

# Dr. Olsen Named PSC President

By LAURA BLONKOWSKI

It was announced today that after consultation of faculty and student body and screening of more than ninety candidates, the board of trustees has appointed Dr. James Karge Olsen to be president of Paterson State College with an unanimous vote.

Dr. Olsen is presently dean of the College of Arts and Sciences of Illinois State University where he has served as dean and professor of political science since July 1967. From 1960 until last year he was dean of the Honors College of Kent University (Ohio), where he also taught political science.

He is licensed to practice law and has practiced in Ohio and Illinois. His doctorate is in jurisprudence.

The forty-five year old educator has visited the campus through the last two weekends arranging the

transition of the office with Dr. Forcina. He will be formally presented to the student body, faculty, and community at the May 27 meeting of the board of trustees. Full time occupancy of the presidency will begin July, 1.

He has written on John Locke as a modern liberal, on the constitution basis for academic freedom, on student motivation, and on the role of the College of Arts and Sciences in modern higher education. His experience in establishing new mechanisms in higher education was considered by our board in the light of the state colleges being required by the 1966 law creating the Department of Higher Education to transform themselves from teacher education institutions into multipurpose colleges.

Dr. Olsen's appointment is both as president and as a

Dr. James Karge Olsen

member of the faculty whose subject is political science.

His undergraduate education took place at Aurora College in Illinois, the University of Chicago, and

the University of Arkansas. He obtained his graduate education at the University of Chicago and Western Reserve University.

While at Illinois State University he was a member of a committee on International Studies Institute in Higher Education, Committee to Examine the Feasibility of Colleges of Fine Arts and Physical Education, Council on Teacher Education and Committee on Campus Planning among many others.

At Kent State University he was co-chairman of the University Faculty Senate and secretary of the Common Core Curriculum Committee plus chairman of six other committees and member of ten additional councils and committees.

The PSC board of trustees assured the State Board of Higher Education, whose

approval of the appointment is required by law, that in Dr. Olsen it believes it has found the qualities it has been seeking — strength, technical skills, relevant experience, tact and energy.

It also asked the board to let the record show its gratitude to Dr. Forcina, who has been spending four days a week — from 10 p.m. until after midnight — at work on our campus. It reiterated its appreciation of the steadiness and loyalty of the 250 man faculty and the student body, whose fulltime enrollment is more than 3500.

Dr. Olsen and his wife will live in Franklin Lakes with their children, Karge C. and Karen M. (18 year-old twins) and Erik Jr., 14. Mrs. Olsen, the former Miriam G. Nurni, is presently an instructor of Medical and Surgical Nursing at Illinois Wesleyan University.

## SEA Honors Three Outstanding Teachers

The Student Education Association announced that Donald Alden Edwards, Robert P. Kroeckel, and Gabriel E. Vitalone are the three winners of the new Annual Outstanding Teacher Award, who will be formally recognized at the Senior-Faculty Dinner.

Criteria on which the selections were made began with student nominations. All nominees were screened by a committee who reviewed the records and student opinions of the teachers.

Mr. Donald Edwards was appointed in September 1956 to the faculty of PSC. He instituted the Grammar Clinic to aid English 110 and to serve the entire student body. When nominated Mr. Edwards was attributed with enthusiasm, personal interest in

## Fall Registration Starts Monday

Pre-registration for the 1968 fall semester for all freshmen, sophomore, and junior day students will be conducted Monday thru Thursday, May 20, 21, 22, 23 at Wayne Hall Lounge. The students will go there to pick up their packets, and the administration requests that they return them no later than Friday, May 24.

The pre-registration material will be distributed from 12:00 to 4:00 on Monday; from 9:00 to 4:00 on Tuesday; and from 10:00 to 2:00 on Wednesday and

## SOUL Issues Initial Grants

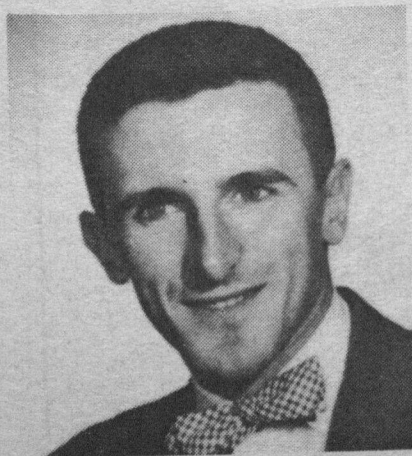

The names of the first seven recipients of SOUL scholarships were announced last Thursday at the SOUL meeting in RBI.

Jeanne Johnson, from Barringer High School in Newark, plans to major in Art. Some of Jeanne's poetry has been published in Lace Review. She works at Woodside State School for Mentally Retarded Children as a recreation assistant, teaching special arts and crafts. Elizabeth Smith, from Barringer High School, has worked full time in community action programs and

## Miller Speaks With Governor

Paterson State's newly elected SGA President, Walt Miller and Vice-President Bob Moore spoke to Governor Richard Hughes this past Wednesday at Trenton on the topic of student support of the Governor's proposed Bond Issue for Higher Education. A state-wide student campaign will be conducted within the next two weeks to inform New Jersey citizens of the problems facing higher education. A meeting will be held at Paterson State this Tuesday, May 21 for all students interested in the campaign.

The four basic aims of this campaign are:

1) to get at least 2,000 letters from the students of each state school addressed to their legislators complaining of the neglect of higher education in New Jersey.

2) to have each student contact at least 10 people in their

community and encourage them to write to their legislators within the next two weeks.

3) to encourage the students to participate in a door-to-door campaign on Saturday, May 25, to inform the citizens of the plight of the New Jersey colleges.

4) to visit high schools and drum-up support among the students for the drive for more money for higher education.

In their 1968 report, the State Board of Higher Education in

## Candidates Anticipate Miss PSC Pageant

Nineteen candidates have entered the Miss Paterson State Contest.

Following is the list of the girls participating:

Gail Weir, a junior, is a member of Psi Omega Chi. The 5'6" blue-eyed blond is interested in acting and singing, and lists dramatic reading and acting as her special talents.

Yvonne Ann Allen, a sophomore, is a member of S.O.U.L., and she had the female lead in our college's presentation of THE BOYFRIEND. The 5'2" brown-eyed brunette is interested in painting, and plans to sing and dance for her talent.

Suzanne Staples, a freshman, is a 5'4" hazel-eyed blond. She is interested in music and writing, and for talent she will play the piano.

Joyce Purzycki, a sophomore, is especially talented in baton twirling and singing. This 5'8" brown-eyed blond was a JV cheerleader and a member of the Ski Club.

Linda Schlegel, a junior, is a member of Theta Gamma Chi. This 5'4" blue-eyed brunette has been active in the Ski Club, and she enjoys swimming, dancing, and sewing. Her talents include dancing and playing the piano.

Barbara Williams, a freshman, belongs to Xi Lambda Chi. The 5'3" blue-eyed blond was a drum majorette in high school, and she enjoys horseback riding and

# LETTERS TO THE EDITOR

Contributions to this column are the opinions of the readers and, as such, are unedited. All letters are required to be of a standard that will reflect the best interest of the college. Anonymous letters will not be printed but names will be withheld on request. The Beacon reserves the right to edit all letters.

## Student Action

DEAR EDITOR,

Once again Al Paganelli is to be congratulated for fine journalism; after his great editorial on the registration procedure ("Two Fiascos for the Price of One"), he gives us "Could It Happen?" in the May 10 BEACON. Truly, his biting satire must be observed.

We all know how the computer punches each of the classes we need, how all of our teachers are of the highest calibre, how spacious the male dorms are, and how well the football team plays.

Of course there is no cause for student action on these and similar issues — student grievances are the idle work of hippies and draft card burners.

Right, people?

A junior to "graduate" in '69

## Tenure Battle

DEAR EDITOR:

Depending on who I listen to, between 500 and 900 students signed a petition to retain Mr. Lieberman. How many of those students even know him? How many of those who signed "for the principle" of the case, know all the reasons for the board's action? If the board were to state all the reasons publicly, they would place themselves in a position to be sued, justly or unjustly. They would NOT be aiding Mr. Lieberman in obtaining new employment.

I submit that our tenure laws are soundly and professionally set up, and that by them Mr. Lieberman has no right even to ASK for the reasons he is not being rehired. I also would like to submit that eighteen faculty members on two committees knew all of the facts, and of these eighteen, seventeen voted against rehiring and one abstained. This was not an administrative action; it was a faculty decision reached by members of the faculty known to

us all. It seems unlikely that they would be in so much accord without good reason.

HAROLD J. ETELT

## Student Complaint

DEAR EDITOR:

It seems to me that if Paterson State College does lose its accreditation next year, it would be the best thing that could happen to both the students and the faculty. Then maybe we could all leave this "institution of higher learning" and find a real college to attend.

I could probably go on forever about things that irk me on this campus, but I'll just mention a few. First of all, it is the week of May 13th and as of today, no exam schedule has been posted. What is the reason for this? How come Montclair and Newark State have had their schedules for over three weeks?

Second of all, why was one of the best professors in this college not given a new contract for next year? No one seems to know and no one can give any reasons. Even the professor himself has not been given any definite statement on this account.

Third of all, why has there been an increase of thefts in our parking lots? Where are the guards when these thefts are taking place? It seems to me that instead of drinking coffee in the Snack Bar, or down the road, they should be watching our cars. After all, we do pay \$10.00 a year for the "privilege" of parking on this campus. And why is it that I counted 15 cars without parking decals in the upper lots today? Where again are the guards?

There are many other gripes I could make about the situation of this campus, but if these three issues could be cleared up, I, and I'm sure many others, would be somewhat happier.

JACKIE SINIANO

## McColgan Defense

DEAR EDITOR:

The anonymous letter entitled CAPORALE DEFENSE in the STATE BEACON of May 10 would have been better called ATTACK McCOLGAN for this is what its courageous author has done. At first it seemed inconceivable to me that a person who has had the courage to apply for conscientious objector status would not have the courage to sign his name to a letter to the school paper, but repeated readings have made me come to the conclusion that the author is afraid to have his name known because he doesn't have the courage of his convictions and deep down he probably knows just how stupid his letter really is! This is not sour grapes on my part although I admit to being angry about having been attacked for positions I do not hold and for things I have not said.

I did not, and would not, say loving one's country and advocating obedience to its laws are acts of Fascism. I did say calling dissenters un-American traitors, and maintaining that simply because a government is in power it deserves the complete support of its citizens is Fascism and I say it again.

Who are you, oh safe, anonymous letter writer, to decide whether the intellectuals Mr. Caporale attacks are "void of understanding of political functioning?" You say you "know of no person connected with Paterson State College who has a greater love of knowledge or more respect for those who have acquired it than does Mr. Caporale." His respect extends only to those with whom he agrees. Those whose knowledge leads them to an opposing position he labels "amateurs, dabblers, who have probably never read a serious book on politics" (his own words from his infamous speech). Does Mr. Caporale really love knowledge when he attacks his colleagues in this manner? It seems to me he shows very little respect for those who oppose him regardless of the knowledge they surely must have acquired to have gained the positions they now hold.

Finally you end your acrimonious diatribe by accusing me of "having all the answers" while "the greatest men of our days are divided as to which path of political action is the 'good' one." I defy you cowardly anonymous letter writer to show me one answer to the many

problems our country faces in my letter! I did not suggest any answers at all, as even a cursory reading of my letter will show.

So I throw your accusation back in your face, unknown though it may be, .....you are the one who has attempted, however feebly, character assassination, not I; and it is you who reveals his stupidity, not I.

BRIAN McCOLGAN '68

## Student Tribute

DEAR EDITOR,

We strongly feel that a person who has given much to the students of Paterson State has been bypassed time and again. Tom DiCerbo has been for our five years an active part of this college in several aspects — Yet his contributions have gone largely unrecognized. He has played an active part in bringing PSC's fencing team victory, headed our successful carnival in 1967, served as an able chairman of the Election Committee, and served as chairman of Leadership Lab — all these being very important in the functioning of the College Community.

We feel that it's time that Tom is thanked — publicly thanked for what he has done. It is only a pity that this person who has done so much had to wait until two weeks before he is to graduate to be congratulated for four years of service.

INTERESTED STUDENTS

## Sheer Spite

DEAR EDITOR:

How many twosomes in history Have written their names on a star,  
Etched their fame in the minds of folks  
From North Bergen to Zanzibar?  
There've been Batman and Robin, Bonnie and Clyde, Laurel and Hardy, too.  
But the duo supreme, la creme de la creme,  
I'll sing without further ado.  
It's Kushner and Spinnager of Paterson State!  
The greatest there ever have been.  
They always get clean-a-way with the Emily Greenaway,  
No one else has a chance to win.  
Emily's losers may hiss and may boo,  
But surely they all would say  
Thay Mrs. Spinnager's poems have no equal except  
The short stories of dear Mrs. "K."  
The muses must love these ladies of ours,  
Their work is too fine to berate,

But soon every hope will return to our hearts,  
For this year they graduate!

Respectfully,

JACQUELINE SQUILLACE

## Teach-In

DEAR EDITOR:

In your May 3rd issue of the BEACON, the article "National Rallies Spark Paterson State Teach In" seemed to miss the mark. You spoke about "the movement undertaken by PSC students." Let us say, here, that these "students" are, in fact, the VERY SMALL minority of the student body.

While these "students" seem to be making all the noise, it is the majority of students who do support this "conflict" wholeheartedly but do so quietly.

This "teach-in" was supposed to "teach" us about the war, I ask you; why didn't it? (sic) It only presented those same trite liberal arguments.

The "courtesy" which was due Professor Caporale was, indeed, absent. Here is a man who is not afraid to be labeled a "patriot" and he should be a model for us all.

# SGA News

Shortly after being informed of the participation of Paterson State students in the May 6 March on Trenton in support of more money for higher education in the state of New Jersey, the following letter was received from Mr. William Caldwell, President of the Paterson State Board of Trustees: Dear Miss Ramella:

Will you please convey to the Student Government Association Executive Board my thanks and congratulations, as chairman of the Board of Trustees, on Paterson students' participation in the May 6 march on Trenton. It seems to me that this was an intelligent way of channeling energy to the point at which it can be most effective. By and large, the problems of higher education in New Jersey are financial — if the Legislature would grant the colleges the money they need to meet the responsibilities laid on them by the law, there'd be no limit on what students and faculty and administration could do together to make public education in New Jersey equal to or better than anything of its kind in the country. The bottleneck is in Trenton. That's where the pressure should be. That's where the students applied it.

Thank you for letting me know

about it. It's encouraging and reassuring.

Faithfully

WILLIAM A CALDWELL

The S.G.A. Executive Board would also like to extend their thanks to the students of P.S.C. for their support and their commendable conduct in Trenton on May 6. In addition we urge you to WRITE to your state Senators and Legislators; let them know that you are in full support of more money for higher education in N.J.

Respectfully submitted,  
JO-ELLEN RAMELLA  
Treasurer of S.G.A.

## Miss PSC

dancing. She is a talented baton twirler.

Marguerite DeCarlo, a freshman, is a member of Phi Theta Rho. This 5'4" brown-eyed brunette enjoys water skiing, cooking, and dancing. For talent she will perform modern dance routines.

Susan Stoveken, a senior, is sponsored by Zeta Omicron Psi. The 5'7" green-eyed blond is interested in dramatics, and lists singing, dramatics, and sewing as talents.

Kathleen McCue, a sophomore, is sponsored by Theta Sigma Kappa sorority. This 5'4" blue-eyed blond is interested in sports, and will play the accordion for talent.

Sharyn Egley, a sophomore, is

sponsored by Sigma Delta Phi sorority. The 5'3" brown-eyed brunette has participated in the Campus Queen contest, and in PSC's presentation of SORRY, WRONG NUMBER. She will present a dramatic reading in the talent section of the pageant.

Kathleen Kelly, a senior, has been active in the choir, SEA, and is a member of Kappa Delta Pi and Who's Who Among Students in American Colleges and Universities. For talent she will play the timpani.

Bonnie Bromilow, a sophomore, is sponsored by Omega Theta Iota. This 5'3" brown-eyed brunette is interested in sewing and dancing. She plays the accordion, and for her talent she will do a song and dance routine.

Carol Brown, a junior, is sponsored by Phi Kappa Rho. The 5'3" blue-eyed brunette is the president of her sorority, and is interested in swimming and singing. Her special talents include singing and dramatic reading.

The Pageant will be held May 19, at 8:15 p.m. in Shea Auditorium. Tickets will be on sale for \$1.00, and seats are reserved. Students are asked to support the Pageant by buying boosters from either Mrs. Fox or Miss Yusaitis.

Angela Semeraro, a 5'2" brown-eyed brunette sophomore is being sponsored by Theta Sigma Kappa. The PSC Varsity

Cheerleader will play the piano and perform an acrobatic dance for talent.

Ann Marie Artelli, a 5'3" brown-eyed junior is sponsored by Phi Omega Psi and will perform a pantomime of Barbara Streisand with the song "I'm Five" as her talent.

Barbara Williams, a 5'3" blue-eyed blond is sponsored by Xi Lambda Chi. A freshman at PSC she will twirl a baton to "Let There Be Drums" by the Ventures.

Carol Graziano of Ogdensburg, New Jersey is 5'3" and will present a dramatic reading for talent.

Rose-Marie Pagano, a blue-eyed brown-haired sophomore is sponsored by Phi Omega Psi and would like to become an art teacher and freelance illustrator in the future.

Carole Iaroli, a sophomore sponsored by Theta Sigma Kappa will dance to "The Soft Shoe Song" and twirl a baton while dancing. The 5'6" brown-eyed brunette has ambitions of becoming a Pediatric Nurse.

Mildred Knieeland, a 5'8½" green-eyed brunette sponsored by Chi Delta Phi and will sing a song from a Broadway show for talent.

## Miller Speaks

(Continued from Page 1)

New Jersey announced their future plans for Paterson State College which will hopefully be completed by 1975. The plans call for the construction of more laboratory classroom buildings and costing \$2,400,000; more classroom and office buildings costing \$1,900,000; more maintenance and storage space costing \$560,000; air conditioning for Shea Auditorium and Hunziker Hall costing \$275,000; and the expansion and renovation of roads and parking facilities costing \$850,000. Also, their plan call for the appropriation of \$3,500,000 and \$5,100,000 for the expansion of dormitory space. The total amount appropriated for PSC will come to \$14,585,000.

The Committee of Undergraduate Education (CUE) supports the Governor's Bond Issue and the student campaign. They have \$126,000,000 which will be used for school aid, welfare programs, and general community improvement. Specifically, they are offering \$25,000,000 for school aid. The CUE has also set aside \$180,000,000 for the immediate replacement and repair of New Jersey school buildings and offices.

## Club Sponsors Swami Lecture

By SUZANNE STAPLES

Yogiraj Sri Satchidananda will give a lecture on the Path of Integral Yoga on Thursday, May 23, at 3:20 on the Wayne Hall lawn. The lecture is being sponsored by the International Relations Club.

Sri Swamiji was born into a highly spiritual family in India. He entered the field of technology after he finished his schooling and tried working in the automobile, electrical, mechanical, and cinematographic industries. He also spent some time in church management.

At the age of 28, he began his full-time spiritual quest, spending several years in seclusion making holy pilgrimages and staying with many sages and saints. During this time he acquainted himself with the various Paths in the spiritual field.

In 1947, he met his Master, His Holiness Sri Swami Swanandaji, the founder of Divine Life Society. On July 10, 1949, he was initiated into the Holy Order of Sanyasins (monkhood), and given the same Swami Satchidananda. A year later his Master conferred upon him the title of Yogiraj for his mastery of the intricate techniques and processes of the various Paths in the spiritual field. In 1951, he made an extensive lecture tour, throughout India for more than a year. An account of this tour is given in the book Satchidananda's Lectures — All India Tour, published by the Divine Society.

Last year Sri Swamiji went on a world tour and visited New York for two days. At this time a number of students came to him to study under his guidance. He gives Yoga lectures, discussions, guidance in meditation, and daily Asana classes for beginners and intermediates.

## Fall Registration

(Continued from Page 1)

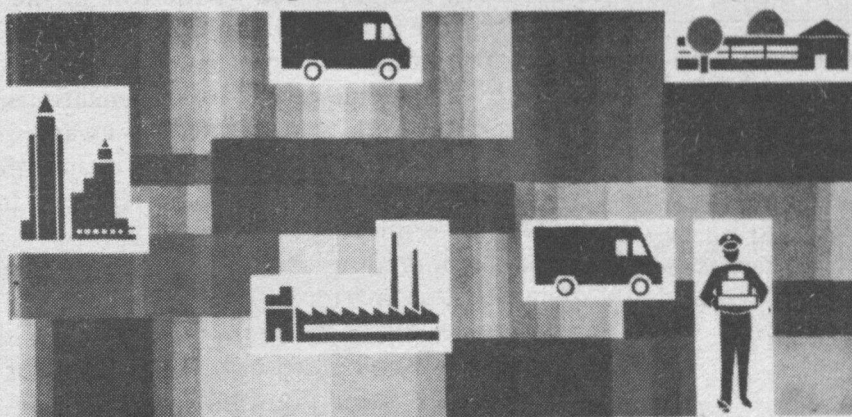

Thursday. Students are asked to return their schedules to either Wayne Hall or the Registrar's Office in Haledon Hall on Monday and Tuesday; and to Haledon Hall on Wednesday, Thursday, and Friday.

Due to the many curriculum changes that were enacted for the upcoming school year, this semester's registration was so delayed. The administration realizes the pressure they are putting on the students, but they ask for full student co-operation in returning their forms promptly. Student advisors are also asked to be available, so there will be no delay in approving the schedules.

## For Your Information

The 1968 Pioneer is extending the time for seniors to change their addresses. The final deadline is now Friday, May 24, 1968. Seniors should put their name (maiden and married) and address as of September, 1968 in the envelope on the bulletin board outside of the yearbook office on the second floor of the College Center.

## Want steady, part-time work with a future?

Work that offers:

- \$2.64 per hour
- Convenient hours: 5 P.M. to 9 P.M.
- Congenial working atmosphere
- Positions that are available in locations near your home

Then see UPS right now while there's still a few jobs left.

At UPS, the nation's leading private company that picks-up and delivers small parcels throughout 37 states, you'll sort small packages which are later delivered by the company's delivery men. Using modern package handling equipment, you'll work during

limited daily periods when incoming parcel volume is high.

And if you're looking toward the future, this part-time work could be a stepping stone that offers unlimited opportunities for college graduates in delivery operations, labor relations, personnel, internal communications, data processing, research and development, finance and control and many other specialized areas.

If you are 18 years of age or over, neat in appearance and in good physical condition, take advantage of these unique opportunities by applying in person at our Secaucus Personnel Department daily from 9 A.M. to 5 P.M. Or Thursday evenings from 6 P.M. to 8 P.M.

# Non-reappointment Leads To Future Participation

FROM: Concerned Students

DATE: May 14, 1968

SUBJECT: Non-reappointment of Mr. Jerome Lieberman

Following is a chronological account of events which took place concerning this matter.

Oct. 30 — A meeting was held at Dr. Mildred Weil's house by the Senior Faculty Committee comprised of the seven full professors of the Social Science Department: Dr. Ellis (chairman), Dr. Weil, Dr. Brandes, Dr. Brown, Dr. Li, Dr. Vouras, and Dr. Willis. It was decided that Mr. Lieberman's contract should not be renewed since they did not desire him to become a permanent member of the staff.

Oct. 31 — Mr. Lieberman was informed by a memorandum from his department head that "... I am not willing to recommend your reappointment."

Note: Previous to this, Mr. Lieberman had been given no indication that there was any dissatisfaction with him either personally or academically. He had in fact been given excellent recommendations by Dean White the previous two years concerning his performance in the classroom. In early December, Mr. Lieberman decided to lodge a grievance with the Paterson State Chapter of the Federation.

Jan. 4 — The Grievance Committee of the Paterson State Union met to discuss the Lieberman case. This committee was composed of an elected chairman and four appointees of the Union.

Feb. 1 — After deliberating upon the reasons given to them by the Senior Faculty Committee, the Grievance Committee of the Union decided:

1. the Senior Faculty Committee which made the decision was an acceptable body — 3 yes-2 no
2. by a unanimous vote that there was not sufficient evidence to evaluate the fairness of the Senior Faculty Committee's decision.
3. the Federation should Lodge a grievance — 2 yes-3 no

Note: At this point, the general student body was not yet aware of the situation.

April 18 — Two students, having become aware of the situation, consulted Dean Scully and were advised to consult with the following people in this order: Dr. Ellis (head of the S.S. Department), Dr. Brandes (acting dean), Dr. Forcina (acting President), and Mr. Caldwell (head of the Board of Trustees of the college). She also suggested that the students consult Mr. Lieberman before conducting the inquiry.

April 26 — The two students met with Dr. Ellis who refused to discuss the matter without consulting the others who were also responsible for the decision. When asked, however, if the reasons behind the decision were personal or academic considerations, Dr. Ellis stated that the reasons were not academic. The students were asked to return the following week.

May 2 — A student delegation of six PSC students met with Dr. Forcina, Dr. Ellis, and Dr. Brandes in the President's office. At this time no mention was made of any of the reasons behind the decision.

May 6 — In the morning mail, the students received notice of a request by Dr. Forcina to meet with the entire Senior Faculty Committee that same afternoon at four o'clock. At this meeting, the reasons which the student delegation had unofficially learned of pertaining to Mr. Lieberman's non-reappointment, were aired by the students primarily for the benefit of Mr. Caldwell (head of the Board of Trustees) who until this time had not been informed of the situation. Although never actually denying that these were the "real" reasons, the Senior Faculty Committee stated that there were "other reasons" but these have never been made known to anyone outside of the Committee, including the Union and Mr. Lieberman himself.

May 8 — The three reasons which were previously unofficial were verified by a member of the Grievance Committee as the reasons given by the Senior Faculty Committee to the Grievance Committee.

May 9 — A student delegation of approximately 30 students presented to Dr. Forcina a petition signed by 955 students asking for Mr. Lieberman's reinstatement. At this time the students requested a reply from Dr. Forcina to the petitions by the following Monday. Also

(Continued on Page 7)

Date: May 14, 1968

In order to insure significant student participation in the determination of college policy, the following students and faculty are committed to the establishment of a structure directed toward this end.

The following possible structural arrangements have already been suggested:

- A. Some modification of the new Faculty Senate plan
- B. Student majors represented in departmental policy-making
- C. A College Council including administration, student and faculty representation.

Comments, questions and further suggestions of the possible alternatives directed toward our purpose may be directed to any of the signers of this statement.

A public meeting to discuss the proposal and involving ALL SEGMENTS OF THE COLLEGE COMMUNITY was called for Thursday, May 16 at 3:30 p.m. in Wayne Hall.

From: Executive Committee, PSC  
Federation of College Teachers

Subject: Statements on non-reappointment of non-tenured professor and on student participation in matters on tenure, reappointment, and promotion.

Date: May 14, 1968

The Paterson State College Federation of College Teachers believes that under existing procedures, which have been found acceptable, the professor in question did not have sufficient grounds to enable the case. This conclusion has been arrived at after careful examination of the evidence, which has had to be considered confidential. The Federation recognizes the need for changes in the existing procedure, but to make such changes retroactive would be to create a precedent dangerous to the rule of law.

The Federation admires the concern with which serious students in many institutions of higher learning throughout the world have become identified. We believe that ways must be found to broaden the participation of students in those areas of college life with which they are directly concerned and in which they have competency to deal.

While we believe that final responsibility in matters of tenure, reappointment and

DATE: May 13, 1968

SUBJECT: Non-reappointment of non-tenured faculty member

The purpose of this memorandum is to clarify the circumstances and procedures concerning the non-reappointment of an assistant professor in the Social Science Department and to publicly announce the decision reached by unanimous vote of the Educational Policy Council after considerable deliberation. The Educational Policy Council, representing the entire faculty and elected by vote of the entire faculty, considers the erroneous statements which have been made concerning non-reappointment of a faculty member without tenure in the Social Science Department to be sufficiently important to merit immediate correction.

The Educational Policy Council UNANIMOUSLY supports the faculty committee decision made by the senior tenured professors of the Social Science Department, six of whom voted that the assistant professor not be granted another appointment and one of whom abstained.

The following clarifications are offered:

1. The assistant professor signed an agreement July, 1967 to serve as an Assistant Professor for a term of ONE YEAR from September 1, 1967 to June 30, 1968. No promise in contract or writing or orally was made at that time or since that a further appointment would be made the following year. A one year contract granted to a non-tenured faculty member is interpreted as probationary both by the New Jersey Tenure Law and the Policies of the American Association of University Professors. The assistant professor is not dismissed at the end of his contractual year; his contract legally terminates.

2. On October 31, 1967, the assistant professor received notice in writing from his department chairman that he would not be recommended for reappointment. This memorandum was prompted by the vote of the seven tenured professors of the Social Science Department.

The procedure which was used was very sound and endorsed by many college faculty organizations in the nation. The seven professors were intimately aware of the work of the faculty member who was not reappointed, and their recommendation could not possibly be influenced by aspirations of promotion or security.

The memorandum was submitted well in advance of the deadline in these matters. The Guide in Personnel Policies, effective since 1963 to the present, states in section 1, paragraph 6: "On or before April 1 of each year the President of each college, after consultation with the Dean of the College and the Chairman or Directors of the Departments concerned, shall notify in writing each faculty member not on tenure concerning the anticipated recommendation to be made to the Commissioner."

3. On November 7, 1967, the faculty member met with Dr. James Forcina, the Administrative Head of the college, who advised him that he accepted the recommendation of the department, but he would seriously consider the matter, and change his decision if the department committee changed its recommendation after study with him. From November 7, 1967 to December 1, 1967 the Administrative Head studied the matter with individual members of the department committee and small groups of the same committee. He personally polled each of the six members at the conclusion of the study to determine if there was any change of mind. All six voted again not to issue another contract. On December 1, 1967, the Administrative Head advised that faculty member that the committee of professors, after discussion and due consideration with him, maintained its original position and that he was supporting the faculty position.

promotion should remain with the matters of reappointment, faculty, it is our opinion that promotion and tenure.

future procedures should be altered to provide for: The Federation invites the cooperation of student representatives in the development and promotion of faculty committee considering such policies.

1. Student rating of faculty
2. Student representation on faculty committee

(Continued from Page 4)

on May 9, a faculty petition in Mr. Lieberman's behalf was presented to Dr. Forcina with 47 faculty signatures. May 13 - Dr. Forcina informed the students that he entirely supported the decision of the Senior Faculty Committee and that there would be no reinstatement.

We realize that New Jersey tenure laws do not require that a non-tenure teacher under an annual contract be given "cause" for non-reappointment. The fact remains, however, that reasons HAVE been given in this case. In the EPC's May 13 memorandum these reasons were called "erroneous," although, as stated above, these were, in fact, the reasons given to the Union. As students, then, we have no choice but to believe that these WERE the reasons for Mr. Lieberman's non-reappointment and as such are not substantial enough to warrant the loss of such an excellent professor. The student petition serves as testimony to his excellence. Furthermore, we feel that the opinion of one thousand student voices should not be overlooked as they apparently have been. Is not the voice of the students, who are after all, the individuals most directly effected by a teacher, at least as important as that of the seven people who made the ultimate decision? And should they not be able to voice this opinion without being intimidated concerning their present status as has students and future employment as has been the case? The individual members of the Senior Faculty Committee and Dr. Forcina must re-evaluate their positions as educators in an institution which must keep in step with the students which it serves.

Guest Day

The Spring Guest Day will be held at Paterson State College, Sunday, May 19, 1968 from 1:30 to 4:00 p.m. The open house is planned to give prospective students, parents, and citizens of New Jersey an opportunity to become acquainted with one of their state colleges. There will be exhibits, music, activities, open house in all departments, an opportunity to talk to faculty, students and chairmen of departments, and a chance to see the facilities available at one of your institutions.

All Juniors interested in helping with this year's commencement are requested to see Dr. Kenworthy as soon as possible.

Six Characters to Play

SEA Honors Three

Luigi Pirandello's play SIX CHARACTERS IN SEARCH OF AN AUTHOR came to Paterson State last evening. It is directed by two senior students, Jeffrey Rapport and Joseph Carabillo, and presented by Pioneer Players as the final production for this school year.

The setting is a rehearsal hall where the director (Robert Biagi) is rehearsing a play of Pirandello's called THE RULES OF THE GAME. His leading lady is a very haughty woman (Maureen Smith). Her counterpart, and equally arrogant person, is the leading man (David McKenna). The supporting cast in the rehearsal hall are: the ingenue, (Linda Fisher), the young male lead (Edward Goetz), the character lady (Nora Donoghue), and a supporting cast of actors. The CIR (cast in rehearsal) is comprised of Leslee Haag, Jimmi Abbot, Michael Cipoletti, Pete Imbessi. Last but not least the directors staff is: Miss Patricia Priex, his secretary, Mr. Richard Chobora the first Stage Manager, and Mr. Michael Stanton, the second Stage Manager.

This is the setting for our SIX CHARACTERS to appear to be conjured upon the stage. The Father (Steve Hellicker) approaches the world of the cast first; he is followed by the Stepdaughter (Nancy Luciano) who also tries to approach the cast's world. The Mother (Karen Stropnick) is torn between the protection of the two little children (Gerry Stropnick and Michelle D'Andrea) and her desire

for release. Then there is the Son (George Clapper) who struggles with his desire to leave the situation and his ties to the problem.

The conflict comes to the point of which world is real: the cast's or the character's. Whose reality is illusion or whose illusion is reality? Deep questions? Yes! Answerable? Possibly! The only way you will find out is to see it for yourself. This afternoon at 1:30, this Evening May 17 at 8:30 p.m. and tomorrow evening, May 18, at 8:30 p.m.

As the father so pointedly asks, "Who are you?" Can you answer?

students' welfare, and meeting the needs of the individual.

Mr. Robert Kroeckel graduated "cum laude" in math from Drew University and was appointed to PSC in 1962 after being an Assistant Professor of Mathematics at Columbia College, Columbia University, New York. When nominated, Mr. Kroeckel was attributed with patience, understanding, sincerity, and dedication and was described as a model teacher with a willingness to help.

Dr. Gabriel Vitalone joined Paterson State in 1957 and instituted the Paterson Plan which he administers. The students feel that Dr. Vitalone cares about PSC and its students with his "contagious method of exciting any group of students", devotion and dedication.

All three men have the respect and admiration of the student body plus the ingredients which make them PSC's Outstanding Teachers.

GETTING MARRIED . . . ?

It's always less in Europe.  
Now more so.

At the VW factory in Wolfsburg, Germany, the price on a bug has gotten smaller by \$131.50.

It used to cost \$1456. Now it's only \$1324.50.

(In fact, every Volkswagen has a new low price in Europe.)

You can arrange to pick up the VW of your choice in over 40 cities in 15 countries. (And get authorized VW service at more than 4800 places throughout Europe.)

We'll handle everything—delivery, insurance, licensing.

Now we even have a plan for shipping your VW home (including free shipment from the pier in New York to our showroom where you can pick it up).

So if you'd like a VW in Europe, the most trouble you'll have to go to is to come to us.

MATT POWERS VOLKSWAGEN

# POPOW HURLS NO-HITTER

## PSC Puts Pitching And Hitting Together As Season Ends At 12-8

### FRESHMAN PITCHER FANS 13

### AS PIONEERS BEAT HUNTER

By JOHN C. ALFIERI

Ed Popow, freshman southpaw of Paterson State, in his second starting assignment, recorded his first collegiate no-hitter, Saturday, against Hunter College, as he blanked the New Yorkers 7-0. Popow fanned thirteen batters while walking only five. Ed pitched four and one third innings of perfect ball, retiring thirteen batters in a row, before he walked Ira Torbin in the fifth inning. His record now stands at 3-0.

For coach Jim Lepanto this was the first no-hitter to be pitched during his six year coaching career at PSC. Ironically, this is Lepanto's last year as the Pioneer coach, as he moves on to Bergen Community College next fall.

PSC began their scoring attack in the first inning. Torre Puzzo led off with a single and stole second and third base. Joe Gregory walked. On two errors, one of which allowed Puzzo to score, Gregory went to third. Vin Caruso doubled to left, scoring Gregory. Dennis Dework singled to drive in Caruso, and the score stood 3-0, Paterson.

Popow retired the first three men he faced and sent the game into the second inning. Again,

PSC pushed three runs across the plate. Jim Gash doubled and Paul Bruno singled. Popow sacrificed Bruno to second and Gash to third. Puzzo collected two RBI's, driving in Gash and Bruno on a single to left. On a Gregory double, Puzzo scored making it 6-0, PSC.

Paterson scored their last run in the third. Gregory walked and stole second. Art Kinnaugh singled moving Gregory to third. Caruso hit a sacrifice fly to center field which scored Gregory for the seventh run.

In the bottom of the ninth three Hunter batsmen came to bat determined to break Popow's no-hitter. But Eddie bore down and retired the batters, the last of which he struck out, to score his no-hitter. The PSC bench swarmed around Popow, who was awarded the game ball by catcher Paul Bruno. After the brief celebration the team headed home — victorious.

### Popow: 'Not Sure' 'Til Last Out

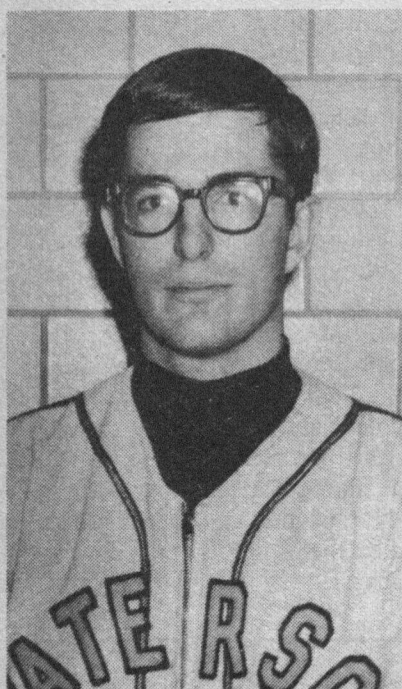

"I wasn't sure until the last out."

These were the words spoken by Ed Popow, the freshman southpaw from Morris Knolls High School, after he pitched his first collegiate no-hitter against Hunter College on Saturday.

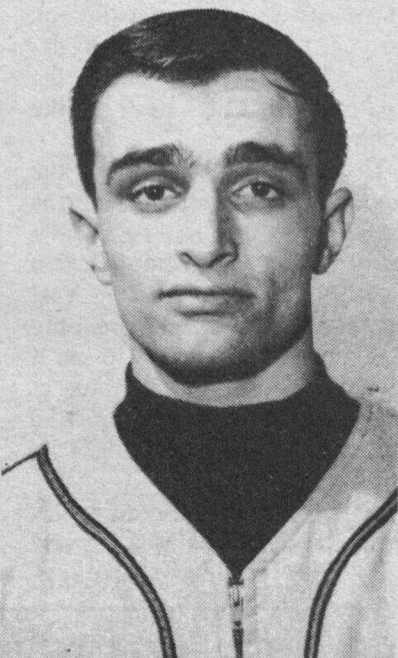

But a no-hitter is nothing new to Popow. Previously, Ed had pitched one in Little League ball and two in Legion play.

Last year he compiled an 8-2 record and led his club to the Iron Area Championship. This year Ed finished with a 3-1 record.

"No-hitter" and quite a hitter

## PSC Takes NSC, USMMA; Bombed By Brooklyn College

By PATTI ATKINSON

Monday afternoon here at the college, PSC's talented batsmen took on the Newark State nine, defeating them in the tenth by a score of 5-4. Paterson's NJSC conference record mark is 6-3 while Newark sports a dismal 1-8.

The Pioneers were the first to score as Bert Butts singled in the second, rounded the next two bases on a Dennis Dework hit and scored on a wild pitch.

Phil Scardilli of Newark singled in the third, slid into second on a wild pitch and got to third on a Tom Hanlon hit. With two away and Scardilli hugging third, Jim Catalano came to bat and hit what appeared to be a sure out at first. Things are not always what they appear to be, and on a Dework error, Scardilli scored and Catalano was safe at first.

On errors by Squire pitcher Tom Murawski, Torre Puzzo rounded the first three bases and crossed the plate via a Joe Gregory single. The score stood 2-1 and the PSC nine continued to widen the margin in the fourth. Dework singled and came down the home stretch on a two-bagger by Jim Gash. Paul Bruno walked and on a wild pitch got to second as Gash slid into third. Puzzo singled Gash across the plate. The Squires staged a double play as Puzzo stole second successfully and then tried for third while Bruno was being tagged out at home. Puzzo slid into third too late and the inning ended with the score standing 4-1.

Newark rallied in the seventh, scoring three runs to tie the game. Al Ramsey singled, Murawski hit a two-bagger, and Bob Leblein walked to load the bases. Bradley, pinch-hitting for Scardilli, doubled driving all three to even up the tally.

In the ninth after he doubled and got to third on a wild pitch, Bob Palestri made a vain attempt to score. Pitcher Tom Dilly threw

home to Bruno, and spikes high, Palestri slid into the plate doing quite a scrape job on Bruno's arm and bringing both teams up off their respective benches.

Only one extra inning was necessary for PSC to prove their stuff. Puzzo singled and swiped second. As he attempted third, the over-anxious Squire catcher threw over the third baseman's head, and Puzzo came down the home stretch to give PSC the 5-4 edge.

### KINNAUGH TOSSES TWO-HITTER

Tuesday, the PSC squad didn't let up as Sophomore Art Kinnaugh pitched the team to a 10-0 victory over the U.S. Merchant Marine Academy, allowing only two hits, no walks, and striking out three.

Paterson wrapped up the win in the fourth courtesy of a Jim Gash triple that drove in two runs.

The Pioneer squad played without error defensively and collected 15 hits on the offense.

The Merchant Marines record is now 2-14 while PSC's overall stands at 12-7. Kinnaugh's record is 1-0.

### PIONEERS THRASHED, 18-3

The Paterson State baseball team traveled to Brooklyn, Thursday, May 9, and were handed an 18-3 thrashing by Brooklyn College. The Brooklynites banged out eighteen hits, all of which were singles, and sent the Pioneers to their third consecutive road loss.

The New Yorkers wasted no time in scoring. They pushed four runs across in the first inning, six in the second, three in the third, one in the fourth, and two in the fifth and sixth innings.

PSC scored one in the fourth, and Art Kinnaugh tripled to drive in two more in the fifth.

Bert Butts was the losing pitcher, and Steve Nathanson won his second game of the season.

## PIONEERS DROP FINAL TO MSC

By PATTI ATKINSON

Montclair—Minus two top hitters, Torre Puzzo and Joe Gregory, the Pioneers went down to defeat at the hands of the Montclair Indians, 4-2, Wednesday afternoon at Montclair.

Montclair scored all their runs in the first two innings. Jim Downing walked and stole second, Frank Rossi walked and likewise swiped the next base. Ken Meek was the third Indian to walk and the bases were loaded. Rich San Filippo came to bat and the Pioneer pitcher Ed Popow walked him, forcing Downing in to score. Jim Nonnemaker hit a two-bagger driving in Rossi and Meek.

In the second, Randy Heidemann walked, pitcher Fred Keimel singled and Downing doubled, enabling Heidemann to cross the plate.

Paterson's offense came alive in the third as Gene Niedzwiecki doubled, slid into third on an error and scored as Popow singled. The second run came in the seventh. Popow walked, Gash singled and on a Paul Bruno hit, Popow crossed the plate for the last tally of the game.

Relief pitcher Pete Jerauld, whose record is 3-2, replaced Keimel on the mound in the seventh.

Three times during the course of the game, it looked as though Paterson's nine might score via a homer as Gash, Kinnaugh, and Spadare hit balls out into centerfield—all just missing the fence.

Paterson State is now 12-8 overall and 6-4 in the conference at the close of a very successful season. The Indians are tied with the Pioneers for second place sporting an identical conference record. Pitcher Fred Keimel struck out fourteen men and was credited with the win, bringing his record to 4-0.
