

THE VICE-PRESIDENT'S CHAMBER,
WASHINGTON.

May 22nd

Dear Mr. Linn

Your letter
and check for the
"Old Ladies Home" have
reached me and
I thank you most
heartily for the gift.

I now write to a
friend for this ^{cheerily} that
I do not feel ashamed
of myself for I

know I am only one of many doing
the same thing and thus you
making a nuisance of myself.

I hope you will never feel that
you must give, because I ask,
but always do what you can
in justice to yourself. I know
your generous heart too well

to feel that you are not doing
enough.

Mr Hobart is improving slowly
he sits up about four or five hours,
his appetite is better, but he does
not sleep well at night, his mind
is too active and he does not
sleep well for this reason.

Again with thanks and sincere
Regards believe me

gratefully Jennie Hobart
