Dear Mr. Hobart,

As promised, enclosed are the photos of Hobart Manor decorated for the holidays. It's so much fun working in the Manor, especially at Christmas when it looks its very best! I hope you enjoy these prints.

You'll be happy to know that the last phase of work on the 2nd floor rooms is just about completed. Painting and papering of the living room is scheduled to be finished next week. There's lots of burgundy, gold and a hint of hunter green. Even just partially painted, the room looks great!

We look forward to your next visit to Hobart Manor - Stay warm and well!

Sincerely,

Fidy Linder
