Freshmen Royalty Reigns At Soph Sponsored "Frolic"

Left to right: Rosemarie Romignano, princess; Dorothy Raymond, Jean Vander Mark, queen; Phil Rosner, king; Bob Pante, Dick Dehauski, prince.

Royalty reigned as the new King and Queen of Good Sports, Phil Rosner and Jean Vander Mark were crowned at the "Frosh Frolic" dance, October 4th, 1957 in the Memorial Gymnasium.

Richard De Hanski was crowned Prince of Good Sports and Rosemarie Romignano, Princess of Good Sports. The crowning was done by Bob Pante and Dorothy Raymond.

The decorations were centered round the Freshman "Haring around the Freshman "Hazing Dress," while the students danced to the music of the "Kontinentals."

The following chairmen headed the various committees: Hospital-ity, Pat Wahl; Invitations, Toni Lanteri and Angeli Natale; Decorations, Pat Sentner; Entertain-Barbara Cerino; Clean-up, Sal Rainone.

Many thanks to Mrs. Grunert, Freshman class adviser, and Mr. Weidner, Sophomore class adviser, for chaperoning, and to the Sophomore class for a wonderful job.

Carnival Theme: "The World's Fair Visits Pioneer Town

"The World's Fair Visits Pioneer Town" was chosen as the theme for the 1958 ali-college carmival by the committee chairmen, as announced by Bill James, general chaire an.

Plans have gone into effect for setting up the committees and getting an early start with the mainr tasks.

S.E.A. Sponsors Welcome Tea For Interested Students

The Student Education Association, formerly known as the Future Teachers of America, met for the first time this year on Wednesday, October 9, 1957, at 4:80 P.M. in the Cafeteria

The Welcome Tea was prepared in honor of the Freshman and any prospective members belonging to other classes. Hostesses welcomed those interested in obtaining membership and explained to them the various functions of the Student Education Association.

Highlighting this affair was the installation of S.E.A. Officers. They are: President, Judy March: Vice-President, Pauline Deafus; Secretary, Lynn Rosen; Treasurer, Elaine Ticola; Historian, Pat Gieger.

Who's Who Committee Meets To Discuss Candidates

What does the Who's Who committee consider when evaluating students for candidacy in "Who's Who?" Unknown to many, this committee delves into the activities. scholastic rating, and character of the prospective candidates. The committee not only considers the officers of organizations, but also the active participants in college functions. Scholastically, the stadent must be in the upper half of his class. The character study of these candidates is very intensive. Character is rated as average, good, or outstanding in regard to the student's leadership, integrity. consideration for others, initiative, resourcefulness, relationship to group, and relationship to faculty.

All in all, this honor is not assed out too easily. A careful study of the candidates enables the committee to bestow this boror on justly deserving students.

Practicum Under Way; Seniors Leave Nov. 4

Ten North Jersey communities are now playing hosts to 217 members of the Junior class. This represents an increase of 45 mem-bers over last year's Junior Prasticum students. Members of this class have been observing in classrooms since Monday, October 14th and will remain in the school systems until Friday, November 1st. Again on March 10th the Juniors will return to the same classrooms continue their observations, This three week period will berminate on March 28th.

On November 4th the Seniors will begin six weeks of student teaching in schools representing more than forty communities. The 145 Seniors who are majoring in K-P and G-E curricula will also practice teach in different achools throughout the six week period of March 10th to April 25th.

Jr. High seniors will spend only one period of eight weeks in the New Jersey schools. The dates for these students to observe and teach in the Junior High Curriculum, are from February 24th until interested in actively participating

Students, Faculty Unite At Convocation

Dr. Shea Heads Speakers As Scholarship Awards Are Granted to Students

Another year at Paterson State Teachers College officially opened October 1, with convocation exercises. The ceremonies began with the grand march led by Dr. Mark Karp, Professor Earl Weidner directed the opening exercises while Mrs. Elizabeth Stine conducted

Jerry DeFalco, President of the Student Government Association, introduced Dr. Marion E. Shea. President Shea, in her address, pointed out the need for future expansion at the college. In the future P.S.T.C. will be offering additional courses beside those in the teaching field. But as now more emphasis would be placed on teacher education.

Herbert Califano, President of the Faculty Association, presented the Unzicker Memorial Plaque to Dean Kenneth B. White for the college.

Scholarship awards were presented to the following freshmen by Dr. Mary V. Holman, Dean of Students. Constance Banta and Kathlyn Munson received Alumni scholarships in honor of Dr. Unzicker. Joseph Di Gangi, president of the Alumni Association, presented these awards. Miss Munson also received the Verein Foundation Scholarship, Elleen Atkins was presented with the Bell Talephone Scholarship, by Dr. Shee,

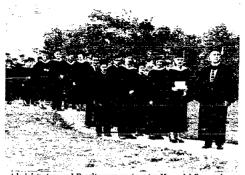

Alpha Beta Gamma Society Approved By S.G.A. Council

Among the business transpored at this year's first S.G.A. meeting was the approval of the constitution of the newly formed Alpha Beta Gamma Society. The society has been formed by the seniors in the Junior High School Currinlum specifically for students in the Junior High School Currinlum. the redition of although in P.S.T.C., membership is open to any interested sinders.

The society anticipates becoming a positively acting organiza-tion on campus. Although it will concern itself primarily with manters of joint interest among students and faculty within the 3-9 curriculum, the society plans to participate in the affairs of the college, particularly in the annual calmirel and awards assembly. The constitution of the organization provides that an annual award will be made to the person or organization who the society feels has done the most to improve conditions at the college.

Officers of the society Charlie Koch, president, who is referred to as supreme grand radio-active caribon by society members; Dick Kulp, vice president, referred to as supreme radicactive excibou; and Marie Tas, secretary-ireasurer, referred to as grand radio-active caribon.

Charlie Koch urges all students in the organization, to join.

Administrators and Faculty prepare to enter Memorial Gymnasium Costume Dance Opens N.J.E.A. Convenes

Halloween Rituals At Mem. Gym Tonite At Atlantic City
Tonight at 8:30 P.M. the Fresh
New Jersey teachers at

men Class will sponsor the annual Halloween dance in the Memorial gymrasium.

Jane Martino, chairman of the dance, extended an invitation to all students and their friends on behalf of the Freshman Class, Joer Dee's band, one of P.S.T.C.'s Freshmen, will provide the music teachers administrators and friends. for the traditional castume dance. Prizes will be awarded to those with the most elaborate and comical costomes

The committee chairmen working under Jane Martino are: John Cooper, decorations; Joan Corvelli, publicity: Rosemerie Romaghand; Elsine Zarbriskie, nano. reception; Grayce Rosso, refreshments; and Janet Rullo, invitations. Come on our tonight and support the Freshmen Class!

Preakness Hills Site For Junior Prom

Plans are underway for the Junfor Prom which is to be held on November 29th at the Preskness Hills Country Club. Ariene Mc-Coy, who is the general chairman of this social event, has designated the following people in charge of the various committees: Jearwie Kenny, Invitations and Tickets; Keegal, Table Reservations; Marilyn Smith, Band, and Maureen McGlynn, Publicity. The Junior class has been assured by the chairmen that the food and facilities at Preakness Hills Country Club will provide an enchant-ing evening of entertainment.

Miss Lennon Hospitalized-

Continues to Need Blood
Miss Grace Lennon of our piscement office, who was severely burned last June 2, is still in St. Joseph's Hospital undergoing extensive skin grafting. Several members of the staff have donated to the blood bank as replacement for that which Miss Lennon continues to need.

She is very grateful to all those who have contributed in any way.

The opening hour for the lileary and the classrooms in the library building has changed to 8:15 A.M.

New Jersey teachers are awaiting the annual New Jersey Education Association convention which will be held in Atlantic City the weekend of November 7. 8.

As has always been true in past years, the convention will draw a crowd of approximately 25,000

The principal activities of the day will be speeches, exhibits and a chance for social get-togethers. Special meetings and conferences which are of interest to all people in the educational profession are being greatly expanded in number and will be conducted by some of the foremost authorities in their

This year NJEA, is formunate in having the entire Convention Hall arens reserved for their use. To climax the activities, on Friday, November 8, there will be a per-formance by both the United States Army Band and the United States Army Chorus.

Visitors View College Campus On Guest Day, October 20

Paterson Sintal's seventin Annual guest day was Sunday, October 20, from two to four P.M.

Exhibits, Bulletin Board displays, demonstrations and artificies were featured throughout the Day. To highlight the afternoon, a film produced by the New Jersey Education Association, Chance," was presented. -77-

New Staff Mambers Convene At Trenton Assemblage

A meeting and tes were held at Treaton State Teachers College, Thursday, October 8, for the purpose of introfining all new instructors in the six peachers colleges to the methods and the agencles of education in New Jersey.

Paterson State Teachers College was represented by the seventeen new members to its family. At the meeting the guests were given an opportunity to view the future of higher effication in the state. Among department and association officials to whom faculty were introduced were members of the N.J.E.A. and the members of the Commission Against Segregation.

What Happened To That Smile?

Some day walk around the campus and smile and say "hi" to everyone you see. Then take a mental note on the reactions you get. Believe me, they will be varied.

One of the senior health classes took this up as a oneday project. Among the reactions were: returned smile. frowns, and looks enough to ask: "When are the men in the white coats coming?"

What happened to our friendly atmosphere? Four years ago there were no class lines—everyone was a member of ing motions in a clear, informative P.S.T.C., not a senior, junior, sophomore or freshman. Take manner. It has provisious whereby a walk to the Sub today, and for the most part you can pick a motion may be postpored, tabled. out the four class distinctions. Look in the Cafe—the same or referred to a committee, when the four class distinctions. Look in the Cafe—the same said motion requires time and thought. I hope this will become Why has there been this change? Has it been because an established criteria for all thing is true.

of our increased enrollment? If so, are we going to stand meetings. for it. I hope not!

Let's unite to keep the friendly atmosphere and friendly reputation Paterson State has. Every day make a point of smiling and saying "hi" to everyone and start a conversation with someone you don't know. It'll give you a good feeling. Try it today!

P. R.

Operation, Clean-up!

Autumn is clean-up time everywhere! Should our cam- our S.G.A. President published pus be excluded in such a nation-wide project? One might the purposes of our organization. think so, if he viewed the sub or cafeteria after a normal college day.

Did you ever see such a sight as the sub about 5:00 by the Constitution: P.M.? After the majority of students have left the building, the debris is clearly visible. Empty orange juice cartons. straws, candy bar wrappers, strewn coke bottles, half-eaten apples, lunches and you name it . . . you'll find it there. If this is representative of the students' care of their own homes, it is not very encouraging. But we do not believe that this could be true. It is more likely that the few people who manage to keep up this disheveled appearance of the sub are the same few who litter the cafeteria tables.

Sorry to say, but we have no "bus boys" to clear the dirty dishes from the tables in the cafe. No little dwarfs. either, are around to do our dirty work. It takes only a minute to bring used dishes to the service area. Why not indulge in some useful deeds? Clear your own tables and if you're not rushing madly to your next class, take an extra for dismissal, dirty cup and saucer on your tray, too.

Maybe if a few students start this clean-up campaign. they may ignite a chain reaction. Being very optimistic, we hope that it may even spread to the sub, where it is badly needed.

Who knows? With cooperation, our campus could be "spic and span" within a week.

Why not give it a try?

Sports On Parade

by Ray Cosgrove

The New Yorkers have returned to Knickerbocker town, but not before they convinced the capacity crowd of the differences between a professional and a college ballplayer. From the stands the Knicks looked like giants; from the playing floor, they looked like mountains. Many compliments were showered upon Coach Wolf's basketeers for the fine hustle displayed at the demonstration clinic. Not only did the veterans Briant, Criangle, Dolan and Matthews impress, but also the newcomers who are expected to vie for varsity positions this season. The most impressive feature of the varsity was the tight defense which worked rather effectively against the pros. When watching the Knickerbocker stars take and make their famous shots with consistency, I wondered how our players would have fared if placed in that particular predicament. The mental picture which came to me answered my question. I think of a ballplayer named Lou Criangle, whose spinning left-hand hook shot rips the cords with deadly accuracy. The jumpshots of Bob Matthews, which can break a game wide open at any time and are usually thrown in from either side of the keyhole. Bobby Briant and Harry Dolan, the scrappy outside men, who not only possess court savvy, but also are equipped with soft sets last season abetted by the steady and hard-driving layups. Add to this group, a guy who has already established himself as a hustler and a winner. His name is Ken Wolf. Since basketball tryouts have not commenced as yet, I am unable to mention the new ballplayers, who will also be included in bringing Paterson State the first title of the newly formed league. There is an air of confidence, that the trophy awarded to the league champions will be displayed in Hunziker Hall at the end of the season.

I'd like to welcome back Mike, who has been sorely missed by those who frequent Memorial Gymnasium.

"Hey, Dolan, pick up the small man, Guerin-he's only 5' 4"!

Basketball Season Looks Promising

Although the football season is still in its initial phases and basketball seems a long way off. the sports minded at P.S.T.C. have already begun to look forward, optimistically, to the 1957-58 court season. Basketball is the big sport here at Paterson, and this year the Pioneers could be the big team among the teachers colleges of New Jersey.

Prospects must be considered for experience coupled with a stronger bench should enable the Pioneer quintet, to improve upon last year's commendable 14 win 7 loss mark, which stands as the best in P.S.T.C. basketball history.

Coach Kenneth Wolf can boast of seven returning lettermen including his starting line of last year-Lou Cirangle, Harry Dolan, Bob Briant, Ray Cosgrove, and Boh Matthews

Cirangle who has scored over 1,000 pts. and Dolan led the scores play of Bob Matthews and Ray Cosgrove, Bob Briant, who came to Paterson as a February transfer student, proved to be a tremendous late-season asset in the back-court with his defensive play and effective set-shots.

The coach is looking to a number of Sophs up from the Junior versity and a few new freshmen to help bolster the first line sousci. Tom Stroud, and Ed Petkus are among the hopeful Sophs, along with highy talented freshmen Art Bowce, Fred Henry, Frank Holterheff, and Frank Morgan.

Another welcome newcomer is Mr. Cabe Vitalone, who will head the junior varsity squad this year and should be a great aid to Mr. Wolf.

An added incentive to the boys on the club this season will be the newly formed New Jersey State Teachers College Athletic Conference in which all the state teachers colleges are enrolled.

The first scheduled game of the season will be the Alumni game on November 28, and the first conference game will be with Jersey City here at the Memorial Gymnasium at Paterson on December 10.

Following is a tentative schedσše.

Knicks Engage State Hoopsters In Basketball Clinic

With the New York Knickerbockers demonstrating, the Pater-State gym was recently the site of a fine basketball clinic. This affair was held in conjunction with the Paterson Evening News and the Paterson Y.M.C.A. and it is hoped that it will be an annual event in the future. The clinic was the first of its kind in this area and the capacity crowd which attended indicated there is much interest, from both the player and spectator point of view.
