Dear Mr. and Mrs. Grady,

This is to acknowledge your generous gift of two nineteenth century landscape paintings. The works "Morning" and "Sunset", are 34½" x 48" each (frame size), painted by Johannes, c.1848.

The paintings will be installed in the recently renovated Hobart Manor, which is on the list of National Historic Sites. There they will be enjoyed by our students and the public.

Your generosity is greatly appreciated.

Sincerely yours,

Nancy Einreinhofer
