

3:00 sec Started At college in '79 Walked around to see ~~what~~ ^{where} things were

Had potential First exposure was distressing
1:10 Hobart manor chopped up by partitions in windows etc.

1:45 1982 things to ease congestion on campus group came through undesirable empty building

2:30 Large ballrooms ^{fireplaces} wanted to restore the manor

2:45 Early 83 moved Reg office Financial Aid

3:00 Ripped out partitions Space sense back where it was
Jim bellford great features

3:40 request money from State to refurb. back to a usable condition

4:00 to use building for Admissions Bring public too,

4:10 Gettysburg College daughter

4:40 Admissions would good there

5:00 WPC maintenance involvement made it a mess
then worked to clean up the manor Created doorway that subdivided ~~building~~ ^{main hall room} from office

6:00 Circled driveway tulips bloom used to have formal gardens in back ~~pine~~

6:45 part building will play in future past students

5:05 6:05 ~~can~~ relate WPC to manor business office were there among others

7:38 Ghost of manor

8:00 connecting students from past to campus today
distinguish lecture series receptions How nice

8:45 building is

9:00 restoration process generate funds
to help decorate has great finishing touches
Art. is studying ways to make changes

10:00 people who visit campus make comments
about the manner ~~Thinks~~

10:30 Thinks it is a great focal point of
campus ties in old with the new
