William Paterson

Wayne, New Jersey

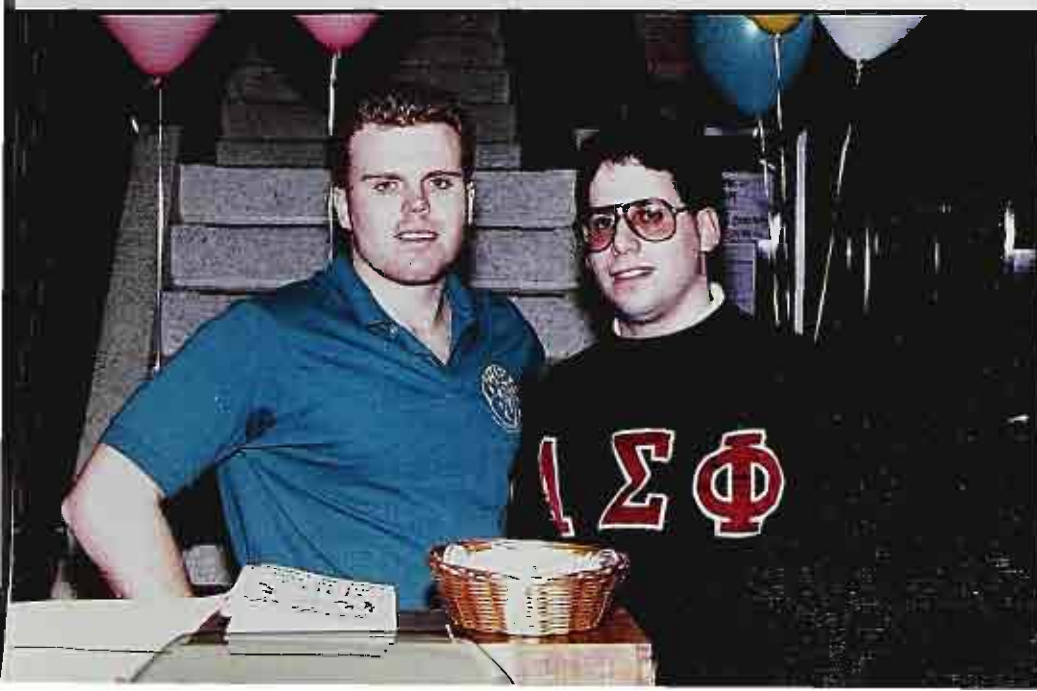

One Moment in Time

As you look through the pages of this book you will be reminded of the classes you've had, dorm and apartment life, clubs and organizations, sporting events, lectures, plays - and the list goes on. Most important you will be reminded of good friends and the bonds you have made for a lifetime.

*One
Moment
in Time*

Hopefully, all of your memories of William Paterson College will be with you for a long time to come. And remember, each of those memories, along with the many special moments yet to come, are all just moments in time.

H O M E C O M I N G 19 88

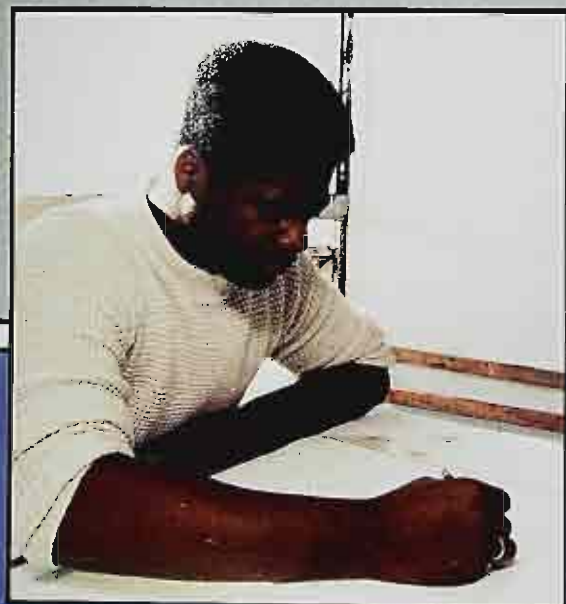

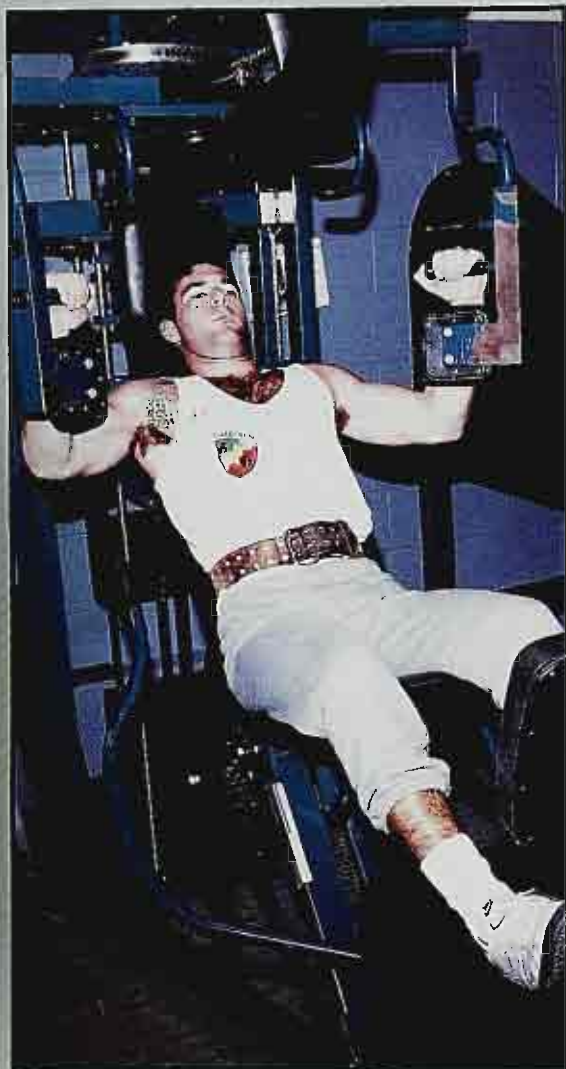

On Friday, October 21, the WPC football team had to battle not only the stormy weather but also the Roadrunners of Ramapo during our Homecoming game. Despite a valiant effort, the Pioneers lost 15-14.

During halftime, John DeSena and Joann Policastro were crowned Homecoming King and Queen. Dave Wikstrom and Stephanie Hopson were runners-up. Tau Kappa Epsilon won the float contest with their model of a plane.

Parking

Parking? No problem! All you have to do is jockey for a spot. Sure you have to begin your search at approximately 7:30 a.m. even though your class begins at 11:00. And we all know what a long hike it is from the Rec. Center.

Finally, at the point of desperation, you think you'll be sneaky and park where you know you shouldn't. You say to yourself, "They'll never find me here!" and you almost believe it. But then you get out of class only to find the "WPC Transit Authority" is on the scene and there's a present for you on your windshield. Yes, it's that \$5.00 piece of paper that prevents so many of us from receiving our transcripts.

And what do they do with all of this money that we poor offenders dutifully come across with? Do

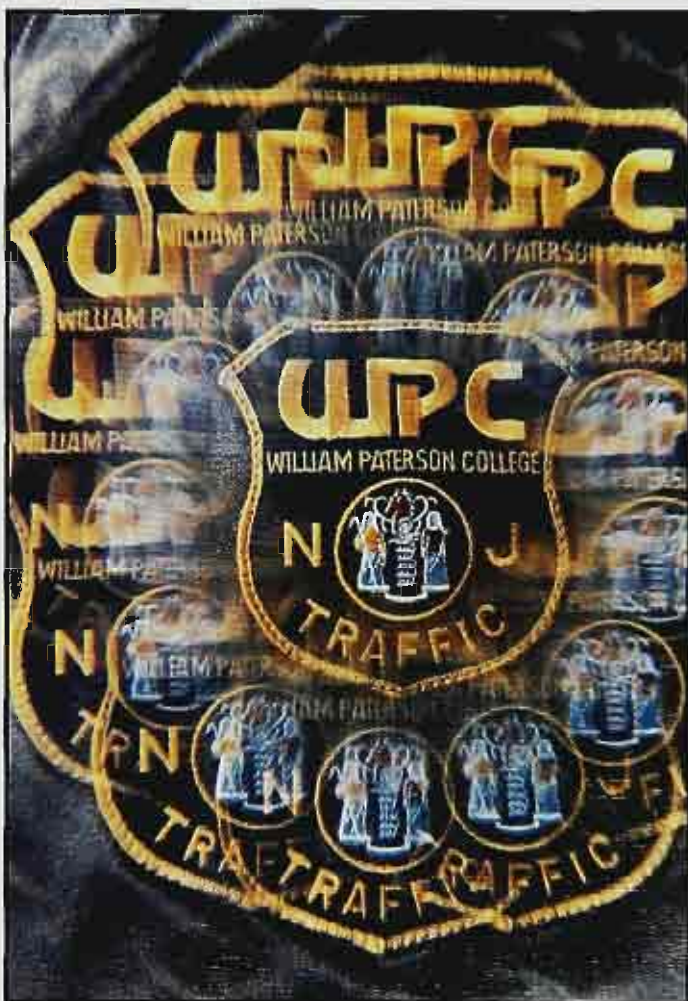

Problems?

they use it to fill the pot holes that have been rumored to swallow an occasional Volkswagen? Or does it merely go back to the guy who prints all these manilla menaces? No one really knows for sure. But what we do know is that it hasn't gone toward the creation of new parking lots.

Finally, the big day arrives! The one you've waited for all semester. By some miracle, you've found a spot — a legal one at that. You walk to class confident, with your faith in the world restored. After class you walk back slowly, perhaps even pausing to visit with a friend, confident that for once you're not in a race against time, a ticket or a tow truck.

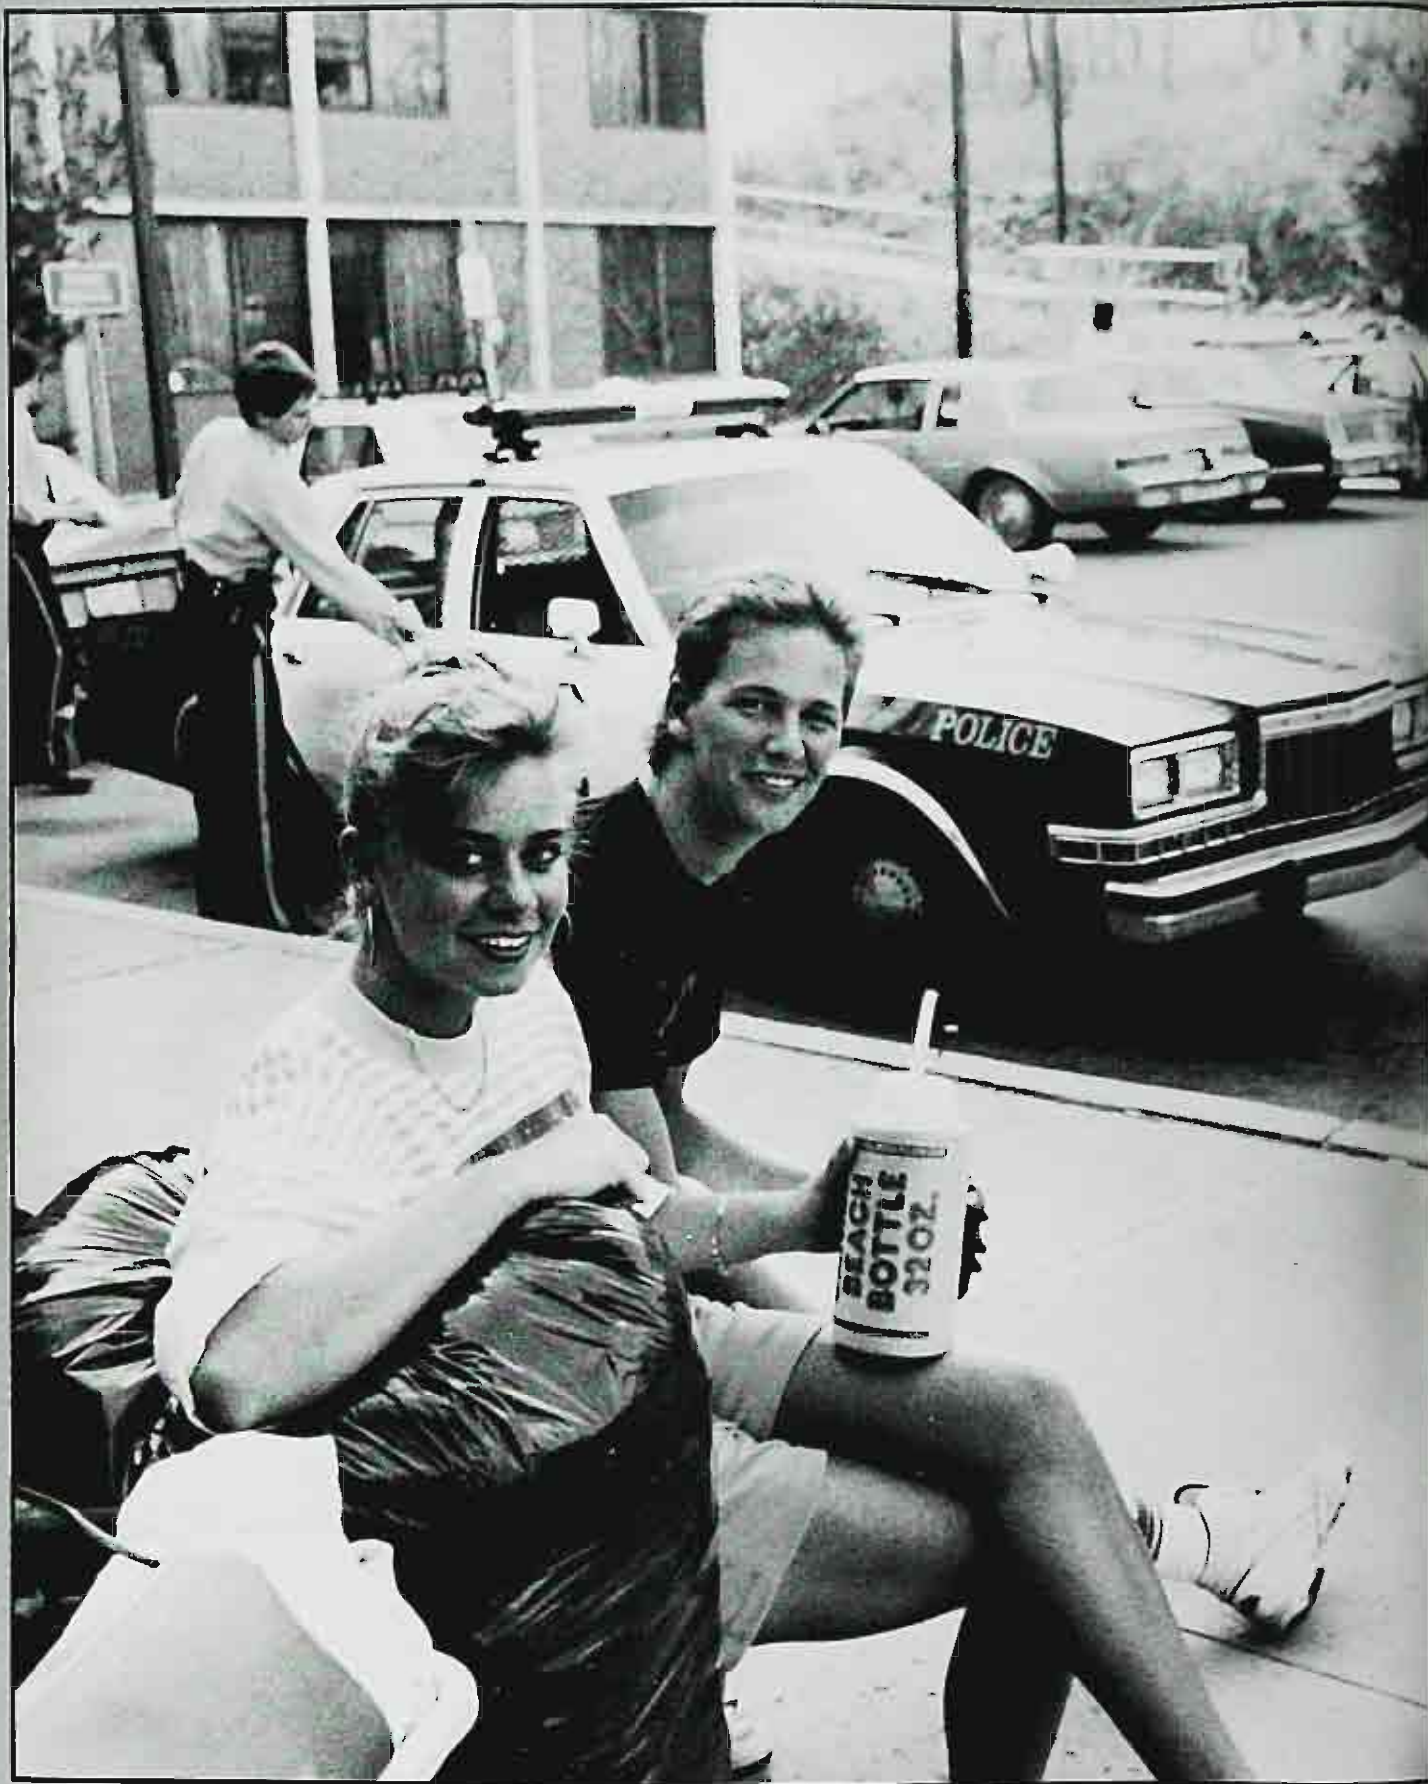

But when you reach your car you're shocked to find that all too familiar sight — the \$5.00 demon. You've parked over the little white line!

Getting Into Shape

Almost everyone who attends WPC has visited the Rec Center at least once. In fact, many spend most of their day there. It is an excellent place to go to relieve stress and anxieties. The Center offers weightlifting, racquetball, basketball, aerobics and other sports.

On February 3, approximately 40 students from different clubs and organizations set out for the Molly Pitcher Inn in Red Bank, New Jersey. They were accompanied by WPC staff members. The students attended lectures and workshops on time management and group motivation. That night they rocked the inn's lounge with their singing and dancing. The next day, the group was up early for series of workshops. These workshops included finance and programming. Over the short weekend, students got to know each other better and feel more capable and confident about themselves and their organizations.

SOCCER

The 1989 Tennis team was led successfully by coach Kyle Cope-land. The team started and ended in fine fashion. First singles player Stacy Tankel was a dedicated athlete who lead by example both on and off the court. Her presence was vital to the team's success, as was the play of Janice Kluxen, Kristen Veleber, and Leidy Santana. The Lady Pioneers, although a relatively young team, has the potential to develop into an exciting team to watch in the next few years.

Give me one moment in
time when I'm more
than I thought I could
be . . .

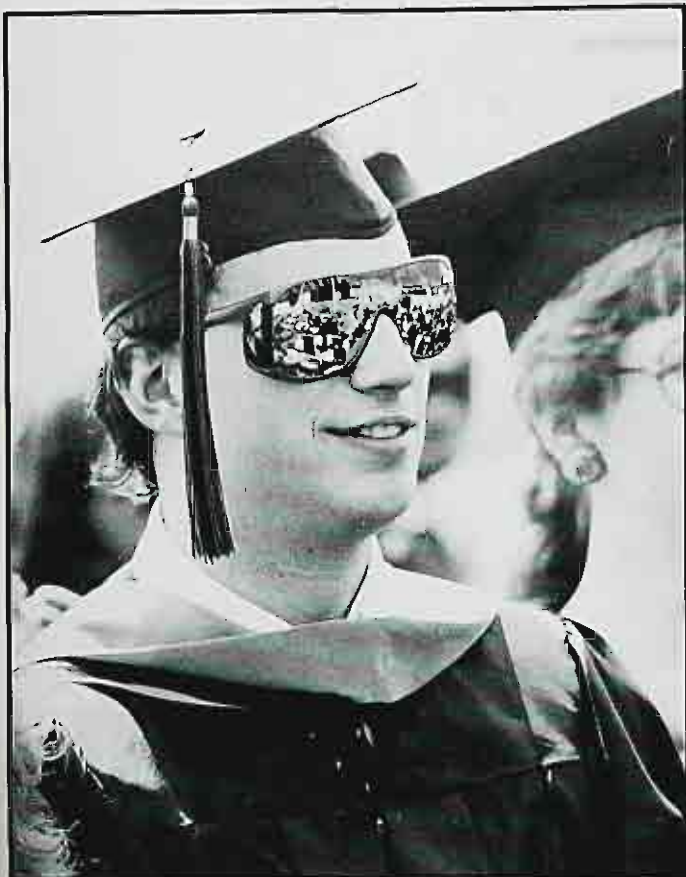

When all
of my dreams
are a heartbeat away
and the answers
are all up
to me.

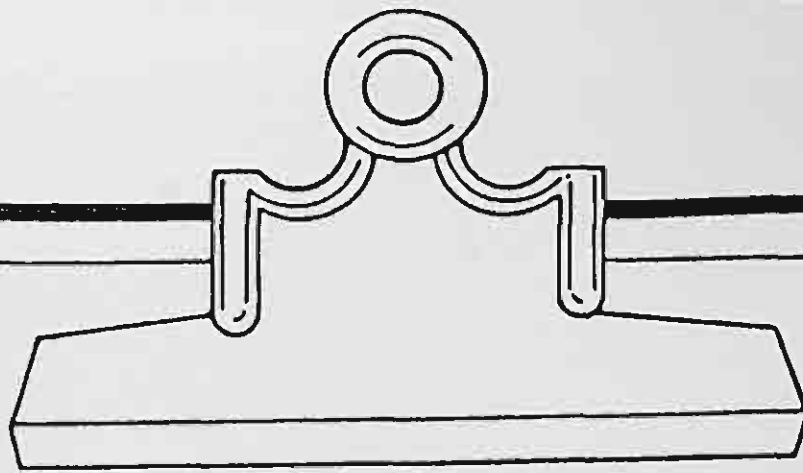

And in that one moment in time,
I will be free.

Editor's Note

Congratulations 1989 Graduates! I hope you enjoyed glancing through the pages of this book. Much time and effort was put into making each and every page. Putting together a yearbook requires much more than placing pictures on a piece of paper. Each picture and every word is specially chosen to capture a particular moment.

I thought the theme "**One Moment In Time**" was appropriate. After all, your college years are just a small part of your life. I hope years from now you will look back into this book and be reminded of the special friends and times you had at WPC.

I would like to thank my staff and everyone who made this book possible. It has been a rewarding experience working with so many talented and helpful people. It is a great feeling knowing that you have put together a book that will be admired by many.

I wish all of you the best of luck in whatever your future brings.

Best Wishes,
Stephanie Saul

Congratulations Graduates

From

The Student Activities Programming Board, better known as SAPB, is the major programming organization of William Paterson College. Our goal is to offer to the entire campus community unlimited learning and entertainment opportunities. Members are dedicated to the college and work hard to present a wide variety of activities to the students. Activities such as concerts, movies, lectures, dances/parties, comedy, educational workshops and Springfest to name a few.

The SAPB is composed of nine committees, each comprised of a student chairperson and committee members. The chairperson is responsible for leading committee meetings, coordinating committee activities, budgeting, and working in conjunction with other WPC organizations, community groups and administration.
