Mr. Garret A. Hobart, IV

Dear Mr. Hobart,

Greetings from Wayne, New Jersey! Hope this note finds you and your family in good health.

The College received a telephone call from Colleen Berry, a reporter from the Asbury Park Press (one of the largest daily newspapers serving New Jersey's Monmouth and Ocean Counties). She is writing a feature on your great-grandfather Garret A. Hobart for publication in the June 1-2 edition. She contacted the College's Office of Public Information, was sent relevant information concerning Hobart Manor and the family, and is scheduled to tour Hobart Manor on Wednesday, May 29. In addition, she is interested in interviewing you sometime next week for the article. Would you be willing to participate? Upon your notification I will have Public Information call the reporter and she can set up a mutually agreed day and time with you. I can still be contacted at (201) 595-2782.

Hobart Manor continues to garner a great deal of attention in the community. It continues to be the site of many meetings, receptions, and small concerts. The Manor hosted a Victorian Floral Showcase and Gift Boutique earlier this spring. In September the Office of the President and the Office of Advancement Operations will move in to the building. We are very proud of our history and our association with you and your family. I look forward to hearing from you soon. Many thanks for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Judith Linder".
