

## PSC Drops One, Picks Up Two in SCAC Loop

On Tuesday, May 5, Montclair State edged Paterson State in a New Jersey State College Athletic Conference game 3-2 at Sprague field in Montclair. Senior left-hander Bill Born started on the mound for the Pioneers, and was opposed by another southpaw Jack Staden. Both pitched excellent ball, with the game being decided when Montclair's Manny Periera got a home run from Born in the fifth inning.

Rich "Teuton" Witte led Paterson's attack with three hits, including a double and a run batted in. Paterson got back on the winning track at home on Thursday, May 7 by defeating tough Upsala College 7-4.

Vince Lupinacci went the distance for Paterson, allowing four runs on nine hits while striking out five and walking two. He fanned three Upsala pitchers en route to his second win against two defeats, as well as smacking a run scoring single.

Captain Mike George led the Pioneers' attack with two hits, including a booming triple. Big Frank Madden, who has been doing a great job got two more hits and two rbi's, to raise his average to around .450.

On Saturday May 9, Paterson State pulled their biggest upset of the year by defeating an excellent Monmouth College team 6-4 at nightman field. Monmouth's best record before the game was 11-2 and Paterson's was 7-5. Bill Jousten started on the mound for Paterson and went six (Continued on Page 2)

## Columbia U. Confers Ph. D. On Prof. Resis

The degree of Doctor of Philosophy has been conferred by Columbia University on Albert Resis, Assistant Professor of Social Science at Paterson State College.

Dr. Resis' dissertation, *The Profintern: Origins to 1923*, deals with Communist policy toward the world trade-union movement as developed in the Red International of Labor Unions.

Part of the research was done by Dr. Resis at the Lenin State Library in Moscow and the Bibliotheque Nationale in Paris. The paper is based mainly on sources in the Russian, German, and French languages and some in Spanish and Italian. The dissertation is now being considered for publication. The Columbia University Press has already published a portion of it in J.S. Curtiss' (ed.) *Essays in Russian and Soviet History*.

Several biographical articles on Russian historical figures by Dr. Resis have been published in the 1964 edition of the *Encyclopedia Americana*. Accepted for publication are his essays on the Profintern to appear in *A Bibliography of Soviet Foreign Policy and Communist Affairs*, published by Princeton University Press, and "Could Russia Avoid Capitalism? The Views of G. V. Plekhanov, 1878-1944", which will appear in a collection of essays published by the Columbia University Press.

Dr. Resis received his B.S. and M.A. at Northwestern University. Before coming to Paterson State in 1958, Dr. Resis taught at Rutgers University at Newark. From 1942 to 1946 he was a musician and interpreter with the U. S. Army working with German prisoners of war.

## Annual Assembly Program Honors Worthy Students

The annual Awards Assembly of Paterson State College was held last Tuesday, May 5, in the Memorial Gymnasium. This event honors those students who have made significant contributions to the college during the year. The assembly was opened by Miss Patricia Carson who greeted the students and faculty and introduced Dean Mary V. Holman. Dean Holman discussed the role of the S.G.A. on campus, emphasizing that, as members, all students should play an active role in their student government. Following Dean Holman, Ross Alfieri, acting president of the S.G.A., installed the incoming officers of the student government for the 1964-65 academic year.

Dean Holman introduced the members of Who's Who in American Colleges and Universities. Paterson State is one of 700 colleges and universities that participate in naming people for this honor. Other awards were presented by Miss Dorothy Rowlett to

Jim Newquest, president of the Association of Childhood Education and by Mrs. Ruth Fern for the Student Education Association. Mrs. Fern also noted that two members of the Paterson State chapter of the S.E.A. were elected officers of the state organization.

Two-year members of the Chansettes were given awards by Dr. James McKay, and more than fifteen members of the A-Cappella Choir were complimented on

## Annual Guest Day Hosts New Frosh

Paterson State's annual Guest Day will be held on Sunday, May 17, from 1:30 to 4:00 p.m. All buildings on the campus except Haledon Hall will be open to the public with activities and exhibits scheduled throughout the day. All 1964 freshmen and their parents have been especially invited, as well as any interested high school juniors.

There will be several special features this year. One is a mock United Nations General Assembly meeting put on by a Paterson State alumnus, Dominick A. Lauricella, as part of his work in a graduate seminar for elementary social studies teachers. He is bringing 28 students from the Ridge Ranch School in Paramus to put on two sessions, one is scheduled from 1:30 to 2:30, and the other from 2:45 to 3:30. The first session will include a short tribute to the late John Fitzgerald Kennedy and the handling of a resolution dealing with the admission of the People's Republic of China to the United Nations. During the second session of the extension of the United Nations operations in the Congo will be deliberated.

A second feature will be a lecture

### LOST

Anyone finding a folder containing a pamphlet entitled "The Art of Living" and miscellaneous notes, please return it to Miss Meeker's office, Room H-200.

ture on the history of the city of Paterson by a graduate student and alumnus, Vincent D. Waraske, a teacher in School No. 10 in Paterson, to be given at 2:00 p.m. in Room 208 in Hunziker Hall. Mr. Waraske, who holds both bachelor's and master's degrees from Paterson State, carried out his highly successful project with his 8th grade students as part of a graduate course at the college. His basic purpose in this undertaking was to help his students develop pride in their city. The result of their combined research turned up many fascinating pictures from the past and present of Paterson.

Exhibits will include arts, crafts, sculpture, ceramics, visual materials of all kinds, demonstrations of the teaching of spelling and English, a play-reading, music, folk and square dancing, apparatus and tumbling exhibitions, fencing, math students using field equipment, and various types of science demonstrations. These and others will be going on throughout the campus. Guests are asked to enter the campus by gates 3 and 4 only.

## John F. Kennedy Fund Drive Begins On Campus Monday

John F. Kennedy was the symbol of America's youth. His freshness, idealism and interest in youth and education have identified him with students in colleges throughout the world. College students now desire to preserve his memory and seek a monument by which the name of John F. Kennedy may be recorded for posterity. Such a memorial is the John Fitzgerald Kennedy Library in Boston, Mass. During the week of May 18, Paterson State College will participate in a nation-wide, campus fund drive to raise \$250,000 toward the library goal from college students, faculty and staff.

The other requirement from our college will be to record the signatures of all who have contributed on designated sheets so that we may have a Memorial Book of signatures placed in the library. By signing the sheets, all who contribute to the Library will record their admiration for the late President and their participation in the construction of the structure. These sheets will be on permanent record, bound in volumes by college, at the library. This program is sponsored by the National Student Committee of the Kennedy Library Inc., and will be administered by the Student Government Association on campus.

The Kennedy Library will be erected at a site donated by Harvard University near the Charles River. President Kennedy personally chose this site because he wished the library to be close to the scenes of his own youth and because he wanted it to be a part of a living educational community.

As a memory to the President, the Library will seek to express in architecture the spirit and style of the 35th President. The Library will therefore include, in addition to an austere yet beautiful memorial room, three other areas: a Museum, an Archive and an Institute.

The Museum will display photographs, panoramas, scientific objects and artifacts of all sorts to convey the issues, achievements

and atmosphere of the Kennedy years. There will be a room where individuals can enter a booth, select a Kennedy speech or a significant event of his career, and then see a film or hear a tape of the actual episode. A major goal of the Museum will be to make the experience of recent history

as direct and intense as possible for the visitor and especially for college students and young people.

Housed in the Archive will be the personal papers of President Kennedy, as well as copies of the public records necessary to an un-

# Editorial

Ricky Hummel asks that the BEACON make public his gratitude to those students who donated blood on Tuesday, May 12. "I'm very grateful," he said.

According to the health office, 130 students volunteered to give blood. Of that number 84 people were accepted. The blood was collected by the Passaic County Red Cross Hemophilia Unit which gave 2 units of plasma for every one pint of blood donated by PSC students. As a result, Ricky has 168 units of plasma to his credit.

However, only 8% of the college community responded to the need of a boy who is no stranger to the student body. This year's drive was less successful than last year's. The '63 blood drive accumulated over 180 units of plasma for Ricky but last year's drive was far from successful. The BEACON sincerely hopes that this indication of student indifference will not set a precedent for future drives.

We would like to thank those students and faculty who did donate their blood for Ricky Hummel.

(M. A. C.)

## REPLY PENDING

As of the time this newspaper went to press, the yearbook committee has not answered the letter which appeared in last week's issue of the BEACON. We hope that an answer will be forthcoming as this issue pertains to every student of this college community. While we do not wish to create an issue where none exists, we do feel that this matter is deserving of an explanation.

Published weekly during fall and spring terms by the Student Government Association of Paterson State College, 300 Pompton Road, Wayne, N. J., the STATE BEACON, with editorial offices in the College Center, campus, is supported through SGA appropriation and advertising. Content of the newspaper represents the judgment of the staff, acting in accord with the STATE BEACON Constitution, and does not necessarily represent the judgment or belief of the S.G.A., Paterson State College, or the State of New Jersey.

 their cultural contributions to the college by Mrs. Elizabeth Stine. Awards were also given to members of the Women's Choral Ensemble by Miss Alpha Callandro.

Jane Wallia, president of the FSC chapter of Alpha Psi Omega a drama, honor fraternity, presented awards to the members of the organization. The Kappa Delta Pi honor society award was presented to Miss Sally Abramowitz by Dr. Herbert Lee Ellis. Sally, a delegate to the bi-annual national convention, received the award for meritorious service.

Miss Anita Este presented awards to five senior members of the Hospitality Club, stating that they had been a "great help to the college." Dr. Donald Levine presented the C. Kent Warner award for the Natural History Club to Deborah Palkowitz. Three members of the Romance Language Club received books by their favorite Spanish authors from Mr. Rubio. Mr. Frederick Closs, advisor to the BEACON, read the names of those who have been working on the paper. Mr. Closs thanked them for the work they have done for the BEACON and the college.

Dr. Marie Yevak presented Arlene Kirsch with the annual Delta Kappa Gamma award. The program ended with Mrs. Virginia Randall who presented the Alumni Award to Miss Patricia Carson. The award is given each year to the outstanding senior who has given the college a great deal of his time and service.

## Students Form Outdoor Group At PSC Campus

The National Campers and Hikers Association is in the process of forming a new chapter at Paterson State College in Wayne. Using the name Paterson Pioneers, they will be the first chapter of the N.C.H.A. to be formed on a college campus. The members of the Paterson Pioneers hope that this will be a model for other colleges. Under their faculty advisor, Professor William Engels, of Oakland, an executive committee was formed consisting of President John Espir, of Lake Hiawatha; Vice President Jeanne Koskie, of Lincoln Park; Secretary Carol Blohm, of Berkeley Heights; Treasurer Joseph Christie, of Lyndhurst; and Historian Karol Benson, of Rockaway. A constitution has been drawn up and is being presented to the N.C.H.A. and the Paterson State Student Government for approval. The Paterson Pioneers are planning a full program of outdoor activities.

 innings registering his third win in four attempts. He also helped his own cause by blasting a bases-loaded triple in the second inning to put Paterson ahead. Vic Farkas pitched the last three innings and held the "Hawks" at bay. He extended his scoreless streak to seven innings.

The Pioneers won the game on only four hits, but which came at the right time. Monmouth had 11 hits but failed to push across enough runs.

## John F. Kennedy . . .

(Continued from Page 1)  
 understanding of the issues and actions of his administration. In addition, there will be a collection of books, magazines, newspapers and printed documents bearing upon the President and his times. It will also contain study rooms and the most advanced equipment for a continuing oral history project, for documentary reproductions, for use of microfilm and for the full exploitation of audio-visual material. Once again all of these opportunities to see history will prove to be advantageous to college students as well as the general public.

Finally, the Institute will seek to further one of the President's deepest concerns — his continuing attempt to bring together the world of ideas and the world of affairs: the world of scholarship and the world of decision. A prime objective of the Institute will be to enlist young Americans and young people everywhere in the understanding and practice of democratic political life and public political life. Such an institution will be responsive to the needs of the times, and its resources and programs will therefore strive to bring intellectual and public affairs closer together in many ways. Through lectures and seminars by professors; through meetings with undergraduates interested in public affairs, through fellowships for students and scholars, through a publication program and through literary and public service awards, such a program will be administered. While the Institute will not be committed to a program or policy, it will be established in accord with President Kennedy's own spirit of free inquiry. As the first Presidential Library to be located in a metropolitan center, it will be the most fitting memorial to be erected in memory of the late President.

## Senior Prom Hosts 500

Two hundred and fifty couples will be expected as the class of 1964 holds their prom on June 2, 1964 in the Grand Imperial Ballroom of the Hotel Americana, New York City.

At 9 p.m. the cocktail hour will formally open the activities and precede a roast Vermont turkey dinner. Parking facilities are available at the Hotel Americana and across the street on 52nd Street. Other information can be obtained upon request from either Maureen Wilson or Robert Bednarek.

To help facilitate matters, students who are attending are reminded to use the especially provided 52nd Street entrance as this will make access to the Ballroom much easier.

## Junior Prom

All sophomores interested in working on one of the Junior Prom committees for next year's event are invited to attend a meeting to be held in W-04 next Tuesday at 1:30. If anyone interested is unable to attend please contact Len Lawson.

## BOOK RETURNS

All books not being used in summer or fall semesters are being returned to the publishers. Any paperbacks or textbooks still needed must be purchased today.

## Ricky's Account Swollen To 160 Units Of Plasma

During the Ricky Hummel drive, held on May 12 in the Memorial Gymnasium, eighty pints of blood were collected. One hundred and thirty units including professors, students, private citizens. For each pint of blood donated the American Cross Hemophilia Unit gave two units of plasma. Ricky has 168 units of plasma to credit, on reserve. Last year's drive netted 195 units of plasma.

He needs a never-ending supply of blood to stay alive since blood that has been stockpiled in his use is almost gone. Plasma used to keep blood flowing through the affected areas relieves the pressure in his legs thereby abating the pain. Pain has been his constant companion, and plasma is the effective remedy.

## meet Mrs. Schaefer, PHT wife

PHT, as you may know stands for Putting Hubby Through. And that's precisely what Beverly Schaefer is helping to do — put her hubby through Hofstra University, Hempstead, N. Y. She's part-time Tupperware dealer, demonstrating and selling those fine plastic food containers at home parties. It's profitable and enjoyable. It's easy. Whether you're a PHT wife yourself or a student, ask your campus Financial Aid Director about it, and call your local Tupperware distributor, listed in the Yellow Pages under Plastics or Housewares. Or send in this coupon . . .

☐ Send me information about becoming a part-time Tupperware dealer.
