Dorm Students Volunteer Work At Local Shelter

by Regina Konowitz

Freshmen and sophomore dormitory students have been doing volunteer work at the County Hospital's Children's Shelter. The girls visit the Shelter every afternoon from 2:30 to 4:30.

The Children's Shelter, directed by Mr. Thomas Hand, is a separate facility of the Preakness Hospital temporarily housing children whose parents are unable to care for them due to illness in the family, eviction or a pending custody case. Although some of the children stay longer than others, there are generally sixteen to twenty-five children in residence there.

The group was organized and is under the leadership of Dr. Ardell Elwell and Dr. Neal Sheldon of the speech department. Ruth Nolder is the student organizer of the group at the dormitory.

At the Shelter, the girls sign in with Mrs. Alice Zona. After talking to the new children, games are organized for the different age groups. Athletic activities are conducted within a fenced outdoor recreation area.

RUTH NOLDER, PSC dormitory student is pictured above with one of the children in temporary residence at the Wayne Children's Shelter. Ruth is dormitory organizer of PSC students who volunteer two hours daily to work with these children.

PSC Students Attend Eastern States Confab

The theme for this year's Eastern States Conference, held recently, was "Conflict - Challenge - Change." Various topics were selected to discuss the different aspects of this theme. The conference was held in the New Yorker Hotel in New York.

Attending the conference from Paterson State were Miss Anita Este, assistant director of student personnel, Emma Trifiletti, Cathy Cahill, Sally Abramowitz, Cathy Sain, Mary Ellen Cassidy, Diane Butcher, Ross Alfieri, Phil Lees, Max Konigsberg, Damon Neroni, Tom Terreri, and Mike Burns. The first day of the conference was used for selected tours of New York City. The group from Paterson State visited Hunter High School administered by Hunter College. The High School is attended by students with I.Q.'s of 130 or more. The group was able to observe the accelerated rate at which the students are taught.

On the second day the students split into smaller groups and then attended meetings and discussed the various topics. At lunch James Farmer, director of the Congress of Racial Equality, spoke to the assembled delegates. The title of his speech was "Racial Equality and Educational Quality." After lunch the delegates returned to their morning discussion meetings. The findings from each of these groups will be assembled, printed

(Continued on Page 4)

Speech Dept. Conducts Public School Survey

Speech surveys were recently completed in the Riverdale and Englewood Public Schools by thirty Speech Correction Majors from Paterson State College. The survey under the supervision of Mr. William Formaad, associate professor of speech, was given at the request of the schools to determine the number of voice and articulation problems throughout the system requiring speech therapy.

In the classroom each child was individually screened by various methods according to age level. Informal conversations, nursery rhymes and games were used at the lower age level to gain rapport while testing the child. In the upper grades reading from textbooks and repeating sentences prepared by therapists to contain the speech sounds usually difficult to pronounce if a speech problem exists, proved an effective method of testing.

Mrs. Wathina Hill and Dr. Neal Sheldon, assistant professors of speech assisted Mr. Formaad. A record was made of each child's test and returned to the school for their future use. The following correction majors participated: Ila Fittipaldi, Barbara Hughes, Dory Libes, Rita Halprin, Lynn Stein, Jim Robinson, Sally Abramowitz, Karen Grant, Claudia Kelly, Rose DeIntino, Marie Caladino, Karin Fine, Carol Ann Cannarella, Carol Bocker, Carol Kosko, Gilda Walsh, Harriet Ottenheimer, Roger Milstein, Barbara Morgenstern, Elaine Ogelvie, Regina Farrell, Georgine Mitchell, Regina Konowitz, Cathy Clatt, Phyllis Rudy, Larry Roach, Richard Pantale, Ted Cordes, Tom Dowd and Peter Ganley.

Students who have not been asked to apply for Kappa Delta Pi and who feel they qualify academically are invited to notify Dr. H. L. Ellis, chairman of the social science department. The grade point average necessary for seniors to qualify is 3.0, juniors 3.2, and sophomores 3.3.

Kappa Delta Pi Honorary Society Taps 88 Students

Eighty-eight Paterson State College students were tapped for the honorary fraternity Kappa Delta Pi at an assembly program last Tuesday. The fifty-nine seniors, twenty-four juniors and five sophomores are listed below.

Kappa Delta Pi is a national honorary society in education with over 200 local chapters in colleges and universities throughout the country. Membership in the Alpha Zeta (Paterson State's) chapter is considered one of the highest honors a student can receive at the college. Although sophomores are tapped, they may not become members until their junior year.

After a careful investigation, all sophomore, junior and senior students in the upper quintile of their class with the required grade point average were sent ap-

plications for fraternity membership. Questionnaires were also sent to all members of the faculty listed for references by the students. In addition to a very high academic record each applicant must have participated in on-campus activities or give good reasons why this has been impossible, and display high personal and leadership qualities.

The student must also show promise of a continuing interest in the field of education. It was reported earlier this year by Sally Abromowitz, PSC's student delegate to the bi-annual national convention, that the national organization wishes all local chapters to stress these service qualifications rather than the necessary academic record.

The pledges will be officially initiated into the fraternity at a meeting to be held May 7 in the Little Theater. Although this ceremony is restricted to members, initiates may bring guests to the banquet at "The Chalet." Alumni and faculty members and guest speaker, Dr. Marion E. Shea, will also be invited to the dinner.

SENIORS named to Kappa Delta Pi are:

Clara Bloom, Rutherford; Mary Ellen Brown, Rhode Island; Helen Cahn, Saddle Brook; Sandra Frost Civitello, No. Haledon; Gertrude C. Clausen, Dumont; Eleanor Mc Mahon Cody, Lodi; Edythe W. Dar-

Class Of '68, Parents Hosted On Campus

The college population explosion was graphically illustrated on the campus of Paterson State College in Wayne on Saturday when 650 of the 694 prospective 1964 freshmen and over 900 of their parents spent the morning getting ready for college entrance in September. While the new students spent the three hours from 9 to 12 taking the English placement exams, their parents went to school also. A conference was set up for them which involved moving the 900 parents around the campus to the three large areas left after those needed for the freshman test-takers were preempted. This meant that each basic lecture was given seven times.

The subjects which the parents studied dealt with fundamentals: Adjustment at the College (Dean Mary Holman), Grades at the College Level (Dr. Sam Cooper, Registrar), and "Homework" at the College Level (Dr. Grace Scully). In between the lecture sessions, parents roamed freely over the campus, consumed quantities of coffee and buns in the student dining hall, and consulted with available staff members about housing, financial aid or other concerns.

Alumni Homecoming Set for April 25

A baseball game, motion pictures, art exhibits, class reunions, dinner, and the college spring concert will make up the program of the annual homecoming of the PSC Alumni Association Saturday, April 25.

After watching the Pioneer baseballers take on Trenton State at 1:30 on Wightman Field, alumni will view campus movies — "Old and New" — in the Wing lecture hall and faculty and senior art displays in the lounges. Beginning at 4 p.m., these activities will be offered with the cooperation of the SGA.

A dozen five-year classes, spanning graduation years from 1904 to 1959, will hold receptions at 5 o'clock in Wayne Hall.

With retired faculty as guests of honor, the alumni will then gather at 6 p.m. in Wayne Hall for the Annual Dinner. Presentation of alumni awards, recognition of reunion classes, and elec-

tion of association officers will comprise the program, and music will be provided by Vic Rabasca and his Velvetones.

Participants in the spring concert, which will begin at 8:30 in Memorial Gymnasium, will include all the musical groups of the college — vocal and instrumental.

Nominees for association offices for 1964-1966 are: Dr. Albert F. Doremus '50, president; Miss Virginia Cavalluzzo '53, vice-president; Mrs. Bernice Gloor, '53, secretary; and Mr. Walter Ploch '51, treasurer.

Editorial

Through standard Board of Control elections, a new staff took over the leadership of the BEACON with last Friday's issue. As is traditional, we wish to set forth a statement of editorial policy.

The State Beacon enjoys a very large measure of freedom of the press. Its constitution provides that the student members of the Board of Control determine what shall or shall not be printed. We appreciate this freedom and intend to use it responsibly, making every effort to achieve accuracy and good taste and to reflect fairly the events and opinions of our readers. We believe that students, like faculty and administration, can make a positive contribution to the steady progress of an institution toward excellence.

We also need the help of every member of the college community, both student and professional. When we make mistakes, we want to hear about them in writing and right away. When you agree or disagree with our news or editorial coverage, we ask you to write us. In making news assignments, in gathering facts, in expressing opinions, we will try to be as thorough and honest as possible. And we urge that you make information readily available to us and forward information when it seems that we have not sought out enough fact. Like that of a professional newspaper, our staff is few in number in comparison to the total population we serve. With the interested aid and concerned criticism of the entire college, we believe we can produce a student newspaper which effectively represents its student readers and at the same time affirmatively serves its college.

Published weekly during fall and spring terms by the Student Government Association of Paterson State College, 300 Pompton Road, Wayne, N. J., the **STATE BEACON**, with editorial offices in the College Center, campus, is supported through SGA appropriation and advertising. Content of the newspaper represents the judgment of the staff, acting in accord with the **STATE BEACON** Constitution, and does not necessarily represent the judgment or beliefs of the S.G.A., Paterson State College, or the State of New Jersey.

College Sponsors Theater Trips To "Lear," "Hamlet"

In commemoration of the Quadricentennial of Shakespeare's birth, 350 students will attend six performances of the Broadway production of "Hamlet" on May 5, 7, 11, 13 and 14. Only students from various English and speech classes will be eligible for the trip. Tickets may be obtained in the English office beginning May 1.

The English Club will also sponsor a separate trip on May 18 for students who wish to attend the opening night performance of "King Lear". These students will attend the first dramatic performance scheduled at the New York State Theatre in the Lincoln Center. Only 100 \$2.75 and \$3.75 tickets will be available on a first-come, first-served basis. The price of the tickets includes transportation to and from the college.

Letters to the Editor

Contributions to this column are the opinions of the readers and, as such, are unsolicited. All letters are required to be of a standard that will reflect the best interests of the college. Anonymous letters will not be printed but names will be withheld on request. The Beacon reserves the right to edit all letters.

We officers of the P.S.C. chapter of AAUP, read with interest a letter dealing with our organization in the last issue of your paper. In connection with that letter, we would like to present the following information:

1. The AAUP is a national organization of some sixty-two thousand members and eight hundred and fifty chapters on campuses throughout the nation. On our campus, there are over fifty members.
2. We are concerned with effective faculty participation in college government, not with running every aspect of college operation by vote.
3. The position paper prepared by the State College Committee of the State Conference of AAUP was approved by our chapter.
4. We want Paterson State College to become all that it can

be. We have been working toward that goal.

Signed,
Sylvester J. Balassi,
president
John P. Runden,
vice president
Howard Ozmon,
recording secretary

Leadership Lab. Names Student Selection Comm.

The College Leadership Laboratory committee for the selection of participants includes Dr. Ken Herrold, Dr. Marie Yevak, Dr. Gabe Vitalone, Gene Ricci and Margie Smith. The committee completed the final processing of student applications on April 14.

Although seventy students took application forms only forty-two people returned them before the April 10 deadline. The students finally selected will attend the Leadership conference at Hidden Valley, New York during the week-end of May 14-17. The Leadership Laboratory is under the direction of Dr. Ken Herrold of Columbia University and his staff.

Although sophomores have shown the most interest, the committee hopes to have more freshmen attend. All expenses for those chosen to attend will be paid by the Student Government Association.

Brubeck Plays To Packed Gym

More than 900 students and guests attended Wednesday's Evening Series program featuring the Dave Brubeck Quartet. The program was originally scheduled for Tuesday, April 14, but due to an unexpected call from the President of the United States, Mr. Brubeck was forced to reschedule his appearance for April 15.

The internationally acclaimed group was first organized over 15 years ago when the performer was still a student of Darius Milhaud at the Mills Graduate School. In the beginning the group was an octet, a youthful jazz band. The first recorded group had shrunk to a trio, and in 1951, the quartet had begun.

The program was the second event planned by the Evening Series Committee. Co-chairmen were Elaine Flesko and Cathy Cahill; faculty advisor is Miss Anita Este.

Candidates for SGA To Campaign at Rock

On Tuesday, April 21, students campaigning for Student Government Association posts have scheduled a campaign to be conducted along professional lines. A platform will be erected around "The Rock" and campaigning students will address the assembled throng.

Beginning at 1:30, candidates for each position will reveal their projected viewpoints concerning the issues of this year's campaign. The assembly, conducted under the chairmanship of John Arendas and co-chairman Dennis Kominsky, is held to acquaint the student body with each candidate.

The candidates are: president — Lon Lawson, Steve O'Connel, Lanny Rinehardt; vice-president — Jerry Cowan, Jim Forkan, Mark Evangelista; treasurer — Kitty McGrath, Ethel Gamble; corre-

sponding secretary — Yvette Segal, Gail Farrel; recording secretary — Allison King, Sue Matthews.

In the event of inclement weather, the entire platform will be removed to the interior of the gymnasium. Since campaigns concern the viewpoint of the elected representatives, attendance at this assembly will be of benefit to the entire student body. Student Government elections will be held on Tuesday, April 28.

RELAXING AFTER A RECENT gig is the Dave Brubeck Quartet. The controversial jazzmen appeared at PSC on April 15.

PSC "RICKY HUMMEL DAY" IS COMING

Counsellors Review PSC Frosh Program

The Department of Student Personnel sponsored a guidance program yesterday in the conference room of Wayne Hall. The second of its kind at Paterson State, the conference was established to acquaint guidance counselors of high schools throughout the state with problems encountered by students about to enter college. The problems discussed are based on experiences of the PSC freshman class of 1967.

The conference began with a welcoming address by Paterson Following Dr. Cooper's address, State's Registrar, Dr. Sam Cooper. various members of the administration staff spoke on topics pertinent to the program. Mr. Richard Desmond, Director of Admissions, presented a profile of the entering freshmen class. Miss Dorothy Rista discussed scheduling considerations for individual differences among entering students. Such considerations include placement in remedial reading, grammar, or speech and advanced or regular math courses. Dr. Marie Yevak and Miss Anita Este presented a report on their findings compiled from interviews with students presently enrolled. Also Dr. Cooper presented the reasons given for attrition in the freshman class.

These addresses were followed by reactions from James Lawther, Dale Totten and Susan Piepers, all members of the present freshman class.

Immediately after the program, a buffet supper was held in the faculty dining room, where Dr. Shea welcomed the members of the conference. Fred Hechinger, education editor of *The New York Times* and author of *Teenage Tyranny*, spoke on the topic of "Teenagers — Rebellion of Tradition" at the close of the program.

Delay Seen For PSC Fair Tickets

Dean Mary V. Holman, Dean of Students, has made an announcement expressing her regret over the delay in securing World's Fair tickets which have been ordered by members of the student body and faculty. "Students and faculty requests are among 8 million similar requests for reduced tickets now being handled by the Fair Committee," commented Dean Holman. "Everything to expedite matters has been done," she added, "but the fact remains that we must wait. When the tickets arrive the entire campus will be notified. However," Dean Holman concluded, "to avoid any misunderstanding, tickets will be distributed only to those who have placed orders."

Keezer, Lincoln Park; Eleanor Keicher, West Caldwell, and Rosemary G. Kelleher, Wyckoff.

Also, Ruth T. King, Passaic; Jeanette Kocak, Westwood; Marianne Kollmeier, Paterson; Angela C. Kondes, Teaneck; Mary Donna Lien, Denville; Joan Munschauer, Dumont; Lilyan Schwartz, Clifton; Rheta Solomon, Rockaway; Judith Stern, Fair Lawn; Gilda Walsh, Riverdale; Marylou Yacono, Clifton.

SOPHOMORES named to Kappa Delta Pi are:

Ethel Gamble, Ridgewood; Ellen Mc Cloy, Denville; Ilda O'Biso, Lincoln Park; Elizabeth T. Perelli, W. Caldwell, and Ann Florence Stokes, E. Rutherford.

"All The World" To Fete Birth Of Shakespeare

by Rosanne Ponchick

"All the world's a stage, and all the men and women are merely players. They have their exits and their entrances; and one man in his time plays many parts . . ." This quotation, from Shakespeare's "As You Like It," will be among the familiar words heard during the quadricentennial Shakespearean Festival throughout the western world, beginning April 23.

The Festival is to be held all over the United States, Canada, parts of Europe and primarily in Stratford-on-Avon, England. There will be many opportunities for PSC students to share in the celebration.

A televised program on Sunday, April 26 from 10-11 p.m. on the N.B.C. network will present "Soul of an Age", which was filmed around Stratford-on-Avon, England. In addition, many variety programs will include the Shakespearean theme.

Live performances of Shakespeare's works will be performed for students to enjoy. On Broadway, Richard Burton, Hume Cronyn, and Alfred Drake will head the cast of John Gielgud's production of "Hamlet" at the Lunt-Fontanne Theater in New York. At the same time, a production of "Hamlet" will be performed starring George Grizzard at the Tyrone Guthrie Theater in Minneapolis, Minn. now through Oct. 10. In addition to these performances, the Royal Shakespearean Theater in London will move to the New York Theater at Lincoln Center for four weeks beginning June 4, at which time "King Lear", "Taming of the Shrew" and "Midsummer Night's Dream" will be performed.

Summer is also time for Central Park's offering of free Shakespearean drama. In addition to the presentation of "Hamlet", Central Park will also offer the world premiere of David Amram's opera "Twelfth Night" on September 1.

Moreover, in America's Stratford-on-Avon (Connecticut), performances of "Hamlet" and "Much Ado About Nothing" will be staged for students until May 30. The official opening of the commercial season will be on June 7 when "Hamlet" and "Much Ado

About Nothing" will be offered. Then, on June 9 and 10, "Richard the Third" will also be scheduled.

However, if students are still interested in attending the official celebration of this Festival, a trip to Stratford-On-Avon England is highly recommended!

Dr. Baravalle To Discuss Math Methods

"The New Methods of Teaching Mathematics From Elementary School to College" will be the topic of Dr. Hermann Von Baravalle's lecture before the Mathematics Club at their 1:30 meeting on April 23.

Educated at Vienna University, Dr. Baravalle is presently in charge of the Teacher Training Program at the Sacramento Waldorf School in California. He has written books on plane and descriptive geometry and physics.

The Thursday meeting will be held in W-101. All students and faculty are invited to attend.

ETV Utilized In School 27

Speech students at PSC have had the unusual experience of observing the use of educational television in the elementary school.

The students and their instructor, Mrs. Barbara Sandberg, in cooperation with Dr. Norman Weir, Principal of School No. 27 in Paterson, have observed the second grade classes taught by Mrs. Antonucci and Mrs. Newbold reviewing "Time For Science" on Channel 13.

Ricky Hummel

WATCH FOR NEWS IN FUTURE ISSUES

Bench Chatter

by Tom Terreri

Although the basketball season has long since terminated, a couple of commendable points have passed by without recognition. Firstly, sophomore Steve Clancy placed second among conference scorers, and was selected to the second team of the NJSCC. Secondly, Paterson State had four players who averaged more than ten points per tilt. The list includes Clancy, Bill Born, Tom DeStefano, and Don Duin.

Clancy finished the campaign nine markers behind Fred Ball of Newark State who tossed in a total of 224 tallies for a 22.4 average. Steve's 21.5 conference average rendered him a sum of 215 points. Clancy managed to toss in 57 foul shots, second only to Montclair State's Pete Capitano, who threw in 64 charity tosses. Capitano holds the scoring crown for the last two years. As related previously, Steve was placed on the second NJSCC squad. One must wonder what the criteria for the first team is?

Coach Wolf furthers this belief that Clancy has been underrated. He hoped that Clancy would earn recognition even beyond the honor of a place on the conference first team since he played well offensively and defensively. Clancy posseses a fine outside shot which makes him a constant threat outside as well as underneath.

PSC managed to place three other players within the top twenty conference scorers. Senior Bill Born's 112 points for a 12.4 average yielded him twelfth place. Freshman Tom DeStefano and co-captain Don Duin had 102 markers for a game average of 10.2. They were deadlocked in the fifteenth position.

GSC Outslugs Paterson 11-9

In an exciting nine innings, the Paterson Pioneers dropped their second game in four outings last Saturday to Glassboro State 11-9.

Though Glassboro jumped off to a quick lead 1-0. Paterson suddenly caught fire in the second inning. After two runs were scored, both on fielders choices, Mark Evangelista blasted a 365 foot drive over the right fielders head to add two more runs to the score. The top of the third inning watched Bill Born lead off with a 285 foot home run over left field. PSC now had, what seemed to be, a comfortable 5-1 lead over Glassboro.

However, Glassboro quickly came back in the middle innings to score eight runs. Paterson's losing pitcher, Vince Lupinacci, was relieved of his pitching duties in the middle of the sixth after Glassboro had scored three runs. His relief, Paul Reilly, came on with two men on base and, before he could put out the fire, three more Glassboro runs crossed the plate.

The entire game was studded with errors by both Glassboro and Paterson State. The victors had the lion's share with 14, while the Pioneers tallied only 10.

Women's Bowling Cops First Place

Women's Recreation Association bowlers of Paterson State placed first in a Playday tournament last Monday. The P.S.C. girls played hostesses to 36 bowlers from Newark State and Newark Rutgers at the T-Bowl. After the girls had finished bowling a three game series they relaxed at a supper provided for them by the W.R.A.

The bowlers from P.S.C. placed first with a team average of 120. Rutgers placed second with 112 followed closely by Newark State with 111. Honors for high game went to Vicki Hofacker of Newark State, 178, Mary Lou Miller of Paterson State, 175 and Maria Lamagna also from Paterson State with a score of 169.

Pioneers Take Baseball Opener From NCE 5-1

Paterson State opened its 1964 baseball season with a 5-1 victory over NCE at Wightman Field on Tuesday, March 31. Paul Reilly was credited with the win. He went the full distance and struck out four and walked one. Bill Born had two hits for three times at bat while Mark Evangelista and Charley Ramthaler had two safeties in four tries each and were responsible for four tallies. Since the temperature was only 35 degrees, Reilly hustled the victory along by throwing only 94 pitches from start to finish.

The Pioneers dropped a close one 3-1 to Queens College on Thursday, April 2. Paterson was able to squeeze only two runs from Queens' hurler Filante, who struck out twelve and walked two. Born was handed the loss though he fanned six and walked only four. Born gave up only two hits in the last eight and two-fifths innings. Nevertheless, four Queens tallies in the first inning, two of which were unearned, proved too much for Paterson to overcome. Born was also "the big man with the bat" with three for four including a triple.

The Pioneers rebounded to slash NCE 14-4 on Saturday, April 4 at Wightman field. Vince Lupinacci was the victor. He traveled six innings and Bill Joosten hurled the last three frames and whiffed four. Dave Alexander was two for four as was Evangelista but Born swung the "big bat" again, going three for four and accounting for four runs.

In the first three contests, Bill Born has managed eight hits out of eleven tries for an impressive .729 average. Mark Evangelista has five for twelve at bats for a .417, accompanied by Alexander's three for nine or .333.

Women's Fencing Tournament Opens

The Intercollegiate Women's Fencing Association will hold its thirty-sixth annual championships at Memorial Gymnasium, Paterson State College, on Friday, April 17, and Saturday, April 18. Beginning at 8:30 Friday morning, women foilists from twelve member colleges will fence through the day and resume on Saturday morning at 9 A.M. until team and individual national collegiate titles will be decided after a total of 1,128 bouts have been fenced.

The seventy-two fencers and alternates who will fence, represent twelve colleges, all from the eastern part of the country where collegiate fencing is strongest. Those participating are: Brooklyn College, Drew University, Elmira College, Fairleigh Dickinson University of Rutherford, Fairleigh Dickinson University of Teaneck, Hunter College, Jersey City State College, Montclair State College, New York University, Paterson State College, Rochester Institute of Technology, and Rutgers University of Newark.

The team and individual championships are to be conducted simultaneously, each being a complete round robin, as each of the forty-eight starting fencers meets the other forty-seven or their alternates. Since a perfect record of 4 victories is the goal for each aspirant for the individual title, leading contenders for the championship are never replaced by substitutes, but fence every bout. Upsets are to be expected in the first round as teammates fence each other, then things settle down to a more predictable pattern as the four girl teams meet each other in sixteen bout matches, with the top seeded teams fencing the lower half of the seeding in the first day's matches. On Saturday as the stronger teams fence each other the competition becomes sharper, with the championship usually not decided until the last few bouts of the final match.

This week for the fifth consecutive year, the two top seeded

teams are Fairleigh Dickinson University of Teaneck with an undefeated season, and Paterson State College whose only loss was at the hands of F.D.U. The Teaneck girls won the championship in 1960 and 1963, while the most recent of the five Paterson championships were in 1961 and 1962.

Danbury Dumps Paterson 4-2

On Monday, April 13, the PSC nine dropped a close one 4-2 to Danbury State College at Wightman Field. During the first inning Paterson State quickly jumped off to a 1-0 lead on a triple by Mark Evangelista and a single by Vince Lupinacci. Danbury tied the score in the second and jumped into the lead in the third by scoring three runs on four hits. The scores were a combined effort by Ruffles and Dagone of Danbury.

From here on, a pitching duel ensued until the seventh inning, when Lupinacci again drove in Evangelista for Paterson's second and final run of the game.

Bill Joosten put in a sterling job on the mound for PSC, giving up only 11 scattered hits and striking out five of Danbury's batsmen. His opponent from Danbury, Bill Girard, gave up nine hits and struck out six.

Mark Evangelista led the batsmen of PSC with three hits in five times at bat.

PSC Students . . .

(Continued from Page 1)

and distributed to each college that participated.

On Friday morning there was a general session of all the delegates to conclude the business of the conference. The luncheon speakers were Dr. James D. Koerner, past president of the Council for Basic Education, and author of "The Miseducation of American Speakers," and Dr. Myron Lieberman, assistant dean for Professional Studies at Rhode Island College.
