# The Board Of Trustees

Dr. Stephen J. Wright

Mrs. Judith Fernald

Rabbi Martin Freedman  
*Chairman*

A curriculum is composed of people and ideas as well as programs. A course of study is not an unyielding schedule, but a reliable framework of possibilities. In accenting flexibility rather than rigidity, new courses focusing upon contemporary problems have been created; new departments emerge as old ones expand.

Special programs such as the Independent Study enable the more adventurous student to venture out on his own. Those afflicted with wanderlust can become a part of the Experiment in International Living. The concerned and the educationally disadvantaged are brought together in tutorial programs set up by the various departments. The keynote is imaginative planning with its basis in reality.

PRESIDENT, William Paterson College of

In a sense, this message is one of farewell. Obviously, we hope that this campus will continue to be kind of a home, whether for further study or simply for a visit, yet, in a more tangible sense,

life Vincent Lombardi, a major folk hero of our culture, exemplified this pursuit and articulated it in his own style: "Winning isn't everything - it's the only thing."

This may be a somewhat ruthless view, but then this was the nature of Coach Lombardi's business. The important point is the degree of commitment that was evident in his performance, even though his function in society was not in a vital area.

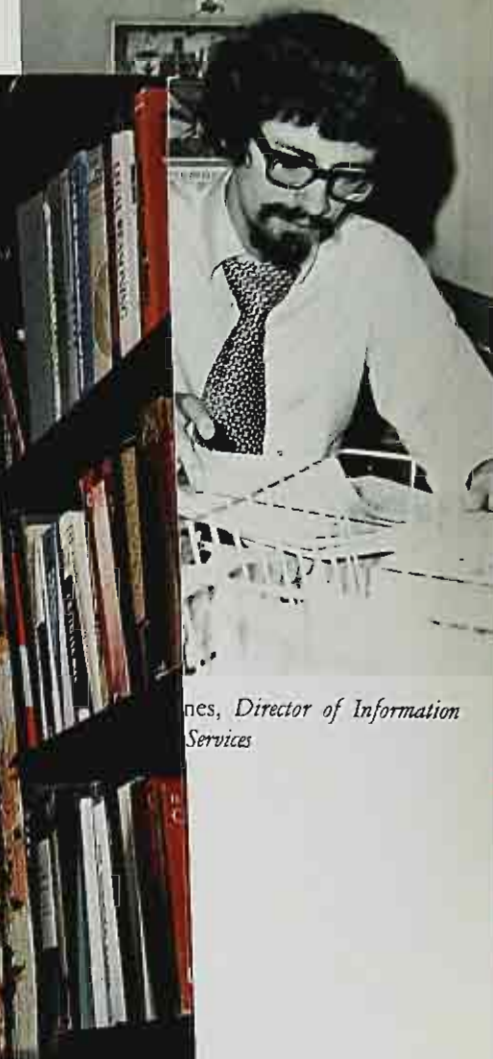

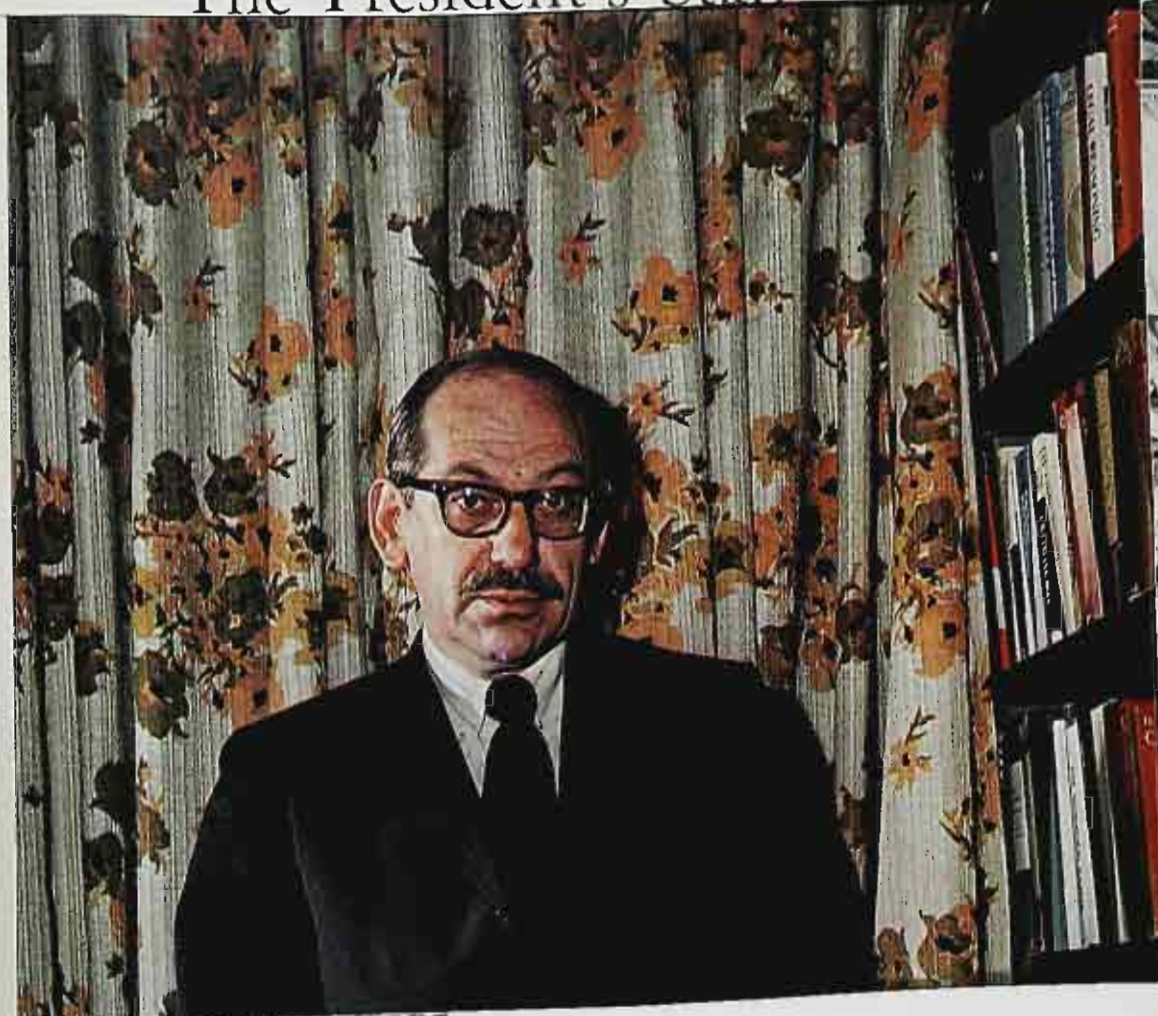

This College is struggling toward the ideal of excellence. The preparation we have given you has been the best we could provide with our present resources, but it is far from what we wanted to give you. One promising development in our struggle is the growing involvement of your fellow students in the decision making process on this campus. That standards of excellence that we finally achieve will, through this involvement, be especially relevant to the needs of the coming generations.

Your input in this struggle will also be of continued value, and I hope that you will always be a part of the future of The William Paterson College of New Jersey. Please accept my sincerest wishes for good luck and the opportunity to exercise your role in the transformation of our society.

### THE GENERAL COUNCIL

Members of the S.G.A. General Council are composed of the class presidents, the S.G.A. past president, and the class representatives, all of whom work in conjunction with administrators and faculty members in planning and carrying forth activities throughout the year. Responsibilities of the Council include chartering student organizations, allocating funds to these various groups, and approving any fund raising programs.

### THE STUDENT GOVERNMENT ASSOCIATION

The student government association is the governing body at W.P.C. The purpose of this council is to organize and execute those activities which are of primary concern to the students on campus. The S.G.A. also cooperates with the administration in planning assembly programs, social affairs, athletics, publications, and special interest clubs. The channels of communication which are continually open between the Association and faculty, provide a means for the exchanging of views and experiences which have value for all concerned. The S.G.A., therefore, serves as a liaison between the attitudes and needs of the students, and the aims and goals of the faculty and administration.

## S.G.A. COMMITTEES

The purpose of the S.G.A. committees is to perform specialized services to the students during the college year. These committees include: Finance, Elections, Constitution, College Center, Publicity, Social, Administrative, Carnival, Curriculum, Student Appeal, and Student Faculty Relations. These committees serve to foster student participation in the governance of the college by having the student become involved in an area of service which may interest or benefit him.

## Francis J. Perrelly

For the first time in the history of William Paterson College, a student has been elected to the college's three honor societies: Who's Who in American Colleges and Universities, Alpha Psi Omega, and Kappa Delta Phi. At a time when apathy appears commonplace, it is only fitting that the college recognize the achievements and contributions which Frank Perrelly has made to WPC. Only by maintaining an outstanding scholastic record and excelling in extracurricular activities has Frank been eligible to receive this distinct honor. His activities have included: President of Veteran's Club, member of Master Planning Council, Student's Welfare Club, Coordinator of Ricky Hummel Blood Drive, Science Club, Pioneer Players cast and crew, and representative to the Reader's Theatre in Englewood and Totowa. In addition to these organizations, Frank has been awarded a Graduate Assistantship in the Biology Department. Those who have known him and have felt his influence during his four years as an undergraduate will agree that Frank has epitomized the phrase "Age of Wisdom."

Many on campus know Frank only in the role of college philosopher. Among his words of wisdom:

Ladies and gentiles, snakes and reptiles, I am here before you to stand behind you to tell you a story of which I know nothing about. Last Tuesday which was Ash Wednesday a truck loaded with unloaded bricks fell on a dead cat. I am very sorry to say that the cat is in the hospital suffering with the best of health. Next Wednesday which will be Holy Thursday there will be a fathers' meeting for mothers only. Plenty of seats, you'll sit on the floor. Admission is free just pay at the door.

for the Junior Class. In an age when colleges and universities are displaying active interest in their institutions, our Junior Class as a whole could not find one way of showing their concern. Throughout this past year, the Class of 1972 has had to cancel their prom, the only activity planned; has not seen fit to appear for any pictures and has shown apathy in its greatest sense. For these reasons alone, the 1971 Pioneer Staff has been unable to obtain pictures for the activities of the Class of 1972.

## Freshman Class Officers

Through the initiative of President Bill Washington, and the other class officers, the freshman class is taking an important and active role on the campus. Highlights of their activities included a dance and a battle of the bands contest. One of their major achievements was sponsoring the newly formed Twirling Squad. The main goal of the freshman class is to terminate the apathy on campus.

# Pioneer Players

Pioneers Players, the college's dramatic club, is open to all students interested in acting, play reading, directing, costuming, and make-up technique. Production highlights for the 1970-1971 season, which displayed the club's dramatic versatility, included: **THE DARK OF THE MOON**, **AS YOU LIKE IT**, **THREE PENNY OPERA**, and **DRACULA**. The players are one of the most active and hard working groups serving the W.P.C. community.

# LETTERS TO THE EDITOR

## Graduation

Editor, STATE BEACON:

Since the senior class officers have taken it upon themselves to decide about our prom and graduation without telling the seniors until it would be too late to take any responsible action, a few seniors, concerned and ignored, wish to give the rest of the senior class the few fragmented bits of information we have . . .

I wish to rant and rave without reason, to vent my pent up frustrations after four years of being a lamb in a large flock of lambs — the senior class . . .

If graduation exercises are conducted for the purpose of publicly acknowledging the graduates through the distribution of their diplomas, this one seems hardly to qualify. If it is meant to be a dignified, orderly ceremony, why isn't it run in such a fashion? Although this year's graduation is set, perhaps future graduates might examine the present method of conducting graduation and decide its purpose . . .

Joe DiGiacomo — *Ed.-in-Chief*

## Ring

Editor, STATE BEACON:

When Mr. James ran for office he was a strong advocate of student power, the events of the last week have opened grave doubts as to where that power is now vested.

I refer to the new rings offered the students of William Paterson College. Mr. James abrogated to himself the authority to design a new class ring. I do not voice complaint with the symbols contained in that design nor question the belief that some students have in them.

## Dismissal

Editor, STATE BEACON:

Those students and faculty who are opposed to Professor Dave Underhill's dismissal have my firm support. I cannot stand by impotently while a respected colleague is dismissed for reasons too nebulous . . .

## Goals

Editor, STATE BEACON:

I, personally was heartened to read President Olsen's comments on the Goals Statement . . .

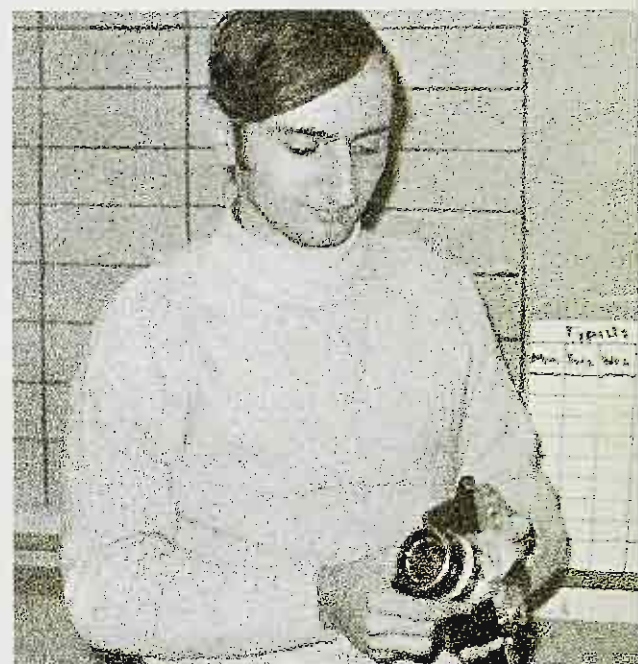

## Security

Editor, STATE BEACON:

"Security sleeps!" I parked in the Library Staff lot, but do I fear a ticket? No, security sleeps! . . . The blatant incompetency of the Rip Van Winkle Security Force of Paterson State College has failed time and time again to protect our cars. The failure of the security force to protect our parking spaces is another example of their gross incompetence. PLEASE SECURITY: WAKE UP!

## Veterans' Association

The Veteran's Association has been working actively to join a federation with other veteran's associations throughout New Jersey. On campus they have vigorously supported the Ricky Hummel Blood Drive and the Carl Salamansky Kidney Fund. They take monthly trips to the East Orange Veterans Hospital.

## Conservation Club

This organization is open to all students interested in nature and conservation, which are vitally important with today's environmental problems. Activities during the year include prominent guest speakers and outdoor conservation projects.

# Science Club

This organization provides intellectual and social activities which supplement curricular studies in the science subject areas. One of its major goals is to develop the waterfall and surrounding area for use in college programs. Major activities include: a spring and fall canoe trip, horseback riding, camping weekends, museum trips, and fossil collecting.

# Society for Social Sciences

Organized to promote the Social Sciences on campus, this society includes speakers, discussion groups, and panels as part of their scheduled activities. Field trips to areas of historical interest supplement these regular club meetings.

One of the more active organizations on campus, the Arts Council, under the guidance of Dr. Manno, serves the students on campus by sponsoring a variety of movies that are shown throughout the school year. It is through the Council's efforts that a better appreciation of the arts is fostered. Among the 1970-71 season's films were: *The Innocents*, *The Birds*, *Blow-Up*, and *Billy Budd*.

## ARTS COUNCIL

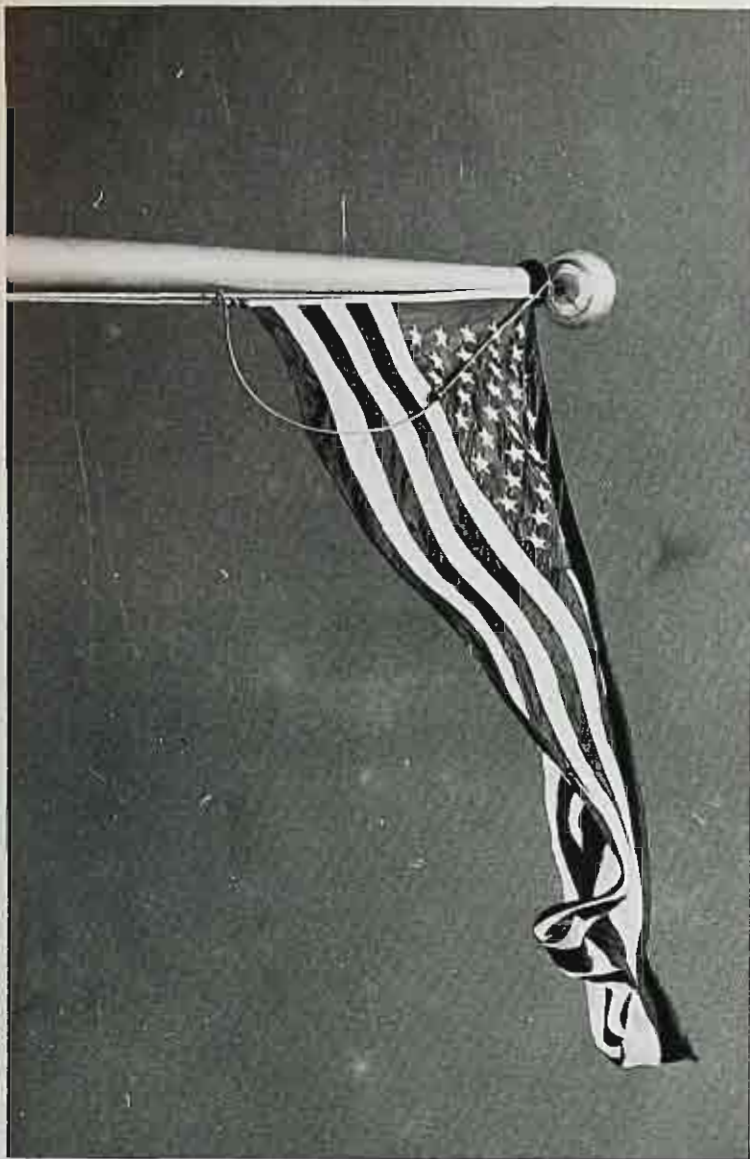

## Leadership Lab

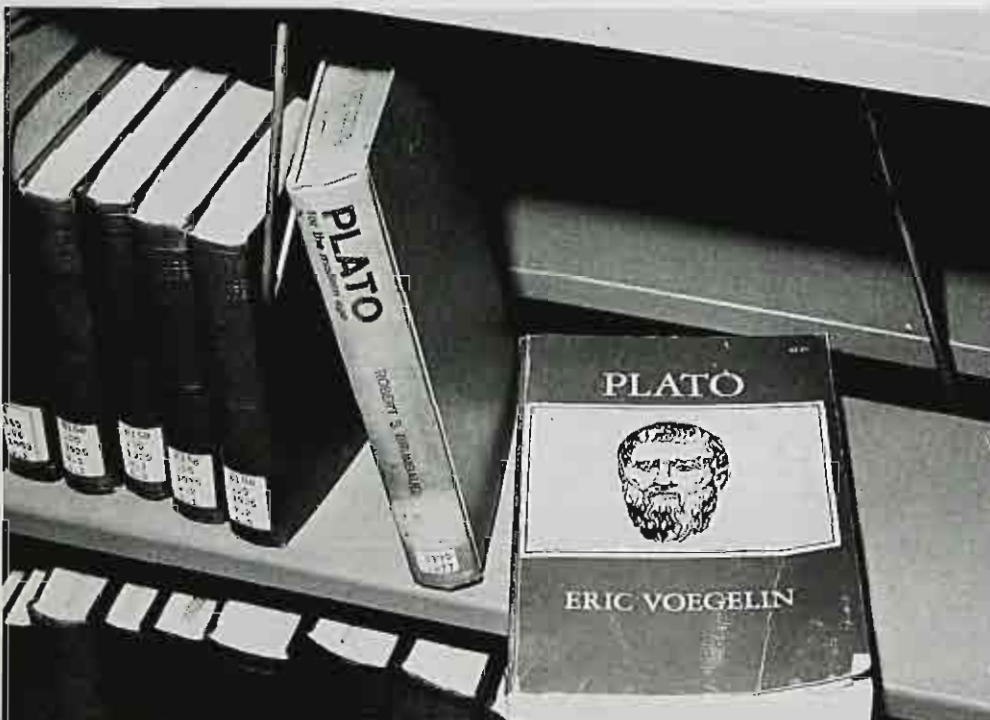

Leadership Lab provides a day workshop on campus and a weekend conference off-campus for qualified and selected students. This lab emphasizes the individual, conditions which facilitate or hinder learning, and the relation among values, feelings, and behavior. Lab training aims at important goals: personal growth, group development, and organizational improvement.

This worthwhile organization seeks to promote interest and participation in activities on all levels; campus, community, and state functions. It is only through engaging in these activities that club members feel one may be called a "good citizen."

## Citizenship Club

## Philosophy Club

The Philosophy Club is composed of students interested in examining and discussing social or cultural phenomena in terms of inter-relationships, assumptions, rationales, evaluations, and aims. Activities include discussions, lectures, and speakers.

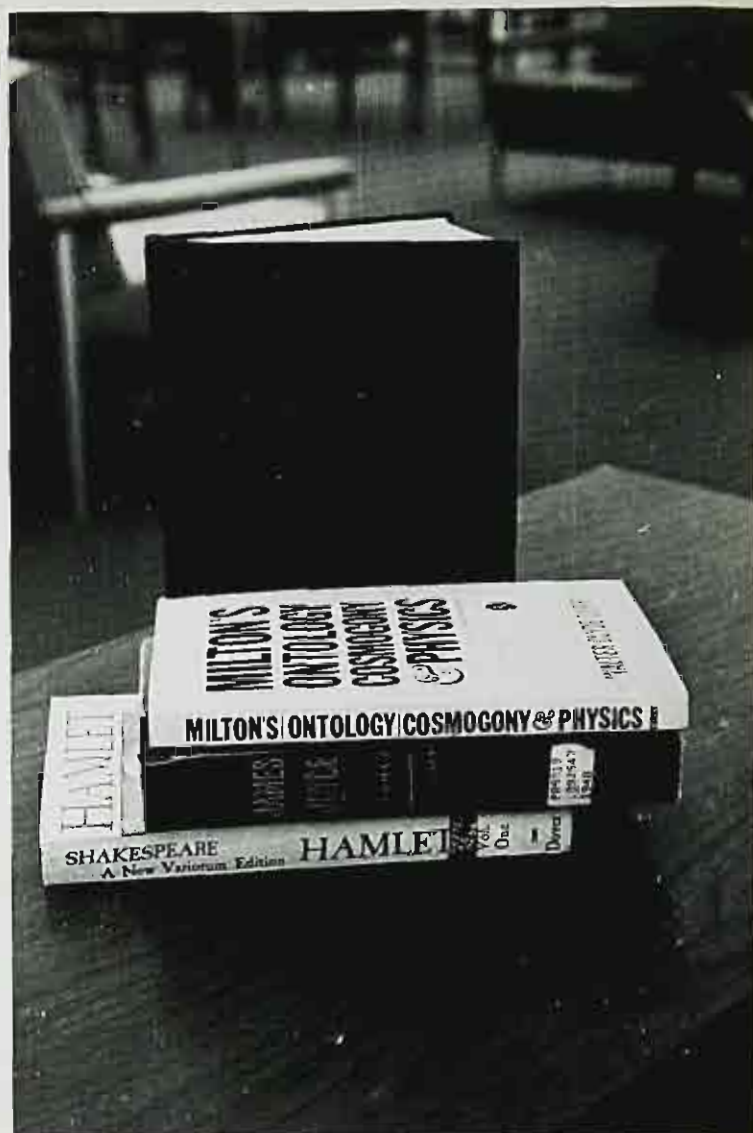

# English Club

A group of students sharing ideas and interests in all art forms, particularly literature, explore these areas through lectures and group discussions at regular meetings. The club also sponsors a series of motion pictures to be shown on campus without charge, to all students.

## Speech Correction Club

A newly formed club on campus open to Speech Correction majors, this club has become actively involved in fostering professional attitude in the field of speech and hearing sciences. Activities include distinguished guest speakers, a resource library and materials unit available to club members, and an annual excursion to the New Jersey Speech and Hearing Association Convention in Atlantic City.

# MUSIC ORGANIZATIONS

Various music clubs highlight the activities at W.P.C. Singing groups consist of the Chasonettes, the Women's Choral Ensemble, and College Chorus and College Choir which are open to all qualified and interested students. Instrumental groups consist of the Brass Ensemble, the Woodwind Quintet, the Concert Band, the Percussion Ensemble and the College Community Symphony which is open to all college, high school, and adult musicians. They perform at concerts and recitals throughout the year.

Membership in the student chapter of the Music Educators' National Conference provides the opportunity to participate in this professional music organization prior to service in the music education fields.

## Music Club

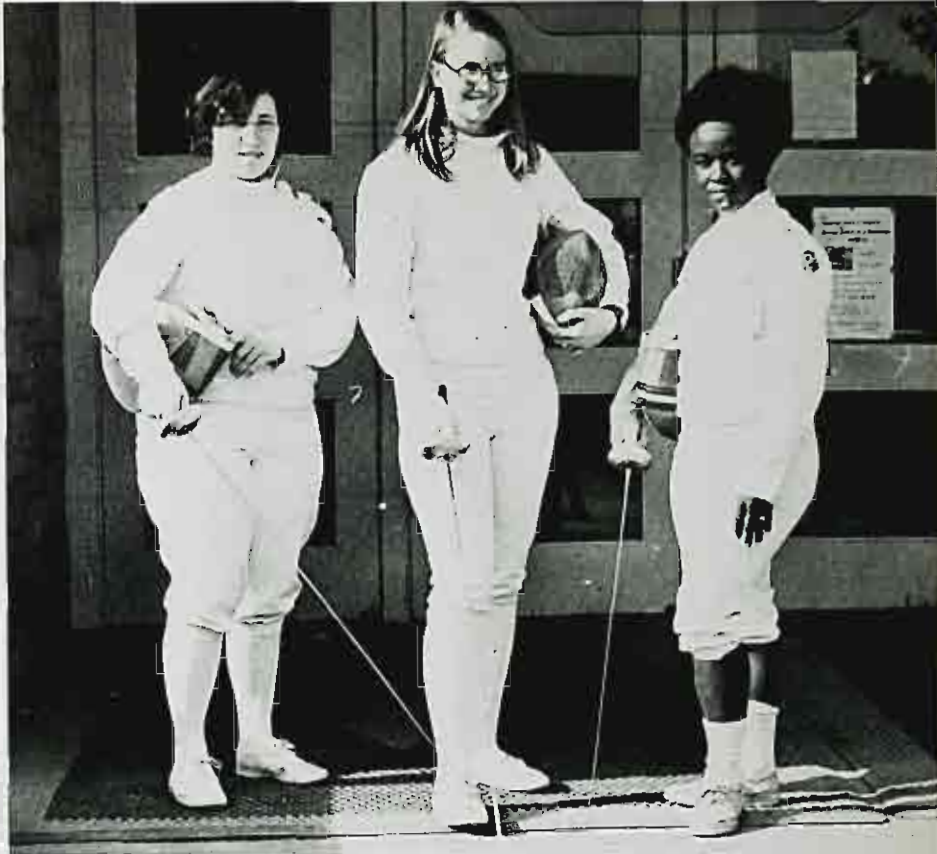

Promoting the musical interests of the student body and providing cultural activities on campus are the purposes of this organization. Social activities such as parties, picnics and receptions are also functions of this group.

## Swords Club

The Swords club, which is the women's fencing organization, is open to any woman student interested in becoming a competitive fencer. It is affiliated with the Amateur Fencers' League of America, and the Intercollegiate Women's Fencing Association. In its fourteen year history, the WPC women fencers have won five IWFA national individual, and eight national team championships. A full program of tournament and duel match competition is available for all fencers at various levels of competitive ability.

## Physical Education Club

The purposes of the Physical Education club are to foster a concern for progress in recreation, physical education, and health education; and to assist its members in attaining the highest levels of success in the fields of recreation, physical education and health.

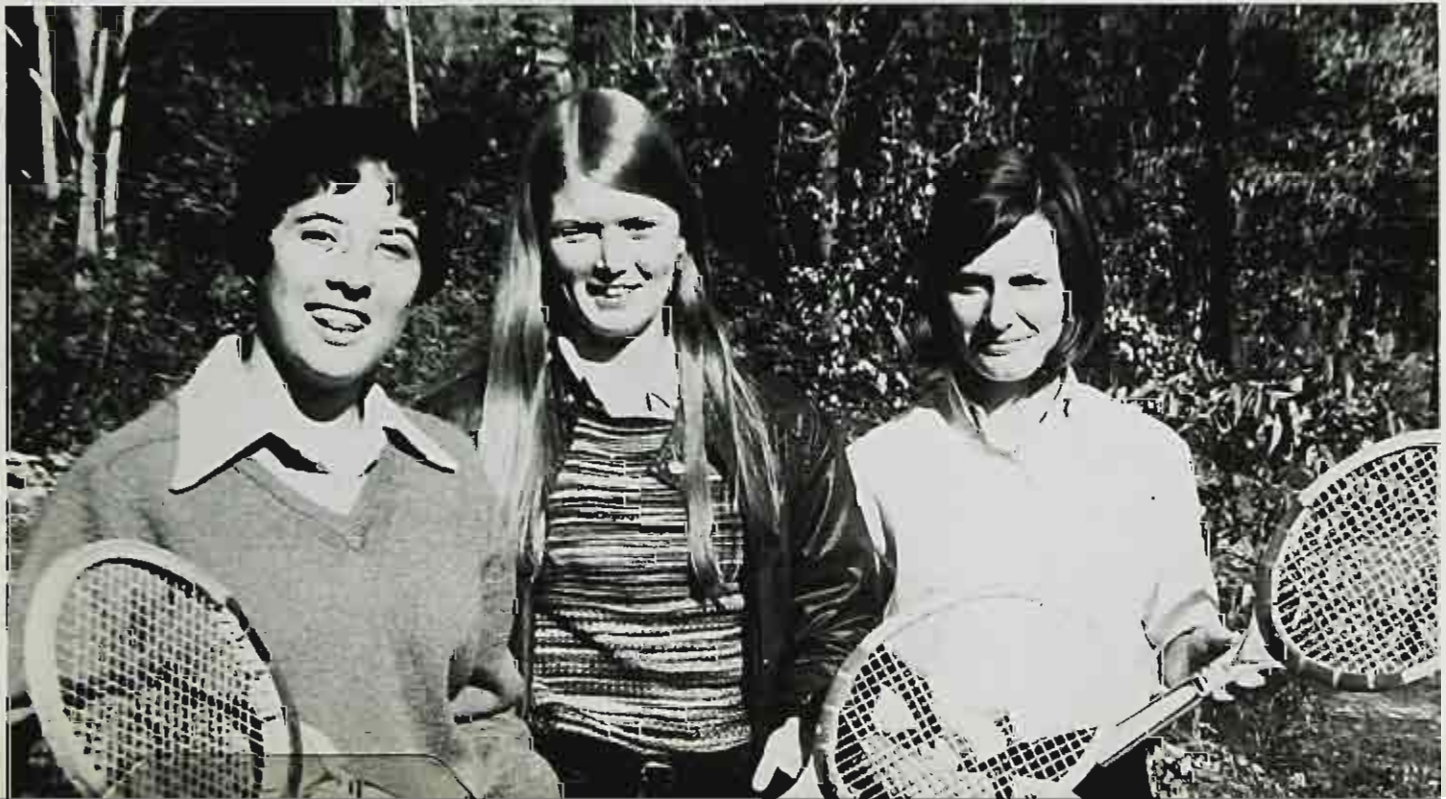

## Contemporary Dance Club

This group offers men and women the opportunity of exploring the dance arts as active participants. Each spring, the society sponsors an annual theatrical dance performance in which at least sixty students perform, while about twenty additional members are involved in backstage tasks. The club is open to any interested student on campus.

The purpose of the tennis club is to foster deeper appreciation of this competitive sport and to further its interest by means of well planned instruction. Membership is open to any interested student on campus.

# Experiment In International Living

## Copenhagen Students

These programs are based on the conviction that one best learns to understand another people and culture by living among them as members of the family.

In the International Living Program, the S.G.A. gives partial scholarships to students who represent the college as ambassadors abroad for six to eight weeks during the summer. Students may choose from any one of 47 countries.

The semester abroad in Copenhagen is a 16 credit program which involves direct study and individual research at the University of Copenhagen, Denmark.

This club is open to whoever wishes to learn horsemanship at either the beginning, intermediate or advanced level. William Paterson College is a member of the Inter-Collegiate Horse Show Association and members of the Equestrian Club are eligible to participate in these shows which are held at various colleges in the northeast area. Individual members belonging to this association have an opportunity to try for the "Cartier Cup" at the end of the year. This trophy, donated by Cartier Jewelers in New York, is awarded to the rider with the most accumulated points in ribbons for the year.

Led by Pat Forster, Captain, and Michele Baker, Co-Captain, the J.V. Cheerleaders add enthusiasm and school spirit to the WPC basketball games. The squad works very hard to contribute these ideals to the varsity and junior varsity sports on campus.

# VARSITY CHEERLEADERS

The cheerleading squad consists of varsity and junior varsity divisions. Both squads actively participate in fostering school spirit and enthusiasm for the various sports included in the WPC Line-up. Additional activities included sponsoring dances and pep rallies during the year. The varsity cheering squad has brought recognition to the college by winning first place in the metropolitan intercollegiate cheering competition in 1965, 1966, and 1967, thereby retaining permanent possession of the trophy.

The "Spirit of '66 Kilties" Color Guard was formed in May, 1965, under the sponsorship of the Senior Class, and began performing during the 1965-66 college year. Their purpose is to contribute to college spirit by performance at varsity basketball games. The guard has performed in exhibition at Color Guard competitions. Annual tryouts are held during the fall season. Girls are selected on the basis of enthusiasm, poise, and ability.

# SPECIAL EVENTS

One special activity in which the entire college community participates, is the annual campus carnival. Held during a Spring weekend, the S.G.A. oversees the activities while the carnival is in progress. All groups and clubs which are sponsored by the S.G.A. are invited to participate, and the entire college — staff, students, and friends, are invited to attend. Exhibits, rides and contests are but a few of the many events which take place during this weekend of "CARNIVAL FUN."

## All College Picnic

October 20, 1970

An annual event on campus is the all-college picnic. Open to the entire student body and faculty, the college participates in hootenanny activities and a barbeque dinner.

Homecoming this year was a new and exciting experience for the WPC campus. The third annual program was highlighted by our first football game. Wightman Field was dedicated to former College President Wightman who was in office for seventeen years until his retirement in 1937.

Throughout the weekend such activities as float building, a soccer game, and a dance took place.

## DICK GREGORY

On March 3, 1971, Dick Gregory, actor, comedian, and author, spoke at William Paterson College to a capacity crowd and donated a copy of his latest book to the school library.

Gregory first gained acclaim as a comedian, but since then has spent most of his time providing serious commentary on human rights, not only for American Black People, but for other minorities. Many of his efforts have been directed toward the problems of the American Indians.

On February 20, 1971, Byron Janis, one of the great talents, revealed a glittering sense of style and an illuminating musical intelligence. He contrasted power with poetry, controlled every nuance, communicating every phrase. Janis left no doubt that he is among the elite of the keyboard, both in his breath-taking technique and in his command of styles, romantic and ethnic. His performance, nothing short of magnificent for the William Paterson College of New Jersey concert, dazzled the crowded auditorium.

Completion  
And  
Dedication*

Dedication ceremonies for the newly completed Fine Arts Building were held this year, as one of the special events on campus. The Fine Arts building will house the Department of Art. Its facilities include studios for sculpture, crafts, painting, ceramics, graphics, textiles, photography, and design. Lecture rooms for art history and appreciation, two art galleries, and space to house the Department's collection of 20,000 slides, are also included in this impressive structure.

An annual event on the W.P.C. campus is the Ricky Hummel Blood Drive. The administration, faculty and students work together in a group effort to plan and support this worthwhile activity for the continuing well-being of Ricky Hummel, a hemophiliac. The drive is coordinated by the campus fraternities and sororities, who actively participate to make the drive a success.

One of the more impressive special events which takes place at W.P.C. prior to the holiday recess is the annual Christmas Tree Lighting Ceremony. During the ceremony, the chorus accompanied by the band, perform popular Christmas carols and all onlookers are encouraged to join in.

## Campus Queen

This year Miss Bettie Young, a nineteen year old W.P.C. junior, was crowned Campus Queen at the annual Coronation Ball held at the Marriott Hotel in Saddle Brook. Miss Young has demonstrated active community participation which includes: working with children in Paterson, being a board member of the Youth Advisory Board for the Youth Development Program, and serving on the Mayor's Youth Council.

Members of the Queen's court include: Priscilla Blackwell, first runner-up; Linda Fischer, second; Lora Wiggins, third; and Magnolia Richardson, fourth. Success of this special event was attributed to responsible organization and planning on the part of the Coronation Ball Committee.

*1971*

The social event of the season which culminates one's studies at William Paterson College of New Jersey is the annual Senior Ball. Amidst plush red carpeting, flowing fountains and dimly lit chandeliers, this year's Ball was held at the Wayne Manor, Wayne, N. J. The Milt Davidson Orchestra provided the musical entertainment for the evening.

Miss Deborah Kievit, a sophomore, WPC of 1971 on Sunday, March 14, 1971.

This was the 4th annual Miss WPC sponsored by the Student Government, direct preliminary to the Miss New Jersey July.

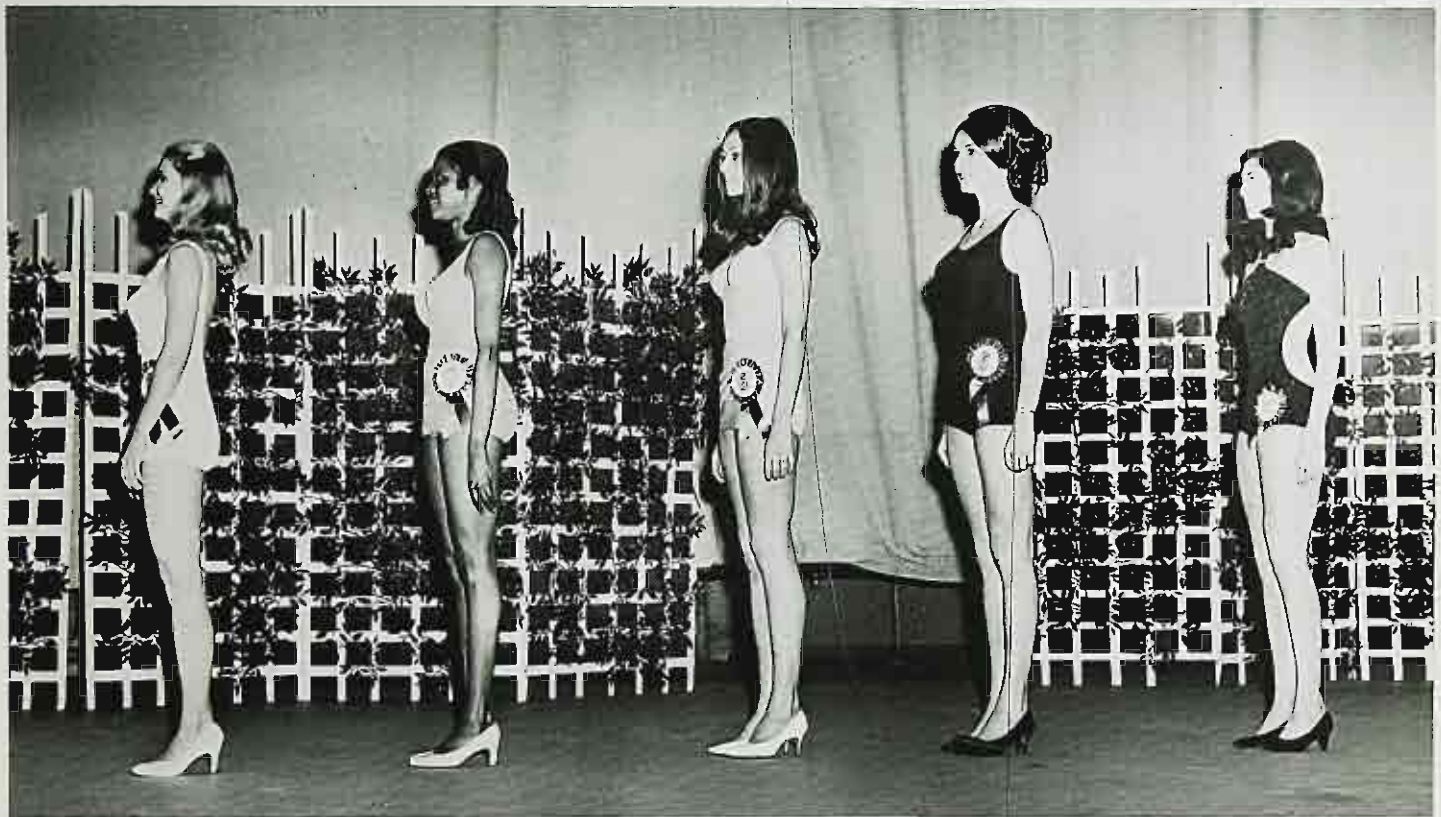

The girls are judged on many qualities: personality, a genuine interest in new people, the ability to converse intelligently on current events and on world affairs.

# HONORS

# Who's Who

Annually, a number of outstanding students are chosen for inclusion in the national listing — Who's Who in American Universities and Colleges. The selection is based on scholarship, participation in co-curricular activities, and character qualifications.

William Paterson College recognizes those covered students whose influence has been felt through their invaluable service to the college community, and who display potential in becoming outstanding teachers and citizens.

Kappa Delta Phi, the honor society in education, annually selects those students whose scholastic achievement and participation in extra-curricular activities warrant their acceptance into the society.

The Experiment in International Living and the New Jersey Semester Abroad at Copenhagen programs offer qualified students the unique experience of being introduced to people and cultures of foreign lands, while continuing simultaneously to earn undergraduate credits toward their degrees.

Alpha Psi Omega is the college's dramatic honor society, which elects its members on the basis of points awarded for acting and backstage work. A formal induction ceremony is held annually for those students worthy of membership.

Finally, each year a number of outstanding students are chosen for inclusion into the national listing of Who's Who in American Colleges and Universities. These students serve as representatives of W.P.C. and future leaders in their society.

# Honors Programs

The Honors Program is an exciting departure from the usual college curriculum and from the usual Honors program. It offers students who have proved their ability in high school or who give evidence of good potential a chance to select their own courses without following the generally required curriculum and to participate in the Honors seminars for six credits each semester of their Freshman and Sophomore year. Working in small self-guided groups or in independent study, these students frequently may begin work early in their major area or may experiment in a number of widely different fields in order to discover future studies that might be of interest.

Faculty in The Honors Program are chosen in consultation with students. Besides being outstanding in their own fields, they have wide interests that extend to all areas of intellectual concern. They are considered exciting and stimulating teachers and sincere and involved human beings. Their rapport with their students is one of the main contributing factors in their dialogue in the seminar. Some of the disciplines presently represented on the Honors faculty are Art, English, History, Chemistry, Education, Philosophy, Black Studies, Political Science, Geography, and Psychology.

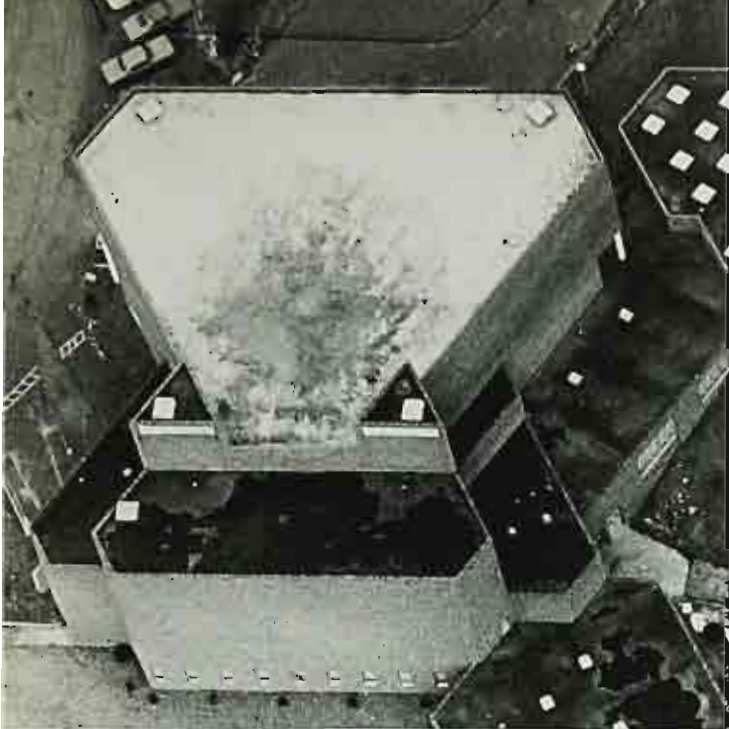

## Kappa Delta Phi

The Zeta Alpha Chapter of Kappa Delta Phi is the national honor society for men and women at William Paterson College. Students who meet the highest standards of scholarship and character, as well as possessing a deep interest in the teaching profession, are invited to membership each year.

The purpose of Alpha Psi Omega, the college's dramatic fraternity, is to stimulate interest in dramatic activities on campus, to secure and provide help to the school through national honorary fraternity membership, and to reward students for their efforts in participating in the plays staged by the college by electing them to membership.

Election to membership in the fraternity is based on the basis of good academic standing and eligibility points, which are awarded for both acting and stagecraft activities.

## *John Alfieri*

John Alfieri — during his four years, John has served on such activities as the Student Government, BEACON, and welcoming dance committee during his freshman year. Sophomore year John was Vice-President of his class, on the hazing committee, cross country team and BEACON, as sports writer. Junior year John continued to be involved in the SGA as president, served on the homecoming committee, the carnival committee, the academic governance committee and master planning committee. During this year he took part in the Experiment in International Living in Sweden and was selected for Who's Who in American Colleges and Universities. John's senior year was occupied with SGA, BEACON, Faculty Senate and other important educational Committees.

## *Robert Ross*

Robert Ross — for a four-year commitment to the affairs of the Student Government Association and of the class of 1971. As a freshman he was a representative to the SGA General Council. As a sophomore he served on the hazing committee, as chairman of the campus queen committee, on the coronation ball committee, and as a staff writer on the BEACON. He was also secretary of his fraternity, TAU KAPPA EPSILON. As a junior, Robert was president of his class, served on the SGA executive board and General Council, was a trustee of the Student Cooperative Association, and went as a delegate to the American Student Government convention in Atlanta, Georgia. He also was a student representative to the Faculty Senate and to the faculty promotion committee, served on the college union building committee, and once more worked on the BEACON. In his senior year, Robert was president of his class and also president of the Student Cooperative Association, in which capacity he was ex officio a member of the College Development Fund Board. He was a member of the SGA executive board, the SGA General Council and the Faculty Senate. He served his fraternity as pledgemaster, his class on the commencement committee, and was selected for Who's Who in American Colleges and Universities.

## Ruth Strother

Ruth Strother — received this award for active and enthusiastic participation in the affairs of her class and of this college. Ruth has served on numerous committees including freshman dance, finance, hazing, and coronation ball, carnival and athletic policy. Ruth was a BEACON staff member, Ricky Hummel Blood Drive secretary, sophomore class treasurer and student cooperative trustee. She has participated in the SGA as treasurer, chairman of the finance committee, and vice-president. As an ambassador in the Experiment in International Living, Ruth was sent to Germany. She was also a student member of the Political Science department, a faculty senate alternate, on the all-college tribunal and part of the Presidents to Presidents Conference. Ruth was elected to Who's Who in American Colleges and Universities.

# GREEKS

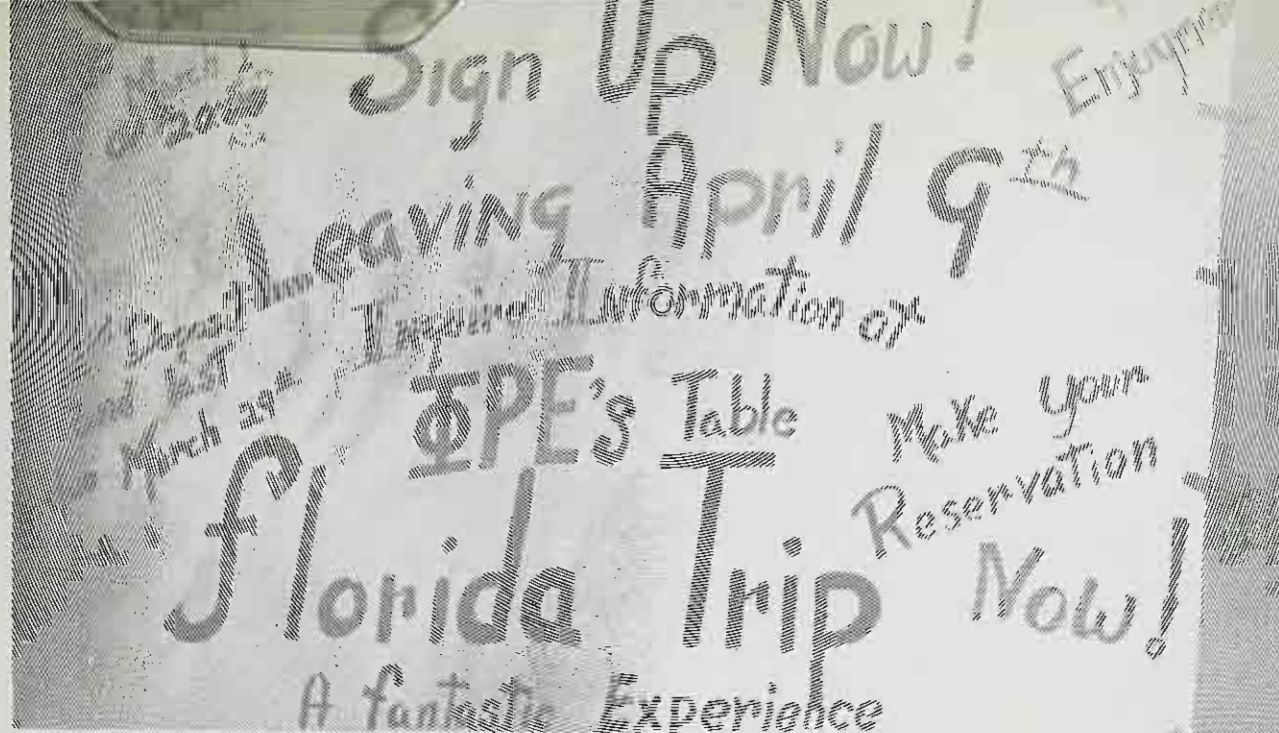

The college experience should not only include the educational development of the individual, but the social aspect as well. Man, as a social being, must learn to relate to others and interact with his environment.

Fraternities and Sororities provide such an outlet for social interaction. The Inter-Fraternity-Sorority Council, which was established in 1967, acts as a liaison between the fraternal organizations and the college administration. Since every fraternity and sorority is represented on the Council, mutual problems and plans of action can be discussed. To date there are over twenty active fraternities and sororities at William Paterson College.

The importance of their work throughout the year in campus and community activities such as the Ricky Hummel Blood Drive, College Carnival and Intramural sports, cannot be overstated.

Since Phi Rho Epsilon Fraternity has been founded in 1965, it has maintained annual events and activities which have benefited the school, the community and the fraternity as well. Such events consist of active participation in the Ricky Hummel Blood Drive, an annual Thanksgiving Clothing Drive for a needy family, the sponsoring of a trip to Florida every Easter, plus a variety of smaller yet meaningful activities in which Phi Rho Epsilon has been proud to participate.

Zeta Omicron Psi Sorority was started in 1963 by 12 girls, and has a number of social events as well as several charity projects throughout the year. Our charity projects include giving a basket of food at Christmas to a needy family, and sponsoring a picnic in the spring for orphans. We participate in the Ricky Hummel Blood Drive every fall with monetary and blood donations, and also assist on the day of the drive.

We hold pledging twice a year in October and February. This year we started pledging with our Tea in October, and concluded pledging with our Induction Dinner in November. Our social events include a Christmas Party, a Halloween Party, several mixers and a Formal in June at which time we honor our graduating seniors.

In April we hold our annual Fashion Show as the major fund-raising project of the year. For Mother's Day, we take time out to honor our mothers at the Mother-Daughter Dinner, at which time we present them with flowers and entertain them for the afternoon.

Founded in 1965, Gamma Chi Sorority has remained a small close-knit sisterhood upholding the virtues of friendship, scholarship, integrity, and charity. The colors of Gamma Chi are burgandy, standing for friendship, over white, standing for sisterhood.

Aside from its various social functions such as promotion of the Gamma Kappa Ski weekend, the annual Mother-Daughter Dinner, Father-Daughter Day, Alumnae Day, and Halloween and Christmas Parties, Gamma Chi has been actively involved in many on-campus events. These events include the Ricky Hummel Blood Drive, the College Carnival, Homecoming, and the IFSC.

As an extension of its goals and interest in helping others, the sisters of Gamma Chi have recently adopted an American Indian Child.

Gamma Phi Lambda, founded in 1943, holds the distinction of being the third oldest sorority on campus. Since that time it has been active in both social and charity events. Among its social events which the sorority sponsors are the Spring Cotillion, the Campus Queen Contest, and the Miss W.P.C. Contest. Gamma Phi Lambda also participates in other school activities as Homecoming, Carnival, and Intramurals. Equally concerned with charity events, the sorority participates in the Ricky Hummel Blood Drive and is represented on IFSC.

Omega Theta Iota was founded October 27, 1967 with a membership of thirteen sisters. Since then it has flourished to an active membership of fifty and an alumnae of twenty sisters.

Since its beginning, Omega Theta Iota has participated in many of the fund drives organized on campus. This past year they were awarded a trophy for their outstanding service in the Ricky Hummel Blood Drive.

The activities of the sorority include annual Halloween and Christmas parties, a fall hayride, a spring picnic, and other various social functions.

Xi Lambda Chi Sorority was founded on November 22, 1967. Since then, it has grown from its original ten members to an active sisterhood of over thirty members. Together we have contributed our services by sending packages to our servicemen in Viet Nam and by helping to organize William Paterson's Ricky Hummel Blood Drive. These are but a few of the services Xi Lambda Chi has offered in attempting to promote the ideals of warmth and friendship upon which this sorority was founded.

Phi Theta Rho sorority was established in 1967 with a beginning membership of 27 sisters. It now has a sisterhood of over 40 girls, in a variety of majors and from various backgrounds.

Although fairly new, Phi Theta Rho has participated in such activities as the Ricky Hummel Blood Drive and the Spring Carnival, as well as being represented in the Miss W.P.C. beauty and talent contest, and the Campus Queen finalists. The sorority is also supporting an American Indian as a foster child.

Phi Theta Rho, whose colors are brown and yellow, is based upon the ideals of "Sisterhood, Truth, and Sincerity."

Theta Sigma Kappa Sorority was founded in 1957. Since the year of our founding we have grown to a large sisterhood established on the ideals of Theta for truth, Sigma for sincerity, and Kappa for knowledge.

As an organization we take part in many on-campus activities including the College Carnival, the Intra Fraternity Sorority Council, the Ricky Hummel Blood Drive, as well as other outside activities including the support of a Korean orphan child and an annual Christmas party for Senior citizens. Theta Sigma Kappa sisters also participate in the annual campus queen election, The Miss William Paterson College contest; our sisters have been and are members of the Student Government Association, class officers, and Student Education Association members, as well as members of various other clubs on campus.

Psi Omega Chi started the year with its first Mother-Daughter Luncheon. The highlight of our social activities was the Christmas Party held at the Tappan Zee Motor Inn. Mixers with Phi Pi Epsilon were held during the year.

The sorority gained another trophy when we worked on registrations for the Ricky Hummel Blood Drive.

Pledging activities, induction of new sisters, and officers will end the year with a farewell party.

A candy drive was sponsored by the sorority which proved very successful.

# Χ Δ Φ

The sisters of Chi Delta Phi this year actively participated in the Ricky Hummel Blood Drive and in organizing the Spring Carnival Events. Their membership enjoys traditional social functions throughout the school year, such as the Fall Hay Ride, Induction Night — Christmas Party, a canoe trip, Mother-Daughter Luncheon and a summer shore house. This Year, for the first time, the girls initiated plans for an added vacation in Fort Lauderdale during our spring vacation.

The brothers of Skull and Poniard Fraternity feel that the time of fraternities to act as social coordinators is over, and the time of fraternities to act as a social force is here. Our goal is individualism.

The sisters of Phi Omega Psi are actively involved in many campus activities during the year. These events include the Ricky Hummel Blood Drive, Carnival, Campus Queen, and Miss W.P.C. Contest. The sorority also participates in collecting for Unicef and coordinating an Easter project for orphanages. Annual Highlights include a fashion show and Parent-Daughter Banquet.

Psi Kappa Nu was incorporated as a fraternity on February 26, 1970, with a total of 21 founding brothers. Its initial commitment as defined in the constitution is to strive for the betterment of the community, themselves and their peers. In the past year the brothers have fulfilled their commitment in several ways. One example was by cleaning Pioneer Hall at a time when the matrons were not functioning by assisting the cafeteria staff in clearing away leftover trays. In the community the brothers have contributed food to needy families over the Thanksgiving holidays. Their biggest project is to institute a "Hotline" for Passaic county.

Tau Kappa Epsilon Fraternity is a select group of men with similar ideals, hopes and purposes bound together by deep friendship. Aside from the brothers helping each other to develop his personality and broaden his outside interests, the brothers also help their younger brothers adjust to college life.

T.K.E. has taken a very active part in this year's campus activities. For their generous help and enthusiasm at the Ricky Hummel Blood Drive they were awarded first place for "Hard Workers" and received the S.G.A. award for "Outstanding Services" for their work during the 1970 Spring Carnival. T.K.E. showed a movie for the benefit of the Carl Salamansky Kidney Fund. They also sponsored a movie and contributed the donations to the new Student Union Building.

# W.R.A.

Incorporating sports into an educational program entails both the physical and mental development of the student into a well-rounded individual.

WPC's athletics program has expanded and improved tremendously within the last four years. A variety of intercollegiate sports are open for membership, with varsity and intramural programs available to insure that every individual has an opportunity to participate.

The college is a member of the New Jersey State College Athletic Conference and the National Association of Intercollegiate Athletics. William Paterson College plays a representative schedule against the outstanding colleges of comparable size in the New Jersey-New York area.

All women students belong to the Women's Recreation Association and become active members upon participation in activities sponsored by this association. Awards are presented at the W.R.A. Spring Banquet to those who have qualified under the set points system. The Association is affiliated also with both the state and national Athletic and Recreation Federation of College Women.

Active members of the Women's Recreation Association participate in activities including modern dance, gymnastics, swimming, volleyball, basketball, softball, badminton, archery, golf, hockey, bowling, and horse back riding. Workshops, symposia, and clinics with other colleges are also held throughout the year. Awards are presented at the WRA Spring Banquet to those women who have demonstrated active participation in this organization.

On September 25, 1970, Club Football became a reality at William Paterson College, under the direction of head coach, Michael Sabia.

Once the Pioneer gridmen started, nothing could get in their way. After only two weeks into the season, the team moved into national prominence and were rated 10th best in the nation by the National Association of Club Football. The season proved to be a phenomenally successful one for the gridmen, and all are looking forward to next year's games. They ended the season in fourth place in the National Association of Club Football.

Triple plays, grand slams and superb pitching have highlighted both the Women's Varsity and Junior Varsity softball teams this season. Probably the strongest team ever to play for William Paterson College, two strong squads have been formed for this season's action.

# CROSS COUNTRY

By winning the Cross-Country meet on October 29, 1970, the WPC Pioneer Roadrunners clinched the Conference Championship for the second year in a row. At the annual Albany International meet and the New Jersey college and University Division championship, the team made a fine showing by taking third place honors in both events.

Overall, WPC finished in the top half at the Annual National Association of Intercollegiate Athletics Cross Country Championships.

Tom Fleming brought special recognition to William Paterson College this year by placing eighth in a record field of over 500 runners in the fifteenth Annual National Association of Intercollegiate Athletics Cross-Country Championships. By finishing eighth, Fleming was selected All-American, as were the top fifteen runners. Tom's outstanding performance makes him the first runner in the state of New Jersey to become All-American. In addition to this achievement, he also ran away with the first place honors in the Eastern Roadrunner (nine Mile) Championship.

Tom Fleming has certainly proved to be a credit to the Roadrunners and William Paterson College through his unexcelled record this year.

## Track and Field

The William Paterson College track team opened its first season this spring on a new track and with a newly formed team. Field events included half-mile, 100 yard dash events, hurdles, pole vaulting, and javelin. If the record which the team has made so far is any indication of the team's efforts as a whole, W.P.C.'s new track team will be running strong in the years to come.

Soccer, with practices and home games held on Wightman Field, is one of the major fall sports which is creating much interest among students and faculty.

This year the soccer team achieved its season-long goal of a .500 or better record. They finished with a record of 6-5.

Games are scheduled with members of the conference and other colleges in the metropolitan area.

# Women's Basketball Team

Both the Women's Varsity and the J.V. teams had winning seasons this year. The squads proved themselves to be fine representatives of the school despite the many problems which plagued both teams throughout the season.

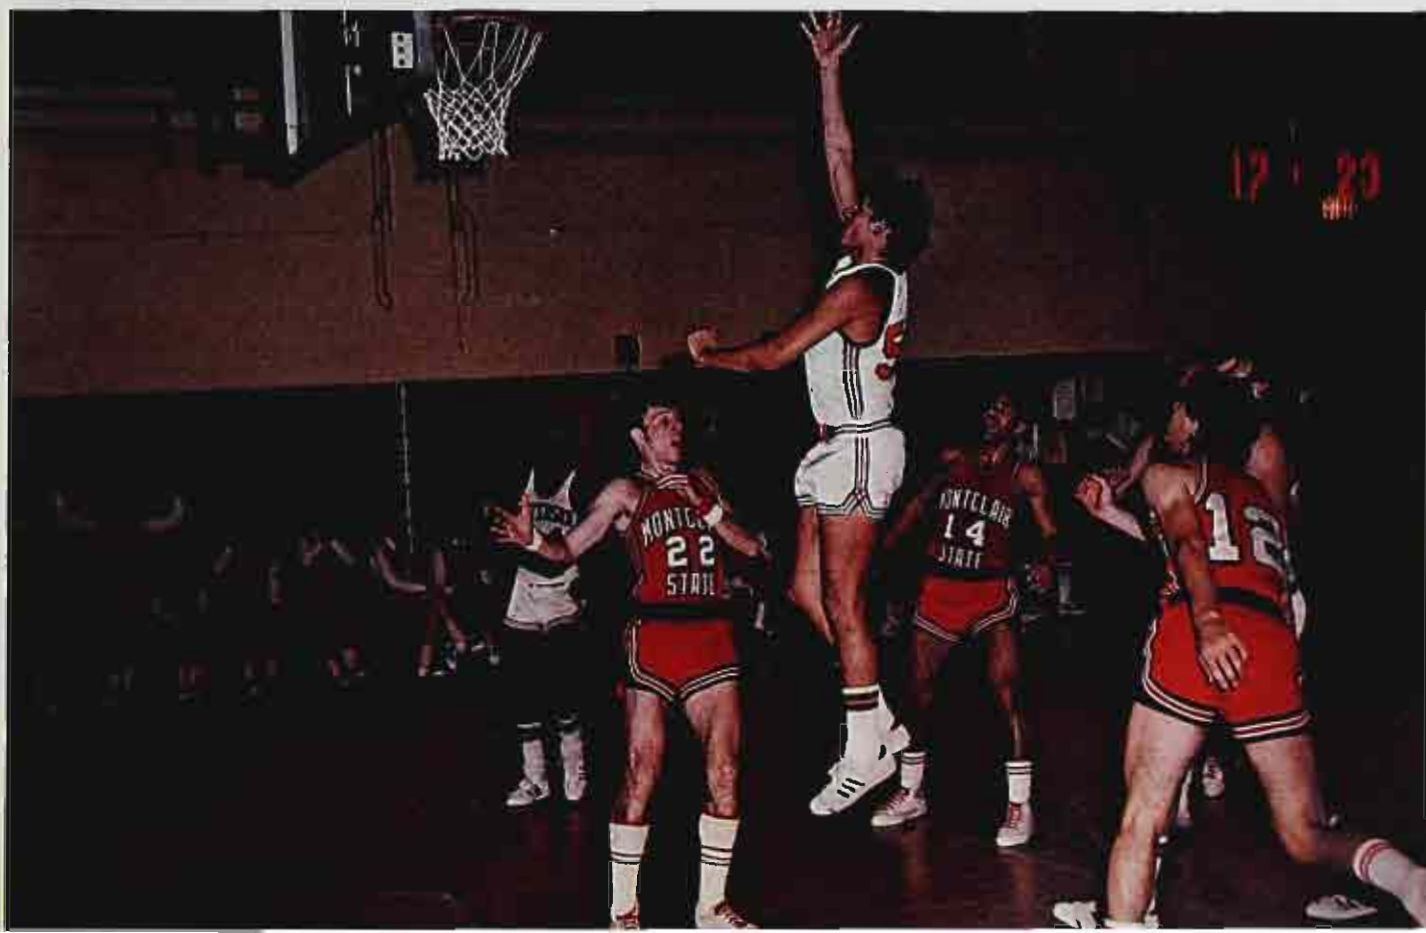

# Varsity Basketball

A major spectator sport at William Paterson College is basketball. Games are played with members of the N.J.S.C.C. and other metropolitan area colleges. Each year the team takes trips to New England and upper New York State to participate in team games. The squad also enters an annual Holiday Tournament.

## TEAM RECORD:

Varsity — 16-0

J.V. — 12-0

The Women's Fencing Team gained national recognition by earning second place in the Intercollegiate Women's Fencing Association's National Championships. Lee Ann Weidner (captain) qualified for individual championship and finished third. Anna Nowell finished sixth. During the year, Pat Miller captured the A.F.L.A. Women's Novice Award. The team competes extensively with member colleges of the Amateur Fencers League of America and was host to the I.W.R.A. Christmas Invitational Fencing Competition at W.P.C., at which Lee Ann Weidner took fifth place. The team was honored by the New Jersey Italian Tribune as the outstanding women's college fencing team in New Jersey in 1971.

## Men's Fencing

Under the direction of Coach Al Sully, the men's fencing team is perhaps the most active, yet least known sports activity on campus. This year the team competed in the New Jersey Men's Intercollegiate Championships sponsored by the A.F.L.A. and can boast of many fine accomplishments this season.

The college senior is of a "mixed breed" — on one hand a responsible adult and on the other hand, a student with latent potential. Seniors are people — disturbed by the social tensions they see around them, and yet, anxiously anticipating a weekend party or a midterm exam.

A culmination of four years, as part of the college community, has transformed a teenager being led, into a young adult qualified to lead others.

Upon completion in their major field of study, the Seniors at William Paterson College, have fulfilled those requirements necessary to be awarded their respective degrees.

The status of Senior is one envied by many underclassmen, but any Senior will tell you that only after experiencing the joys, sorrows, frustrations, and rewards of college life, can one really appreciate the meaning of the word — Senior!

# COMMENCEMENT

Commencement, as the name implies, is a beginning. The beginning of adult life and its responsibilities. This period is one of soul-searching and serious thinking, projected toward the future. Goals, which once seemed distant and unattainable are now readily within our grasp. But the time of prophecy is over, replaced with decisive action. The stage is now set for us to embark on that course which we have chosen for ourselves.

Therefore, although graduation is the end of a way of life we have known, it is at the same time, a beginning of new challenges and experiences. We face an uncertain future equipped with the knowledge and enthusiasm which our college education has provided for us. May we, as future citizens of this society, instill in others a love of learning — and life.

## Senior-Faculty Dinner

The annual Senior-Faculty Dinner was held at the Neptune Inn. At the Dinner, outstanding service awards for seniors were presented. The Senior Class also took this opportunity to present the Class award to the faculty member who best served the Class of 1971 as a whole. This year the award went to Mr. Frank Zanfino. The Class gifts, a wooden replica of the college seal for the Alumni Association and \$1,000 to the Carl Salamansky Fund were also presented at the Senior-Faculty Dinner.

A book, such as the PIONEER consists of everybody working and pulling together. No one person could claim all the glory. Some of those who share this glory are not PIONEER staff members. We wish to express our deep appreciation and gratitude to all, for without their help, the '71 yearbook would have been difficult to publish.

## *A Few Words Of Credit . . .*

*Bill McNamara* — Taylor Publishing Company Representative — He was always there when we needed him, providing expert advice.

*Mr. Ruocco* — Indispensable helper in all areas, from securing a phone to office supplies.

*Mr. Smith and the AV Department* — They cared and worked diligently to help us meet our deadlines.

*Claire Hopley* — Secretary to AV who put up with us throughout the whole year.

*Mrs. Randall* — She gave us invaluable information on graduation and mailing lists in a co-operative manner.

*Mr. Zanfino* — for being there when we needed him most.

*Rachael Anzaldo* — who took time from being secretary to Student Activities to provide us with secretarial services.

*Mr. Barrechia, Mr. Carrano, Mr. Baccollo* — who found for us that elusive list of seniors, and their departmental divisions.

*Mrs. Ritvo* — for advising us.

*Miss Zanfino* — for compiling lists of faculty and administration.

*Members of duplicating and mailroom* — for their co-operation throughout the year.

*Dr. Olsen* — for providing us with a copy of our new seal, in a hurry.

*Ravens Studios* — official photographer.

*Gilbert Boyajian* — a little freshman with a big task, Class of '74 whiz kid.

*Rich Castino* — picture on page 4, and his assistance.

*Steve Dudek* — for his brilliant printing and developing.

*Greg Dujets* — who donated the use of his plane for aerial shots — The Red Baron of the WPC skies — Hang on Snoopy.

*Ken Hess* — for his help and extended best wishes as next year's photo ed.

*Bill LaVorgna* — for his pictures on pg. 8 and 9, and whose efforts are appreciated.

*Steve Lewis* — who developed pictures and plays a great game of pinochle.

*Alex Martinez* — for photo on pg. 2, and his friendly help.

*Tom Mayer* — for photos on pgs. 134 and 135, and his good wishes.

*Linda DeBlaker and Ray DiMuro* — for their unselfish interest and help in arranging financial matters, and allowing the Board of Control to reflect. . . .

## To the Graduating Class of Nineteen Hundred Seventy-One:

Through the four years of our studies at The William Paterson College, there have been many people who have played an integral part in our education. We have found it difficult to choose one person to whom we could dedicate our annual as this person should be one who has come in contact with every member of the class.

As a class, we have seen many changes in curriculum and life style during the course of our college life. Many problems have arisen due to the rapid growth of The William Paterson College of New Jersey. The scope of our studies has been broadened to include education as well as liberal arts. This transition has not been made with ease or complete understanding on our part. Not one year has gone by without the Class of 1971 having to make drastic changes in their planned college courses. Despite these revisions and difficulties, we have come to the close of our college career.

Thus, we feel that the 1971 PJO XCR Annual should be dedicated to the graduating class in its entirety because they truly have "survived."

Respectfully,
