HOMECOMING

Victory Over MSC Highlights Weekend

The Pioneers celebrated their annual Homecoming on Saturday, October 19, 1991 with a spectacular grid-iron victory over Montclair State College. This was the first time in over twenty years that the Montclair Red Hawks were defeated by the Pioneers.

At halftime, Jeff Schorling and Karen Johnson were crowned

Homecoming King and Queen. The first runners-up were Domenick Stampone and Carlene Franke, and the second runners-up were George Kaiser and Marlene Greene.

The Student Art Association, Alpha Phi Omega, and Theta Phi Alpha were winners in the float competition. Float building began on Friday night and

continued into the morning hours, with almost all students participating and having a good time. The result was exciting and creative entries that reflected group effort and pride in William Paterson College. In reality, every float was a winner, and everyone involved enjoyed a beautiful day!

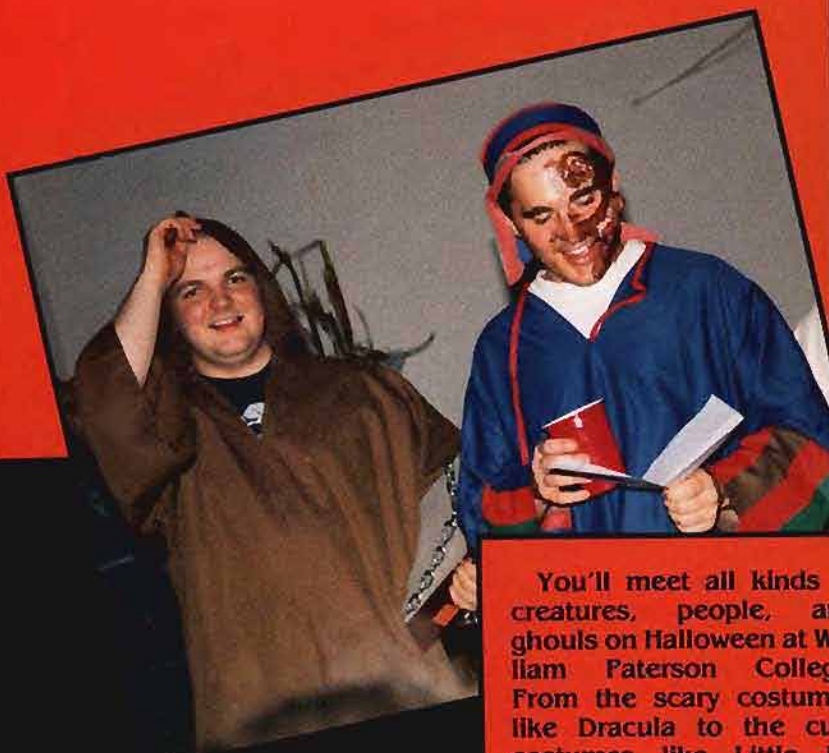

Homecoming 1991

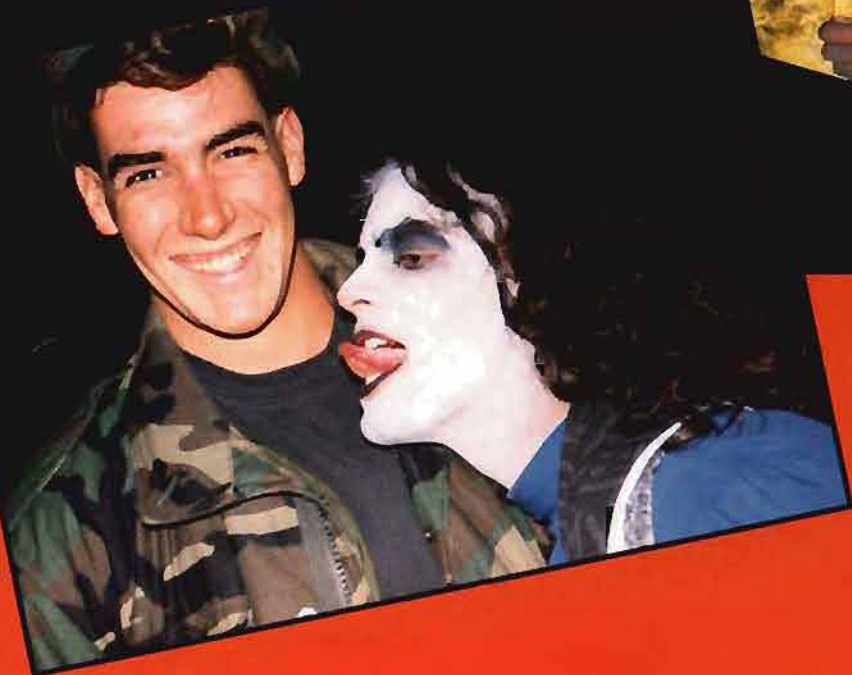

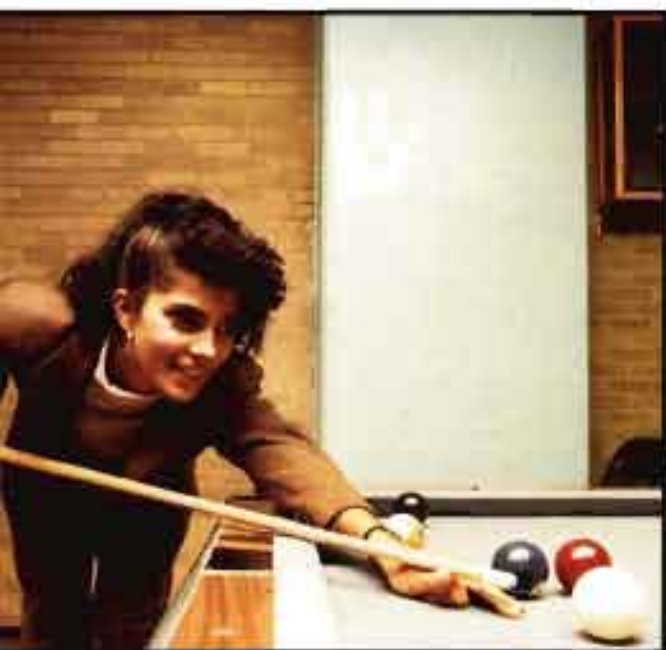

You'll meet all kinds of creatures, people, and ghouls on Halloween at William Paterson College. From the scary costumes like Dracula to the cute costumes like Little Bo Peep, our students offer up a diverse range of garb which makes them all unique. If it is creativity and detail you desire, take a peek at these winners!

HALLOWEEN

We're Spooky And We're Oooky

The Arcade

Whether it be a competitive game of pool or paddleball, or a cosmic adventure on a video game, the Arcade offers relaxation and fun for all WPC students. Come inside and try your luck.

PIONEER BOOKSTORE

William Paterson's one-stop source for textbooks, supplies, gifts, WPC clothing, snacks and beverages, and anything a student may need. Imprinted items, invitations, and business cards are also available. The friendly service makes the shopping experience even more enjoyable. They have it all!

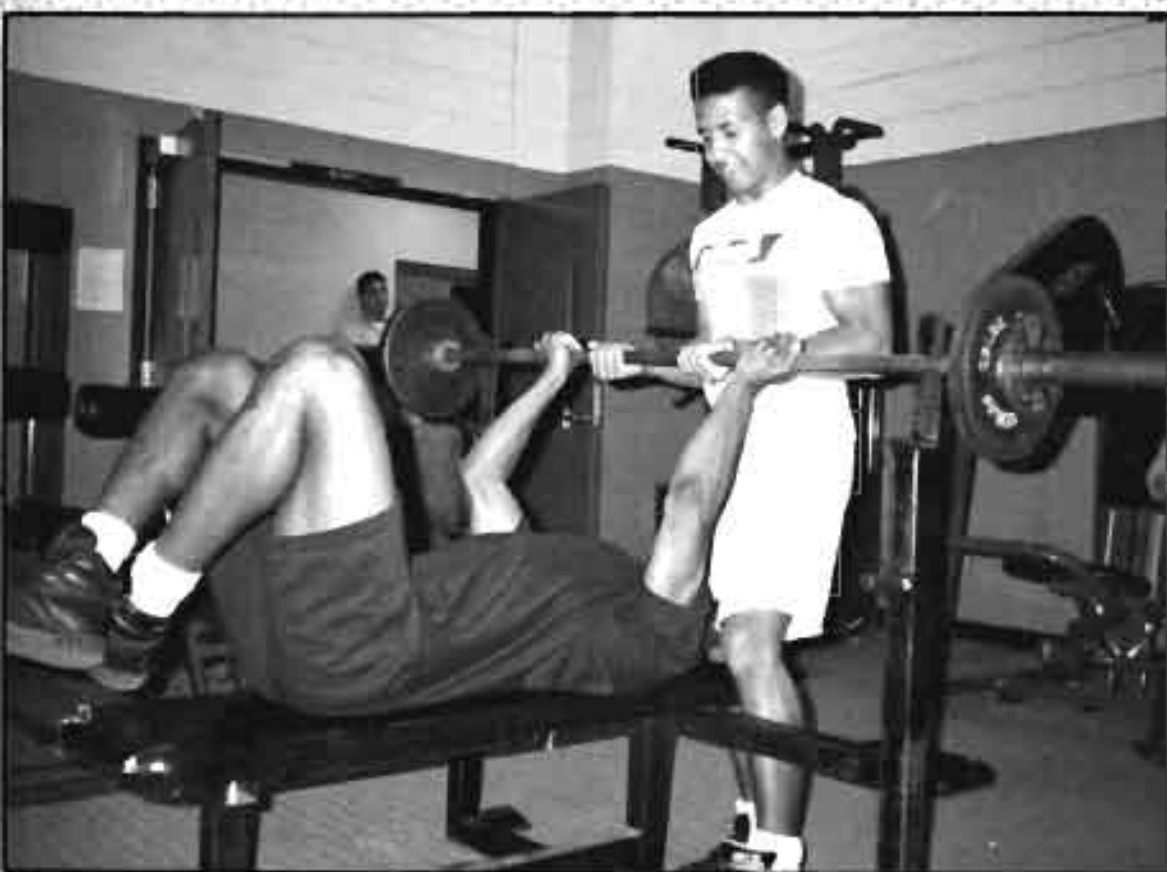

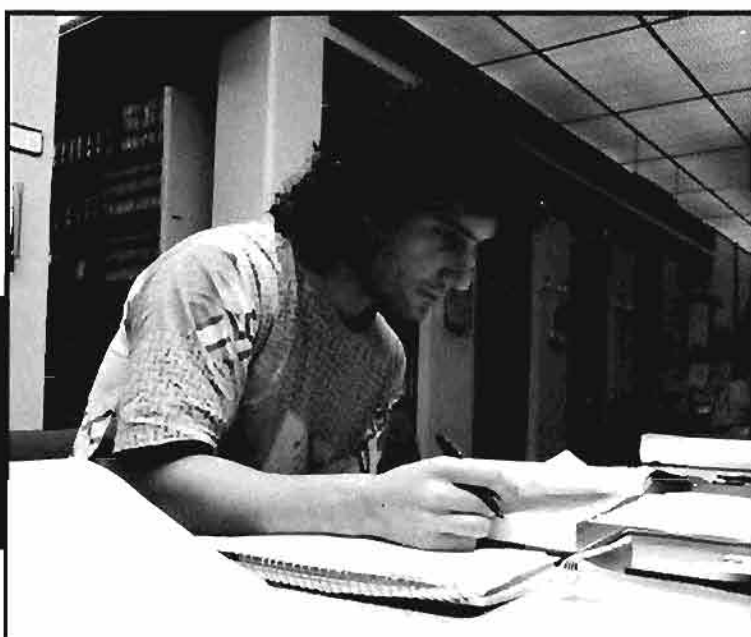

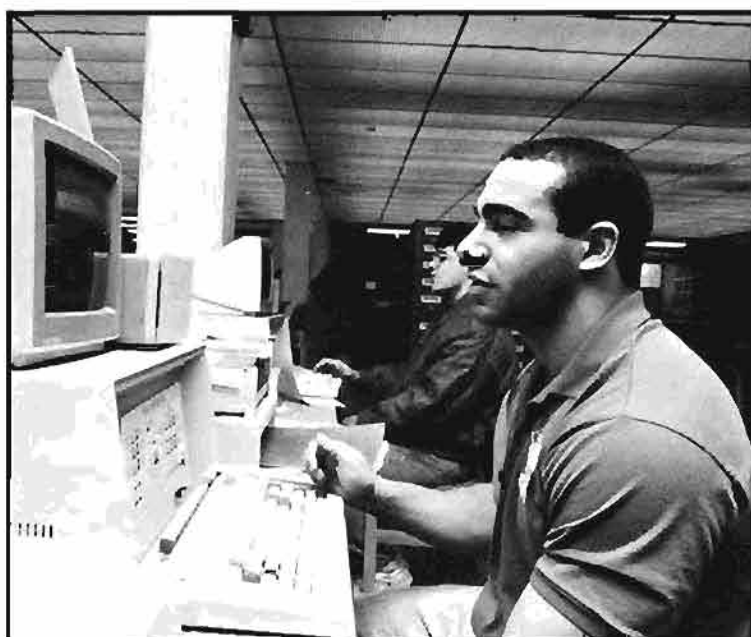

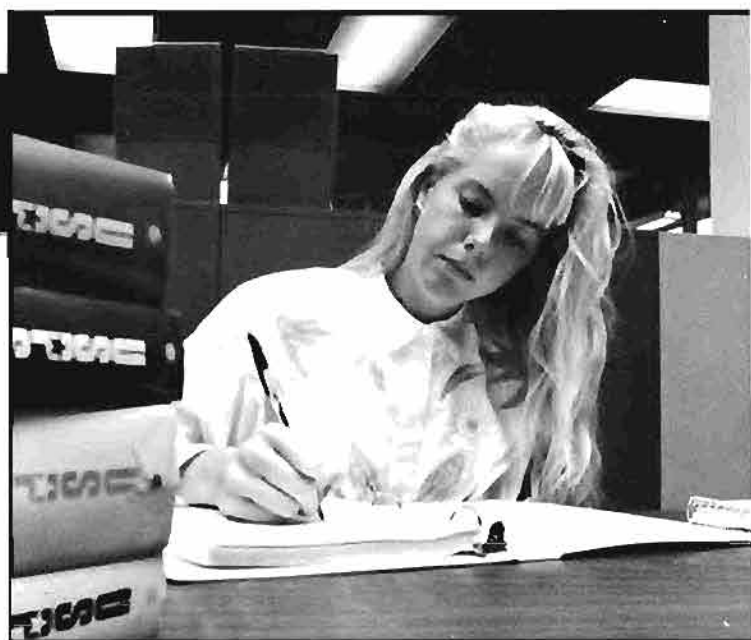

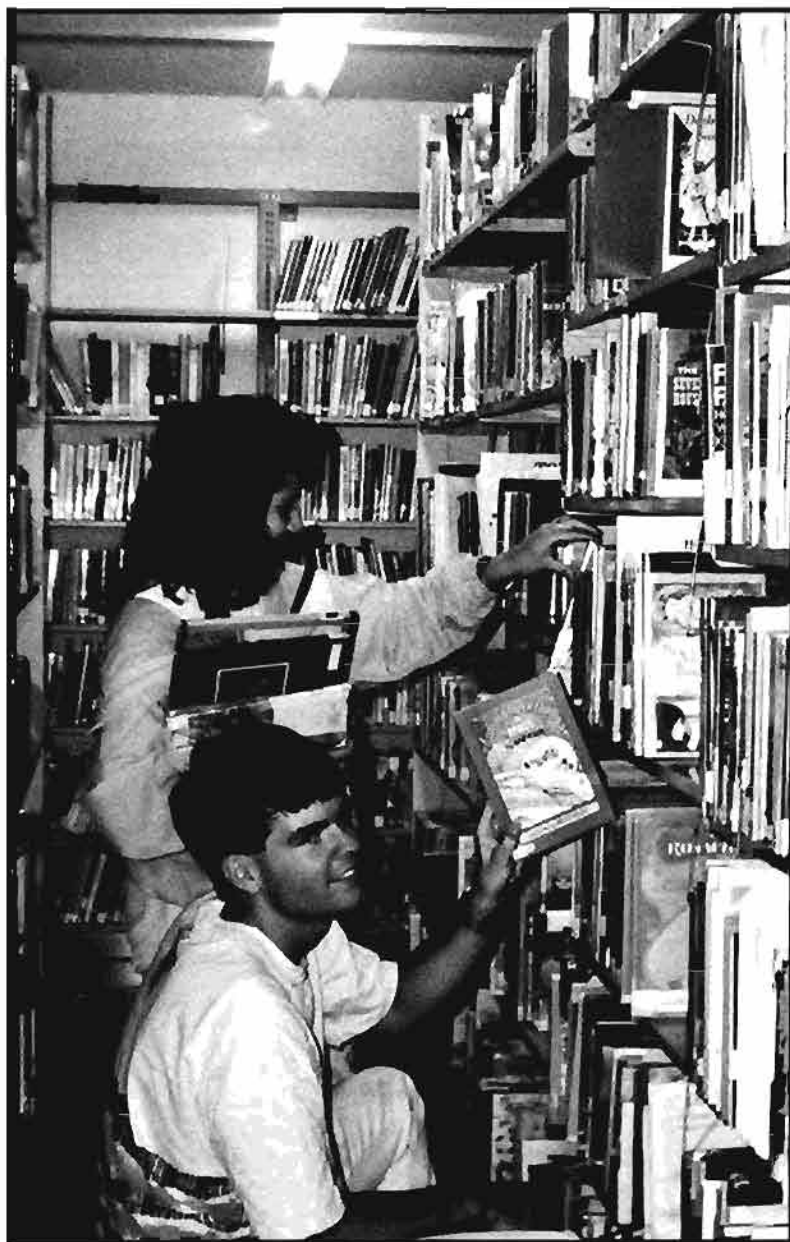

The Rec Center

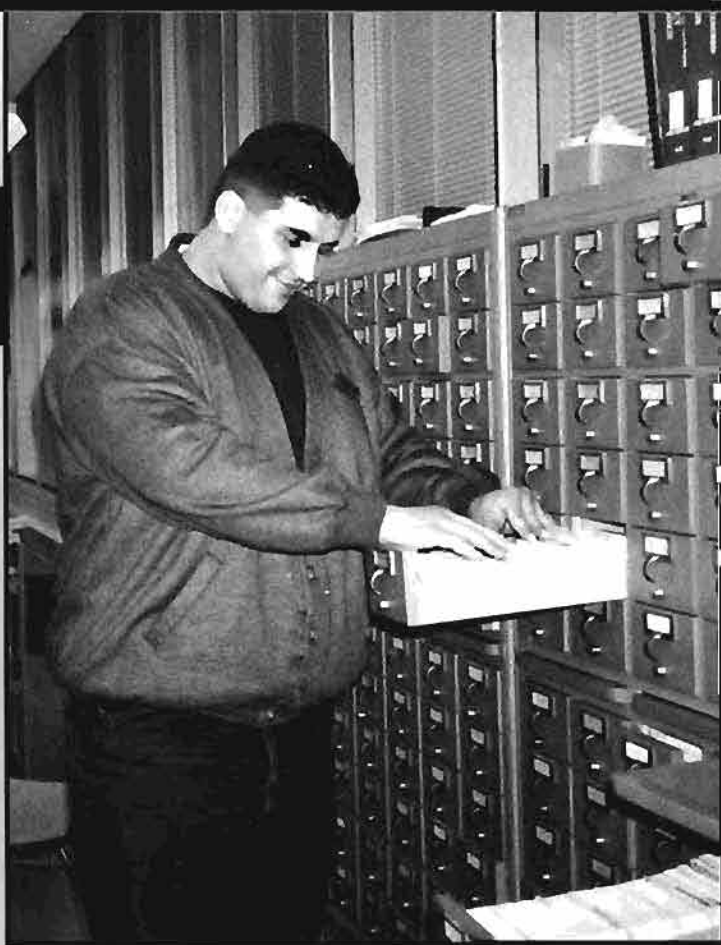

Almost every student who attends William Paterson visits the Rec Center at least once. The Center offers a variety of activities including use of weight equipment, nautilus machines, racquetball courts, and aerobics classes. To relieve the stress and anxiety of college life, come visit the Rec!

Full of rich information sources and a friendly staff of over twenty librarians, the Sarah Byrd Askew Library's primary goal is to help students. The Library is the students', and the professionals are there exclusively for the students. Walk on in, and check them out!

TOWERS

A home away from home for all Undergraduates and some Upperclassmen, the Towers offer accessible on-campus housing. Living in the Towers offers students a sense of community and enhances the overall William Paterson College experience.

THE Apartments

Pioneer and Heritage Halls offer apartment-style living to William Paterson's Juniors and Seniors who choose to live there. Residing in these Halls

offers more independence and self-responsibility to the students. Lifelong friendships are made by living together as a family.

The Pub

One of WPC's focal points for campus entertainment and fun is Billy Pat's Pub. The Pub, which features a wide variety of shows, music, and parties year round, serves soft drinks, beer and wine to those 21 or older, and snacks. This is where students gather to have fun and forget the usual stress of college life.

TOUR LEADERS

The Office of Admissions employs talented, bright, articulate students to represent WPC and to make a new and prospective students feel at ease and welcome. Hailed as "the best and the brightest," the tour leaders represent a mix of cultures, ages, majors, and personalities. All in all, they are the beacon to which other students can look to for help.

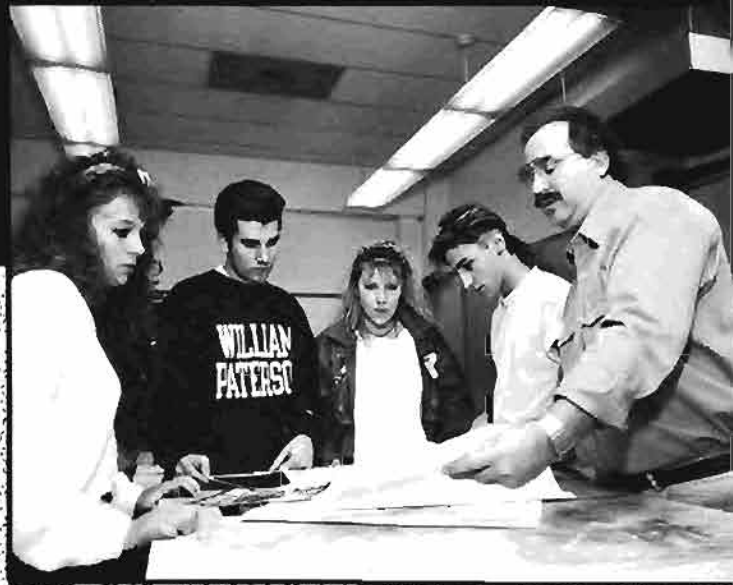

ART ON CAMPUS

Enter into a world full of texture and color. WPC's art students bring imagination to life in various mediums, with all of them expressing the warmth and creativity that the students feel. Let these students color your world!

GROUND BREAKING

Communication Department Breaks New Ground

Being the only school in New Jersey that offers a telecommunications program was not good enough for William Paterson College. On November 6, 1991 the expansion and renovation of Hobart Hall began, thus signaling the commencement of the future of Communication.

Speeches were made by Dr. Speert and by Dr. Maltese, the Communication Department Chairperson. Both men were ex-

cited to look to the future and realize that WPC would be there ready and waiting, with silver shovels in hand, the "pioneers in communication" due the first shovel-full of dirt to symbolize the reality of the plan.

Dr. Maltese summed it up best by saying, "This is an important step in the right direction for the college. It is also a great step towards the 21st century."

HOLIDAY PARTY

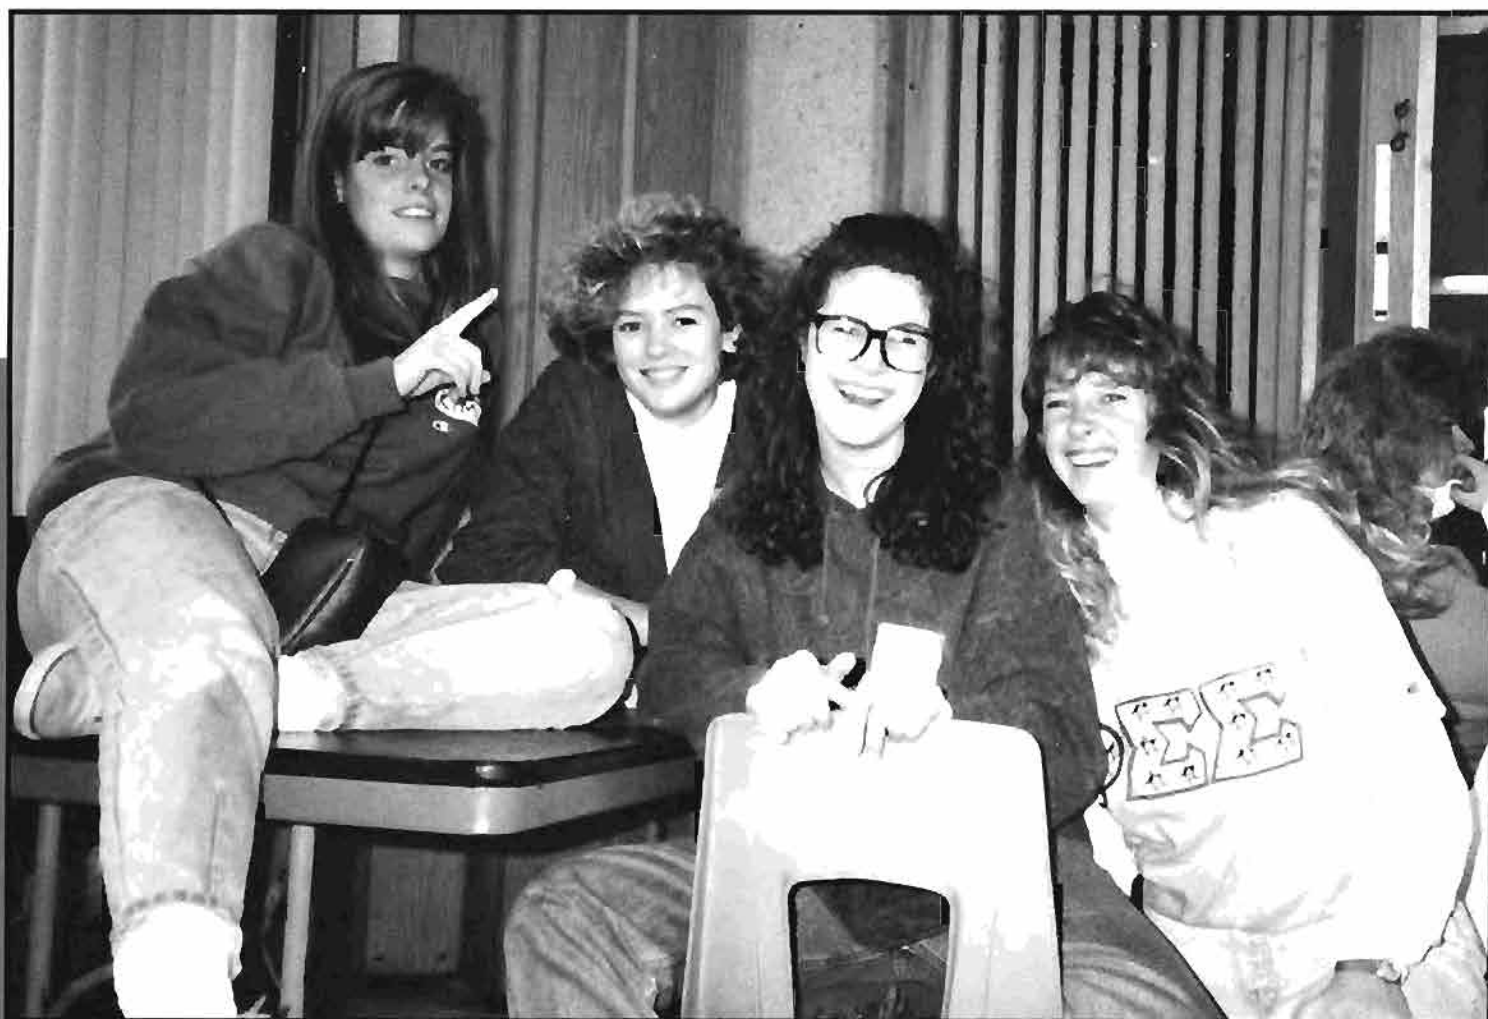

Sharing Our Blessings

Approximately 140 children ranging from ages 1 to 17 attended the eighth annual WPC Holiday Party. The party is held every year to bring joy and fun to the lives of underprivileged children who live in the area.

The party, which was planned and run by Student Development and the S.G.A., provided the children with entertainment, games, food, refreshments, and most importantly, a visit to Santa Claus which culminated with

every child receiving a nice gift and a holiday stocking. Dozens of student volunteers acted as decorators, playmates, and friends for a day. The multitude of gifts given out were paid for by the S.G.A. and were wrapped in most part by volunteers from the Beacon, BACCHUS, and the Pioneer Yearbook.

All in all, everyone had a good day, and WPC got to give a little something back to the community.

1992 ALUMNI PHON-A-THON

The annual WPC Alumni Association Phonathon, directed by Mike Driscoll and Robin Endicott, proved successful again this year.

After completion of the fourth week of the Phonathon, an official total of \$126,052 has been pledged toward the 1992 Annual Fund.

Each year dozens of representatives from clubs and organizations, faculty, and the student body contribute their time and efforts to this cause. Without the help and dedication of these volunteers, this project would not have been a success.

The money pledged will be put toward undergraduate scholarships, grants, and future WPC projects.

"MUSIC STUDENTS"

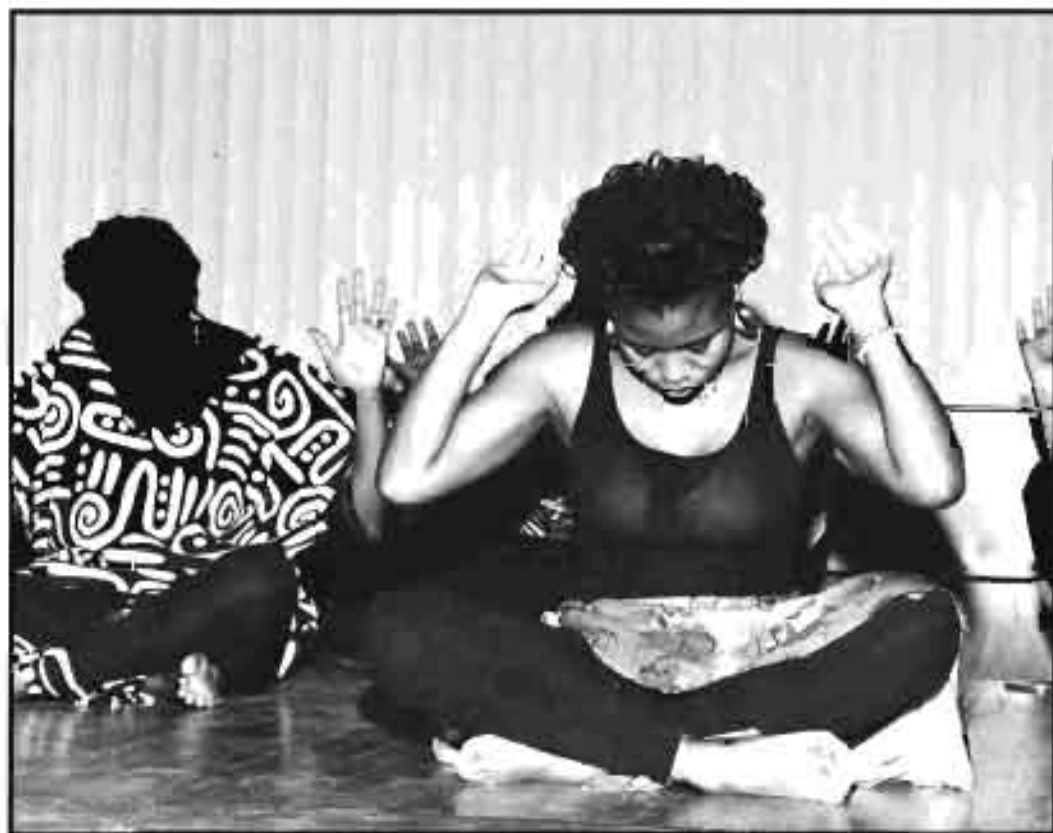

At William Paterson College, Music is as diverse as are the students. One could hear rich melodies of the piano, keyboards, drums and most other instruments. The students put their heart and soul into their music and it really shows. One can feel the talent and dedication by just keeping an ear tuned to the Shea Center where the musicians have a second home. These students play an important part in the rich cultural and artistic feeling of William Paterson.

MISS SABLE PAGEANT

The first Annual Ms. SABLE Pageant was held and created positive feelings towards minorities by all of the college community. There were categories in talent, business wear, and interviews. The Pageant was informal and resembled a family gathering. Jamie Summers was WPC's first Ms. SABLE.

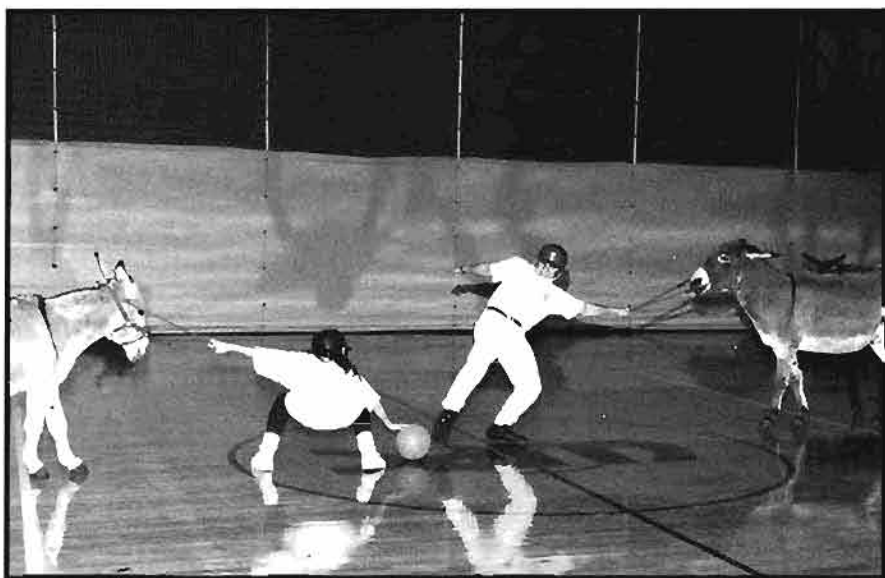

DONKEY BASKETBALL

Alpha Sigma Phi presented a donkey basketball game at the Rec Center which created controversy and lots of entertainment. Students volunteered to

take a wild ride on the back of a donkey while playing basketball. The money raised from this event was donated to charity.

MOVIES, MUSIC, AND SPORTS THE YEAR IN REVIEW

Chynna and Carrie and Carrie's younger sister, Wendy, form Wilson Phillips, one of the hottest trios of the year. Their latest album is called "Wilson Phillips," of course.

Michael Jordan flew through the air with the greatest of ease. The 28-year-old basketball star of the Chicago Bulls lead his team to the NBA championship in 1991.

Guitarist Nuno Bettencourt of the rock group Extreme designates "Get the Funk Out" is the Boston quartet's theme song. The song is from the band's second album Extreme II.

Arnold Schwarzenegger, the body-building, action-adventure actor, was a big hit in the highly successful movie Terminator 2: Judgment Day. At a cost of more than \$90 million, it was the most expensive movie ever made.

He isn't a big guy and he doesn't have a big voice, just a light, floating tenor. In an age of punk, heavy metal and robo-rock, Paul Simon sings harmonically and rhythmically rich melodies. The 49-year-old Simon and a 17-piece band drawn from five nations stepped on stage in Central Park in New York City for a concert.

Dan Marino, the golden-armed quarterback of the Miami Dolphins, is a very popular and a very well paid football player. The 30-year-old superstar signed a \$25 million contract in the fall of 1991.

As the school year began, Guns N' Roses' new album, "Use Your Illusion," hit the stores. The two-album set sold a million in no time, and it hit number one its first week out.

Paula Abdul has been all over the charts in recent years. The former Los Angeles Lakers cheerleader hit the top of the charts with her latest album "Spellbound."

Professor Anita F. Hill, a 35-year old law professor from the University of Oklahoma and former assistant for Clarence Thomas at the E.P.O.C. claimed she was the victim of sexual harassment while the two worked together.

THE YEAR IN REVIEW

During the war in Iraq, Saddam Hussein's forces ignited hundreds of oil wells in Kuwait. Months after the American military forces freed Kuwait City, the effects of war were still evident.

The coup in the Soviet Union began on August 19, 1991. An eight-man committee led by Vice President Gennady Yanayev took power from President Mikhail Gorbachev. Boris Yeltsin called on Russians to resist the coup.

Magic Johnson, the famed Los Angeles Lakers basketball star announced that he had tested positive for the HIV virus that causes AIDS. Johnson made his announcement to a stunned press conference in Los Angeles.

In September, George Bush was trying to get his nominees to the Supreme Court and the CIA successfully through the confirmation process. His major task was peace in the Middle East.

Barbara Bush was constantly in the public eye as the wife of the President. The 66 year old grandmother yearns for the time when she and the President can spend more time doing "selfish" things with their family.

South African President F.W. deKlerk tried to move his country closer to the U.S. and other Western nations by loosening his tough stand on Apartheid, a form of segregation.

New York Stock Exchange continued to hit new highs. Not long after school began, the market was closing over 3,000 on a regular basis although the U.S. was still in a recession.

RETIREMENT FOR TWO

DOMINIC A. BACCOLLO

During his twenty-three years at William Paterson College, Dominic Baccollo was a counselor, a listener, and an inspiration. No one knew and understood students like he did. He really enjoyed working closely with all WPC students. His enthusiasm to better the lives of the WPC community was always his guiding force in whatever he did.

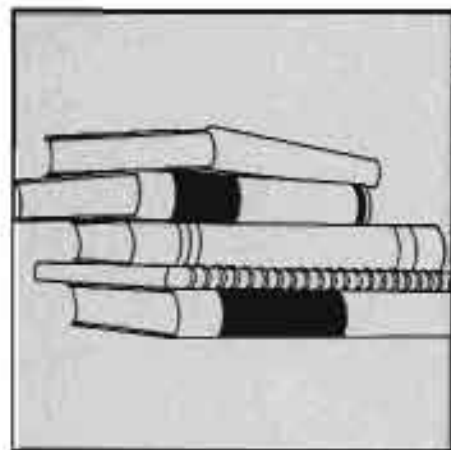

OF W.P.C.'S BEST!

JOSEPH MCNALLY

Joseph McNally, better known as "Mr. Mac", has shaped the lives of many of WPC's scholarship students and general students, alike. With his sense of humor and his ever present smile, Mr. Mac made students feel at home at WPC. Serving the Admissions Office for many years, he revolutionized how the school related to the students. He implemented the detailed scholars program that still exists here today. He will always be remembered as a man who cared, above all else.

Editor's Note

Congratulations 1992 Graduates!!!

The time has come for all of you to leave college and enter into your future. I've worked hard to capture these memorable times for you, in hopes that one day you will wish to recapture some of the specialness that William Paterson gave to your life.

William Paterson College is an extraordinary place, and I've created my first yearbook for all of you to look to in order to remember your special friends, professors, events, etc. that took place during your four years here.

It has been a pleasure to interact with the clubs, organizations, administrators, faculty and staff, and, of course, the students.

I wish all of you the best of luck and may your experiences at W.P.C. help in bringing you a successful future.

Best Wishes

Ralph Chaump

Congratulations on your graduation, Kimberly Curran. Throughout the three years you served as President of the Equestrian Team, you epitomized the best that William Paterson stands for. You truly were a student leader. With every good wish for your future success.

Kalli Protopsaltis

Kalli,

Thanks for being my "Mom" away from home. All you did for the yearbook has not gone unnoticed.
