## Scholarship Queen Named

Lenore Petouvis, a junior Kindergarten-primary major from Paramus, was named queen of the First Annual Scholarship dance held last Saturday evening by a group of Paterson State students who are members of an off-campus association, Skull and Poniard.

Miss Petouvis, a Varsity Cheerleader, is a member of Phi Sigma Chi, an off-campus association. Also competing were Gail Kostalanski, a freshman who is a member of Theta Sigma Kappa Sorority, another off-campus association and Carolann Eytel, a junior. Miss Eytel's off-campus activities include membership in Theta Delta Rho.

The Scholarship will be given to an incoming Paterson State male student, probably through his high school since the college does not accept donations from such associations.

It was estimated that over 200 Paterson State students attended the affair.

## Financial Aid

All students seeking financial assistance for the 1963-64 school year should complete an application available in Mr. John Huber's office, second floor, College Center. The deadline for applying for the aid is Friday, April 19.

RICKY HUMMEL, the ten-year-old son of Mrs. Lenore Hummel, assistant professor of education at Paterson State, is the subject of the college's second blood drive. Ricky is a hemophiliac. Thus far, approximately eighty-five students have volunteered. The call for more donors has not ended. Students are being sought to make this campaign 100% successful. Donors may sign up in the Snack Bar of the College Center during the upcoming weeks. The mobile from the Blood Transfusion Assoc. of N. Y. C. will be on campus on May 16.

# A Significant Pause

Now is the time of the year when students are able to temporarily "rest" from their studies to participate in the Easter or Passover Seasons. These seasons afford the student time in which to take an inventory of himself, to re-evaluate his goals and achievements, and to start a "new life." The BEACON staff would like to remind the Paterson State College faculty, students and staff of the significance of this pause in our school year and in our everyday lives.

# When The Finance

Committee of the SGA began reviewing budgets for the 1963-64 year, practically all organizations sponsored by the Student Government were asked by the committee to revise their proposed expenditures. Problem: not enough money.

The committee was instructed to work with an \$80,000 budget. Exactly \$94,848.67 dollars was requested by the clubs, organizations, etc.

A week later the committee returned thirty-nine budgets to their respective advisors for further revision. Each organization was asked to cut their spending by eight percent. To date the budget is unofficially balanced.

Since the Finance Committee has completed its time consuming task, the budget can now be presented before the Council for approval. It is hoped that the SGA representatives find the 1963-64 budget satisfactory.

## Untitled

by Al Pecci, '65

I've never eyed a snow-tipped mount  
Nor climbed a purple hill.  
I never thought that these things count  
And what's more never will.  
Instead I think of concrete thoughts,  
Of war and life and such  
And how much has my dollar bought.  
That's all. How much! How much!

But then I stop and think a bit  
And ponder it a while.  
What good do I get out of it?  
I know. Not even a smile.  
So I let my mind go on a spree  
And I let my fancy fly.  
Now I know what they've brought to me,  
And it's all that money can't buy.

# Creative Arts Program To Be Held At Princeton

"The Pursuit of Excellence in the Creative Arts: A Problem of the Industrial Society" is the theme of a program to be presented by the Princeton Response Committee on April 19, 20, and 21 at Princeton University, Princeton, N. J. The program is to be carried out by the undergraduates and is devoted to the exploration of a major facet of American life. An invitation has been extended to Paterson State students. Those interested should contact the BEACON office, second floor, College Center.

The problems which the symposium will discuss are numerous and interrelated facets of a com-

plex subject: the compatibility of quality art and the modern, highly organized and highly commercial society of today. Among the participants will be Robert Penn Warren, Bernard Malamud, Edward Albee, Alistair Cooke, and Newton Minow. This, however, is just a sampling of the scheduled program.

The Committee obtained a charter from the University in 1961 and presented their first symposium which drew 1,000 spectators. Their second presentation, presented in Spring 1962, had an audience of 2,800 which is an indication of the public response to a program of this nature.

Published weekly during fall and spring terms by the Student Government Association of Paterson State College, 300 Pompton Rd., Wayne, N. J., the STATE BEACON, with editorial offices in the College Center, campus, is supported through SGA appropriation and by revenues derived from contract with National Advertising Service, Inc., 18 E. 50th St., N. Y., N. Y., to which inquiries about national advertising should be directed; no local advertising is published. Content of the newspaper represents the judgment of the staff, acting in accord with the STATE BEACON Constitution, and does not necessarily represent the judgment or beliefs of the S.G.A., Paterson State College, or the State of New Jersey.

# the Spotlight

by Gary Witte

Opening the 1963 baseball season with three wins, the Pioneer baseball team has made the favorable pre-season forecast by the team's coach, Jim Lapanto, and this sports writer a reality. To date the men on the ball team have crossed home plate thirty-seven times.

Played on the home field, the first three games ended with Newark Rutgers 5—Paterson 9; NCE 6—Paterson 12; and Johnson University 1—Paterson 16.

Bill Born, Pioneer first-baseman-pitcher, has thus far been the big gun for the home team. Bill has collected nine hits, including two home runs, for thirteen times at bat.

Also hitting consistently is Mark Evangelisto. He has belted out six hits in thirteen tries.

While these two players have collected the most hits, the other starting players and most of the reserves have hit safely in at least one, if not all, of these three games.

With the team doing so well so early in the season, it isn't unusual that many students have been getting down to the field to watch the club in action. Although the turn-outs of interested spectators has not been disappointing there is plenty of room on the grassy banks of Wightman Field to accommodate many more viewers.

It is my opinion that with the continued hustle and the college's support, the Pioneer baseball team is going all the way!!!!!!

# PSC Fencers Undefeated Against FDU

by Judy Martin

Paterson State's Women's Fencing Team defeated Fairleigh Dickinson, March 26, for an undefeated season. This competition also marked the first defeat that FDU has suffered in three years.

After winning the first four bouts and two of the next four, it seemed that FDU would win the meet. Jane Tainow, with three wins, lead the PSC varsity to a final, bout score of 8-8. In order to decide the winner of the competition the touches against each fencer were counted (The team with the least number of touches scored against wins.) for a final touch score of 46-40.

Paterson's junior varsity lost its bid for an undefeated season to a stronger, more experienced FDU team 11-5.

A third PSC team also fared well with a 10-6 victory over Fairleigh Dickinson.

Paterson completed its intercollegiate, dual meet season against Montclair State on April 10.

# Belmont Elected Art Club Pres.

Peter Belmont, sophomore art major, was recently elected president of the Art club at the college after completing one year as vice-president of the organization. Also elected were Jim Cullen, vice-president; Sharon Van Lenten, secretary; and Carol Lochre, treasurer.

Mr. Belmont is art director of the up-coming Spring Festival and a member of the Pioneer Players. Aside from his campus activities, Mr. Belmont is a former State Figure Skating Champion, J. S. Figure Skating Judge and a part-time skating instructor.

Mr. Cullen, the vice-president-elect, is a freshman art major. Miss Lenten, secretary, has been a member of the art club for two years as Miss Lochre, the newly elected treasurer.

## RETRACTION

In the February 22 issue of the BEACON, in the "Swordsmen Scoops" column, we wrote an adverse evaluation of the judging and directing at the Newark College of Engineering-Paterson State College dual, men's fencing meet. Since that time we have received several letters which derogate this evaluation and ask for a public apology. The rash and emotional nature of this evaluation and the mistaken belief that our attack was aimed at specific individuals cause us to retract our statements and offer this apology for any adverse effects these statements may have had.

# Letter To The Editor

Editor:

Several months ago many letters were written to the editor of the State Beacon demanding that there be a revision of the Beacon's Constitution so as to grant its writers a greater freedom for expressing political views. Since this time there has been a noticeable increase in the amount of space devoted to political affairs. We now not only have the liberal Cronk-Miller column, "The World Spectrum," but also a second liberal column, "Reflections" by Stannard.

Is this the freedom of the press Paterson State students fought for? Why is this second column not a conservative column? Are both of these political viewpoints liberal due to the editor's bias? Are not there any conservative students on campus willing to write such a column?

Sincerely,

Ernest W. Fisher

Editor's reply:

The opinions expressed in the two columns, "The World Spectrum" and "Reflections" are not necessarily those of the editor. However, your last assumption may, to our knowledge, be correct. To date a student with "conservative" views has not desired space in the BEACON. If there is such a student on campus, his or her opinions are gladly welcomed.
