Three of the girls will be housed in Pioneer Hall, while the other two will be residing in Heritage Hall. The boys will be staying at the Paterson YMCA.

The group will be guided and entertained during their stay by a committee composed of Tom DiCerbo, chairman, Linda Fischer, Linda Levin, Lynn Shepherd, Linda Wallace, Phyllis Plangemann, Tom Seiz, Louis Corsaro, Wendy Brown, Greg Bremus, Naomi Calka, John Sabanosh and Elaine Matelli. Pioneer's Present Children's Theater

by Alan Sponzilli

On March 4, 5, and 6 the Pioneer Players of Paterson State College will present Rapunzel and the Witch. The show will be held at 1:30 p.m. and 8:00 p.m. in the Center for the Performing Arts. Admission for children is 50c and \$1.00 for adults. This show is a Children's Theatre Production. The members of this child drama class produce the show in the areas of props, publicity, sound costumes, set lights, and special effects, under the direction of Mr. Anthony Maltese.

The cast members of Rapunzel and the Witch have various talents and backgrounds. Sandra Organ, who is a Speech Arts major, will play the part of Rapunzel. She is from Butler, New Jersey and is a graduate of West Milford Township High. In high school, Sandy played Laurie in Oklahoma and Dorie in Night Must Fall. At college, she has performed in House of Bernarda Alba, For Her Cheilids, Sakae, and The Bald Soprano.

Leslie Omelianuk, a senior Art major from Pompton Lakes, N.J., will play the witch. At Paterson State, Leslie has appeared in Aladdin, Simple Simon, The Clown Who Ray Away, Animal Farm and Imaginary Invalid. As far as outside work, she has had roles in You Can't Take It With You, Oklahoma, Say Darling, and Little Mary Sunshine. Leslie has worked with a summer theatre group.

Prince Eric, the hero of the show, will be played by Joseph Carabillo. Joe is a Sophomore Speech Arts major at Paterson State. Joe, who is from East Paterson and a graduate of Clifton Sr. High School, is an active member of the Pioneer Players. Among his major roles are those of Ramon in The Red Velvet Coat and Boxer and Pilkington in the recent performance of Animal Farm.

The plant (the Queen has been turned into a plant by the witch) will be played by Claudia Splick, a Senior Art major. Claudia is a graduate of Paskettaway High and is a dorm student at Pioneer Hall. She has performed in

Students Chosen For International Living

Each year at this time, the administration announces the selection of Paterson State students for the College's program in International Living. This year five students have been selected by a campus committee and the staff at Putney, Vermont as college representatives to countries of their own choosing this summer. There were more sophomores than junior applicants and as a result the students selected include two sophomores and three juniors.

This year's experimenters are Tom Seiz, who is going to Sweden and Jean Schell, who will visit Nigeria. The three juniors are Arlene Hamlett, who will be visiting Canada, Richard Sachs who will be leaving for Austria, and Geri Trovato who will visit Italy.

After having filled out the necessary applications and meeting the requirements, each applicant was interviewed on Sunday, January 9 by a Student Faculty Selection Committee. The interviewees included former Paterson State experimenters, Lon Lawson, Ann Stokes, Leslie Omelianuk, and Chet Pilgrim as well as staff members, Miss Este, Mr. Andrusin, Dr. Vouras and Dr. Yevak. Mr. Andrusin, assistant to the registrar, had been a college ambassador to Turkey while a student at Trenton State College.

Paterson State became affiliated with the Experiment in International Living in 1963 and with the assistance of the Student Government Association Executive committee, chose and subsidized the first Ambassadors. Since that time, the past experimenters themselves serve on the election committee and work with the S.G.A. concerning the disbursement of the money which is to be allocated to each ambassador.

As many of the students already know, the purpose of the program is to offer the opportunity to select students to visit neighboring countries, observe their customs and become acquainted with their people. Up until now the countries visited have expressed the ideas and choice of the experimenters. The countries visited to date

by Paterson State Ambassadors include Ireland, France, Holland, Argentina, Italy, Greece, Israel, Egypt, India Tanzania, Sweden and Great Britain. This year's experimenters will add Austria and Canada to the list.

The program in Canada is a Social Service Program in an interracial community for underprivileged children. Although a working knowledge of French is helpful it isn't required. Richard Sachs, our experimenter to Austria, will need to be acquainted with German.

The Beacon wishes good luck to our Ambassadors and extends our congratulations on their appointment.

Speakers View Viet Nam Crisis

"Viet Nam in Prospective" will be conducted in the new center for the performing arts this Saturday, February 26, from 9:30 a.m. to 8:00 p.m. At this time, the issue will be discussed from many varied aspects.

Miss Monika Flidr, a refugee from Communism, is being brought to us through the Education About Communism through Refugee program set up by the Lilly Endowment fund. She will tell us what it is like to live under Communism and what the people of Viet Nam face if the U.S. should abandon her policy of help.

The highlight of the conference is a policy planning session in which the students will have an opportunity to write their views on what should be done in Viet Nam. Mr. Curtis Crawford, a professor at New York University, has consented to give his critical evaluation of each paper. Mr. Crawford will also present his views, which are in opposition to existing U.S. policies.

A speaker from the State Department will also be present to defend the present U.S. policy in Viet Nam. As the State Department will speak at 10:30, the club would appreciate as many students attending as possible to give this distinguished speaker a good size audience. A complete schedule of the conference is as follows:

- 9:30 - 10:30 Registration
- 10:30 - 1:00 State Department Speaker
- 1:00 - 1:30 Lunch
- 1:30 - 2:30 Miss Monika Flidr
- 2:30 - 4:00 Curtis Crawford
- 4:00 - 5:15 Policy planning session
- 5:15 - 6:30 Dinner
- 6:30 - 8:00 Evaluation of the policy papers

ATTENTION AUCTION LOVER:

On Wednesday, March 23, 1966, the SGA will sponsor an all-day auction. The proceeds of this activity will be earmarked for the Student Union Building of the College Development Fund. This is an event which was quite popular a few years ago and something which promises to be interesting again.

We would like anyone who has anything of value at home to bring it in. Any item that can be carried in and out will be accepted. The collection will be in the Octagonal Room beginning Monday, Feb. 22, 1966.

Let's make this day an all out success. We will have faculty as well as student auctioneers. Some seniors will actually auction themselves off for the Senior Prom.

Editorial

That Paterson State Image

On Monday morning, the members of the Junior class will be entering public schools throughout New Jersey. They will be doing so in fulfillment of their Junior Practicum requirement. Although they will not be at State, they will still reflect Paterson State in everything they do.

First, to the cooperating teacher you will be an example of the type of person being trained by our state colleges, particularly Paterson State. In this group you can also include the administration. To these people you must be a responsible young adult, who is willing to learn and give of himself. These are the people who may someday be your employer. You might as well make a good impression right from the beginning!

To the student, you are a teacher, a college student, and a human being. I mentioned teacher first, because that is your most important role - one which you must never forget. Next, you are a representative of Paterson State. However you act, dress, or speak, will be considered the manner of PSC. If you go out and show pride in your school and in your future profession, the proper feeling will be transmitted. Finally, they do realize that you are human, so don't worry about small things. It is the big overwhelming mistakes that matter.

Your fellow worrier

GOOD LUCK JUNIORS!

Vienna Choir Boys Boast Historic Past

Direct from the Austrian capital, the world-famous Vienna Choir Boys will be heard in concert here at Paterson State on March 14. The Choir, made up of 22 boys between the ages of eight and fourteen, has won fame around the world. S. Hurok, the noted Impresario, has brought them to North America on twenty-one tours previous to the forthcoming one.

One of the outstanding musical attractions of one of the world's most musical cities, the boys of the historic Seminary School have been a prominent feature in Vienna since 1498, when the Hapsburg Emperor Maximilian established the group for the Austrian Court's private religious services. Each year fewer than 100 boys, only ten percent of the number of applicants, is admitted to the institution. Before admission to one of the choirs, students receive two years of training. Each boy is given an academic education in addition to his musical one, and, when his voice changes, is aided by the institution in furthering his education for the career of his choice.

Visitors to Vienna can hear the Choir in its own city not on in the baroque Hofmusikkapelle but often, in performances requiring children, at the Vienna State Opera. A recent Walt Disney hit movie "Almost Angels" dealt with a typical member of the Choir, and the boys have appeared often on major television programs and even in a gala New Years Eve production of "Die Fledermaus" at the Metropolitan Opera.

Dear Readers

Can you tell me where the Beacon is hidden? Every Friday I-race around like a nut in search of one paper, just one, but the Beacon went a-go-go.

There are two solutions to this problem. Either get rid of some students or make more papers. I suggest the latter solution.

The Searcher

P.S.—If you print this letter, would someone please tell me.

Editors Note: You can find the paper in the snack bar, Hunkler Hall, the Library or the Cafeteria. There are stands in all of these areas. However, if you can't obtain a copy there, please come up to the office on the second floor of the snackbar.

Pancake Eaters Munch 180 Pancakes To Victory

The seventh annual Shrove Pancake Eating Contest proved profitable for the eaters at Paterson State. On Tuesday, February 22, Bruce Liming and Kathy Sexton ate their way to success by downing 180 pancakes.

The two received an Oscar for their gastronomical efforts. They each downed five plates of 18 pancakes per platter to outwolf their nearest competitors, Herbert Kapp of Towaco and Miss Sue Stoveken of Bloomfield. A mere five bits of dough was the shade of difference as the runners-up totaled 175.

Organized by Joseph Dzielawiec, senior class president and an independent candidate for mayor of Paterson, the contestants arrived early for final instructions before getting down to business in the half hour contest.

Making the trek to Fair Lawn in addition to Mr. Dzielawiec, the winners and the second place couple, were Misses Patricia Grennon and Loretta Wilson of Clifton, Colleen Stains of Paramus, Nancy Salko of Wallington, Barbara Barclay of Fair Lawn, Sharon Courter of Paterson, Sabina Schimpf of Alpine and Lee Anderson of Sommerville Doug Bryan of Wayne, Charles Spence and Richard Holden of Kearny, David Bandstra of North Haledon and Paul Ottavia of Paterson.

With Three Cooks doing double duty and several waitresses wading back and forth among the 18 contestants approximately 1500 pancakes were cooked and 1227 eaten.

Though many of the students who came to root for their friends and many customers joined in the banter between eaters and on-lookers, there was serious business to be done.

The contestants were tying

"THE UNDER WHELMERS"

By Mollie Snyder and C. Bruce David

AS YOUR COLLEGE SUPERVISOR I HAVE JUST A FEW COMMENTS ON TODAY'S LESSON MISS STUDENT TEACHER.

YOUR MAINTAINING THE INTEREST AND ENTHUSIASM OF STUDENTS WITH I.Q.'S RANGING FROM 55 TO 160 WAS SATISFACTORY.

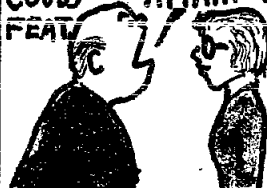

I THOUGHT YOUR ABILITY TO EXPLAIN EXISTENTIALISM TO YOUR 9TH GRADERS WAS INTERESTING.

BUT THERE IS ONE THING I MUST COMPLIMENT YOU ON! YOU HAVE ACHIEVED IN A FEW SHORT WEEKS SOMETHING WHICH EXPERIENCED TEACHERS OFTEN FAIL AT.

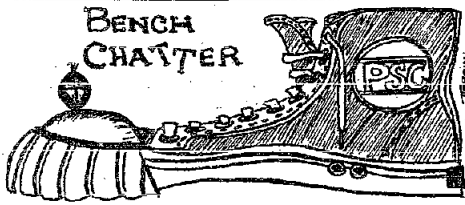

I AM ASTOUNDED THAT ONE OF YOUR LIMITED AGE AND BACKGROUND COULD ATTAIN THIS FEAT

YOUR ROOM WAS EXACTLY THE TEMPERATURE RECOMMENDED BY THE BOARD OF EDUCATION!

Season Finale Tomorrow PSC vs Queens

by Phil Yourish

Ken Wolf, former basketball mentor at Paterson State, will be returning here tomorrow night as an assistant coach of the Queens College Basketball team. The Paterson-Queens contest will be the final game of a dismal season for the Pioneers. Although Paterson has won only two games this season, they will be sporting a new look when they take on Queens College. In the last four games, the Pioneer's aggressive defense has almost caused three upsets, but unfortunately Paterson was defeated in all three games in the final minutes of play. Jersey City won 87-86, Hunter 65-61, and Nyack 76-64. Against Queens tomorrow the rejuvenated Pioneers will be looking to gain that frustrating third win, and the way Paterson has been playing as of late, victory seems almost inevitable.

The basketball game tomorrow night will be highlighted by Steve Clancy Night with an expected full capacity crowd. The Big Number 53, who has been Paterson's most outstanding player of the past four years, will be playing the final game of his career. This year Clancy is once again leading the Pioneers scoring with 462 points, 45 percent, and a 22 point per game average. Against Queens Steve will be looking to increase the schools all time scoring record, which he surpassed three weeks ago, to about the 1,800 mark. During the last few weeks, Steve has been playing some of the best basketball of this season, scoring at a 30 pt. per game clip. For the dedication and ability that Steve has displayed in basketball at Paterson State, he a most deserving player to have a night set aside honoring him for a job well done.

P.S.C. Ski Club Schedules Trip

The first meeting of the Paterson State Ski Club was held on Tuesday, February 16th. The attendance was very large. Anyone interested in the club may find information around campus either on posters or by contacting John Sabanosh or Mr. Lieberman.

A trip is now in the planning scheduled for Wednesday night, March 2. There will be a discount for those interested in going. In addition there also will be ski instruction at any level by Mr. Yong, a professional skier and instructor.

There are also many opportunities opening to the members of the club. For more information, Join Now!

Pancake Eaters

(Continued from Page 2)

for a national championship as students from all over the nation simultaneously gathered at 15 International Houses of Pancakes. There were prizes for local and regional winners and the plum of all, a 10 day trip to the South Seas for the national champions.

There were many methods of strategy. Some students preferred using butter and syrup, others a glass of water or coke to keep them going. But the girls devised the most ingenious method, accompanying the menu with pickles.

Some of the eaters voiced various and sundrie remarks, "I'll take a scotch and water" and "I'll eat a platter for every Corvette that goes by," the contestants, remembering the 4 hours previous to the contest when most limited their diet to stretch stomachs, concentrated on eating pancakes.

The contestants were not only having a free meal and a lot of fun, but there was parental approval, too. According to one young man most parents believed the contest was "creative", by his definition, "a healthy activity as contrasted with student demonstrations."

Besides the rooters, others on campus also helped to promote interest in the contest. John Junetman and his committee came up with what seems to have been the most practical ideas, a collection which raised \$6.37 for Alka Seltzer. (Many of today's readers were contributors to this fund and the contestants were grateful for the supply of Alka Seltzer.)

Though the contestants may have set a record for their school by having no one drop out, one male competitor, who understandably preferred to remain anonymous, did make a hasty exit, but he was back at the table for the final whistle.

The Beacon's Best Fencer

Fencers Topple Opposing Teams

by Bob Moore

Guess what? The Fencing team won again. The staff has just about run out of superlatives to describe what the fencing team has achieved this year, but the fans felt the sting of defeat from the Pioneer Fencers. Person romped on Fairleigh Dickinson by a score of 1 still keep the victory train running. This week two while Rutgers Newark fell to a 20-7 margin. In the Fairleigh Dickinson match, the sabre team again was overpowering as Captain Lon Lawson, John Cilio, Tim Szabo, Norman Tracy, Steve Wansky and Stan Kerber compiled a 6-2 record. Steve recorded his first victory as a fencer in his sabre bout. The foil team also had an exceptional evening with Chet Pilgrim, Jim Lawther and Jack Zellner winning seven out of nine for PSC. The epee team with Scott Dyller, Ed Harrison, Tom Di Cerbo and Bob Moore had a 4-5 record for the evening.

In trying to contain the Pioneers, Rutgers had a rougher time. The Pioneers zipped through 10 straight matches before one bout was lost. By the time Scott Dyller finished his second round, epee match, the Scarlet was squashed. For the sabre were Captain Lon Lawson, John Cilio, Tim Szabo and Steve Wansky who compiled a 6-3 record. The foil team was 6-2 as Chet Pilgrim, Jim Lawther and Jack Zellner easily routed their adversaries. The epee team was also feeling its oats, as Scott Dyller, Ed Harrison, Tom Di Cerbo and Bob Moore beat the Scarlet fencers 7 times out of 9.

Gleason Sets National Mark

Montclair State College's national sophomore, Bob Gleason, has entered the National Hall of Fame's record books.

Gleason netted eight-of-free throws at Montclair State Tuesday night to up his consecutive foul shooting spree to straight, a new national collegiate mark.

It has been reported that Butch Konives, now playing with the New York Knicks, held the old college record of 50 in a row. He set a mark during the 1953-54 season while at Bowling Green.

The free throw Gleason set the record with, almost dropped. He flipped it up from 15-foot line with 11 seconds play, and it hung on the rim before falling.

Despite Gleason's record his 28 point performance the dians lost to Monmouth College 89-79.

Tennis Star Wins Match

Arthur Ashe, Jr., first member of the Davis Cup Team from Richmond, Va., defeated his opponent, Gene Scott of James, N.Y. in a tennis exhibition at Upsala College on February 14, 1966.

The exhibition was sponsored by the Men's Club of Trinity Presbyterian Church in Montclair. Benefits from the event were for the Men's Club scholarship fund.

Ashe is the new attraction in tennis. His humor, wit, style have brought to the sport a fresh personality.

There were thirteen PSC administrators, faculty, staff, students who attended the event. They were as follows: Mr. J. Huber, Mr. Richard Reed, and Mrs. Joseph Pizzat, Mrs. Ermina Hahn, Mrs. D. Erson, Bonnie Mitchell, Barbara Simpson, Kitty McGrath, Lynn Daniels, Mary Christie, and Ruth Nold.
