PEOPLE

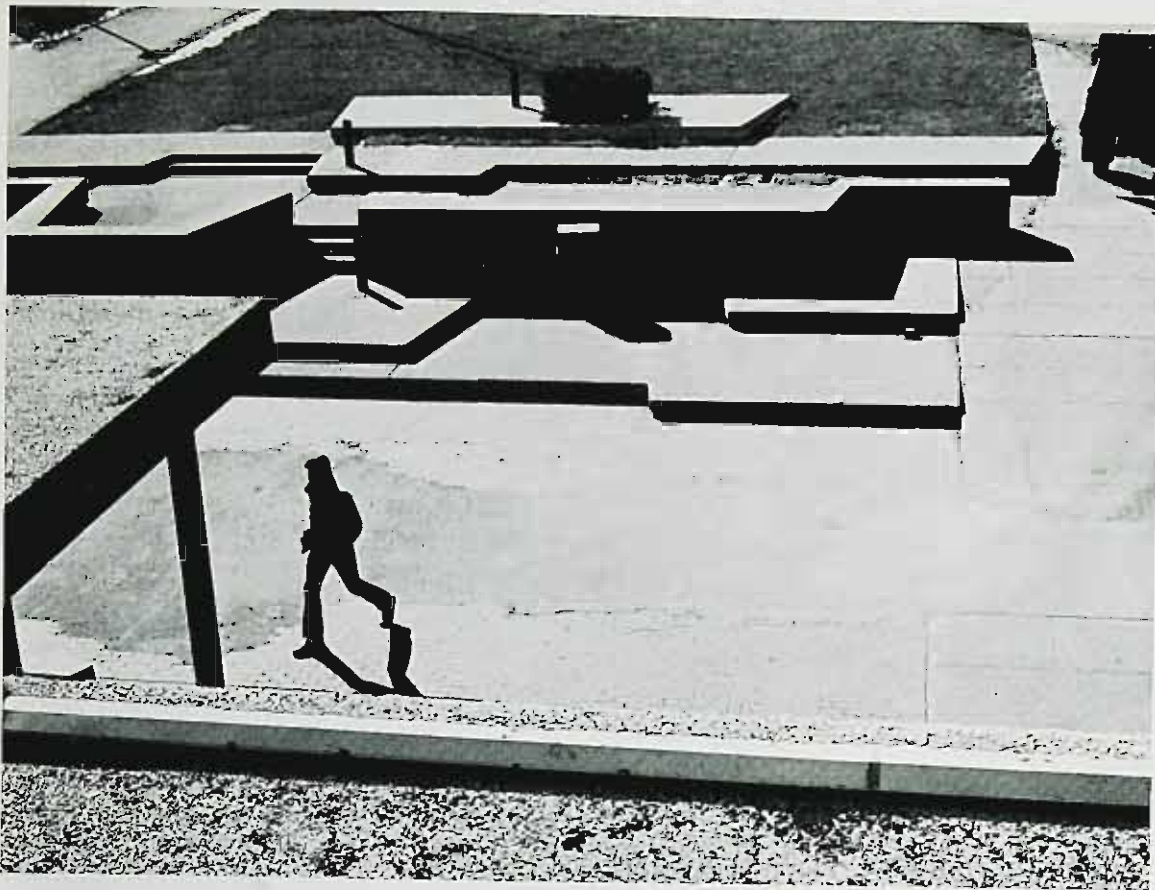

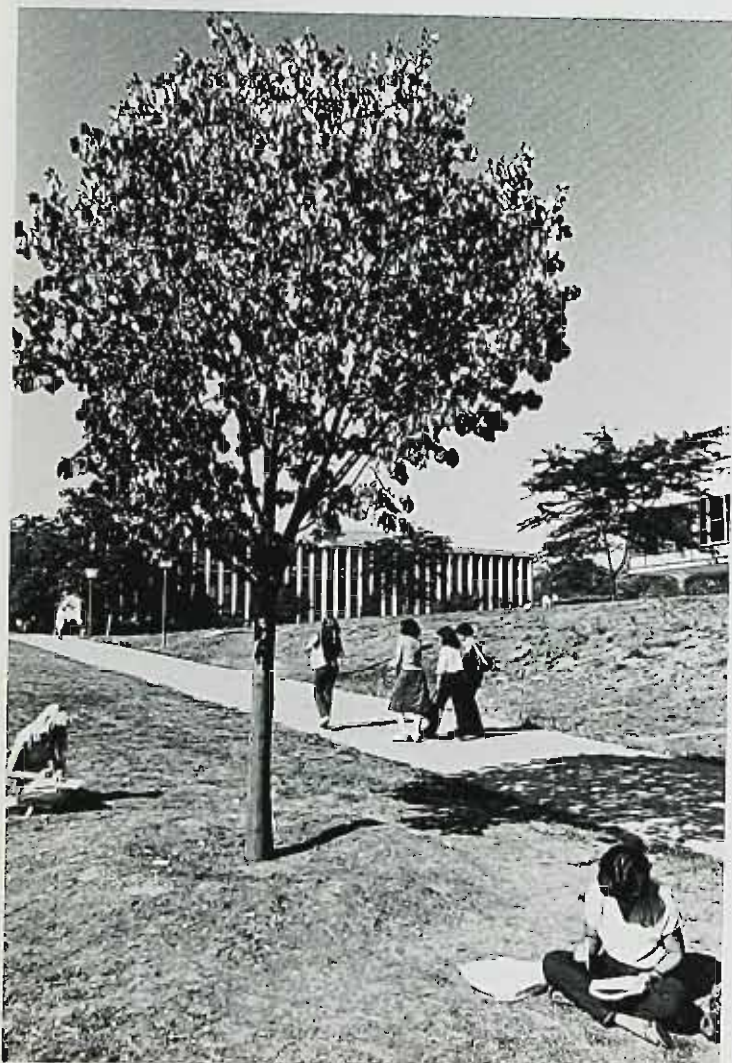

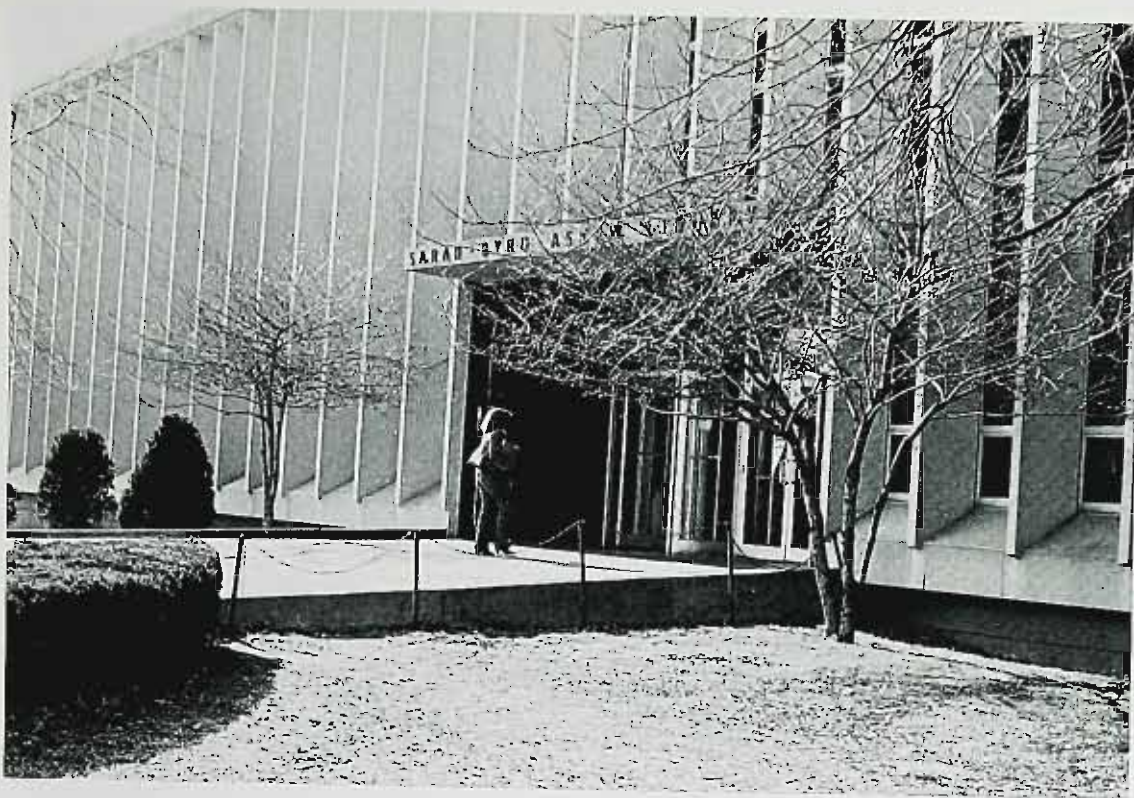

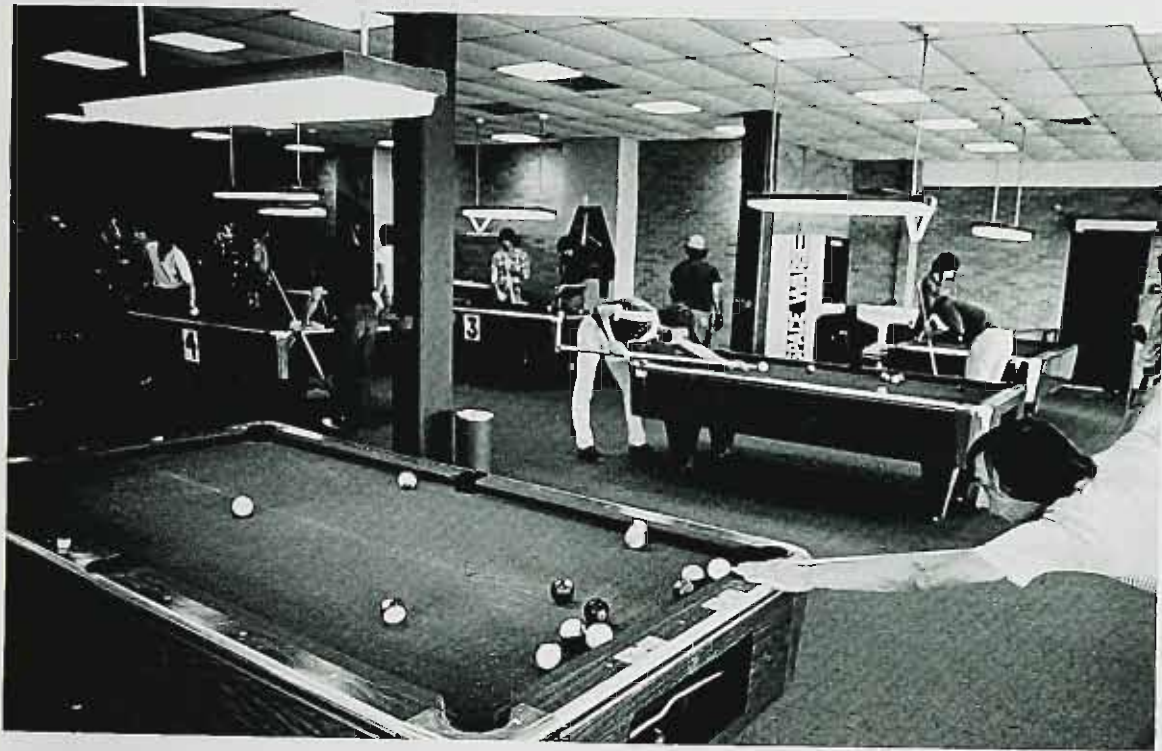

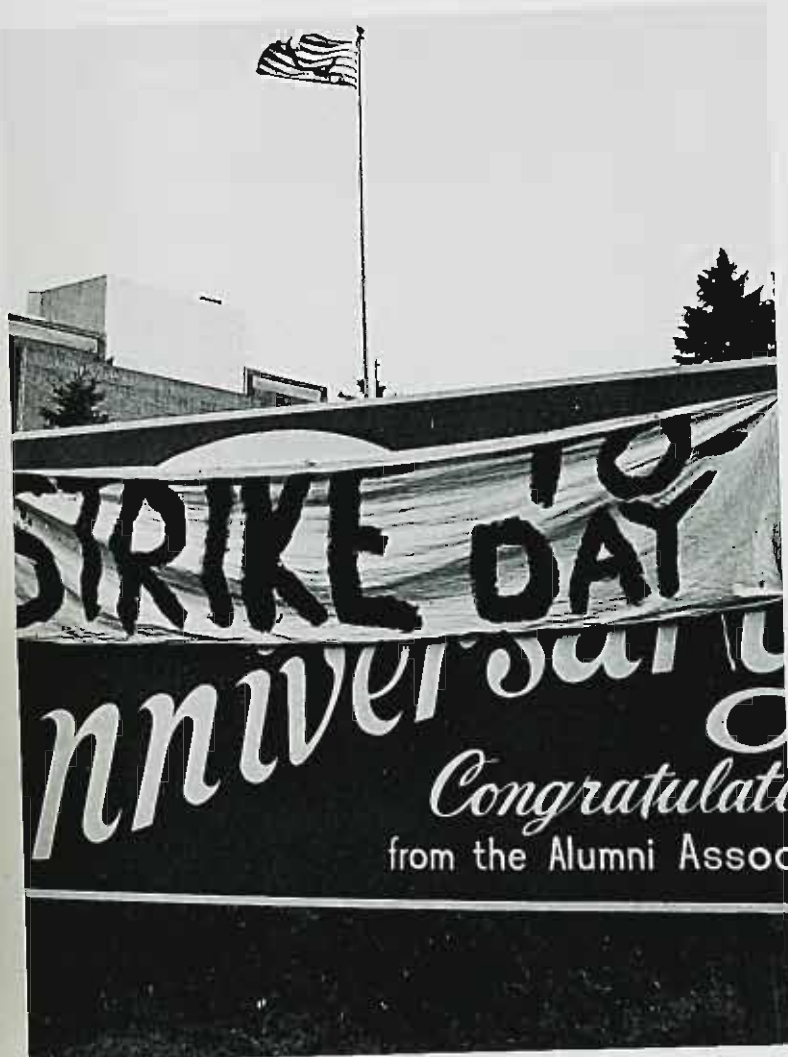

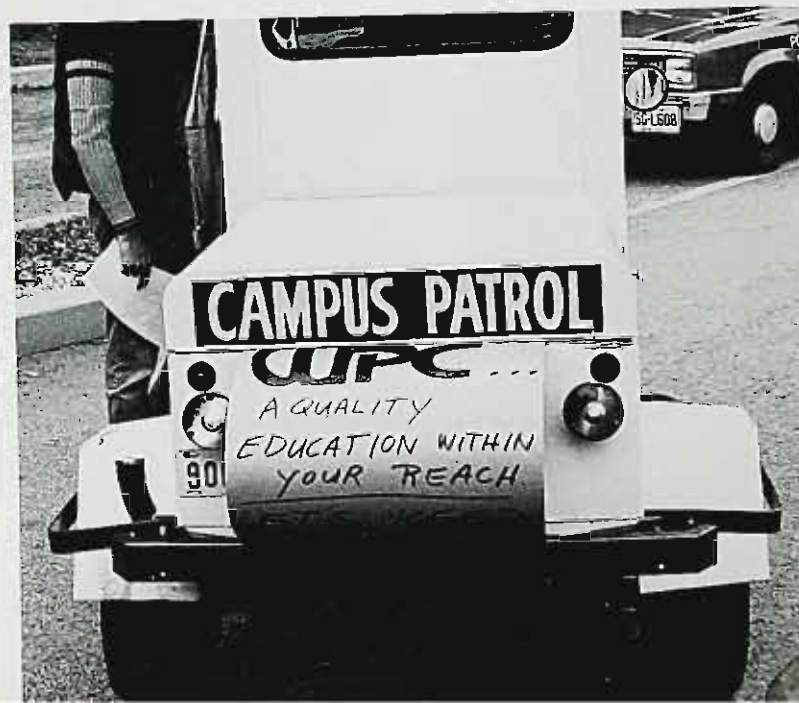

STUDENT STRIKE

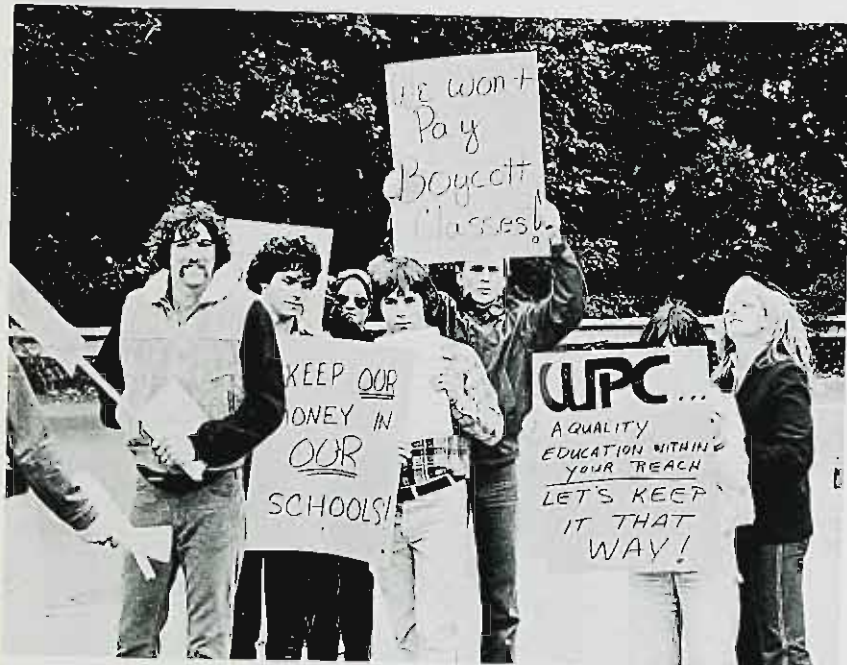

Banner tells it all
(Note Flag)

On Monday September 29, 1980 the student body of William Paterson College took to the picket lines and staged a strike. The strike was in protest of the rising cost of education and the lowering of financial aid. All of the state colleges of New Jersey united and on the same day demonstrated their disapproval. In a throw-back to student unification of a decade ago the students of New Jersey showed that they are willing to fight for their rights.

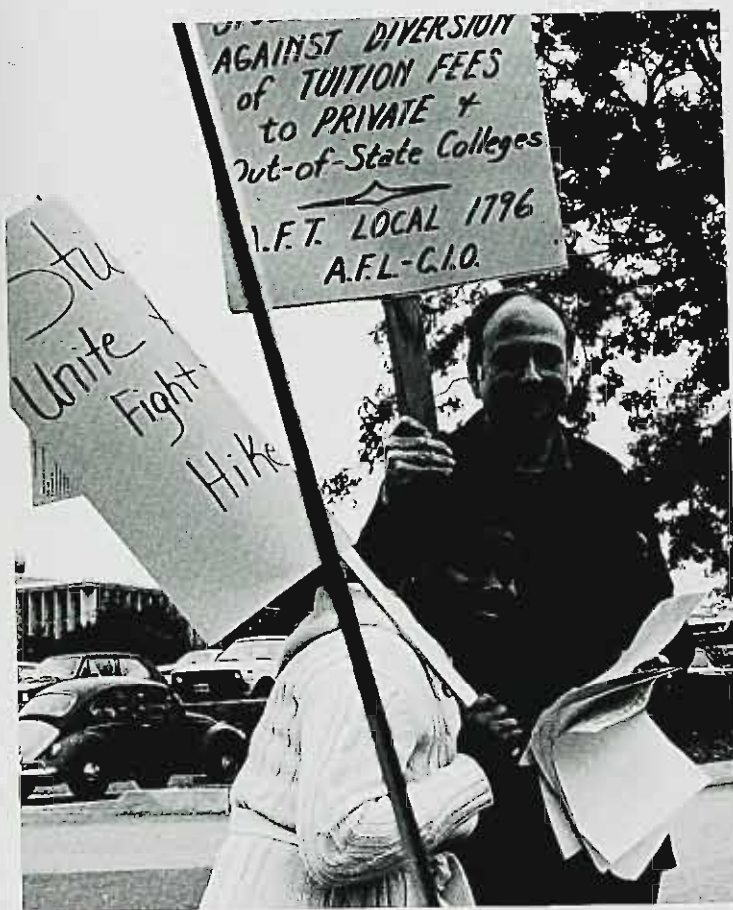

Support comes from all over the campus.

DISTINGUISHED SPEAKERS

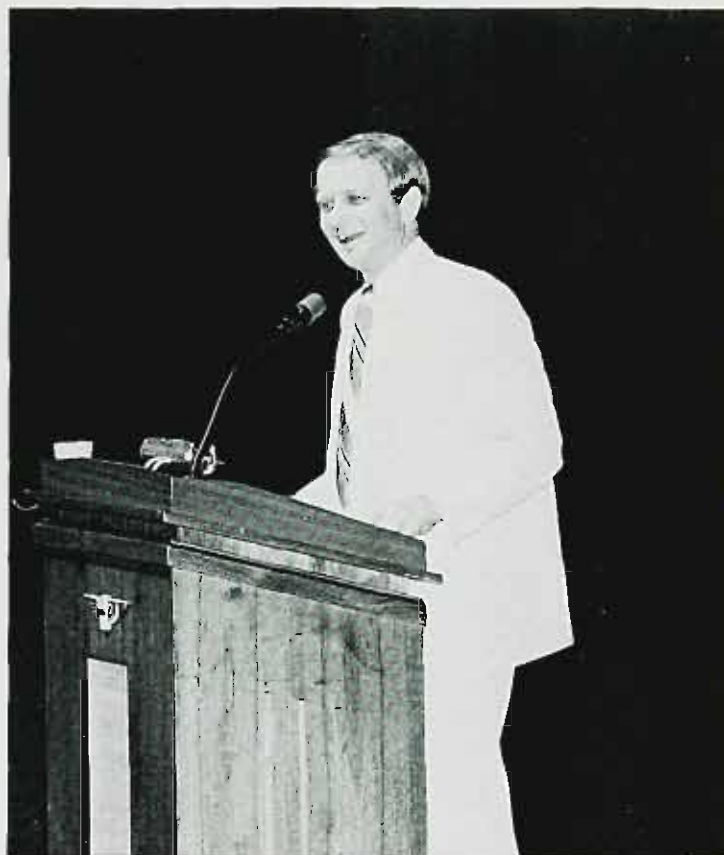

ANDREW YOUNG

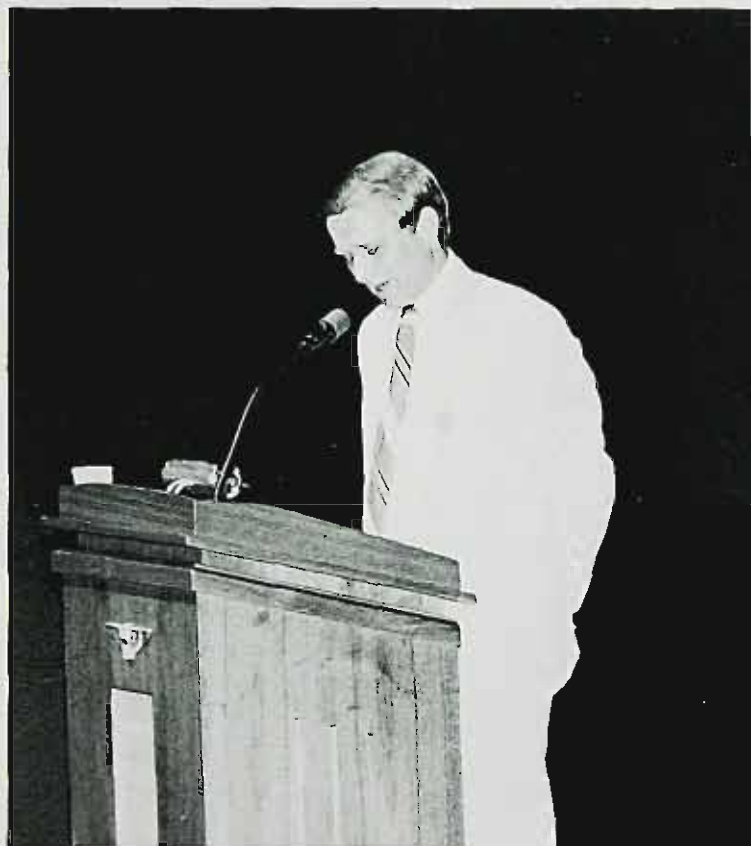

On February 4, 1981, former U.N. Ambassador Andrew Young came to William Paterson College to lecture. He spoke about the "New Right" and its impact on minority issues. The lecture was a joint effort of the W.P.C. Minority Caucus, The New Jersey Association of Black Educators and The Paterson Interdenominational Ministers' Conference.

JODY POWELL

Another member of President Carter's administration was at William Paterson College as part of the Distinguished Lecturers Series. Former Press Secretary Jody Powell spoke on the Carter years as well as the possible future of the Reagan administration. Powell was at the college minus his buddy Ham (Blow by Blow) Jordan.

PETE FORNATALE WNEW-FM

WNEW-FM's midmorning disc-jockey Pete Fornatale gave a lecture at William Paterson College in February. Along with a multi-media presentation Fornatale spoke about the future of radio and the impact of music on youth. Among other things Fornatale showed his collection of unique radios, plugged his book "Radio in the Television Age," and gave everyone a lesson on how to spell his name.

ABBIE HOFFMAN

Former Yippie, and Chicago Seven, Abbie Hoffman made his final public appearance before being sentenced to a three year prison term for jumping bail on charges of cocaine possession. Abbie, the outlaw hero of the Sixties, spoke about the Reagan Administration, ultra right wing facists, and his own views on what a prison should really be. After the lecture, at a wine and cheese party Hoffman said he expected to get a year at the most, but the judge thought differently. Abbie was brought to you by the Part-Time Student Council and Student Mobilization Committee.

ELLEN SHIPLEY

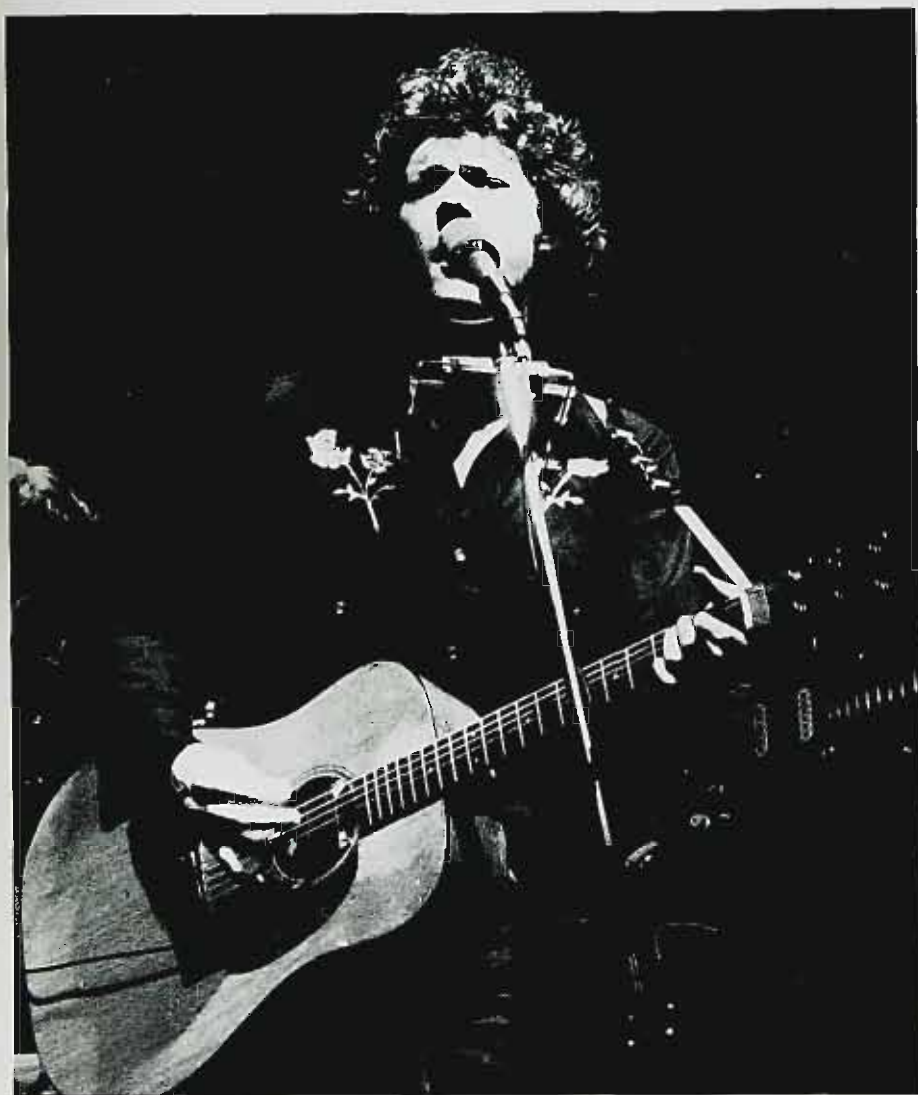

Ellen Shipley warmed up the audience for rock performer Eddie Mouey at the first concert of the year, sponsored by your S.A.P.B.

EDDIE MONEY

Eddie Money performed at Shea Center. Money sang many of his hits including "Two Tickets to Paradise" and played the saxophone for several numbers.

STEVE FORBERT

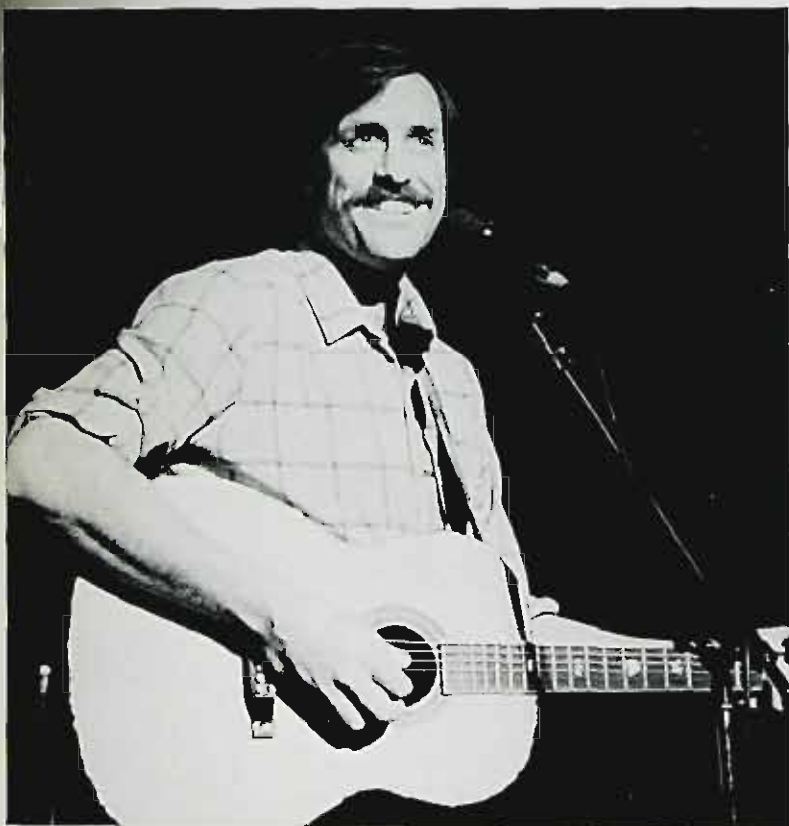

Steve Forbert one of the fastest rising young rock and roll performers, gave William Paterson students an evening filled with music and good times. Forbert and his band played tunes from their albums *Jack Rabbit Slim & Alive on Arrival*.

ROBERT KLIEN

Funny man Robert Klien brought his quick wit and one of a kind humor to Shea Auditorium at W.P.C. Klien told stories, poked fun at T.V. and sports, sang and couldn't understand why anyone would name a college William Paterson.

TOM CHAPIN

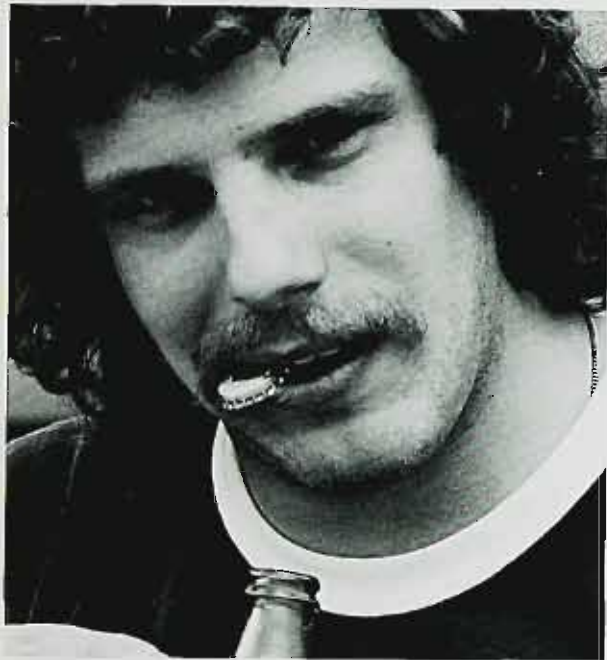

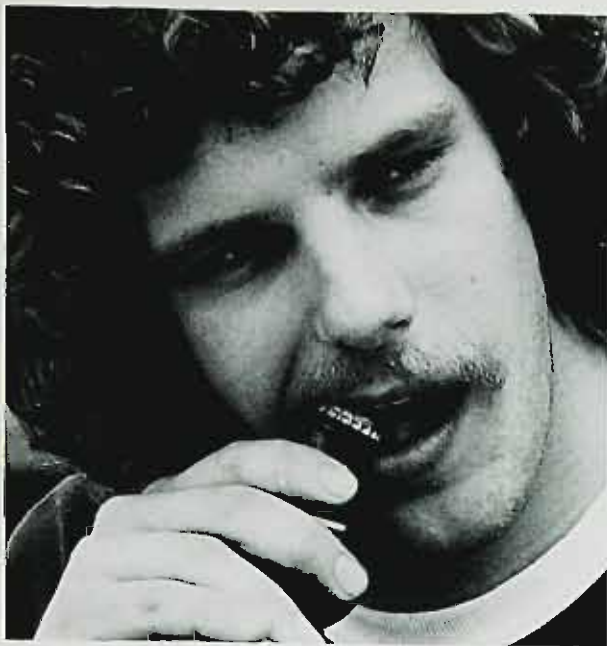

The Chapin Brothers played at William Paterson with their combination of rock, folk, and country. Tom was on first playing an acoustic guitar and banjo. Tom proved to be a very talented musician and entertainer. Harry came out and immediately took charge of the audience, telling stories and jokes as well as playing some beautiful songs and making everyone feel good. (The Chapins were probably the best performers in a year that included some great acts). Audience participation was also very important to Harry and for a little while everyone in it became a member of the William Paterson Memorial Shit-kicking Choir in a rendition of 100,000 bananas.

Business Manager Joe Kulovitz

Secretary Robin Blair

Chris Rubino, Photographer and Editor of Pioneer 1982.

Well it's finally completed and you've probably looked it over at least once or twice and after the long delay it's like a dream to be holding the yearbook you never thought you'd hold or see. I'd like to thank you, the Class of 1981 for being so patient and not losing your cool, when what was rightfully yours did not arrive on time. I hope you enjoy it very much and that it will always bring back fond memories of your days at William Paterson College.

Now I'd like to thank the people who were assets in putting this book together, most of them never shot a picture or did a single lay-out but they helped me get it all together in my head. First I want to thank the ever patient president of the Class of '81, Ruth O'Hara and her officers. Tony Cavotto the persistent advisor who would not get off my back until the book was finished (and Tony is pretty heavy to be carrying around on your back all the time).

Joan Tanner-Gatto, who heard all of the grief from students and tried to produce answers when she didn't have them. Thanks Joan.

Joe Kulovitz, who for the second straight year was the Business Manager and confidant who was always there with a piece of advice or a kind word.

Robin Blair, our secretary, errand person, and all around helper.

Lorelie Drew, who never left my side during some very hard times and always stood up for me and defended me when the chips were down. Lorelei thanks.

And finally the five staff of photographers who helped make up 99% of this book with their photographic talents.

To my friend Chris Rubino, who inherits this job I wish him all the luck in the world, who knows Chris we may be the first editors to have two different yearbooks from back to back years come out simultaneously.

See ya in the funny papers.

Remember when . . .

Remember when the music
Came from wooden boxes strung with silver wire.
And as we sang the words, it would set our minds on fire
For we believed in things and so we'd sing.

Remember when the music
Brought us all together to stand inside the rain
And as we joined our hands we'd meet in the refrain
For we had dreams to live and we had hopes to give

Don't you remember when the music
Was the best of what we dreamed of, for our children's time
and as we sang we worked, for we knew time was just a line,
A gift we saved, a gift the future gave.

Oh, all the times I listened and all the times I heard
All the melodies I'm missing, and all the magic words,
And all those potent voices and the choices we had then,
How I'd love to find we have that kind of choice again.

Remember when the music
Was a glow on the horizon of every newborn day.
And as we sang the sun came up to chase the dark away.
And life was good. For we knew we could

Remember when the music
Brought the night across the valley as the day went down.
And as we'd hum, the melody we'd be safe inside the sound
And so we'd sleep, for we had dreams to keep

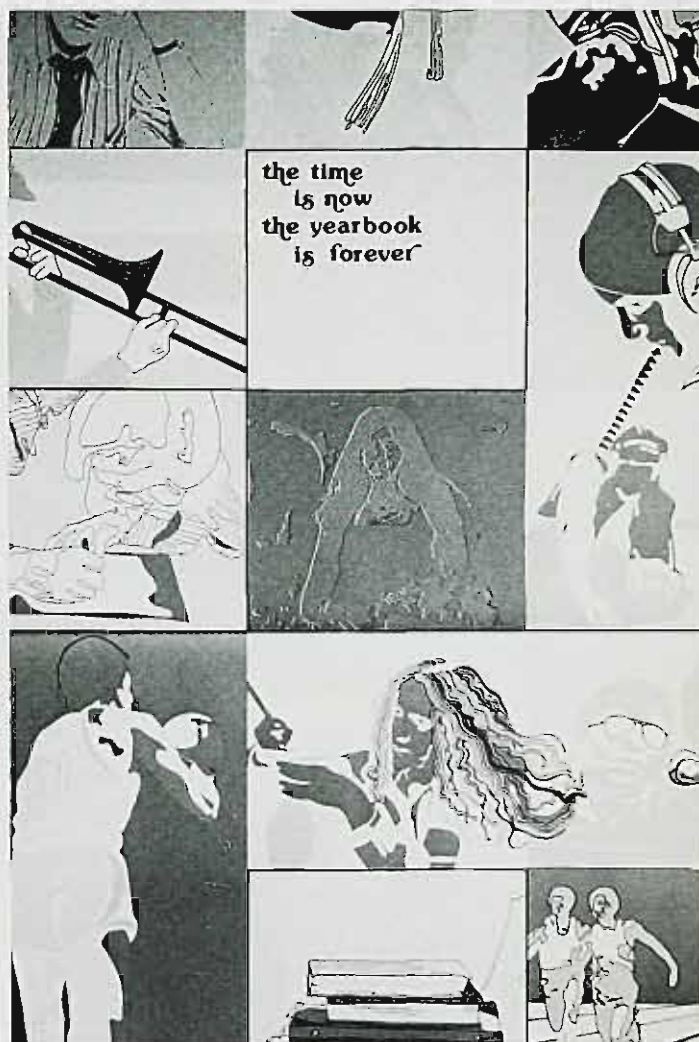

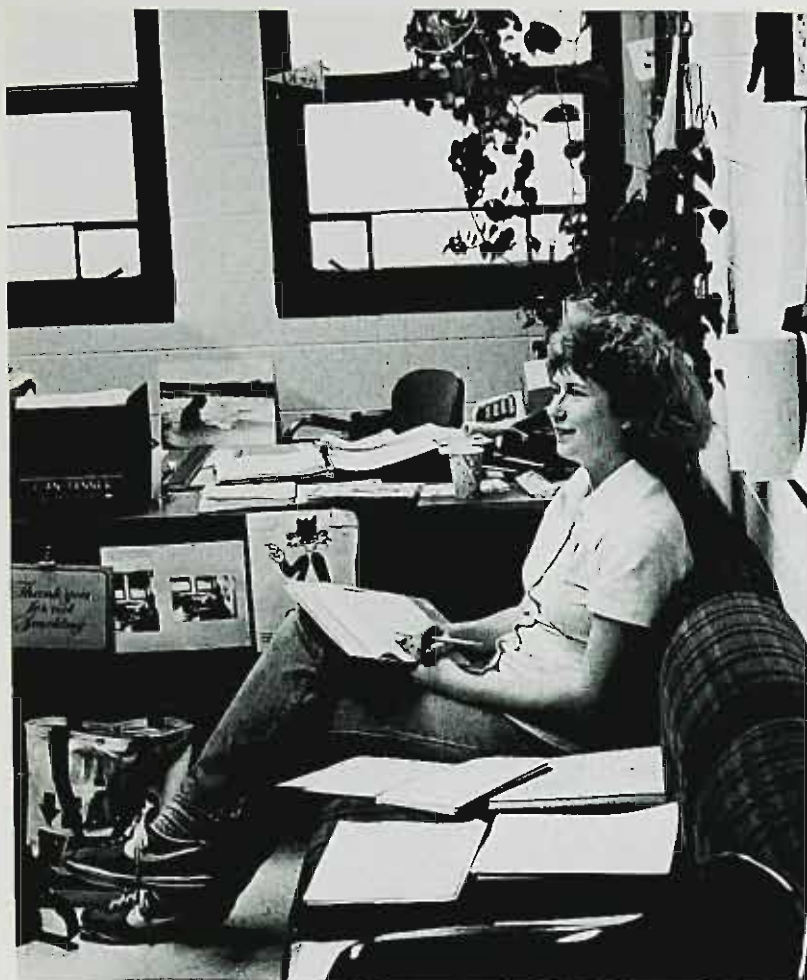

And I dream that somethings coming
And it's not just in the wind
It's more than just tomorrow
It's more than where we've been
It offers me a promise
It's telling me, begin
I know we're needing something worth believing in

Remember when the music
Came from wooden boxes strung with silver wire
And as we sang the words it would set our minds on fire
For we believed in things and so we'd sing
And so we'd sing.
