RECENTLY ELECTED TO the Rho Theta chapter of Alpha Psi Omega are standing (l. to r.) Jim Robinson, Jill Haigney, Jonas Rosenberg and Alan Kemp. Also pictured are present members sitting (l. to r.) Jane Wallin and Maria Giordano. Alpha Psi Omega is a national fraternity honoring students who have done a considerable amount of work in student theater.

## Seven Pioneer Players Named To Drama Frat.

Dr. Robert C. Leppert, moderator of the Rho Theta chapter of Alpha Psi Omega, the National Dramatics Honor Society, has announced that the following seven students have been awarded membership: Alan Kemp, James Robinson, Jonas Rosenberg, Valerie McIlwrath, Carol Bocker, Cliff Keezer, and Jessica Haigney. These new members join Jane Wallin, president, Anne Zinn, vice president, Marie Giordano, secretary-treasurer, and Susan Grubina, active members on campus.

The purpose of this dramatic fraternity is to stimulate interest in dramatic activities at Paterson State College, to secure for the college all the advantages and mutual helpfulness provided by a large national honorary fraternity, and by electing students to membership, serve as a reward for their efforts in participating in the plays staged by the college. This chapter of Alpha Psi Omega augments, but in no way replaces, the regular Pioneer Players dramatic club.

Students are elected to membership in the honorary dramatic fraternity on the basis of good academic standing and eligibility points. Points are awarded for both acting and stagecraft activities. Forty points are required for eligibility with twenty points in performance and twenty points in production. These points may be achieved through participation in the three major productions of the Pioneer Players and through its workshop program.

## Pioneers Split Conference Tilts

Paterson State romped Shelton College 9-1 last Friday, April 24 at Wightman Field. The victory was PSC's fifth of the season. Bill Joosten was credited with the win going all the way. He allowed only one tally and six safeties as he whiffed seven and passed two.

The Pioneers blasted across three quick ones in the first, and added two in the fifth, one in the sixth and seventh, and two in the ninth. Bill Born had three hits in five trips, while Richie Witte had 2 for 5 and Mike George went 2 for 3, including a booming triple to right-center field. Joosten also clobbered a three-bagger during the rout.

TSC revenged an earlier loss to PSC and downed them 7-4 last Saturday, April 25 in enemy territory. Paterson is now 2-2 in conference play. Paul Reilly chucked five innings receiving the loss, as Vince Lupinacci finished the tilt.

The Lions slammed across two in the first and proceeded to tally three more in the fifth. TSC closed out their scoring with 2 in the sixth while PSC pushed across its lone three in the seventh. The Pioneers managed to obtain only eight hits for four runs. The Lions had twelve safeties and seven markers. Tom De Stefano and Dave Alexander had two hits in the vain effort.

## PSC Students Fill NJEA Posts

Sophomore Mary Ellen Cassidy and Ruth Nolder, a freshman GE major, were recently elected to the Student New Jersey Education Association at the annual conference held at the Central New Jersey camp of the Y.M.-Y.W.C.A. The conference, held April 24-26, was attended by over 300 delegates representing approximately 350 chapters of the Future Teachers of America and Student Education Associations throughout the state of New Jersey. Paterson State was (Continued on Page 2)

VOL. 29, No. 23

Paterson (N. J.) State College

May 1, 1964

The Third Annual Varsity Awards Banquet will be held on Monday, May 4, at 6:30 p.m. in Wayne Hall. All squad members who have signed up are invited to attend. The speaker of the evening will be Dr. Charles Irace, Director of Athletics at Hunter College of City University of New York.

## Varsity Keglers Reach For Tourney Finals

Sunday afternoon, team captain Fred Koenig and Jimmy Fells paced PSC's bowlers in the Eastern Invitational Match Game Championships at Bowlmor Lanes in New York City.

Koenig, rolling a 1476 series, which included games of 235, 222, 210, led qualifying bowlers on the 4 o'clock squad representing some 60 bowlers from east coast schools. Fells, with games of 210, 250, 195, totaled 1455 for his eight game total. This placed Koenig and Fells in fourth and ninth places respectively out of a total of 300 bowlers who have thus far competed.

If the men remain the top 15 after this week's competition, PSC bowlers will become eligible for the Collegiate National Championship for the first time.

Other PSC keggers were Vic Farkas 1,388; Dave Alexander 1,273; George Hirschburg 1,234; Marty Margarita 1,227 and Bob Becker 1,220.

## Warner Memorial Dedicated, Bronze Plaque Unveiled

The C. Kent Warner Memorial was dedicated Tuesday, April 28, by William Pecoraro, President of the Natural History Club, at a ceremony conducted by Dr. Donald Levine, professor of Science. The mounted, bronze plaque that officially marks the site was unveiled by Dr. Kenneth White, Dean of the College. The brief ceremony closed with the planting of trees by the four class presidents. The Memorial commemorates the service of Dr. C. Kent Warner, chairman of the Science department from 1958 until his death in 1963.

The Memorial is located on the path between the Science Lecture Hall and Wayne Hall. In addition to the bronze plaque there is a large rock with four concrete benches and two sugar maples grouped around it. The plaque reads as follows:

IN MEMORIAM  
C. KENT WARNER  
Science Department  
Chairman  
1958-1963

"Go to proof for authority, and not to authority for proof".

Funds for the Memorial included contributions from students, friends and alumni as well as a grant from the Faculty Association of Paterson State College.

Class rings that have already been ordered can be picked up on Tuesday, May 5, from 10 a.m. to 2 p.m. in the Octagonal Room of the College Center. New orders for rings will be taken at that time.

DEAN KENNETH WHITE is pictured above dedicating the "C. Kent Warner Memorial." Dr. Warner was chairman of the Science department from 1958 until his death last year.

## PSC Players Present "Source And Song"

Tonight, at 8:30 in the Little Theater, the Pioneer players will present the second performance of **The Source And The Song**. The presentation, written by Dr. Robert C. Leppert, associate professor of speech, opened last night. Unique in its purpose and scope, **The Source and The Song** is not a play, nor is it a concert reading in the conventional sense, but rather, as Dr. Leppert prefers to call it, "an entertainment with actors."

Since the script spans so many periods in history and illustrates its unique characteristics, much is demanded of the actors in assuming the many and diverse characterizations. The entertainment is written in lyric poetry and poetic prose and as the actors progress from era to era, the verse form of that period is employed.

A series of "blackouts" indicate the change in period and shift of

emphasis. The costuming, as the set, is not indicative of any period; it too must be able to adapt readily. The men wear suits and ties and the women are attired in plain, floor-length dresses.

The cast of the production includes: Larry Spiegle, Jonas Rosenberg, Thomas Hunkele, Jessica Haigney, Barbara Abbate, and Judy Schiller; assistant manager, Carol Bocker, stage manager, Alan Kemp, lighting, Cliff Keezer, and sound, Mrs. Barbara Sandberg and Valerie McIlwrath.

# Editorial

## Welcoming Message

Congratulations are extended to the winners of the recent campus elections. The new officers and representatives are assuming their duties at a crucial time. It behooves each and every one of them to act in such a manner that every official act will be representative of the entire student body. Considering all past events, the Student Government Association has never really filled its rightful position on this campus. Speaking for the student body, we of the Beacon pledge our utmost to assist the SGA in fulfilling their legitimate aims.

## Some Needed Reforms

In the interests of establishing a more efficient and representative Student Government Association, we respectfully tender the following suggestions. In an effort to alleviate the uncomfortable and inhibiting feeling which the new officers face every September, we suggest that elections be held at such a time that will enable the newly elected officers to assume their duties at the beginning of the Spring semester. This is the time when past experience and guidance is most sought for and most easily found. Under the present system of elections this aid cannot be obtained since the preceding officers have been graduated.

Another suggestion deals with the Elections Committee. This year's committee consisted of two people. The chairman was appointed by the President of the SGA two years ago. He in turn has appointed a co-chairman to assist him and gradually assume his duties. The two members of this committee did a commendable job but were overwhelmed by the staggering amount of work entailed in one election. Therefore, we suggest that the Election Committee be formed as soon as possible by the new administration who will insure a number of committeemen commensurate with the labor involved.

## A Standard Prediction

Once again the student body of Paterson State College has acted in a most predictable manner. Tuesday's campus elections serve as a perfect example. Much ranting and raving has been heard on campus concerning certain events in the past and predictions made by supposedly "informed" individuals pictured the students of this college rising in a body to right grievous wrongs. The "body" raised last Tuesday was better left buried — it was a mere skeleton. Out of approximately 2,100 eligible voters, exactly 931 cast their ballots for Student Government and class officers. This election was not a training ground for the real thing nor was it a game. Instead it was used to register the opinion of the students of this college as to their choice of elected representatives. Can it be possible that approximately one-half of the students of this college community do not care who speaks for them? Does one-half of the student body speak for everyone? The implications behind a positive answer to these questions are enormous. If, for instance, any of the splinter factions on campus decided to band together and form a united front opposed to the ideals of the Student Government as they now stand, they could totally destroy them and cripple the now strained relationship maintained by the student body with the college administration. We can only hope that the students of this college will, in the future, reflect more seriously on the issues at stake in any election.

## Correction

The editorial column of the Beacon, September 20, 1963 issue, concluded with the sentence "We advocate recognition with student supervision to rule out discriminatory practices." There was a typographical error. It should have read "We advocate recognition with student supervision to rule out discriminatory practices."

# Paterson State Profs. Improvise Poetic Jazz

Dr. Richard Nickson, associate professor of English, read poetry to the accompaniment of the improvised jazz of Dr. Martin Krivin, assistant professor of Music, clarinetist, and Vinson Hill of New York, a jazz pianist. The program was presented to an audience of combined Music and English classes this morning at 9:30 a.m.

Dr. Nickson has had articles and verse published in the United States and England. He was the lyricist for two song cycles, *Songs of the Night* and *Cyprian Songs*, by the American composer, Benjamin Lees. He has also collaborated with other composers. Dr. Martin Krivin, has played both jazz and classical clarinet professionally. He studied clarinet in New York and at the School of Fine Arts in Fontainebleau where he was a pupil of Marcel Jean of the Paris Conservatory. Vinson

Hill is currently appearing as a jazz pianist at the Clarksville Inn and the Motel on the Mountain. He has had advanced studies in piano and composition at Julliard. He teaches jazz and classical piano in his New York City studio and he has taught courses in jazz and jazz piano at Rockland Community College and Columbia University. This group has previously performed for the River Dell High School student body in March 1963. This was their first appearance together.

# New Dorm Ready For Fall Semester

by Rosanne Ponchick

In addition to Pioneer Hall, the present women's dormitory, another dorm is now steadily under construction on campus. Work was begun on July 25, 1963 and is expected to be completed in the fall of 1964. This additional building will provide living quarters for approximately 100 women. Pioneer Hall houses 148 women. The structure, costing \$607,071, will cover 27,500 square feet and will be located near the first dorm. It is expected to be in full use by 1965, but some students will occupy the rooms for the fall semester '64-'65.

The new dorm will consist of 48 double rooms, most with adjoining baths, and 4 single rooms. The single rooms will be awarded to students on a seniority and request basis. Dormitory number two will also provide residents with study rooms, small floor lounges and one main lounge. In the recreation hall, a kitchenette will also be available for student use. One main feature of the new residence will be a fireplace on the first floor. Apartments for two resident hall counsellors will also be located on the first floor.

Residences in the new dormitory will be made available to entering students as well as present Pioneer Hall residents. Of eighty freshmen selected for dorm residence, forty will reside in the new dorm and the others will be placed in Pioneer Hall.

With this additional dormitory, necessary leadership will be organized to serve as a basis for regulating dorm policies, rules and regulations.

The question of moving into one dorm or remaining in the present one has confronted many of the female residents. "I'd rather stay in an established dorm," stated freshman art major Audrey

## PSC Students . . .

(Continued from Page 1) the only college to have two members elected to state offices. Miss Cassidy, the president of the Paterson State SEA chapter, was re-elected to the office of State Secretary. Miss NoNider was elected College Delegate-At-Large. The students representing Paterson State were chaperoned by Mrs. Ruth K. Fern, SEA advisor.

Parker, "here we already have a piano and a stereo for our leisure use. Besides, the distance is shorter from here to classes."

Even though some are in favor of remaining in their present living quarters, others prefer to "enjoy new things," as stressed by Pioneer Hall president Ellen McCloy. She feels that the trial of new dorm facilities would add to her experiences with other girls, as well as give her a chance to observe the organization of dormitory procedures. Fran Mroz, junior G.E. major, desires to "live in a more home-like atmosphere, even though the rooms may be smaller in size." Fran sees a "more pleasant arrangement in the new dorm, especially with the fireplace in the main lounge!"

## Let's say for a minute, this is you.

Once you wear the gold bars of a second lieutenant in the United States Air Force, what's in store for you?

Well, you may fly an aircraft entrusted with a vital defense mission. Or you may lead a research team tackling problems on the frontier of knowledge. You'll be helping to run an organization that's essential to the safety of the free world.

Sounds like you'll be called on to shoulder a good deal of responsibility, doesn't it?

But when you come right down to it, that's what your college

years have been preparing you for. You've got ability and a good education. Now's the time to put them to work!

You'll have every opportunity to prove your talents in the Air Force. By doing so, you can put yourself and your country ahead.

If you're not already enrolled in ROTC, you can earn your commission at Air Force Officer Training School—a three-month course that's open to both men and women college graduates. To apply, you must be within 210 days of graduation.

**U.S. Air Force**
