JAMES TAKES SGA TOP SPOT

Strother Elected SGA Veep Record Number of Students Vote

SEE STORY PAGE 3.

Photo by Joe Missonelle

THE WINNERS: President-elect, Bruce James and Vice President-elect Ruth Strother congratulate each other after hearing the results of the

Student Government elections in which a record 1,181 students voted. The new officers will take office on May 5.

The sisters of Sigma Mu Phi wish to welcome their new sisters Lillian Mongiardo, Linda Vasilenko, Susan Magyar, Pat Hopper, and Janet Tiedemann. They will be officially inducted at a dinner in June.

During activity period on April 21st, the pledges of Psi Omega Chi sorority shelved books in the library. Understaffed and over-piled with returned books the library was desperately in need of help. The sisters decided this would be a worthwhile project of the pledges. They are

Olesia Melnitschenko, Janet Murphy and Alice Thomas.

The sisters of Phi Omega Psi Sorority would like to congratulate their new sisters of the Spring Semester. They are: Mary Jane Corallo, Nanette Dolinski, Janet Pannetta, Gail Powell, Lynn Randles, Sandy Ridner, and Sandy Shapino.

Phi Omega Psi Sorority would like to congratulate their sisters: Alison Bello as being elected Captain of the Varisty Cheerleaders, Kathy Budda as Historian and Linny Widmann as Treasurer.

Greek News

The Brothers of Tau Delta Phi Fraternity wish to extend their heartfelt appreciation towards the SGA and member organizations of the IFSC for their cooperation with our community service project during the Carnival. The boys of the shelter had a night of fun, games, and prizes and were reluctant to leave and Tau Delta thanks you for them. This was the first of many community service

projects undertaken by Tau Delta Epsilon and it was a tremendous success.

Tau Kappa Epsilon Fraternity announces its new officers for 1970-1971:

- President — Pat Hurley
 - Vice-President — Jack Yuken
 - Treasurer — Rich Tomaseili
 - Secretary — Walt Miller
 - Pledgemaster — Bob Ross
 - Chaplain — Tim Van Oudenaren
 - Historian — Walt Leonard
 - Master at Arms — Charlie Eibs
- Congratulations to all newly elected officers!

The past weekend was the finale step of TKE's six week pledge period. We the brothers of TKE would like to extend a hand of brotherhood to our very first "fraters." Marshall Sigall, Tom Greenbowe, Jim Tepore, Henry Peterson, Fred Vodde, Jack Shaw, George Steward, Carl Signorelli, and Ed Boettcher.

All intramural softball teams please check schedule opposite G1.

What's your excuse?

You could have gone water skiing or swimming or to a dance at night. Instead you've spent the entire day moping around the house feeling sorry for yourself. And why? Just because it was one of those difficult times? How silly. A lot of girls are out there enjoying themselves under the same circumstances. They use Tampax tampons.

Tampax tampons are worn internally so you can swim or dance or do most anything you please. There are no bulky pads or telltale odor to give you away. Tampax tampons are so easy to use. Yes, even the first time. Just follow the instructions inside each package. So go on out and enjoy yourself. With Tampax tampons you have no excuse.

DEVELOPED BY A DOCTOR
NOW USED BY MILLIONS OF WOMEN
TAMPAX® TAMPONS ARE MADE ONLY BY
TAMPAX INCORPORATED, PALMER, MASS.

Montgomery States Conjecture Is False

by Bob Palinkas

Despite widespread conjecture to the effect that Dean of Students Charles Montgomery had been asked to resign, Dr. Montgomery stated in an open letter to the student body that, "As of this writing I am still under contract with Paterson State College and have made no other commitments."

It is also held by some students that Dean Montgomery has made school records and transcripts available to the Federal Bureau of Investigation. When asked, President Olsen said that he personally does not believe that Dean Montgomery made any records available although he did admit that an investigation by the FBI was underway, according to the information he has received from the students that have been contacted by the FBI.

He also stated that he had not asked Dean Montgomery to resign, which usually reliable sources contend to be, in fact, what has happened. When asked if he would publicly admit asking Dean Montgomery to resign, his reply was simply, "no."

All conjecture began when Dean Montgomery recommended the hiring of Dr. Louis Altschul and Miss Ann Yuaitis. The one sentence recommendation to President Olsen read, "With the advice and consent of the Student Affairs Committee I am

recommending for your consideration the appointment of Miss Ann Yuaitis as Coordinator of Student Activities and the appointment of Dr. Louis Altschul as Director of Counseling and Psychological Services commencing July 1, 1970."

His recent action is in direct opposition to action taken by him in December which caused a student strike at the time. His open letter stated "... I felt that I had made some judicial errors. It seemed to me that I had a responsibility to try to rectify the situation before it was too late."

He denies that he has plans to leave Paterson State although he does admit that he has, "investigated several employment (Continued on Page 6)

FBI Visits PSC Students

By: John C. Anderson

Steve Flexser, chairman of SDS, and Tom Donnelly, YSA, were both visited last week by agents of the Federal Bureau of Investigation. Also visited was the home of John Farah, who graduated last year.

When asked about the incident, Mr. Flexser said the agents came to his house at 8:10 AM last Wednesday April 28th while he was preparing to come to school. They identified themselves as FBI and immediately set about asking him a series of questions, he said. The focus of the questioning ranged from information about other SDSers, to information on who was responsible for the January 29 demonstration against the Air Force recruiters. Other questions pertained to his relationship with his draft boards, (Continued on Page 6)

James To Be President; Strother Elected Veep

by Bob Palinkas

Mr. Bruce James was elected to the Presidency of the Student Government Association last Tuesday in what was termed by many to be an extremely great voter turnout. Over one thousand students cast their vote, 1181 votes to be exact.

In the past, the number of votes cast in SGA elections seldom, if ever, exceeded one thousand votes. It is estimated that some 34 percent of all eligible voters exercised their right to vote.

Commenting on his election to the Presidency Mr. Bruce James said, "We should view the past election as an encouraging step toward the progress we have always needed. The people who

would "never win" because of appearances or color proved that ideas and principles are winning over bigotry and hatred here at Paterson State College."

"We now have the beginning of unity. Our task is great for we must try to establish faith in the SGA on the part of all students. We will succeed for the SGA will not longer be the secretive, un-representative, un-responsive, non progressive, ineffective organization it has been in the past. I call upon all students to participate in the coming year for we must not lose the opportunity to unify and to change."

"All committee openings will be published and I will give all those who wish to participate the opportunity to do so. A questionnaire will be out just before we return for the fall semester and you may indicate your desire to serve on committee by checking the appropriate box."

"There are many more points to bring up but I will continue in the SGA news release which will be published each week. I now wish to thank all those who supported me. I only hope for continued support for the SGA in the years ahead."

Miss Ruth Strother won the position of Vice President of the SGA, Miss Millie Rose was elected Treasurer, and Patricia Mulqueen will be next year's Recording Secretary.

Summer School On The Move

Paterson State College will conduct the most varied and far-ranging summer session in its history beginning June 29, Dr. Albert Doremus, Director of the Summer Session, announced today.

The PSC Summer Session has grown rapidly within recent years and last summer included in its enrollment more than 500 students from colleges throughout the country. Credits earned in the session are accepted at virtually every college.

Graduate and undergraduate courses will be offered during day and evening hours from June 29 through August 1. The regular session will be preceded by an intersession from June 8 to June 25, and certain special courses will run as late as August 14.

Among highlights of the 1970 course offerings is a wide selection in the natural sciences. Included are five sections of general biology I and two in biology II, along with botany and conservation; two sections each of general chemistry I and II; three sections each of introduction to physical science and introduction to astronomy and geology, college physics and physical geology.

A wide selection of art courses includes fundamentals of visual art, fundamentals of sculpture, modern art, experiencing art, creative painting and two ceramics courses. Nine sections of various aspects of mathematics are also offered. Of particular interest to (Continued on Page 6)

BEACON Chooses A New Editor-in-Chief and Advisor

by Ed Roche

The Beacon Board of Control for the 1970-71 academic year has overwhelmingly appointed Mr. Joseph Di Giacomo as the Beacon's new editor-in-chief. Mr. Di Giacomo is presently a Freshman Political Science Major and prior to his appointment assumed the dual task of Managing Editor and Editor when the past Editor was on student teaching. Joe hopes to involve the entire college community in the affairs of both the school and paper. As the new Editor he believes his most immediate

problem is the recruitment of new staff members. As this paper can recall, Mr. Di Giacomo is the first Sophomore to assume the position of Editor-in-Chief of the State Beacon. In his final analysis of the oncoming school year, Joe Di Giacomo believes that the "new" Beacon will truly be the students voice and not the echoes of the past.

Dr. Grace Scully of the Psychology Department has recently been appointed by the Beacon Board of Control as the Beacon's new advisor. She replaces the present advisor Dr.

Leo Altschul. Dr. Scully was chosen from a list of three potential advisors because of her past experience with the Beacon staff as advisor in 1968.

Other staff editors include the News Editor, Bob Palinkis, Freshman Biology Major; Bill Roche, the present Sport's Editor, Special Education Major; Marylou Malinowski will assume the position of Business Manager, also a Freshman and a Speech Correction major. Circulation will be controlled by Helena Wisniewski, a Junior Mathematics Major.

Senate Keeps No-Cut Policy

The Faculty Senate this past Thursday voted down a motion which would have made attendance in classes completely voluntary. The motion, introduced by student senator Patrick Mullin on April 16, proposed "that the College adopt the policy that attendance not be mandatory." Speaking against the motion, Dr. Don Duclos (Eng. dept.) expressed his feeling that the current policy which allows attendance requirements to be decided by the individual instructor was preferable to a carte blanche policy allowing unlimited cuts.

Speaking in support of Mr. Mullin's motion, Lenny Abels, another student senator, said, "If we've learned anything this year it is that any arbitrary policy, any policy formulated without the advice and consent of those affected will cause dissension and further polarization." Abels went on to say that the students in each class should vote on the attendance requirement for that course at the start of the semester. Said Mr. Mullin after the Senate adjourned, "Professors should not be placed in the position whereby they can demand, upon threat of a lower grade, that a student show up for class. Education is the responsibility of the student."

After futile motions by Mr. Ted Tiffany (Student Services) and Dr. Robert Callahan (Biology) to send the proposal to the (Continued on Page 6)

Editorial A New BEACON

As this academic year draws to a close, and fades into the past, we hope that the image of the "old" BEACON will fade with it. Hopefully, the first STATE BEACON of the 1970-1971 academic year will present new changes and innovations. We hope that the student body will not judge us on past issues, but they will look toward future issues of the BEACON with optimism. We hope that our new ideas and fresh thinking will help the BEACON evolve into a modern collegiate newspaper that everyone can be proud of without reservations.

However, our ideas are only words without your help. Presently, we are operating with a skeleton staff, and numerous positions must be filled to make our paper more efficient next year. When a few people attempt to speak for an entire student body, we often hear the same words said in the same way. It is important for a newspaper to be staffed by many individuals possessing new ideas, thoughts, and approaches.

We plan to begin an extensive recruitment program this summer for incoming freshmen. However, it is very important that the entire college community offer their ideas and criticisms. The BEACON belongs to every student, and we hope to get every student involved again.

We need news writers, feature writers, sports writers, typists, proofreaders, photographers, layout and graphics people, advertising and circulation personnel and anyone else who is willing to learn. Students with journalistic experience are welcome, and students with no experience are urged to offer their time as well. We will try our best to train and make everyone a part of their newspaper.

In the past, the BEACON operated with a small staff, and the result was a mediocre newspaper. We hope that with your help we can bring you a "new" STATE BEACON. We are asking the student body to get involved. We want people who have something to say, and we think that the BEACON is the place to say it.

LETTERS TO THE EDITOR

Prom Bids

Dear Editor:

As President of the Senior Class, I am sincerely disappointed in my classmates. Senior Prom Bids have been on sale for two weeks and this has been the most publicized prom ever. Out of 800+ Seniors, only 53 have purchased bids. Seniors, this is your prom, but apparently you aren't interested in it. If it were terribly expensive or not a good deal, I would understand, but it isn't over-priced and it is a good deal. Since the Senior Class is not interested enough in its own prom to help it break even, I must open the prom to all who wish to attend! Let me repeat; the Senior Prom is open to all underclassmen who wish to attend! Perhaps this will help stimulate fraternity and sorority interest in what can be a fantastic evening, if only people will come.

Again, all I can say is that I am sincerely disappointed in the Senior Class, and I regret the dismal apathy that prompts this move.

Regretfully,
Robert Lannuiu
President, Senior Class

Support

Dear Editor:

At this time, I am extremely distraught. Our sorority spent a lot of time and money making a float for Homecoming 1969. We sent in the receipts by the deadline and they were misplaced.

I received a letter today saying that we will not be reimbursed for any of our expenditures due to the fact that we never sent in our receipts.

Unless some sort of compensation is made, this school can forget our support on any other activity. We have supported ALL functions and drives, including the Ricky Hummel fund to this date. This action might seem radical but if we start letting the so-called chairmen take advantage of one group now what will happen in the future!

Regretfully submitted,
Patricia Angiono

Miss PSC

Dear Editor:

I am writing in answer to **Disappointed** who wrote about the Miss PSC pageant complaining about the same girls entering the pageant each time. Out of ten girls, three were in the pageant before, which means seven new girls decided to try out. Originally there were fifteen, but some girls decided to write applications and never showed up; that is not the fault of the pageant directors.

Regardless, it is a shame that more girls do not try out for the pageant. I, for one, found it really worth my while and never realized all the work that went into that one night show.

If **Disappointed** is a girl, I hope that she will try out next year. As for the girls on this campus being uninformed, if you are truly interested, you would make it

your business to find out when the pageant date is; I am sure Miss Yusaitis will be happy to give you the details. We **did** put up posters, which were promptly torn down by those opposed to the pageant, which by the way I think was really childish.

One more point. **Disappointed** mentioned that the girls should "bow out gracefully" accepting their defeat. May I point out that both Yvonne Allen (Miss PSC 1969) and Kathy Menegus (Miss PSC 1970) were runners up the previous years to their crowning. And just to further that point about "carbon copies" comebacks, Yvonne went on to win second runner up in the Miss New Jersey pageant which shows that the judges must have been impressed to some degree, both of the college and the state. I believe it takes a bit of courage to come back the next year and try again; taking the chance of a possible second defeat.

In closing, I wish to thank all the girls who tried out, Yvonne Allen, and Miss Yusaitis for a memorable experience. I hope I have cleared up a few questions for **Disappointed**. Hopefully next years pageant will be swamped with girls.

Sincerely,
Marian von Oven
Miss Congeniality 1970

Injuries

Dear Editor:

During the past two years there have been several serious injuries caused unintentionally by students who participate in athletic activities in the vicinity of classroom buildings, walkways, roads, etc. In the excitement of the athletic activity, the participants unintentionally cause an injury to students or others in this area or who are passing by on their way to classes.

Obviously we are all interested in avoiding the possibility of injury to other people. For this reason, we are asking that all students refrain from engaging in athletic activities such as football, soccer, throwing baseballs or other objects in the vicinity of the classroom buildings, the walks and roadways which are used for pedestrian purposes. Such activities should be confined to places removed from the classroom buildings so as to eliminate the possibility of injury to others. Please cooperate with the security staff members or other staff members who will remind you of this ruling.

Frank Banjuro
Charles D. Montgomery

Concert

Dear Editor:

I would like to express my disgust at the actions taken by Mr. Flannery of the speech department, and the attitude of some of the students present on Tuesday, April 28, in the auditorium.

A concert presented by the New Jersey Percussion Ensemble, which has five members from

Paterson State, was underway. The last piece had been set up, and when it was clear that the piece might run five or ten minutes into the next period, Mr. Ray Des Roche, conductor, asked the students coming in for the next class to please be silent for a few minutes so as to let the group finish.

The piece was written by Mr. Charles Wourinen, who had come in from New York to be able to conduct the premiere of his work. Mr. Wourinen is a progressive composer in the field of percussion and, in a few years, should be one of the leading United States composers.

The manner in which this man was treated was abominable. Some students came in, talking loudly and creating a general disturbance. However, Flannery outdid them all when he decided to weave his way through the ensemble, **AS** it was performing!

Flannery's performance was a grotesque display of callousness. When Mr. Wourinen stopped the ensemble to ask for silence, Flannery took it upon himself to destroy the performance by turning out the lights and putting his microphone up to the electric saw and amplifying it!

I apologized to Mr. Wourinen who was near tears from having his premiere ruined. He insisted, however, that the music was not the case; it was just common courtesy. I was thankful for the many students who apologized to him for this outrage.

As far as Flannery was concerned, he showed the manners of a snail, the courtesy of a caveman, and the intelligence of an idiot.

All I can say is that some of us have proven ourselves less than human again. Mr. Wourinen said that he has had some rough moments in his career but never had experienced anything like this. He said he would never forget this place! Sometimes I wish I could.

Steve Calantropio
Music Major, '71

Pageant

Dear Editor,

At this time I would like to bring up a point that is very delicate to "Disappointed" - the Miss PSC pageant.

I don't see why any women have to repeatedly enter the pageant. They should not merely bow out gracefully (how feminine!!) and accept their defeat (the loser laughs the longest, anyway, at this utter foolishness) - they should not even bother to enter the first time.

You stated that the contestants prove their inability to come up with original routines. Well, roller skating while twirling two batons that are on fire, all to the tune of "Marlboro Country," is pretty original and (pretty corny, too).

There are many eligible girls on this campus who are uninformed of necessary data on this activity.

The pageant would be acceptable to women if it was based on intelligence and creativity. But this pageant, as all others, is a cattle show. At rehearsals the contestants are taught how to turn their bodies around for inspection in the bathing suit competition of the contest. I'm amazed the teeth

Open Letter to College Community

Dear Editor:

Several people have inquired about the reasons for the recent personnel recommendations I made to the Student Affairs Council and subsequently to the president. I hope the following comments will serve to clarify for the entire college community the circumstances surrounding this situation and certain other events.

When I arrived here as dean of students early in September, I was informed that one of my first tasks would be to prepare recommendations regarding the retention or non-retention of the student personnel staff. This is where the problems began to develop. It is quite unrealistic to expect a new person to effectively evaluate a staff in just a few weeks, but this is the system which we must follow by state law.

Thus, on November 15, I submitted my recommendations to the president. There was never at any time an attempt on Dr. Olsen's part to impose his will on me. The fact of the matter is, Dr. Olsen raised questions concerning the wisdom of some of those recommendations. At the time, however, I felt convinced that they were sound on the basis of the data I had available to me. The president supported my recommendations.

Subsequent events and five months of a more thorough, intensive process of evaluation suggested to me that some of my original recommendations were wrong. In other words, I felt that I had made some judgmental errors. It seemed to me that I had a responsibility to try to rectify the situation before it was too late. It was not a matter to be swept under the carpet in hopes that people would forget about it. Following a short personal leave, when I had an opportunity to meditate on the issues, I decided to seek out those concerned to determine their interest in being recommended for two of the newly created positions in the department. Again, the decision was mine alone.

There has been speculation as the motives behind this course of action. I hope that it is abundantly clear that the motive paramount in my thinking was the necessity to do what I felt was morally right without regard to "timing" or "political considerations." The recommendations in no way indicate a shift in my loyalty and respect for President Olsen. In spite of his displeasure with me over the procedures used in his matter, I maintain my conviction that Dr. Olsen is a fine person, a competent, capable, and dedicated president, and one of the most considerate men I have ever worked with. I hope that the college community will come to realize before it is too late what a good president it has. It is amazing to me how any person can carry on as forcefully and diligently as he has this year while laboring under such tremendous pressures and strains, both on and off campus. It is too much to expect one person to continue to endure. But, the personal feelings I have for the president have not and will not prevent me from acting in accordance with the dictates of my conscience.

Neither should my action be interpreted as a hit-and-run tactic. As of this writing I am still under contract with Paterson State College and have made no other commitments. While I have investigated several employment possibilities here and elsewhere, which is not unusual for deans of students across the nation, any other speculation about the status of the dean of students must be classified as rumor. Whether I stay or leave, I will do so with a clear conscience. One of my favorite hymns as a child admonished people to "do what is right — let the consequence follow." I still feel that this is good advice and good for one's mental health.

Charles D. Montgomery
Dean of Students

Letters

(Continued from Page 4)

aren't checked to make sure a healthy beauty wins. The contestants are also taught to smile every minute they are on stage because the judges of the beauties (all men, of course) like to see happy and content girls. It wouldn't do to have a serious beauty queen.

Maybe next year we can see no faces at all at the pageant. P.S. How about Mr. PSC contest with the males attired in snug-fitting briefs? Miss PSC contestants beware — I saw some nice looking legs in "Skull Follies".

Diane Faturos
Deborah Thomas

Alexander

Dear Editor,

Camp Alexander is a unique experience. Fifty retarded children attended the camp last year, for many it was the first vacation of their life. Cabin No. 1 was built by a group of year, for many it was the first vacation of their life. Cabin No. 1 was built by a group of college students based at the Newman House. This year Father Wehrlen hopes to build three more. Thanks to the help of many PSC students and faculty he has made a start. Through the efforts of Ed Mosely, Chuck Murphy, residents of Pioneer and Heritage Halls, fraternities, and sororities and many unnamed students \$250.00 was collected. This is only a start, to continue volunteers are needed as construction workers... NO EXPERIENCE NECESSARY. Anyone wanting to help can meet at the Newman House every Saturday at 9 a.m., call 278-0147, or stop at the Newman House for information.

Respectfully,
Lou Tatti '70

Strike

Dear Editor,

The insipient shades of capitalism and super-profiteering has moved its way to Wayne, New Jersey, just down the road from Paterson State College. Curtain & Co. of 357 Hamburg Turnpike is again out on strike. On Thursday April 29th John Anderson and Kevin Barry talked to the workers and heard their story. Curtain & Co. is the glass equipment manufacturer and warehouse of the million dollar a year profit McKesson & Robins Drug Co. of 155 E. 44th Street in Manhattan. Curtain & Co. was a non-union shop until February, 1970, when the warehousemen and drivers struck against the company for recognition in local No. 560 of the Teamsters Union. The settlement on that action just occurred on April 21, 1970, when the company finally agreed to give the men their back pay from February. Now on April 28, 1970, the glass blowers went on strike for recognition in the same union because they were not included into the union when the warehousemen and drivers struck. The solidarity of the workers was very impressive. The warehousemen and drivers said they would not cross the picket line so long as the glass-blowers were out. The Young Socialist Alliance of this college supports all workers struggles for the right to a decent wage and a decent life.

John C. Anderson, YSA

From the President's Desk

The past few weeks have seen the development of two programs, quite disparate in their nature, but both an intrinsic part of any fully matured college community. I am referring to the budding club football team and the Honors Program approved last week by the Executive Committee of the Faculty Senate.

Club football is now a certainty for the fall. The Committee has done its job with amazing speed in hiring a coach, Michael Sabia; an assistant coach, John Serinao, and obtaining a playing field, Hinchcliffe Stadium in Paterson.

The most important facet of the club football program is student support, and thus far, it has been the most gratifying feature. Nearly 40 men turned out for practice on the Veritans tract, and plans have been made by Coach Sabia for a summer camp experience with the possibility that the team quarterbacks might work out with the Cleveland Browns.

In support of the team, the Committee worked hard during the Carnival to raise \$300 for the cause. Without this kind of enthusiasm, club football could not become a reality. That same enthusiasm has spread to other students who are now engaged in trying to form a marching band, complete with twirlers. There is no doubt in my mind about the added dimension club football will bring to our campus life and I give it my heartiest support.

To turn briefly to the other addition to our academic community, the Honors Program is one that should go far in rounding out our curricular offerings. Its purpose is to both attract an exceptionally high quality student to Paterson State and to provide the top students on campus with an opportunity to work as close as possible to their intellectual capacity.

The Honors Program, to be directed by Donald Thomas, assistant professor of English, was developed by the Honors Council, composed of students and faculty. Students in the program will engage in intensive academic pursuit geared to providing a broader understanding of the very purpose of their education.

I am combining comments on both these contrasting programs to illustrate the range of activity at Paterson State. It is the mark of the mature college community that its students have access to the benefits inherent in both physical and intellectual endeavor. We have a strong sports program at Paterson State and a rapidly developing intellectual climate. Both facets must eventually lead to the kind of campus community feeling that I have sought since arriving here.

JAMES KARGE OLSEN
President

Senior Prom Bids On Sale

This Year's Senior Ball is being held at the Westmount Country Club. It promises to be one of the best ever and the lowest priced also. Previous Senior Balls have been more expensive and also had the disadvantage of being held in New York City. This meant more money for gas, tolls, and parking; not to mention the inconvenience. Ours will be close by, the Westmount is in West Paterson, and again, will cost less.

The Ball will start at eight o'clock on Friday evening May eighth. H'or d'ouves will be served from eight until nine and there will be an open bar ALL night. Dinner will be served at nine o'clock and will consist of prime ribs of beef au jus with all the trimmings. Music will be provided by the Milt Davidson Orchestra which has played at previous Paterson State affairs. There will also be a special surprise entertainment which promises to be excellent.

All this, plus all the dancing and drinking you can take will be yours at the Senior Ball for \$25.00. Much of the cost of this affair has been subsidized by the Senior Class so it would be more convenient for you to attend.

All seniors are urged to attend since this promises to be the biggest and best ever. Bids will be on sale in the Snack Bar from eight thirty to three thirty Monday through Friday. May sixth will be the deadline so purchase your bids soon. Arrangements will be made for fraternity, sorority, and group tables, but reserve early. Seniors out teaching or otherwise cannot get to school to purchase bids can call me at 652-0469 and special arrangements will be made.

ATTENTION SENIORS:
ALL SENIORS WHO HAVEN'T RECEIVED OR RETURNED INVITATIONS TO THE SENIOR-FACULTY DINNER JUNE 1st AND WISH TO GO PLEASE SIGN UP IN STUDENT PERSONNEL OFFICE.

May 6-8 have been designated as balloting days for student department representatives for year 1970-71. Each student must vote for one member of her class and place ballot in the marked box in the department secretary's office. Please designate your class as Freshman, Sophomore or Junior.

These representatives will attend departmental faculty meetings, hold full voting rights and will also be on standing departmental committees and executive council. The responsibility is serious so vote with care.

The names of those who have been selected will be posted on the bulletin board during the last week of classes.

On May 5, at 8:30 p.m. in Shea Auditorium, Louis and Allen Ginsberg will present a reading of their poetry. Louis, the father, who lives in Paterson and teaches in the Evening Division at Rutgers University, represents a traditional school of poetry, while the son is generally identified with the "Beat Generation." For a long time, each poet has been doing his own thing, but in recent years the two have appeared as a father-son team at various colleges.

Both men have published extensively, and a new volume of Louis' poems, *Morning in Spring*, is about to appear. The volume carries an introduction by Allen, who is the well-known author of *Howl*.

All are welcome. Attendance is free.

SUMMER DORMS AVAILABLE

Graduate and undergraduate students, male or female, may stay in the residence hall during the summer session. Students must sign up for three or six weeks only, the length of the summer sessions, and must pay a total room and board charge of \$30. per week. Inquiries or reservations should be directed to Dr. Charles D. Montgomery, Dean of Students.

PSYCHOLOGY MAJORS

The election of student representatives to the Psychology Department will be held on Friday, May 5, in H-101 from 8:30 to 4:30. All Psychology majors are eligible to vote. Students must present PSC identification cards.

Psychology majors who have 9 credits in Psychology from PSC by June 1970 are eligible to run. All candidates are asked to sign their names to the list on the bulletin board in H-204. Any further questions may be referred to Bob Holmes or Mary Ann Kedderis in the lab.

The following people have already announced their candidacies: Bob Holmes, Skip Pilipie, Ellen Adamayurka, Gene Madden, Diane Scudieri, Kip Kline, Danny Howells, Mary Ann Kedderis, Marilyn Moritz, James Shillitani, and Bob Mantler.

On Monday, April 27, the Special Education Department of Paterson State College sponsored a party for 80 retarded girls at North Jersey Training School in Totowa. The girls enjoyed games led by members of the Special Education Department, as well as dancing and meeting with the students who baked cookies and cakes, and the Special Ed. Club financed soda and ice cream; many companies were also found to be most generous in donating gifts to be used as favors and prizes.

Organizers of the party, Jo-Ann Phillips, Jean Dickenson, Susan Kersnowski, and Ronnie Pozner, also thank members of the Special Education Department who donated their time and energy making the affair a success.

students who will be college freshmen in September is precalculus mathematics.

Three-week courses will be offered in modern languages, including Spanish, French, German and Italian.

Other standard undergraduate courses will be offered in the areas of education, English, history, music, philosophy, psychology, social science, speech library science, health and physical education. Graduate subjects include art, communications arts, communication disorders, biological sciences, education, English, language arts and reading, music, philosophy, psychology, social science, special education, art.

Among graduate programs are a study of art in the metropolitan area and economic and social background of the metropolitan community, both field study courses. history, music, philosophy, psychology, social science, speech, library science, health and Undergraduates who have not registered by mail will register in person June 24, with late registration scheduled for June 29 and 30. Further information can be obtained from the director, Summer Session, Paterson State College, 300 Pompton Road, Wayne, 07470.

Senate

(Continued from Page 3)

faculty by way of a referendum, and to send the proposal back to committee respectively, the Senate voted upon and turned down Mullin's motion. Senate chairman Syl Balassi did however appoint an ad hoc committee of students, administrators and faculty to further investigate the desirability of voluntary attendance.

The Senate also voted to postpone discussion for one week on the acceptance of a report by Dr. John Fulton (English), chairman of the academic governance committee in which he likened the Board of Trustees meeting in November to a "1930 Nazi rally."

Miss PSC Crowned

On April 19th at Shea Auditorium, Miss Kathleen Menegus became the winner of the Third Annual Miss Paterson State Scholarship Pageant. A resident of Ridgewood, Kathy is a Junior Elementary Education major, and a member of Zeta Omicron Psi sorority. Her talent was sketching in charcoal and pastels.

Winning the pageant entitles Kathy to a scholarship and a chance at the title of Miss New Jersey at Cherry Hill in July.

FBI Visits Students

(Continued from Page 3)

and to his associations with various professors on campus. At one point they insulted Mr. Flexser by saying that he and all others like him smell like that, "three letter word by which all left students refer to the police."

Montgomery

(Continued from Page 3)

possibilities here and elsewhere," and adds that he feels that President Olsen "is a find person, a competent, capable, and dedicated President, and one of the most considerate men I have ever worked with. I hope that the college community will come to realize before it is too late what a good president it has."

Dean Montgomery was not available for comment at the time of this writing.

There is reason to believe that the FBI was helped from the administration of this college by being giving access to the student's academic files without prior consent from the students. Evidence for this comes from both Mr. Flexser and Mr. Donnelly, who said the FBI seemed to have knowledge of their academic life, such as, what grades they got in certain subjects and what courses and professors they had had.

SGA President elect, Bruce James, has personally condemned this action, if it indeed be the case, and if it is, he said he would take legal action against the people responsible. Additional action against this incident is being undertaken by the YSA, SDS, SMC, and the Faculty Senate.

"The Garage" is opening!

The Wise Student Waited

The time to sell books is when you are finished with them. The time to buy books is when you are in need of them. The best way to do both is where the price is right.

"The Garage" (opening in Newman House garage, just below PSC, Gate 1, Pompton Rd.)

1. Will purchase all your books at the highest prices (prove us) during finals week, May 20-29.

2. Will sell you all your summer school books at the lowest prices (prove us) starting June 29.

3. Beat the "price" rap (!), the "police" rap (!), the "line" rap (maybe!), the "headache" rap (we supply the aspirin!).

4. Sell and buy at the best price. Compare them. We guarantee it!

"The Garage" (It may even be a place to rest your feet and browse!)

Final Exam Schedule

The final exam schedule for the present semester is constructed to include all courses which will have a final examination.

This schedule is based on the existing master schedule of classes so that all courses meeting at a particular hour will have their exam at a common time, in the rooms where they have been scheduled all semester.

Example: All courses meeting Monday first will have their final exam on Thursday, May 21.

The only exceptions to this are the common departmental examinations which have been in existence. These have been scheduled at a time which will not conflict with the total final examination schedule.

It is possible that a few conflicts exist during the time exams are scheduled. If so, instructors and students may use the allotted time for conflicts or may resolve these conflicts at a mutually convenient time. Any classroom not being used for a final exam can be considered an appropriate place to give a conflict exam. All such arrangements can be finalized by notifying Miss Prioli, ext. 235.

Please check this schedule carefully. If any discrepancies exist, please contact me immediately.

Please be reminded that final grades for the Spring Semester are due in the Registrar's Office no later than 12:00 noon, May 22 for seniors and 12:00 noon, May 29 for underclassmen.

Pioneers Entertain JSC; Assistant Coach Cosover Fined

by Bert Butts

PSC dropped its sixth game of the season to Rutgers at Newark by a 7-4 score. The game lifted Rutgers' over-all record to 3-5, while dropping PSC's to 2-6.

Rutgers wasted no time in getting on the score board as the visitors scored a run in the first inning. PSC pounced back in the bottom of the second on John Spadaro's two run homer over the right centerfield fence. After Rutgers had tied the score to all in the top of the third, PSC pushed across another run in the bottom of that inning on Bob Fallon's RBI single to recapture the lead - 3-2. Rutgers scored two more runs in the fourth and fifth innings and held the Pioneers in check for the rest afternoon. PSC starter Bert Butts received his first loss without a win as the lefty pitched seven innings and allowed six runs on seven hits and two walks. Rutgers' Jeff Norton went the route and gained his first win against two defeats.

Last Tuesday, the Pioneers

JOE BRIGGS

blasted Jersey City State College by the score of 15-4. Aided by a phenomenal number of base on balls, eighteen in all, PSC pounded out twelve base hits in scoring fifteen runs.

Jersey City State took a short lived lead in the first inning on Jack Culderon's two run homer. In the bottom of that inning, PSC scored one run as Bob VanSaders tallied on Bobby ("Freddie")

Wilson's double. After Fallon, Spadaro, and pitcher Bob Caswell walked the second came alive as Bobby Van Saders doubled in three more runs. The Pioneers scored three more times in the bottom of the fifth on doubles by Wilson, DeWork, and Fallon. PSC iced the contest in the bottom of the eighth. After Mike Petrella led off the inning with a base on balls, Bob VanSaders doubled and Vinnie Daley walked to load the bases. With two outs and faced with a full count situation, PSC first baseman Joe Briggs, lined an inside fastball over the 317 foot mark in left field for a grand slam home run.

Bob Caswell worked seven innings in gaining his third win against no defeats. The lanky right hander allowed four runs on a six hits and three walks. Relief specialist Rick Stark came on in the top of the eighth and shut out JCS for the rest of the ball game. PSC's offensive attack was led by Joe Briggs who contributed a grand slam home run good for four

CHUCK COSOVER

RBI's. Freddie Wilson also connected for three runs batted in on two doubles. PSC is now 3-6 over-all and 3-3 in conference play.

There was a slight flaw in last Tuesday's PSC 15-4 baseball victory over Jersey City State. The incident occurred in the fifth inning of the game. Coach Casover acted extemporaneously and signaled base-runner Bob Fallon to steal second base. The third base coach had not received any signal from head coach Dick Learn and after the inning Coach Casover was reprimanded for his action. Coach Learn conferred with acting president Joe Gregory of the Baseball Fining Committee and a fine was levied against Casover. The accused may appeal the case before the general assembly of the BFC on any afternoon down in the lower chambers of Memorial Gymnasium.

Women's Tennis Team 2-2

The PSC Women's Varsity Tennis Team returned from a successful first year to blank FDU-Teaneck, 5-0 in this season's opener. The game, originally scheduled to be home, was played at Teaneck because of the unfinished PSC courts.

PSC scored impressively in singles. In the number one position, Kathy Heron defeated Rona Thur 6-0, 6-1. Barb Weir, playing in the number two singles position, beat Barb Kamiler 6-1, 6-0. Laura Strother, third singles player, defeated FDU's Sue Meltzer 6-0, 6-1.

Doubles followed the same victorious pattern with Joan Feitlin and Sandy Strother over Liz Gingold and Phyllis King 6-1, 6-0; Ruth Strother and Carol Burchardt romped over Arleen James and Judy Berju, 6-0, 6-0.

After an overwhelming victory in its opener, the P.S.C. tennis team slipped into a slump. A powerful Lehman College team handed P.S.C. its worst defeat in the history of the team (5-0). For various reasons, the racketeers could not pull themselves up to overpower their adversaries. In a less than bucolic setting, the P.S.C. girls lost a hard fought battle next to the subways of the Bronx.

A Newark State team of the same constituency that P.S.C. defeated 4-1 last season, handed the Pioneers their second defeat of the season last Tuesday. Although of equal ability with their opponents, the three singles players could not crawl out of

their slump. The two doubles team remained steadfast in their determination, both winning their matches. Joan Feitlin and Sandy Strother maintained control over their match, defeating the Newark opponents in a smooth and confident manner. The team of Carol Burchardt and Ruth Strother kept the spectators on edge until they won after a full 3 sets, the first one running up to the high score of 14-12.

The regeneration in spirit in the girl's P.S.C. tennis squad was

Skull Romps GDI 63-39

Tuesday, April 28 Skull and Poniard the fraternity league champion routed GDI the independent league champion 63-39. Skull jumped out to a 6-0 lead in the early going and was never headed. With adept ball handling of Pat Kalucki and Craig McPhee and the strong rebounding and shooting of Chico Armona, Doug Berrian and Mike Hancock.

The halftime score was 31-14. A 10-0 spurt in the beginning of the second half sparked by buckets by Hancock, Berrian & Armona put the game out of reach. At this point Skull emptied its bench. GDI taking advantage of this, sparked by Rich Weigman, put together a 8-2 spurt. Dom Pelosi then entered and took complete charge and preserved Skull's victory.

quick as they stepped back on their new school courts to defeat Kings College (4-1), the very next night. Kathy Heron set the pace as she was the first victor to come off the courts, winning 6-1 and 6-1. Her fine example was followed by Carol Burchardt, a freshman player who shows increasing potential with each match. She swept each set away, relinquishing only two games in each. The well-paired doubles players of Captain Joan Feitlin and Sandy Strother remained true to form as they came out the winners from a 3 set match. Sisters Laura and Ruth Strother, together as a doubles team for the first time, shed little sweat as they defeated their King's College opponents 6-0 and 6-1. The only P.S.C. defeat on Wednesday evening was the second singles player, senior Barbara Weir. Barb, after only a year of serious tennis, was named to the second singles position. Her game is strong but sporadic and expectations are high for her future victories as she continues to improve in the weeks ahead.

The team's record thus far stands at 2-2. According to the coach, "the team is potentially stronger than last year. We have picked up strong support in freshmen, Carol Burchardt and Laura Strother. Transfer and junior Sue Miller adds further depth to the squad. JoAnn Phillips, a small but capable player returning from last year's team, rounds out the varsity squad of nine.

WRAA News

The Women's Recreation and Athletic Association elections for 1970-71 were held April 14th. The results are: President, Eileen Sake; Vice-president, Laurie Clark; Recording Secretary, Dot Hausleben; Corresponding Secretary, Mary Ciali; Treasurer, Carol Girodo; Awards Chairman, Patti McCoy; Publicity Chairman, Jane Chapman; Historian, Jane Van Orden; Intramural Council members, Phyllis W. Eaton, Barbara Harrington, Kathy Heron, and Sandy Strother. Congratulations!

The new officers plus Miss Martha Meek, advisor; Kathy Alm, president; Carol May, treasurer; and Rose Lynn Daniels, publicity, attended the New Jersey Athletic and Recreation Federation of College Women's spring conference held at Blairstown, New Jersey. Glassboro State College, President College, was hostess this year. There were a hundred student delegates and twenty advisors attending from fourteen member colleges.

Discussions ranged from intercollegiate athletic policies to communications and publicity, from intramurals to small & large college and major and non-major (physical education) college problems. Recreation included folk dancing, games, folk singing and fun. The keynote speaker was Miss Nancy Mitchell from Douglass who spoke on professionalism in sports. Saturday night Montclair State College was installed as President college for 1970-71.

All professors and all students are invited to the final Spring practice of the Paterson State Football Team. This is an opportunity to meet the boys' who will represent your school next year. Time 4:30 till 6:30, Veritans large field. (Gate No. 1 near Freshman Parking Lot.)
