The history of our publication is rich with stories and faces and is truly one of the pieces of memorabilia that captures the essence of life at WPC. EDITOR'S NOTES

CONGRATULATIONS 1994 GRADUATES!!

The more things
change, the more they
remain the same."

This statement fits
perfectly for the cam-
pus and student body
of William Paterson
College, so many
things have under-
gone change. Now it

is time for the 'Class of '94' to enter a new door into
our future.

As my first year of being editor-in-chief, I had the
honor to leave all of you graduates with memories
you will cherish for many years to come. I have tried
to capture moments and people that will stay with
you for a lifetime.

As you begin your journey, I wish all of you luck
and encouragement to reach for your hopes and
dreams. Never settle for less and always remember
WPC, but then again, how can you ever forget?

Best of luck always,

—MaryAnn Kahora
