

Trustees Now: President Later?

by Alby Woodruff

Paterson State has a new Board of Trustees. They were appointed October 20, by the Board of Higher Education. The six men and one woman were chosen from suggestions made by Paterson State faculty, local prominent citizens and officials of local companies.

Their duties consist of setting administrative policy, determining college curriculum and program, appointing and promoting faculty and naming a President.

The board, part of the legislation of the Higher Education Act, consists of:

Dr. Stephen J. Wright, a distinguished educator, and President of United Negro College Fund, Inc. His term expires June 30, 1971.

Mrs. Iris Blustein, of Upper Montclair, a member of the State Library Council and a consultant to the Department of Conservation and Economic Development of the Sky - Lands Project. Her term expires in 1972.

Mr. William A. Caldwell, of Ridgewood, associate editor of *The Record of Hackensack*. His editorial page column, *Simon Stylles*, has been a regular feature of *The Record* since 1950. Caldwell is editorial page director for *The Record*. His term expires in 1970.

Mr. Sol Statin, of Paterson, vice-president of the New Jersey State Industrial Union Council, AIL-CIO, and a long-time leader in the *Textile Workers Union*.

Mr. Vernon Atwater, of Ridgewood, vice-president for administration for the Ford Foundation. He is a trustee of Heidelberg College in Tiffin, Ohio; a member of the Committee of New Jersey Housing and Finance Agency and the Harvard Business Review. His term expires in 1968.

Mr. Norman Brasser, of Glen Ridge, chairman of the Board of New Jersey Bank and Trust Company and a member of the New Jersey Bankers Association Executive Committee. His term expires in 1970.

Dr. Alan Holden, of New Vernon, a physical chemist with Bell Laboratories, Murray Hill.

PSC Approves Needed Projects

The students and staff of Paterson State College will be glad to know that a few long-awaited and urgently needed projects have recently been approved for Paterson State College. Among these projects are the following:

1. Additional Parking Facilities for Students — This involves over 300 additional parking places, the widening of Gate No. 1 so as to speed up and improve the traffic conditions at this spot, the widening of the road along the College dormitories and side) the College dormitories and the Campus School. The cost of the widening of a loop road at this work involves \$21,000 and the parking facilities will require 90 days of working time. It is doubtful that weather conditions will permit the completion of the project before winter. Therefore, we can expect that the facilities will be completed some time during the Spring Semester.

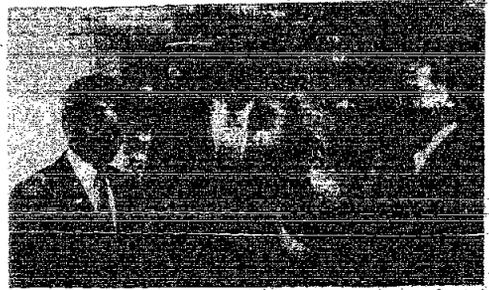

2. Additional Outdoor Lighting — This project includes the installation of additional outdoor lighting facilities on the western fringe of the "strip" lot, the installation of lighting at the entrance of Gate No. 5 and the improvement of lighting at the entrance of Gate No. 3. This work will cost approximately \$17,000, and is scheduled to be completed at the same time that the additional parking is constructed.

3. Air Conditioning for Wayne Hall — The contracts have been awarded and work should begin during the next month. This project provides for comprehensive air conditioning of all areas of Wayne Hall. The project will cost approximately \$50,000.

4. Landscaping and site work improvements for Music Auditorium Building and Campus Lab School — the bids for this project are due on November 9, the project was delayed because of inadequate funds and other architectural and engineering problems. However, the bids have definitely been provided. Therefore, there is a certainty that the landscaping will be done. In view of the approaching winter, it may be necessary to delay the landscaping until Spring, since this type of work cannot be performed during the winter.

There are other minor repair jobs involving mechanical and heating equipment which have also been approved.

Mr. Fort Manno and Dr. Phillip Cioffari, advisors to the Society of Unlimited Learning present SOUL button to Dr. James Forcina.

SOUL Sponsors 'Love-Rock' Show

SOUL, the Society of Unlimited Learning, is inviting all students to flow with the festivities at a 'love-rock' jamboree of music and dancing, Monday, November 6, at noon in the foyer of the Marion Shea Center for the Performing Arts.

SOUL, a joint student-faculty committee, is sponsoring the performance to launch its campaign at expanding Negro enrollment at Paterson State College.

"Sounds for Soul" — the musical theme of the show — will originate with John, Ray, Dick and Ed of the Wax Bananas Sanctuary, singer Tony Scucci on folk guitar, and is guaranteed to blow your mind." John and Ray are sophomores at Paterson State College. The Wax Bananas Sanctuary gravitates from a yellow ambulance converted to a flowered "love mobile."

Dr. James Forcina, administrator of the College, will also be at the rally to receive funds. Buttons will be distributed to students from booths in the Snack Bar, Raubinger Hall, and the Auditorium for a contribution of one dollar or more (one dollar or more for students, two dollars for staff and clerical employees, five dollars for faculty and administration.) The booths will be open from 9 a.m. — 4 p.m. Those who are able are urged to donate additional funds or pledge a sum of money to be contributed over a period of time.

Volunteers Needed For Tutor Program

A new branch of Paterson's Poverty Program is sponsoring a tutoring service. Each of the eleven wards will have a section of the program. Meeting places and adult supervisors are provided. Volunteers are needed for one or two afternoons a week or Saturdays for two hours (4-6 p.m.).

Secondary majors as well as GE majors and KP majors are needed. The program will possibly be extended to high school students.

Half of the two hour period will be spent on individual tutoring. The other half will be spent working with a group of students with a similar deficiency. Hours spent working with a group can be used for the forty hour requirement.

Interested students should contact Bob Smitz, Adm. School Study Project, City Hall, Paterson or call 274-2115.

Kitties Expand

Five girls were added to the "Kitties" Color Guard Squad for the 1967-68 season.

Joyanne Smith and Sharon Vogel were added to kitties; Peggy Morgan will act as rifle and flag substitute; and Candy Wilde and Mary Beth O'Rourke were chosen as flag substitutes.

Returning this year are: Linda Harnwick (captain), Helaine Spranger (seargent), Fiat Addison, Barbara Barclay, Pat Barabala, Georgetown Baggio, Kathy Bradley, Lorraine Farver, Selma Ann Hambar, Mary Ann Kuhn, Elaine Mitchell, Margaret Oggenfuss, Jean Pujol, Carol Statin, and substitute Mary Ann Pieshala and Carol Erickson of the Student Personnel Department.

Miss Ann Yassitis is the squad's advisor. The girls practice every Monday at 4:30 p.m. in the Campus School Auditorium.

son State College. The Wax Bananas Sanctuary gravitates from a yellow ambulance converted to a flowered "love mobile."

Dr. James Forcina, administrator of the College, will also be at the rally to receive funds. Buttons will be distributed to students from booths in the Snack Bar, Raubinger Hall, and the Auditorium for a contribution of one dollar or more (one dollar or more for students, two dollars for staff and clerical employees, five dollars for faculty and administration.) The booths will be open from 9 a.m. — 4 p.m. Those who are able are urged to donate additional funds or pledge a sum of money to be contributed over a period of time.

The November 6 campaign is the first major fund-raising activity of SOUL. Charter members have already realized \$58 in a spontaneous show of support during the second meeting last week. Two faculty members donated \$100 each. The committee soon begin appeals to local business establishments for additional financial support.

SOUL hopes to advance to its goal through a four-point program. Members will:

1. Go into Northern New Jersey high schools to discuss opportunities for enrollment at Paterson with Negro youngsters.
2. Invite groups of Negro teenagers to visit the PSC campus both to sit-in on classes and to chat informally with students and professors.
3. Provide tutorial help when needed to Negro high school youngsters, even 9th and 10th graders, who may have an inadequate educational background for college.
4. Offer scholarships to needy Negro students.

Commenting on the program, the founders of SOUL, Mr. Fort Manno and Dr. Phillip Cioffari of the English Department, said today:

"We believe that SOUL can be a moving manifestation that all men are brothers, that all students and faculty at Paterson State College can unite in a meaningful gesture of love and dedication to a cause which has the best interests of school and country at heart."

New Jersey. The author of many books and articles, he has spent the last ten years working on the improvement of teaching chemistry and physics in high school and college. His term expires in 1973.

The terms are of varying length so that the entire board will not be replaced at the same time. All of the members may be reappointed.

Forcina Strangles Grapevine Rumor

By Alby Woodruff

There have been persistent rumors that Paterson State has lost or is about to lose its accreditation because we do not have a President. This is the reason, according to these rumors, that the evaluation committee is coming this Spring. All of this is pure grapevine rumor, according to Dr. James Forcina.

First, Paterson State is evaluated every ten years on a set schedule by the Middle States Association of Colleges and Secondary Schools and the National Council for Accreditation of Teacher Education. When we interviewed Dr. James Forcina, Administrative Head of PSC, we were shown letters from Dr. F. Taylor Jones, Executive Secretary of the Middle States Association and Dr. Rolf W. Larson, Director of National Council for Accreditation. Both of the letters stated that appointments for evaluation teams to be sent to PSC were to be set up in the Spring of 1969. When we asked Dr. Forcina whether PSC had lost accreditation, he replied, "Our accreditation goes through 1968-1969 school year at which time both of the agencies will send their accreditation teams to the campus. We are fully accredited in all of our programs by both agencies and up until 1968-1969 there isn't anything they can do to take it away." To prove his point, Dr. Forcina brought out the recent copy of the Twelfth Annual List of the National Council for Accreditation of Teacher Education and showed us our full accreditation of all programs, including the graduate programs. He also mentioned that our new board of Trustees will be meeting in the middle of November.

RICKY HUMMEL THANKS YOU

LETTERS TO THE EDITOR

Contributions to this column are the opinions of the readers and, as such, are unclassified. All letters are required to be of a standard that will reflect the best interest of the college. Anonymous letters will not be printed and names will be withheld on request. The Beacon reserves the right to edit all letters.

Dear Editor,

In order to reach our goal of 420 registrations by Tuesday night for the Ricky Hummel Hemophilia Blood-Drive Day on Wednesday, November 1, the combined efforts of many people were required. I wish to thank the following for making this possible:

(1) most especially to the very active co-chairmen Karen Stropnick and Martha Zachariassen, who worked diligently for five weeks on every phase of the Blood Drive;

(2) to the administrative staff, the business manager, and Dr. DeShaw for the use of the Memorial Gymnasium and for providing us with the various materials needed;

(3) to the various social organizations and to the many individuals who helped with substantial amounts of money, as much as \$50.00 from one: Sigma Mu Phi sorority, Psi Omega Chi sorority and the fraternities, Phi Rho Epsilon, Gamma Tau Omega, Sigma Epsilon Chi, Sigma Tau, and Skull and Poniard;

(4) to our devoted nurses, Mrs. Carol Patterson and Mrs. Irene Smith, who not only were donors but offered their services in many ways throughout the Drive;

(5) to the many students who spent many hours at the Ricky Hummel table in the Snack Bar on various duties;

(6) to the various sororities and fraternities and the many individuals who willingly donated blood, with one fraternity having a 95% donor membership;

(7) to the faculty and students who helped in publicizing the event in various ways (Marge Cooper, Leslie Van Winkle, Sharon Carter, etc);

(8) to the Morning Call, Paterson News and Suburban Trends for publicizing the event, enabling us to acquire donors from the various communities;

(9) to the evening division students for rallying to our aid in the final phases of the Drive;

(10) to our regular donor and cafeteria manager, James Murphy, for providing us refreshments at cost;

(11) to the following organizations which made arrangements for me to speak to their groups: the Pioneer-Heritage Hall Committee, chairman Sharon Carter, Gamma Tau Omega fraternity, and Sigma Mu Phi sorority;

(12) to the Beacon staff for their excellent publicity for the past five weeks;

(13) to the various sororities and fraternities and the many individual students who, on Ricky Hummel Day, worked many hours helping the Bergen Community Blood Bank truckers set up and reload their materials, set up stations, tables, chairs, T.V., radio, etc.; the Refreshment and the "Old Hands" committees;

(14) BUT ESPECIALLY TO YOU, THE DONOR, STUDENTS, FACULTY AND OTHERS, WHO OFFERED HIS GIFT OF BLOOD SO THAT OUR "ADOPTED" SON, RICKY, AND HIS

PARENTS WILL REST ASSURED THAT ONCE AGAIN HIS 'LIFE BRIGADE' HAS SUSTAINED HIM FOR YET A LITTLE WHILE.

Many thanks to all of you!
Dr. Angelo L. Amacone,
Advisor,
Ricky Hummel Hemophilia Blood Drive

Dear Editor,

Once again, the students of Paterson State have established further proof to the fact that any goal they would like to put their full effort behind, they will succeed in. In the case in point, the future of Ricky Hummel was the goal and his call for assistance was met by over 500 individuals from our student body, faculty and administration. The hours they put in for working for contributions and giving of blood is worthy of the highest amount of praise.

The Beacon as usual, is also owed a debt of gratitude for their provision of excellent coverage which gave many the stimulus to act. Thanks to them, the student body and faculty, Ricky Hummel has a second chance to stay alive.

Beside the fact that the main purpose of this drive was to obtain blood, the oft brought up issue of student apathy was dealt another death-blow. Some students will always remain apathetic but a good many have, through this one event, proven themselves worthy of the classification of human being.

My hat is off to all of these people with the sincere hope that they never lose the humanitarian spirit they have just displayed.

Bob Moore
SGA President

Dear Editor,

As a member of the Ricky Hummel Blood Drive Committee I would like to thank all those people who contributed to the blood drive to make it a success. Appreciation is extended to the student body, the faculty and staff for their support and participation in this year's drive.

Thanks go to the fraternities and sororities for their efforts and support. Special thanks are extended to the brothers of Phi Rho Epsilon, Skull and Poniard, the sisters of Sigma Mu Phi and Psi Omega Chi for their monetary contributions and to the sisters of Sigma Delta Phi, Phi Omega Psi, and the brothers of Delta Omega Epsilon and Sigma Tau for the undivided time they spent working on the drive.

Thank you for Ricky Hummel.
Leslie Van Winkle
Blood Drive Committee

Corresponding Secretary
Student Government Ass'n

SOCIAL COMMITTEE

On Tuesday, October 24, members of the Social Committee chose Rob Lindsley, Chairman; Angela Scalzitti, co-chairman; Joan Pujol, secretary. The other members of this SGA committee are Eileen Cassidy, Bette Ann Hambor, Howard Straub, and Linda Wallace. Anyone who is interested in joining this committee is welcome. The purpose of this SGA committee is to sponsor and plan the social functions of SGA. The next meeting of the Social Committee will be on Tuesday, November 7, in the SGA conference room, College Center, 3:30.

Students who have not returned their selection sheet of courses for the spring, 1968 semester, to the registrar's office are urged to do so by Monday, November 6, 1967. Students who do not return a selection sheet and who return to college for the spring semester will have to register late.

The Art Department of Paterson State College will be represented at the N.J.E.A. Convention on November 9 and 10. The areas of Batik-making, Sgrafitto, and Printmaking will be explored and developed along with an exhibit. Administration of the activity are Aglala Balsarisa, Mort Walker, Irene Hoffenberg, Kathy Diminnie, Lynn Smith, Anthony Maxemich, David Wallace, Eileen Hulmes, Gail Youngworth, Chris Kaminist, John Mokros, Gloria Nolan, and Betty Marobesani. Sandra Eichbells and Alan Sponzilli are co-chairmen. Mrs. Malcolm is the faculty consultant and sponsor of the affair. All students and faculty are encouraged to come and learn something about art. Room 17, Second Floor, Convention Hall is the place.

The Newman Apostolate is sponsoring a series of discussions on Love, Sex, Marriage, and Birth Control. The series will begin Thursday, November 16 at 8:30 in room H 109. Reverend William Daly, director and chaplain of the New Jersey Province of Newman Clubs will lead off the program.

Later in the evening at 7:30 at the Newman House a film on premarital sex will be shown with informal discussion and coffee hour following it. Future guest speakers for the program will be announced at the meeting.

The Touch Football Team of Darlington Seminary has challenged the PSC Newman Apostolate to a game on November 30 on the Newman House grounds at 8:30. All Newman are called upon to defeat this well-known ?? team!

eyes. He can no longer accept the myths and slogans of the old world when they are used to mask the realities of the new. And he chokes on the hypocrisy of American principle and American practice in the world today.

This, Mr. Mastro, is the purpose of protest. Rather than destroying America as you suggest, the protestors are attempting to rescue her from her perilous path. For if she continues to follow it, insensitive to the changing world around her, she will be greeted at its end by the skeletal remains of a once great world, and a chorus of doomed souls singing "The Star-Spangled Banner" with guns at their backs.

John A. Farah
Class of 1969

Dear Editor and Students,
In the past two weeks you have probably noticed on campus a number of SOUL signs. Many of these have mysteriously disappeared. If there were any rules concerning sign-hanging which were broken I would appreciate hearing them.

However, if there are students who are souvenir hunters, please do not remove the signs already hung. For a small contribution to SOUL I will make you an original SOUL poster.

Kathy Diminnie

Editors Note:
All posters must be cleared with Lou Corsaro, chairman of the House Committee, before they are allowed to be hung.

Jazz Ensemble Welcome Byrd

Don Byrd, one of the jazz world's most versatile and exciting trumpet players, will be guest soloist with the PSC Jazz Ensemble when that swinging aggregation opens the jazz season Sunday, November 19 at 4 p.m. Long recognized by jazz buffs for his many fine solo recordings, Don Byrd is also a past member of the illustrious Jazz Messengers and has more recently been associated with the Don Byrd-Duke Pearson big band. In addition to his performing, Byrd is also in demand as a composer and musical arranger.

As the result of an increasing number of concerts both on and off campus, the 10-piece PSC Ensemble, under the direction of Martin Kravin, is acquiring an impressive list of performing credits of its own. Now in the third year of existence, the Ensemble sound is the best yet — which should make for an interesting Sunday afternoon. PSC students can obtain free tickets to the November 19 concert by presenting their ID cards at the Center for Performing Arts box office on Mondays, Wednesdays and Fridays from 10 a.m. to 2 p.m. Additional student tickets are 50 cents; adult general admission is one dollar.

Tomorrow's soccer game against the U. S. Merchant Marines scheduled for 11:00 has been rescheduled for 2:00 the same day.

SHEA CENTER FOR PERFORMING ARTS

The Air Force doesn't want to waste your Bachelor of Science Degree any more than you do.

B. Sc. Those letters have an impressive sound.
But they won't be so impressive if you get shunted off into some obscure corner of industry after you leave college. A forgotten man. You want activity. You want to get in there and show your stuff.
All right. How do you propose to do it?
If you join the United States Air Force you'll become an expert fast.

The Air Force is like that. They hand you a lot of responsibility fast. Through Officer Training School you get a chance to specialize where you want...in the forefront of modern science and technology.
Suppose, for example, you wanted to become a pilot and serve as aircraft commander on airplane crews. You'd plan missions and insure that the aircraft is pre-flight-ed, inspected, loaded and equip-

ped for the assigned mission. You'll be trained to fly exciting aircraft.
Just examples. There are so many more.
Wouldn't it be pretty nice to enjoy officers' pay and privileges? And serve your country, as well? Also, you get retirement benefits, 30 days' paid vacation, medical and dental care.
B. Sc. Very impressive letters. Now, do something with them.

Record Week For Pioneers

Medaska Breaks PSC Goal Mark

by Gene Madden

Junior sensation Ken Medaska not only scored two goals Saturday, which enabled a 3-2 win over Glassboro, but also smashed Carmen De Sopo's scoring record which has stood for 4 years.

The former Hackensack star wasted little time Saturday. With only 57 seconds gone in the first stanza Ken scored the 33rd goal of his career. In the second period Medaska received a pass from "Stosh" Bavaro and again the Pioneer co-captain scored. Mike Gula scored for the Profs in the third period but Tony Benevento, who leads the team in both goals and assists this season, teamed up with "Stosh" to add a final tally for

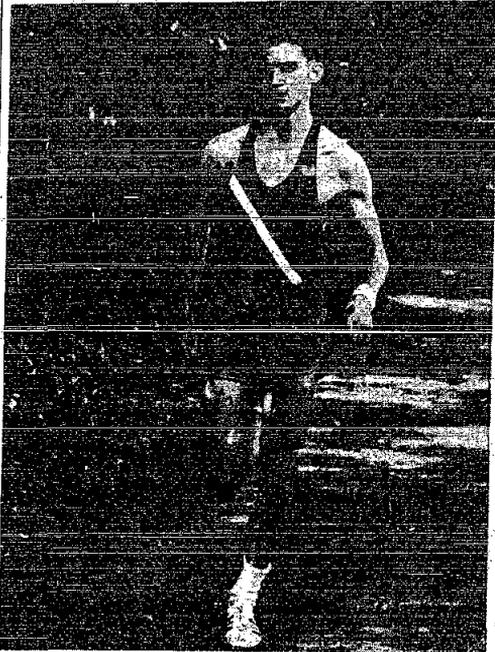

the Black and Orange. Late in the final stanza Alex Stepanow scored to make the final score read 3-2 in favor of PSC.

Glassboro has now finished its conference play and stands with a 2-2-1 record, the tie coming against Trenton State.

A week ago Wednesday, the Pioneers battled to a 1-1 tie in double overtime with the Indians from Montclair. It was a scoreless match until Medaska tipped in his first goal of the season. Victory was within sight for the hilltop school until Arvi Soar scored mid-way through the final period for Montclair.

Our conference season is over but we still have games to play — important games. Tomorrow, at home, Paterson State College plays host to the U.S. Merchant Marine Academy at 2:00 P.M. On Monday the Pioneers travel to Bridgeport, Conn. to play Sacred Heart University in another out-of-league play. Game time, 3:00.

RUN TO A RECORD

AL PAGANELLI

Paganelli Snaps Course Record

by Steve Reilly

Al Paganelli broke his third consecutive school record in a row to lead his cross-country teammates to a 24-31 upset of Glassboro State College, here at the Wayne campus. His winning time of 25:04 eclipsed his own school record of 25:06.

Frank Emolo and John Bruno, the other two-thirds of the harriers' "Little Italy" backed up the front runner by placing third and fifth respectively.

Both Bob Moore and Ron Schopperth wound up the Pioneer scoring by placing ahead of Glassboro's number four man. Last year the Profs almost shut out the Pioneers.

TRENTON ROMPS

Paterson State faced Trenton on Tuesday, October 31, and the Lions all but devoured the outclassed Pioneers. Paterson State's Al Paganelli not only broke his own school record on this outing, but also set a new course mark. The old course record was set in 1-66 by Jim Harris of Montclair State when the conference champ ran 24:55. Paganelli broke this standard by nine seconds with a 24:46.

Trenton displayed phenomenal depth as the Lions took the next seven places to remain undefeated in their last 21 meets.

The start was all Trenton as the Black and Orange could never get going. Paganelli had four Trenton runners on his back for three miles when he decided it was getting too close for comfort. With the 300 specta-

Lions 'Trick' PSC: 3-2

Paterson State, dressed in traditional black and orange, went out to trick or treat today, only to have a poor Trenton State team "trick" Pioneers into their first conference loss of the season by moving the chance for a tie for first place, by beating the Black and Orange, 3-2.

Over 300 people watched Paterson State jumped into lead with 21 seconds left in first period as "Stosh" Bavaro sliced a shot by Lion goalie Van Ness. The sun was shining when at the 9 minute mark the second period Senior captain Hank Saxon scored with assist by Tony Benevento. Lombardo scored for the Lions on a penalty shot mid-way the same stanza. At half-time the score read Paterson 2-Trenton 1. Don Lombardo struck again with 3 minutes remaining in the 3rd period. The first stanza remained scoreless as the Pioneers went into overtime for the third time this season. The first O.T. yielded nothing either team. However, Paterson hopes faded as the proverbial set and Doug Welsh struck Pioneers' nets for the go-ahead goal for Trenton State. A minute offensive attack by Orangemen failed and the Lions emerged as victors.

For the first time this season a formidable size crowd was hand to view the action, not the enthusiastic school body several members of the faculty including Dean Scully. Let's and have this size of a crowd hand for every game.

Tomorrow's game against U. S. Merchant Marines scheduled for 11:00 has been changed to 2:00 at home.

Swim Meet Scheduled

Nov. 9 Monmouth College

KEN MEDASKA

Memorial Game Set: Tickets Now On Sale

On Friday evening, November 17, starting at 7:30 will be one of the great "Bargain Bills" of Paterson State College history.

On this night the Memorial Basketball Game and Dance will be held for the purpose of raising scholarship money for student-athletes at PSC in need of financial aid.

For the almost ridiculously low price of one dollar (\$1.00) any Paterson State College student, his friend or a Pioneer faculty member will not only see two, court 'em, basketball games and attend a dance, but he will also be helping a fine cause.

The highlight of the evening will be the feature game pitting an All-Star group of students against a faculty squad which will consist mainly of Pioneer coaches and gym teachers.

Junior Phil Spagnolo will be in charge of picking the student team. Varsity athletes in any sport except basketball will be eligible.

Actually, the first game of the "doubleheader" will be the most important one.

This game will pit the two top teams in PSC's inter-school inter-collegiate basketball league in a battle for the inter-collegiate championship. Even after all this roundball activity has come to an end the night will still be in full swing.

For a dance will be held at Wayne Hall, with live music provided.

So what are you waiting for? Tickets for the evening can be purchased from all varsity athletes as well as cheerleaders and color guard members.

"We've had good success with it in the past," says Athletic Director James Lepanto, "but we need student and faculty help with it again this year."

Therefore, all students and faculty members are urged to buy tickets. You will be helping a fine cause — the financial aid of student-athletes who contribute so much to any college's athletic program, but you will also be taking advantage of a fine bargain.
