliberation since the book discriminates against a minority group: witches and the Fruit Growers Association of America. Mr. Alan Applecraft of the F.G.A.A. was quoted as saying that, "Our apples are not poisonous." A high ranking school official has sided with the banning. Dr. M. E. Thea, noted Demonologist, was quoted as saying that, "Minority groups should not be picked on."

When notified of the banning, the head librarian immediately removed all twenty-seven copies of the book from the Reference Section of the Library.

## New Acropolis To Replace Rock

From this date forward all history lectures will be held at the new Acropolis constructed by Prof. Gumbartner. This was formerly the site of "the rock," a student cultural center. Faulty cement was used so that it will soon resemble the original structure in Greece.

Published weekly during fall and spring terms by the Student Government Association of Paterson State College, 300 Pompton Rd., Wayne, N. J., the **STATE BEACON**, with editorial offices in the College Center, campus, is supported through SGA appropriation and by revenues derived from contract with National Advertising Service, Inc., 18 E. 50th St., N. Y., N. Y., to which inquiries about national advertising should be directed; no local advertising is published. Content of the newspaper represents the judgment of the staff, acting in accord with the **STATE BEACON** Constitution, and does not necessarily represent the judgment or beliefs of the S.G.A., Paterson State College, or the State of New Jersey.

Stewed Runk	..... .77

# Letters To The Editor

Dear Editor:

It has come to the attention of the writer that certain factions on your campus have been borrowing from my work thereby reducing its literary content and total effect. To these particular factions, I must take this opportunity to tender a note of warning: **LEAVE MY MANIFESTO ALONE!**

**K. Marx, Soph. Class of '68**  
Oxbow, Miss.

Dear Editor:

A recent edition of your newspaper has served to highlight an all too familiar situation. To alleviate this condition and prevent a similar occurrence, I urge you to concern your paper with only those facts pertinent to your area.

**G. Meredith, Frosh, Class of '66**

Dear Editor:

After reading a recent edition of your newspaper concerning fraternities, pro and con, I feel morally obligated to render my opinion on this issue. To begin with I am a member of a popular fraternity and am highly pleased with my companions and surroundings. We attend meetings on a regular basis and after the meetings engage in all sorts of fraternal activities. For instance, at the last meeting we initiated two member to the club. Unfortunately, during the ceremonies they ran into each other and fell to the floor. They are to be released from the hospital next week. After they left we all got together for some more convivial activities.

That same night we were to have heard a speech from the Grand Supreme Brother Master Imperial Lord Highest Majestic Ruler of the Fraternity but he had been a little too convivial in the course of the evening and could not find his speech. We found it later written on the back of his napkin but was too late since we had sent him home in a cab. In his place we had a series of speeches of a more convivial nature and a great time was had by all. After the speeches were over we had a very enjoyable time of games and activities for the remainder of the night. The first game we played consisted of breaking beer bottles with coins. The Brother Master took the first prize after breaking six in a row with a half-dollar. It should be taken into consideration that he has had much practice since he has been attending college for the past six years.

We then had elections which were over quickly since there were no dissenting votes. We cannot see any sense in dissenting since the last dissenter was forced to leave rather hurriedly. So all in all, Mr. Editor, I cannot see the objections to fraternities since I am a member and have a great time.

Yours Truly,  
**Phoebe Zimmer, Class of '68**

## GE Seniors Receive Rhodes Scholarships

Dr. Paul Fenderson, Dean of Student Misplacement, has released information stating that sixty-six G.E. Seniors have received Rhodes Scholarships to Oxford University to further their education.

Included in each scholarship are: non-smear crayons in assorted colors, a year's supply of paste, elbow paint and construction paper. The sixty-six seniors will depart July 4, via canoe.

The student body wishes them Bon-Voyage.

**NEWLYWEDS LEN AND ELAINE LAKSON** have announced that they will begin divorce proceedings at the next SGA Executive Council meeting. Both suits will charge conflict of interests.

# Snack Bar Lauded By Huncan Dines

The annual Huncan Dines Epicurean Award has been bestowed upon the Snack Bar at Paterson State College. To qualify for this award an institution must exhibit standards "reflecting those of the best eating establishments in the known world." This requirement Paterson State College has most ably fulfilled.

The commission was most impressed by the restful and soothing atmosphere created by the soft musical strains which lend an aura of relaxation to the whole room. "I don't believe I have ever been in such a unique and genuinely beautiful establishment in my life," said Mr. Ivan Khatchatourian, head of the Committee and owner and manager of "O'Briens Emporium" in New York City.

Also ranking high on the Com-

mittee's list of apparatus par excellence was the cordial atmosphere extended by the porter so well known to all of us. They were highly pleased at his alacrity and speed with which he rendered his duties.

The award is to be presented to the college at a dinner held for this purpose at the Haledon Diner.

## Fulton Abandons Fishy Market

Mr. John Fulton has announced the sale of his fish market to Dr. Mark Carp. Following the cash transaction, Mr. Fulton stated: "For years my English Lit classes have complained that "something fishy" was going on. I just couldn't take it anymore." Dr. Carp had no comment.

# Poetry Reading Set For Evening Series

An evening of poetry reading is planned for an assembly to be held on April 4, 5, & 6 at 8:00 p.m. in the gymnasium. The speakers, selected from a list made available through the courtesy of various organizations too numerous to mention, will include:

**Mr. G. Lincoln Rockwell**, nationally known lecturer; **Mr. Gus Hall**, prominent speaker and political party head; **Mr. Allan Ginsberg**, renowned poet and aesthetic; and **Mr. George Ferrerghetti**, poet extraordinary who lives in that plush beach resort, Coney Island.

An outstanding feature of the evening will be a torchlight parade across the campus by the student body led by the campus singing group, the Liberalists. It promises to be an exciting evening and one to remember with warmth for years to come. A word of caution is extended to all those planning to attend: wear old clothes.

# PSC Picked In Poll; Dept. Head Sent West

Under the combined auspices of Esquire Magazine and the National Association of Collegiate Athletics, Paterson State College was selected as one of the nation's outstanding sports minded colleges. In a close race with the University of Chicago, PSC forged steadily ahead and in the final tally ended in first place.

The deciding factor was the outstanding performances turned in by the Easy Money team, the Parch-

## Rules Relaxed For Dorm Dates

The Residence Hall at Paterson State College is fast becoming more liberal in its rules and regulations. The revised weekday curfew hours are: Frosh, 12:01 a.m.; Soph, 12:36 a.m.; Jr., 1:08 a.m.; Sr., 1:59 a.m. On weekends all curfew hours will be abolished.

The girls are also permitted to bring visitors to their rooms.

However, several of the old rules are still in effect. When "signing out," the coeds must fill out a seven page questionnaire.

The "dorm girls" have expressed their enthusiasm for the new rules. The eventual elimination of the regulations may soon be possible.

esi team and the Tiddly Wink team. Sparked by an exuberant cheering section egging them toward further victories with such rousing cries as "Make that Squam!" and "Tiddle that Wink!" the tiddlers rallied in their last two events to finish a perfect season, 2-0. The remainder of the athletic team also finished a spectacular season by managing to remain in the win column throughout the season.

The Esquire award will be presented to the chairman of the athletic department at a dinner to be held at the Black Hills-Hilton Hotel, Butte, Montana, on February 26, 1964.

## Pioneer Playboys To Present Play In Peking

Due to the overwhelming success of their latest production, "Mary Had A Little," Paterson State's Pioneer Playboys and Playmates have been granted a \$4,000 addition to their budget to present the production in Peking on May 11. The move took place at last Tuesday's SGA meeting with a grant transferred from the International Relations Club's conference budget. Dr. Robert Leopard, production director, has enlisted the assistance of Dr. Alfred Yung, of the social studies department, who recently completed the "Chinese In Five Easy Lessons" home course. They expect to complete translation of the play in about two weeks.

If the play is a success in Peking and if additional funds are available, the group hopes to extend its tour to include Stalingrad and Jersey City. Translations of the play will accompany each production.

## Stein Receives Stein With Line

Members of the A Cappella Choir, in honor of their dedicated director Mrs. E. Stein, will present to her a gold beer mug engraved with a composition written in her honor. The bass section of the choir is responsible for the lyrics. The lyrics of the composition, which

will first be sung in public at the Annual Spring Concert are: "Don't cry lady, we'll buy your violets. Don't cry lady, we'll buy your pencils too. Don't cry lady, take off those dark brown glasses. Hello MOTHER—we knew it was you!"

COFFEE BREAK down at the Administration Building.

# S & B Dance Proceeds Donated To College

Skull and Bones honor society is holding a Scholarship dance next Saturday morning, April 6 at the Old Russian Hall. The society intends to donate the proceeds of the dance to the college to be used for the scholarship fund. However, the contribution will most likely come through a nearby high school society is among the "uninterested groups" on campus.

Providing music for the affair will be the "Fullhouse Eight". The group is famous for its Black Bottom, Turkey Trot and Minuet.

"The dance will begin at 8:30 a.m. and should continue throughout the weekend provided the local constable isn't consulted," reported Jackie Albany, president of the honor society.

## Mr. Floss Goes To Washington

Mr. Cedric T. Floss has announced his resignation from the English department. Mr. Floss is leaving Paterson State to accept an appointment to the presidential fact-finding board investigating malpractice in the manufacture of toothpicks. Mr. Floss, whose long experience with toothpicks makes him highly qualified for the new post, commented "we'll pick this thing apart."

This issue of the State BEACON was published in the spirit of April Fools' Day. Any similarities to names and places are co-incidental.

JOHANNA CORTEZ, SGA CANDIDATE for queen of the S & P Scholarship dance, displays her charms for the BEACON photographer. Miss Cortez is the current favorite in the contest.

# the Spotlight

by Nitte Witte

All PSC sports are not confined to the campus, and campuses of other participating colleges. Actually, the most exciting, interesting, and enjoyable sports programs sponsored by Paterson State occur on the annual migration of the Sophomore class to Stokes State Forest. A survey taken from the testimonials of returning Stokes woodsmen and woodswomen indicates the favorite co-ed sporting activity in the Stokes Program were the evening games of hide-and-seek. These sessions of hide-and-seek were well-organized games that adhered to specific rules. The rules are as follows:

1. Games are not to commence until total darkness.
2. No hiding or seeking in either of the shower rooms.
3. All male participants caught in the female cabin area are O-U-T (Out of the game, out of camp, and out of college).
4. Anyone caught playing touch-football will be disqualified, and possibly slapped.
5. All participants must wear shoes.
6. No tagging.

Second in popularity among the returning students were the canoe races. It might be interesting to note that last year Mark Stone fell out of a canoe while hunting turtles. Why he was hunting turtles halfway up the mountain in a canoe is not known.

## Swordsmen Scoops

by Anthony De Plow

Last Wednesday afternoon Paterson State's Men's Fencing Team received its official charter from the Heidlebourg International Intercollegiate Duelling Fraternity. The Paterson chapter has chosen the name Delta Omega Alpha. Members of the fraternity will also participate in the regular intercollegiate season, if possible.

Contrary to popular belief, duelling has been legal (if conducted under the regulations of the Blood-letter Duello for International Intercollegiate Duelling) in the continental United States, Alaska, Hawaii, Guam, the Virgin Islands and Puerto Rico since 1959 (Senate: S-5132041-7).

Because of the limited number of colleges and universities in the area (Paterson is the first in this district) to have such on-campus fraternities, DOA will schedule its first meet of this kind with the Green Bay (Canada) College of Taxidermy. This will also be PSC's last intercollegiate meet of the season. Transportation arrangements for the trip have been made with the Mender Ambulance Corps.

When asked about the apparent danger of the sport, Coach Albert Silly noted, "Our purpose is to preserve the older traditions of duelling. We permit as little bloodshed as possible. Only the torso is left unprotected."

## Bookstore Adds Racy Literature

The bookstore at Paterson State College has announced several new volumes in stock at the usual low prices:

**Summa Theologica** by St. T. Aquinas (paperback) — \$149.50

**A Pictorial History of the Thirty Years War** (paperback) \$8.50

**Decline and Fall of the Roman Empire**—Gibbons (paperback) one volume edition — \$129.95

**All My Works** by Dostoyevsky (paperback) — \$2.75

**The Autobiography of Batman** by Robin (paperback) — \$ .59

All books are complete and in their entirety.

ART MAJORS prepare for up-coming conference to be held in Camp Veritans next week. Highlighting the five day orgy will be a seminar on "Creativity."

## Faculty Member Granted Leave To Study Monkeys

Most recent Paterson State faculty member to be granted a sabbatical leave is Dr. Albert Rhesus, of the social studies department. Dr. Rhesus will study the anthropological development of man and attempt to discredit Darwinian theory. When asked for a statement Dr. Rhesus commented: "I may encounter some physical difficulties in my studies because of my liking for bananas. However, I hope for great success."

CLASS OF 1967 Zoology applicant tours campus after interview with Director of Admissions.

## PSC Baseballers To Meet Yanks?

Due to the collapse of the National Baseball League, the Paterson State baseball team has accepted a bid to play against the American League Pennant winner in this year's World Series.

This series of contests will mark the first time in history that an amateur baseball club will compete against a professional team in league competition.

When first announced, there was much speculation as to what extent the acceptance of this bid would effect the amateur standings of the Paterson Club. Fortunately, this problem was overcome when the coach of the Paterson baseball nine, Jimmy (Beanpole) Lepanto, announced that all the winnings of his team will be donated to that charitable organization, the F.F.F.-P.B. (Fun Fund for Paterson Ballplayers).

As is well known, the most important aspect of World Series games is pinching, and the Paterson team is extremely adept in this area. Heading the Pioneer pinching staff will be Ross Kennedy.

While pinching is surely a key to a successful ball team, strong hitting and fielding are also necessary. The Paterson team is excep-

tionally strong in these areas. Some of the ballplayers who are expected to bring glory to the PSC campus are: returning all-conference center-fielder Sandy Erskine, team captain Mike George, Tony (the Gazelle) Coletta, and Mark the Evangelist.

It is common knowledge in sporting circles that the Paterson Ball Club is the most improved in the country. The fact that several ballplayers are not returning from last year's squad will have a profound effect on the current team. The lone exception is the absence of last year's chief morale-builder, Pete Hellp.

Taking all factors into account, the chances are better than average that this year the World Series Championship Flag will fly over the PSC water tower.

## Weekly Calendar of Events

APRIL 1 — APRIL 5

- Monday, April 1 —**
  - Panty Raid, Girls' Dormitory—7:00 P.M.
  - Meeting with Mrs. Leaf for her Doctoral Thesis (English majors only) 3:35—H-202

  - U.S.M.C. and P.S.C. Females Coffee Clatch—10:00 A.M.—Dean Holman's office

## PSC Journalists Receive State Government Posts

BEACON columnists George Crank and Anthony DePlow, have accepted positions with the state government in Trenton. De Plow will be associated with the department of agriculture in a position of high responsibility. Crank has been appointed to organize fraternal organizations at the six state colleges. Both received their new jobs through the BEACON Placement Service.

S & P STAMPS are now being given with all Bookstore purchases, announced Mr. Robert Beary, manager of the concession. The innovation is expected to create the much-needed interest in the store's large selection of comic books and magazines such as Funland and Gentle Men. Pictured above are Paterson students anticipating purchases.
