PATERSON STATE COLLEGE

March 11, 1966

## Committee Plans State University

As is apparent, Paterson State College has widened the scope of its curriculum to include a liberal arts and nursing program. This has been done to accommodate the growing number of New Jersey youths seeking a liberal arts education. The question is, is this movement substantial or does this increase in student numbers demand the establishment of a second state university? The president of the New Jersey Association of School Administrators believes it does.

The six State Colleges—Glassboro S.C., Trenton S.C., Paterson S.C., Newark S.C., Jersey City S.C. and Montclair S.C., have historically been teacher-training colleges. The N.J.A.S.A. is one of the four educational groups which recently proposed that the State Colleges be expanded in size, broadened in curriculum to include many fields of liberal arts, upgraded at the graduate level to include doctoral and more varied master's programs, and combined into a second state university system to be named for Woodrow Wilson. A bill has been introduced in the State Legislature to enact the change.

Critics of such a program protest that the State Colleges would fall short of Wilson's views on a liberal learning and his concept of a university. One

such critic is Dr. Goheen, president of Princeton University and chairman of the New Jersey Citizens Committee on Higher Education. Dr. Branon, superintendent of schools in Hillside, points out that this committee on Higher Education calls for a tripling of the present State College enrollment to 55,000 students by 1975. It also calls for their conversion to multi-purpose institutions, a substantial increase in graduate and professional offerings and extensive research facilities. "This," says Dr. Branon, "is a University."

State Colleges are taking the first step toward becoming true multi-purpose institutions next fall by accepting, for the time, a small number of liberal arts majors. This is evident in the new expansions being made here at Paterson State. Next year, 1967, when new facilities

## Colleges Cooperate For Piano Concert

Rutgers, the only state University, Paterson State College and Seton Hall University, will present the brilliant French pianist Bernard Ringeissen in concert on Friday, March 25 at 8:00 p.m. The concert will take place at John F. Kennedy High School in Paterson. The nominal admission of \$1.00 is made possible through the Carnegie Hall-Jeunesses Musicales Inc. under its International Exchange program. The principal objective of the Carnegie Hall-Jeunesses Musicales, is to foster good music among American youth and young adults and to encourage music making in all levels of proficiency.

Through this movement, the exchange of gifted young artists has spread the music culture of the European countries here in the United States.

Bernard Ringeissen, a native of Paris, has increasingly appeared in concert throughout Europe. In this concert he will present selections from the works of Prokofiev, Debussy, Rachmaninoff, Revel and Haydn. The concert is a performance of various types of music right up to contemporary styles.

Mr. Zoltan Kodaly, a leader in the International Program, has this to say, "I wish youth would discover as soon as possible, through Jeunesses Musicales, the wonderful universe of music which will make the world we live in a happier and more beautiful one for them."

## Vienna Choir Dates Back To Columbus

The history of the Vienna Choir Boys, who will appear here at Paterson State on Monday, March 14, is both extensive and active. The need for a boys choir to participate in religious services at the Hapsburg Court was recognized by Emperor Maximilian I only six years after Columbus' journey to the New World. At this time one dozen boys were engaged and a choir-master was chosen to direct their training and manage the funds supplied for their board and education. When their voices changed, the boys received mustering out pay and provisions were made for their education in the ecclesiastical state schools.

In the eighteenth century, the scope of the choir was broadened to include secular music. The boys began to appear in church as well as in performances of the Royal Opera. When the Hapsburg Monarchy came to an end, the Choir faced extinction at the end of World War I. Father Schmitt, the Choir's Dean, initiated tours for profit in order to sustain the choir with funds which had previously been supplied by the government. As a result, the first appearance of the Choir in the United States occurred in 1932.

With the outbreak of World War II the Choir was dismissed (Continued on page 4)

## GI Bill Receives President's O.K.

President Johnson signed the new GI bill providing for education housing and other benefits last week.

The most costly feature of the bill is the money for educational benefits. The rest is for job counseling and medical benefits.

Starting June 1, eligible veterans will be allowed educational assistance on the basis of one month for each month's service, up to a total of 36 months.

The benefits for full-time study or training will be at the rate of \$100 a month for a single veteran, \$115 for a veteran with one dependent, and \$150 for a veteran with two dependents. Lesser allowances are provided for part-time training.

The courses must be authorized by the Veterans Administration and will be limited generally to U.S. educational or vocational institutions, including high schools, junior colleges, and colleges.

The veteran will have eight years after his discharge to use up his educational benefits. In the case of those discharged after January 31, 1955 the eight-year starts this June 1, which is when all the educational benefits go into effect.

As yet there has been no "on campus" representative appointed and any student interested in obtaining information is requested to contact his local Veteran's Administration Office.

## Administration Solves Registration Dilemma

At best, registration in institutions of higher education is a tedious and frustrating experience. Here at Paterson State College, the steadily increasing enrollment has caused the registration procedure to be more difficult for both the students and the faculty. Students have encountered a crowded gymnasium and an extensive wait on line at department tables. Desired courses have been closed because of enrollment limitations dictated by available class facilities and space. This necessitated rescheduling, agonizing moments of dissatisfaction with the Registrar and a feeling of futility.

A method has been developed to alleviate some of the problems that have arisen from past registration procedures. Beginning in the Fall 1966 semester, the College will allow the students to pre-register for the Fall semester. To do this, students will simply have to fill out forms supplied by the Registrar and return these forms to the Registrar by the date specified. Through the use of modern electronic data equipment, the students' schedules will be prepared and ready for distribution to the students when Fall registration arrives.

The new system is expected to assure students of a place in their required courses, enable them to obtain most of their desired electives and reduce or eliminate the long waiting line. The number of forms to be filled will be reduced and the inconvenience by courses cancelled due to insufficient enrollment will be lessened.

As this system is completely new to the College, it will require the full cooperation of all students who will have to pay particular attention to instructions and be extra cautious in indicating course numbers. This attempt is being made to convert registration into a pleasant experience.

### ATTENTION SOPHOMORE BOYS

Sophomore boys interested in obtaining information about the new Army National Guard Officer Candidate Program should see Mr. John Huber, College Center. Deadline for applications is March 31, 1966.

PSC Experimenters for 1966 are (standing) Tom Seiz, Jean Schell, (seated) Geri Trovato and Arlene Hamlet. Students will spend summer as our ambassadors for the Experiment in International Living.

## Editorial

### What Do You Have To Say?

We urge all students to write letters to the editors. The Beacon welcomes your letters and comments on any matter or event that may be important to you.

We feel that the Beacon is in operation to serve the student body. Only through your suggestions for changes and improvements can the Beacon realize how it may best serve you. We know that the student body has many ideas which would benefit the College greatly if these ideas were brought out through the pages of this newspaper.

Although we welcome letters to the editors, we will not print unsigned letters. All letters must be signed by the sender. We will withhold the name or names of the sender at his request, but for our own protection we must know the name of the people who submit letters which we print.

The Board of Control reserves the right to delete parts of any letter printed when lack of space or any question of taste must be considered.

### METROPOLITAN INTERCOLLEGIATE CHEERING COMPETITION!!

## STATE BEACON

Published weekly during the fall and spring terms by the Student Government Association of Paterson State College, 300 Pompton Road, Wayne, N. J. The STATE BEACON, with editorial offices in the College Center, campus, is supported through SEA appropriation and advertising. Content of the newspaper represents the judgment of the staff acting in accord with the STATE BEACON Constitution, and does not necessarily represent the judgment or beliefs of the S.E.A., Paterson State College, or the State of New Jersey.

## Kilties Compete For State Title

The Paterson State College "Spirit of '66 Kilties" Color Guard have taken a giant step forward in national recognition. This Sunday, March 13, the Kilties will sponsor their first color guard contest and it will be the biggest contest in New Jersey history. The State of New Jersey has four "circuits" or leagues. At the end of the color guard season, each circuit has a contest to select their "state champs." Hence, every year New Jersey has four color guards with a claim to the state championship. This year it will be different as the Kilties have invited the top color guards from each circuit to appear in a mass contest in our gymnasium. There will be twenty guards in competition with the Kilties appearing in exhibition at the conclusion of the formal competition.

The contest will begin promptly at 2:00 p.m. with the gates opening at twelve. It is expected that the doors will be closed with a capacity crowd at 1:00, a full hour before the contest starts. Admission for the gala affair is only one dollar.

Featured in this contest will be the defending American Le- (Continued on page 6)

## Letters To The Editor

Contributions to this column are the opinions of the readers and not necessarily those of the editors. All letters are required to be of a standard that reflect the best interests of the college. Anonymous letters will not be printed but names will be withheld on request. The Beacon reserves the right to edit all letters.

### Dear Editor:

I would like to thank the two Paterson State Students who, on Friday, March 4, so graciously consented to tow my car out of a ditch of mud directly across from Heritage Hall.

Actually my car was the second and not the last to get into this predicament. Two days later, I was told that another person found himself in this same position. Unfortunately, whoever he was, was not as fortunate as I, because he had to leave his car in the ditch overnight since nobody had been available at that time to help him. Oh, by the way, just for interest sake, this person was a parent of our students. Whoops.

I do feel very badly for this person, but my main objective in this letter was to thank the two who were so good to me, and who, as a matter of fact, would take no gratuity for it. My only wish right now is the hope that the two gentlemen who restored my faith in the human race are around when the next victim falls into this situation. Wouldn't it be nice if the ditch were paved? Common students let's get out our tar and gravel.

Signed,  
J.M.

Answer: If you park between two white lines as directed, you would have no troubles. Neither would you be trouble to other people. GMS

## Ski Club Plans Weekend Trip

On Wednesday, March 2, the college Ski Club went to Cragmeur Ski area. A total of forty students took part in the Ski evening of which only a few had ever gone skiing before. Free instructions were given and the evening proved to be very successful. As a follow up to this experiment, the Paterson State Ski club is sponsoring a weekend trip to Hunter Mountain in New York on March 18, 19 and 20. The trip will be open to all night students as well as full-time students and guests.

The accommodations will include lodging, transportation, meals, evening activities, skiing instructions and the necessary equipment. If you are interested please contact Mr. Leiberman of the Social Studies department or John Sabanosh for further information.

You need not know how to ski to go on the trip, ski lessons will be given to non-skiers. So if you are looking for winter enjoyment, try one of the most popular and rapidly growing winter sports while the season lasts — Ski!

## Conference Discusses "Pathways To Teaching"

The Student New Jersey Education Association All High School Conference which was held this Saturday, March 5, 1966, at Paterson State College was attended by 175 enthusiastic young men and women. These future teachers spoke out proudly their Pledge in which is stated what a good teacher requires: physical vitality, mental vigor, moral discrimination, wholesome personality helpfulness, knowledge, and leadership. The theme of this conference was "Pathways to Teaching." The introductions and welcomes were provided by NJEA Vice President, Ruth Nolder, Paterson State College Student NJEA, SEA President, and Judith Gustafson, Student NJEA President and Mr. Gerald Snyder, Student NJEA Consultant.

The principal speakers at the conference were Dr. Gabriel Vitaleone, Professor of Education at Paterson State College and Miss Evelyn R. Dvorak, chairman, NJEA Student NJEA Advisory Committee.

Dr. Vitaleone spoke on caring, how important it is for the teacher to care for his students. Miss Dvorak in her speech further elaborated on this word care. She said that the pupils we will teach need direction

and that we should be concerned about them. By caring we are helping these young men and women to succeed in life by helping them to find and utilize their talents. Her closing sentence of her speech was, "We (teachers) always produce impressions which only death will obliterate."

The SEA members who attended this conference were Miss Ruth Nolder, SEA President, Miss Kathleen Moss, Vice President, Mr. Lanz Novak, Treasurer, Miss Cynthia Rutkowski, Historian, and Miss Jane Ardoleno, member of SEA Speaker's Bureau. Also in attendance were Miss Mary Ellen Cassidy, Student NJEA College Member - at - Large and Miss Diane Butcher, former SEA President.

## Band Needed For Schaffer Play Day

Each year the Student Government Association sponsors Schaffer Play Day. This event is held at the end of each spring semester to celebrate the end of final exams and the conclusion of the academic year. A band is needed to play on the boat going up to and returning from Bear Mountain. Any student who knows of a band who is willing to sign a contract for this year's Schaffer Play Day is asked to contact Dr. Grace Scully at her office in Halden Hall. All suggestions for a band are welcome. They should be submitted by May 1, so that an early decision can be reached.

Do you have an open period during the day?  
You will find it convenient to visit

SGA To Sponsor  
Third Hootenanny

This Saturday evening the Student Government Association will sponsor a hootenanny in the Memorial Gymnasium at 8:00 p.m. in honor of the Chilean delegates.

This will be the third hootenanny presented on the Paterson State Campus in the past two years. The previous hootenannies were held on the front lawn of Wayne Hall and were very successful at both performances, nearly three hundred students participated.

On Saturday March 12, various types of music will be featured, including folk, country and western, international and spiritual. The performers will include Naomi Calka, Alida Koores, Tom Seiz, Russ Nugent, Don De Vries, John Juneiman (by proxy), Veto De Carlo, Ken Marshall and Wayne Kirby.

Everyone is cordially invited to attend this fun-filled evening. Be sure to bring blankets, baddies, bongos and anything else that makes noise!

Fellowship Plans  
Spring Semester

The Jewish Student Fellowship of Paterson State presented the film Wilderness of Zin (concerning the discoveries in the Negev) at the March 8 meeting.

Plans for a trip to New York were discussed and a committee headed by Sue Klemmer, was formed to investigate the possibilities. Shelly Raser and Linda Fisher are heading a committee to plan an inter-college social, tentatively scheduled for April 16.

The acting officers for the remainder of the year are Pres., Wendy Brown; Vice Pres., Riva Barnett; Secretary, Caren Galinsky; and Treasurer, Jamie Clifton. Standing committees and their chairmen are Programming, Joyce Kaplan; Publicity, Elly de Baur and Susan Sobel; Religious, Anita Ainsbender and Naomi Calka.

The next meeting is March 22 at 3:30 in the Little Theater. At this meeting the film The Price of Silence will be shown. The movie concerns Soviet Jewry. Everyone is invited to attend.

Chileans Express  
Parting Thoughts

by Eileen Toma

These past two weeks, Paterson State has played host to ten Chilean experimenters. The visitors have participated in a full schedule since their arrival last Sunday.

Jaime Undurrago is the group's leader. He studied law in Chile and explained his course of study and the differences between the school systems as he sees them. First of all, Jaime, as well as the rest of the group, found men's classroom dress much more informal here than in Chile. He also

noticed that different majors have classes with each other and that we have a broad choice as to what we take. In Chile each school of the university is separate and education is limited to the field one is studying.

Another idea, particular to Jaime's course of study, is a six month practice required by the Lawyer's Association of Chile. This practice is extended without charge for those who cannot afford to hire a lawyer. A minimum of seventy-five cases are required.

Jaime also noticed the difference between our national governments. In Chile there is one central government and the provinces do not make their own laws as do our states. Their deputy is equivalent to our Senator and representation is based upon population.

Carmen Maria Montes, another member of the group gives us her view of Chilean social life. Dating in Chile consists mostly of parties and dances.

People begin to date at about

fourteen years of age but they do not have any plans for marriage until they are at least twenty. Carmen Maria is living at the dormitory right now and she is enjoying it very much. She says that such things as dormitories are unknown in Chile. Everyone lives within commuting distance.

On the whole, the experimenters seem to be quite satisfied with their stay here and several of them plan to come back. Jaime Undurrago plans to attend the University of North Carolina in September for post graduate work in Political Science while Jaime Muchnik, majoring in mechanical engineering would like to attend Virginia Polytechnical Institute which has offered him a scholarship.

Maureen Goth, psychology major describes most Chilean classes as being 1 1/2 hours in length and specialized for the major. Some students are required to write a thesis before they can practice.

Braulio Gonzales is the only

## On The Go

by Laura Jeanne Lager

It is not often that New York receives a film as superb as "A Shop on Main Street." This film concerns itself with the Chicopolitician state during the Nazi aggression and occupation.

Through its fine acting, directing, and photography, it reveals the nature of the Chicopolitician state and of man as it is, twisted under the fear and dynamics of Nazi forces. This film is now showing at the Barnton Theatre located on 34th and 2nd Avenue in New York.

Just up the street on the same block is the India House where some authentic Indian dishes, as well as American, are served. The Eastern decor provides a relaxing atmosphere where you can eat and talk for unhurried hours. There the waiters are extremely helpful in describing and helping you select a dish suited to your taste. Prices range from 3-35. If you eat a late dinner and catch a late show you will find adequate free parking in the residential area. The total cost of this date is \$13, tolls included.

married experimenter. He is employed as a lab technician for Bethlehem Steel in La Cerana. The group presents many diversified interests and those who have had contact with them have learned a great deal. It is hoped that they have also found something beneficial at Paterson State.

Five ideal dates.  
Threedollars(\$3)

Join in the most adventurous experiment of our time. Operation Match. Let the IBM 7090 Computer (the world's most perfect matchmaker) stamp out blind dates for you.

Two Harvard juniors started it. 100,000 students have done it. Now you and 3,400,000 college students in 1500 colleges in 50 cities can sign up and join in!

Just send us the coupon. We'll send you the Operation Match Quantitative Personality Projection Test pronto!

Then return the questionnaire with \$3.00. What you're like and what you like will be translated into our 7090's memory file. It will scan the qualifications of every member of the opposite sex from this geographic area. Then it will select the five or more matches best for you.

You'll receive your names, addresses and telephone numbers within three weeks. You'll be what your date is looking for. Your date will be what you are looking for. In other words: the matches will be mutual.

Dear IBM 7090,

I am 17 or over (and 27 or under) and I want to help stamp out blind dates. So mail me my questionnaire. Quick!

# Governor Lauds N.J. Association

Governor Richard J. Hughes has strongly endorsed the newly formed New Jersey Association of Secondary Schools for Political Science Education which was founded by Kenneth Wooden, social studies teacher at Newton High School, Newton, New Jersey.

In congratulating Wooden, the Governor said: "The idea of encouraging young people of age is commendable and a wholeheartedly support the endeavor."

"I welcome young men and women of today to accept challenges of tomorrow. The life of a politician is no easy road, no easy success, no easy future, but the rewards of unselfish public service are immeasurable," the governor added.

The major purpose of the organization is to improve the future political and governmental structure of New Jersey by encouraging gifted high school students to enter politics as a career. This will be carried out by offering four year college scholarships to interested and well qualified students.

The state association has an

academic-political advisory committee of twenty professors representing every major college and university throughout New Jersey. Professor Charlotte C. Brown, the only woman on the committee, represents Paterson State College. The chairman of the committee is Mr. Donald Herzberg of the Eagleton Institute of Politics-Rutgers University.

Representing the political view for the committee is Mrs. Frances Henderson, Administrative Assistant to Senator Clifford Case and Mr. William Deitz, Administrative Assistant to Congressman Frank Thompson, Jr. of New Jersey.

(Continued on page 5)

## Manuscripts Sought For Annual Contests

Dr. John McRae, English Department chairman, has announced the opening of the Fourth Annual Miss Emily M. Greenaway Memorial Contest for Creative Writing. The deadline for the manuscripts is April 15. The student submitting the best short story, essay, or poem will receive a \$25.00 United States savings bond and will have their entry reprinted in the BEACON.

The contest is open to all undergraduates in both day and evening divisions. Manuscripts should be on 8 1/2 x 11 paper and should bear a title but not the author's name. The student's name and title of each of his entries should be on a separate sheet of paper in an accompanying sealed envelope.

The annual contest was established by students and faculty in conjunction with the Alumni Association to honor Miss Emily M. Greenaway who taught Creative Writing at Paterson State from 1946 until her death in 1961.

Last year's winner was Joy Rich who submitted a poem entitled "Narcosisynthesis." Joy was twice honored at the Assembly and the Alumni Dinner on April 24, 1965.

Judges for the contest include Dr. McRae, Dr. Mildred Wittick, and Dr. Mark Karp.

## Vienna Choir

(Continued from page 1)

to prevent it from becoming a tool of Nazi propaganda, but, at the War's end, the choir was re-established and in 1948 the Boy's Choir made a triumphant return to the United States. Today, the standards of the Choir are firmly upheld by the finest Viennese supervision. Rigid screening eliminates approximately nine out of every ten applicants. With a present enrollment of about one hundred, members are grouped into two touring groups and one choir which remains in Vienna to sing in the services at the Hofmush Kapelle.

This current tour marks the twenty-second Atlantic crossing of the famed choir who in addition to their visit to the College, have appeared on the Ed Sullivan Show, the Perry Como Special and in the past have sung at the Metropolitan Opera's New Year's Eve performance. The Choir is sure to delight its audience on Monday just as it has in its past engagements.

Tickets have been available for students but the concert is a complete sell-out, a point which seems to clinch its success.

Tennis Club members wanting to attend the semi final matches of the Professional Tennis Tournament in Madison Square Garden on Friday, March 25 at 7:30 p.m. please contact Joe Pizani.

Tickets are \$3, \$5, \$6, and \$7. Deadline for ticket orders is Tuesday, March 15.

# Encampment For Citizenship Plans Summer Semester

"American Politics in a Revolutionary World" will be the theme of the Encampment for Citizenship's first Washington, D.C. project, this summer. The six week seminar camp will be located on the campus of the University of Maryland and will be directed by Dr. Albert McQueen, Brooklyn College sociologist and former Ford Foundation Fellow in Nigeria and Kenya.

Students on this campus, aged 19 through 23, are eligible to take part in either the Washington Encampment or a second, Inter-American Encampment for Citizenship to be held at Cayey, Puerto Rico. Those attending the Encampment in Puerto Rico will be from throughout the hemisphere; the focus on "Democracy and Social - Economic Development in the Western Hemisphere".

The Puerto Rico Encampment will be directed by John Dombrowski, American University Latin American politics specialist, and former community development worker in Peru and Ecuador. Staff members at each Encampment will include Peace Corps Volunteers returned from service abroad.

The Encampment for Citizenship, founded in 1946, is a non-partisan, non-sectarian program to further prepare youth and student leaders for well-informed, active participation in public affairs. Mr. Eleanor Roosevelt was for 17 years chairman of its sponsors' committee.

The Encampment emphasizes learning through fieldtrips and workshop, discussion groups and part-time community service work in low-income areas, as well as through lectures and films. This year poverty and civil rights problems and programs, and development efforts in Latin America, Africa and Asia will be the topics most thoroughly discussed by outstanding staff and guest speakers. Guest speakers will include Congressional leaders of both parties, Administration spokesmen, social scientists and leaders of a wide range of civil rights, anti-poverty and world affairs organizations.

Encampment participant are of all racial, religious, ethnic and economic backgrounds, from throughout the U.S. and

abroad. Foreign students are eligible for all Encampment projects.

The Washington Encampment will be held June 19-July 30; the Puerto Rico Encampment, June 26 - August 6. Cost for board room and tuition for the six weeks is \$450; scholarships are granted on the basis of economic need. Information can be obtained from the Encampment for Citizenship in New York.

## Players Named As Co-captains

Bill Joosten, a senior pitcher and Tom De Stefano, a junior second baseman, have been named co-captains of the Paterson State College baseball team.

Joosten won six and lost one including four conference games last year. The 22 year old right-hander also batted .257 as a part time first baseman. Bill is expected to make a strong bid for conference pitching laurels this spring.

Tom De Stefano had an outstanding year as a sophomore. Tom batted .360, including 4 doubles, 3 triples, and 1 home run and was the second leading RBI man on the club. He was the New Jersey State College All Star second baseman last spring.

Both captains played their high school ball locally. Bill Joosten, a Haledon resident, played at Manchester Regional and Tom De Stefano was a star at Paterson Central.

The 1986 Pioneer baseball team has started indoor practice. At these initial sessions Coach LePanto is primarily interested in getting his pitching staff into shape. Many starters have returned this year and should improve upon last season's 9-9 record.

# Women Fencers Still Unbeaten

To the great surprise of practically no one, the women's fencing team continued its unbeaten winning streak out-matching all competitors.

It started Sunday, Feb. 27, when Betti Marchesani captured first place at the AFLA Women's Under 19 Qualifying Round at F.D.U. This win enables her to fence in Connecticut May 14th and 15th for the Regional Qualifying Round.

Robertia Kuttan was chosen as an alternate.

March 2 saw the girls travel to New York City for a duel

meet with Hunter. The varsity team trampled Hunter with a score of 15-1. Carol Mitteldorf

and Pat Flynn each won their four bouts by a large margin. Also fencing for the varsity were Diane Kimble (3-1, Ann Stokes (2-0) and Cherie Herbert (2-0). The J.V. followed the varsity's example and defeated Hunter 11-5. Trude Quigley (4-0), Roberta Kattan (3-1), Cherie Herbert (2-0, Betti Marchesani (2-

# Peace Corps Explains Application Procedure

One morning you wake up and suddenly you know. You want to be a Peace Corps Volunteer. What do you do? As a student on a college campus, you can go to the Office of the Peace Corps Liaison or ask for an application from your local Post Office. In either case, you are required to fill out a questionnaire.

After you have completed twelve pages of questions the Peace Corps has a record of your education, job experience, hobbies and interests. When your questionnaire has been re-

ceived in Washington, you will be asked to supplement this information by taking a one - hour Placement Test to determine your aptitudes.

The Placement Test is just what the name implies. It merely helps the Corp to decide where and in what kind of job the applicant will be of greatest service. An opportunity to take an optional language aptitude test is given to those with extensive language training.

After studying your own appraisal of yourself in the Questionnaire and Tests, the selection division sends out inquiries to the references you have listed. These are people who have known you as a member of the community, as a student, or on the job.

Corps' evaluators want to know how the prospective Volunteer works with others, what skills he has acquired and whether he finishes the job he begins. Once satisfied that skills, personality and character as reported by the candidate and by his references have been given full consideration, the evaluator gives the applicant a suitability rating .

The suitability rating reveals the potential Volunteer's "chance of success" overseas. If satisfaction rating is achieved, classification specialists begin matching the best assignment for the individual against the best individual for the assignments available.

In five years of unprecedented growth, the Peace Corps has succeeded in maintaining a personal relationship with each applicant and a high standard of acceptance. Be refining procedures, it has also succeeded in being able to notify each applicant of his acceptability within six weeks of receiving his initial application.

## Governor Lauds

(Continued from page 4)

Saluting the state organization, Governor Hughes urged all high schools in New Jersey "to take an active part in the objectives and projected plans of this new and enthusiastic organization."

Wooden has also received endorsements of the program from Mayors Alfred R. Pierce of Camden and Arthur J. Hol-

land of Trenton.

Pass this quiz and Eastern will fly you to Florida or 79 other places for half fare.

Any 12 year-old can pass it.

1. I am 12, 13, 14, 15, 16, 17, 18, 19, 20, 21 years old. (Circle one.)

2. I would like to spend \$3 for an Identification Card entitling me to fly at half fare when a seat is available on Eastern Airlines Coach flights to 96 destinations. ☐ True ☐ False

3. My name is (PLEASE PRINT) \_\_\_\_\_

4. My home address is (STREET) \_\_\_\_\_  
(CITY) \_\_\_\_\_ (STATE) \_\_\_\_\_ (ZIP CODE) \_\_\_\_\_

5. I was born on (MONTH) \_\_\_\_\_ (DAY) \_\_\_\_\_ (YEAR) \_\_\_\_\_

6. To prove the answer to Question 5, I will submit a photo-copy of my:  
☐ Birth certificate ☐ Driver's license ☐ Draft card  
☐ Other (PLEASE EXPLAIN) \_\_\_\_\_

7. I am a male/ female. (Cross out one.)

8. I am a student at (SCHOOL NAME) \_\_\_\_\_

9. My residence address there is (STREET) \_\_\_\_\_  
(CITY) \_\_\_\_\_ (STATE) \_\_\_\_\_ (ZIP CODE) \_\_\_\_\_

10. Eastern Airlines should mail my ID Card to:  
☐ Home address ☐ School address

I attest that all answers above are true.

(SIGNATURE) \_\_\_\_\_

Now, mail the quiz, proof of age and a \$3 check or money order (payable to Eastern Airlines) to: Eastern Airlines, Inc., Dept. 350, Ten Rockefeller Plaza, New York, N. Y. 10020. Or take same to any of our ticket offices.

If you're 12 through 21 and qualify, you'll soon get your ID card. It entitles you to an Eastern Coach seat at half fare, on a space-available basis. Except on April 7 and certain days during the Thanksgiving and Christmas holidays, you can fly to any of Eastern's destinations within the continental U.S. Including Florida.

## First Annual Beacon All Conference Team

## First Team

Steve Clancy	6'4" Senior—Paterson State College
Bob Gleason	6'1" Sophomore—Montclair State College
Ed Peterson	6'1" Senior—Jersey City State College
Paul Brateris	6'6" Junior—Trenton State College
Skip Johnson	6'3" Junior—Trenton State College

## Most Promising Freshman

Tom Wiczzerak	6'3" Freshman—Trenton State College
---------------	-------------------------------------

## Second Team

Tom Wiczzerak	6'3" Freshman—Trenton State College
Paul Yates	6'2" Senior—Jersey City State College
Darryl Diggs	6'0" Senior—Newark State College
Tom McVay	6'6" Senior—Newark State College
Joe McAleer	5'11" Senior—Glassboro State College

## Most Promising Freshman

Luther Bowen	5'8" Freshman—Montclair State College
--------------	---------------------------------------

Clancy and Gleason On  
BEACON All-Star Team

by Phil Yourish

Steve Clancy of Paterson State and Bob Gleason of Montclair State College climaxed their magnificent cage seasons by being almost unanimously selected to the first annual Beacon New Jersey State squad for the 1985-86 basketball year. The high scoring Pioneer point maker deadlocked the Indians sophomore ballots cast. Rounding out the heralded cage quintet were Ed Peterson of Jersey City State, and Paul Brateris and Skip Johnson of Trenton State with seven and six votes respectively. Another Trentonian marvel, Tom Wiczzerak, copped the most promising freshman honor, while failing to make the first team by one vote. Following him for the coveted rookie award were Luther Bowen of Montclair State and Tony Ranu of Paterson State.

The only other Pioneer hooper to be selected was John Richardson, who was picked as a member of the third team for his brilliant all around play throughout the season. John collected 354 points, scoring at a 17 point per game clip for 44 per cent, while snaring 183 rebounds. He was the teams second highest scorer and rebounder, and although not fast, he topped the squad in stolen balls.

Selections for the first team were made by our varsity members, coaches Meyer and Baker, and the Beacons renowned sports staff. The second and third team were chosen by this writer who traveled with the basketball team all season and has carefully evaluated the ability and talents of the players in this conference. This year's celebrated All-Star team is representative of some of the best cagers in New Jersey.

## STEVE CLANCY

Steve, who is the holder of the conference scoring record of 275 points with a 27.3 average, had another fine season this year. The Paterson Titan mustered 240 points in league play, while scoring 24 points a game. Against Montclair he reached his individual scoring high of 35 points. During the season, he was the Pioneers top scorer and rebounder.

## BOB GLEASON

Only in his second year of basketball at Montclair, Bob led the conference in scoring with 261 points and a 26.1 average. Near the end of the season he broke Howard Komives national foul shooting record of 60 with 53 consecutive free throws. His best individual performance of the year was 40 points. Bob's deadly jump shot and accurate foul shooting has given him a total 1,207 points in two years.

## ED PETERSON

The six-foot one Jersey City star scored at an 19.2 clip this year in conference play. Ed surpassed the 1,000 point mark midway through the season and figures to be the second highest scorer in Gothic history. His best shot is a swishing jumper from about twenty-five feet.

## PAUL BRATERIS

Paul, a husky 6'6" junior center, was the strong man in Trenton's potent offense. In the conference he has garnered 15 points a game, while doing most of the teams rebounding.

## SKIP JOHNSON

This Trenton junior who was very effective against all competition this season, tallied 15 points a game and did his share of the rebounding. Besides scoring from in close, Skip is a fine defensive player.

## TOM WICZZERAK

The addition of Tom to the Lions squad this year almost gave them the conference championship. He led his team in scoring with 18 points a game, and at 6'3" played both forward and guard positions. Conference coaches rate him as one of the best basketball prospects in the league and many feel that he is now an outstanding player. Not bad for a freshman.

## Committee Plans

(Continued from page 1)

are opened from funds under the 1984 College Bond Issue, a significantly larger number of liberal arts majors could be accepted. The instructors and courses are already on campus. The changeover will be accomplished as soon as classrooms and other facilities are provided.

Swordsmen Post  
Two Victories

Ben Franklin once said, "Two things are certain in this life, death and taxes." To that statement of certainties we might as well add a win from the Fabulous Fencers of PSC. The sultans of sword play again bedeviled their opponents with points to spare. This week Cooper Union and Yeshiva bit the dust allowing the Pioneers to extend their undefeated streak to fourteen. Only one more opponent, Pace College stands in the way of an undefeated season. In the match with Cooper Union, the sabre team again shined with Captain Lon Lawson, John Cilio, Jim Szabo, Norman Tracy and Steve Wansky standing 7 - 2. PSC's Gleesome Threesome of the foil squad, Chet Pilgraim, Jim Lawther and Jack Zellner won seven out of nine. The epee team contributed to the merriment as Scott Dyller, Ed Harrison, and Tom Dierbo won 6 matches while dropping 3. The final score was Paterson State 20—Cooper Union 7.

Yeshiva University was next on the agenda and their fate wasn't any better than Cooper Union's. The sabre team again reigned supreme as Captain Lon Lawson, John Cilio, Tim Szabo, Steve Wansky and Stan Kerber compiled a 7-2 record. The Big Three of the foil team again came through with a good night as Chet Pilgraim, Jim Lawther, and Jack Zellner combined for seven out of nine bouts. The Epee team really showed its muscle with Scott Dyller, Ed Harrison, Tom Dierbo, and Bob Moore winning eight and dropping one. Scott recorded his 75th and 76th intercollegiate fencing victories in this contest.

After the match with Pace College, Paterson State puts its North Atlantic Championship on the line against a top field at Drew University. If all goes well the PSC team will have not only another Championship but an undefeated season. Judging from the past it is as Ben Franklin puts it: a certainty.

## Kilties Compete

(Continued from page 2)

gion National Color Guard Champions, the Hawthorne Muchachos. Also trying for top honors will be the Pompton Stardusters, the Oakland Rangers, the West Paterson Royal Aires, the Imperial Knights, the South Jersey favorites - the Meloedars and the Staten Island Lawmen. All in all, there will be eighteen all-girl color guards and two all-boy color guards, the Royal Aires and Muchachos. Kiltie instructor, Joe Dziezawicz, will be the announcer for the contest which will be judged by the National Judges Association.

The Kilties will have little rest coming up as they will also be appearing next Sunday, March 20 at a contest sponsored by the Wayne Post Cadets Junior Drum and Bugle Corps.

Watch those girls! They're out to guard that trophy. From left to right they are: 1st row: Kitty McGrath, captain, Cheryl Ladika; capt. Bobbi Bukowski; JoAnn Barletano. 2nd row: Ro Riordan, Chris Greiner; Loretta Wilson. 3rd row: Lorraine Magnone; Hazel Dector; Eileen Cassidy; Joan Leeper; Gail Perruso.

Cheerleaders Fight  
For MCCC Title Win

by Ron Hoffman

The Paterson State College Varsity Cheerleaders will travel to Newark State tomorrow to defend their Metropolitan Inter-Collegiate Cheering Championship against schools from this area.

Each of the participating colleges will perform four required cheers: a team, fight, school and original. The Paterson State squad is preparing a new cheer along with those used during basketball season.

The competition is open to all schools in the Metropolitan area. Some of this year's participating schools include: Hunter, Fairleigh Dickinson (Rutherford), Jersey City State, Upsala, Long Island University, Staten Island Community College, City College of New York, Drew University, C.W. Post, Newark State, and Paterson State.

This year's squad hopes to win the "traveling trophy" for the second year. After a school wins the trophy three years in a row it is retired to the winning school and another round is started. Paterson State is the only participating college to have won the competition for three consecutive years, "61", "62", and "63". Jersey City State won the trophy in 1984. The Pioneer girls came back strong last year to win a close decision over Newark and Jersey City.

The cheerleaders are led by Captain Bobbie Bukowski and Co-Captain Cheryl Ladika who have been leading practice sessions for the past three weeks in hopes of coming back to PSC successful. Members of this year's squad include: Chris Greiner, Joan Leeper, Kitty McGrath, Joanne Barletano, Hazel Dector, Lorry Magnone, Ro Riordan, Eileen Cassidy, Loretta Wilson, and Gail Perruso.

There will be a first, second and third place trophy along with individual trophies for the winning squad. Registration for the competing colleges starts at

9:00 a.m. and competition is scheduled from 10:00 a.m. to completion at the D'Angelo Gym on the Newark State Campus in Union.

Paterson State students and friends are invited to attend and should arrive early because the seating capacity is the same as Memorial Gymnasium and should fill to capacity very early. There will be a \$50 admission charge to all spectators.

## Women Fencers

(Continued from page 4)

2 and Andi Forman (1-1) led the J.V. to victory.

In the biggest event, the A.F. LA Women's Unclassified, held at M.S.C. March 5, Paterson's girls overran their opponents taking the top two positions. Pat Flynn placed first with only one defeat achieving a 9-1 record. Co-captain Carol Mittendorf came in second with a score of 5-2. Fran Ennr of F.D.U. who followed in third place also had a 5-2 record, but was topped by Carol due to touches. Diane Kimble finished seventh. Of the ten girls entered, eight made the second round and six placed in the semi-finals. The semi-finalists were Ann Stokes, Cherie Herbert and Betty Marchesani.

The continuing success of our fencing team can be attributed to the ability and untiring devotion of our fencing coach, Raymond Miller.

no issue published between March 11 and  
march 18.
