SGA Sponsors Third Annual Leadership Lab

In an effort to improve the quality of student leadership, the Student Government Association of Paterson State College has set up a third annual College Leadership Labora-tory, to be held at Sharpe Reservation May 5-8. The conference is under the direction of Dr. Ken Herrold of Columbia University and a staff of assistants.

The purpose of the conference is to develop an under-standing of the personal, social, havioral skills and sensitivity to cope with basic situations and problems in human relations; and to increase the knowledge and application of the social and behavioral science in the fulfillment of the responsibilities of a professional education,

The following is a list of those students who will participate in this year's workshop: Juniors: Riva Barnett, Joseph Christie, Willie Belle Davis, Ruth Ann Huyler, Robert Irsay, Frank Kanpati, Solange Kellermann, Jeanne Koskie, Patricia Sabatino; Sophomores: Phyllis Appel, Jane Ardoino, Judith Barnhart, Barbara DiAdamo, Joan Gre-gus, Georgette Klemchalk, Nan-Ross, Bernard McCarey, Greco; and Cherie Herbert.

NEC Peace Union Conducts Lecture

"The War we cannot Win in ietnam" will be Norman Vietnam' Thomas' main topic of a public meeting in Montclair co-sponsored by the Student Peace Union of Montclair State College. This meeting will be held at the Rand Elementary School, Chestnut Street and No. Fullerton Avenue near Montclair High School at 8:00 p.m. on Tuesday evening, May 3.

Mr. Thomas is considered one of the most provocative and stimulating speakers of our day, He has joined those members of the Administration, such as Senators Fulbright, Morse and Gruening who are critical of the American presence in Viet-

Dr. Summer N. Rosen, who taught political science until lasi year at Simmons College, Boston, and is presently Educa-tional Director of District Council 37, State, County and Muni-cipal Workers' Union, AFL-CIO, will also speak. Moderator for the meeting will be Norman Wilson, formerly of Teachers College, Columbia University, now Peace Education Secretary, New York Metropolitan Region, American Friends Service Committee. Mr. Wilson served as Quaker International Affairs Representative in East Asia until recently. Among other duties, he directed international student seminars in Japan, conducted frequent meetings with foreign correspondents, and met with government officials and other influencers of foreign policy in many East Asian countries. The Student Peace Union of

Montclair State College invites all students and faculty members to attend the May 3 meeting. For further information, students can write to Student Peace Union, Box 29, Montelair State College, Upper Montclair. Admission to the meeting will be free.

Conservation Club Sponsors Lectures

The Conservation Club had as its guest speaker Dr. Tseuno Tamura from the Oak Ridge Laboratories, Oak Ridge, Tennes-see on April 14 and April 15. Tamura is a health physicist with the Oak Ridge Labora. tories, Oak Ridge, Tennessee.

Dr. Tamura gave two formal lectures. The first on Thursday, April 14 was concerned with the disposal of radioactive wastes caused by nuclear breakdown of radioactive isotopes, and the effects on human conservation. Dr. Tamura's talk was illustrated with slides relating to the problem,

The second seminar on Friday, April 15 was concerned with the effects on Strontium 90 and Cesium - 137 and their effects on the individual and on crop cultivation in the future.

The next series of lectures sponsored by the Conservation Club will be on May 19 and May 20. On May 19, Dr. Richard Pratt, Woods Hole Observatory, Woods Hole, Massachusetts will speak on Oceanography as it relates to New Jersey.

In an effort to innovate new ideas into the yearbook it was decided that the rigid, straight laced form would not be adhered to, consequently it was attempted to photograph the faculty, clubs and athletics in a candid fashion. A majority of the people involved were willing to let themselves be photographed in this manner. There were, however, several people who could not allow themselves to degenerate to this level. The names of these people will not be mentioned here because that would be in bad taste, besides, their pictures will not appear in the year book.

We, the editors of the nineteen sixty six Pioneer especially want to thank those people who did aid us. Students can find good Italian food while in Greenwich Village at Emillio's, 307 6th Avenue. Here you can order large and delicious sandwiches to go and eat in the square or if you like, have it in the dining area in the back. Emillio's is unique with its brick floor and carpeted ceiling. However, it is really the fire place with burning logs in the winter and the open terrace in the summer that makes it one of the most favored restaurants in the village. If you don't care to order dinner, order some pizza and wine, and talk as long as you want in the comfortable surroundings. You will never be disturbed.

Emillio's is an averaged priced restaurant, so dinner for two is priced around \$6.00. There is plenty of free parking in the nearby residential section

It was the beginning of March when the baseball team put together a fine squad and gave an indication of a great ahead. However, due to some hard luck and a few avoidable errors, the Pioneers now sport a 04-1 record. The pitching of Web Gould and Co-Captain Bill Joosten has been good, but the run producing power of the team has been its downfall. As a team, the batting average is a weak 180. The only 300 hitter on the team season Stevan Clancic stated

is Co-Captain Tom DeStefano who is batting at a .320 clip. Another observation is that there has only been one game where the Proneers have gotten at least four earned runs and that was in the tie game with Newark State. Commenting on his teams performance, Coach James Le-panto said. "The team has too much talent to be hitting so poorly. We were upset a bout these losses but I feel that we can still be a formidable ball club." The team is indeed packed with some great talent with All - Conference 2nd baseman Tom DeStefano, Bill Joosten, Charlie Ramstehler, Web Gould, George Ottavania, Tom Gash, and Steve Claury being the nu-cleus of a potentially powerful team. The next tew ball games will tell whether they will utilize their potential.

The following is a capsule de-scription of the games Paterson State has played this season: Newark College of Engineering +

A good ball game but the Pioneers hit the ball right at the fielders. Web Gould pitched a good game but became wild walked in a rum in the bottom of the 8th. Bill Joseten relieved and struck out two but was then hit for a triple.
