Dear Moira,

I am writing in response to your letter regarding the possibility of IBM support for the Hobart Manor Restoration.

We have given careful consideration to your request but regret that we are not able to provide financial assistance. This decision is not a reflection of the merits of your request but one reached against the background of a heavily committed contributions budget.

While we regret that our answer cannot be positive, you have our best wishes for the success of your efforts to restore Hobart Manor.

Sincerely,

George M. Yuro
