what we have here is the Collection of
Garnett + Jenny Hobart. G.H. was VP
⑤ [The paintings are primarily ^{early} 19th
Cent Am paint. They reflect the
Hobarts in certain ways. Very
Dem. the Fashion at that time was
to collect European art. For them
to collect American showed pretty Dem.
Attitude makes it an interesting
Collection, & cohesive. Similar feeling
Land, Colors, Figures, Paints are
Direct & well done.]

Painters were recog. in their time,
as elite that understood something
about American painting. They've with-
stood the test of time, & have proven
to be well const & executed.]
